Profiles of Patriots: A Biographical Reference of American Revolutionary War Patriots and their Descendants Moira Ann Jacobs 2013-08 "Profiles of Patriots: A Biographical Reference of American Revolutionary War Patriots and their Descendants" is a compilation of 39 biographies of American Revolutionary War patriots and includes an introduction and brief history of the El Palo Alto Chapter of the DAR and its founders. This book is a commemorative work celebrating the Chapter's 100th Anniversary of its founding. Each patriot biography summarizes the patriot's service record in the War of Independence as well as key biographical information. In addition, each author of these biographies is a direct descendant of the patriot and provides a summary of their lineage. This book provides a unique look into the history of these rank and file soldiers, officers and other patriots who contributed to the formation of our country as well as insights into their descendants' migrations over many generations.

Light Amid Darkness Daphne Randall 2015-12-08 More than mere autobiography, *Light Amid Darkness* presents an account of an English childhood set in the context of several generations of the Pope, Birkett, and Kelly families--each of which must strive to overcome the challenges, setbacks, and tragedies of their age. It is a tale of human loss and gain, of countless hardships faced and overcome, and of the enduring personal victory of love, hope, faith, and determination. The story commences during the reign of Queen Victoria--at the height of the British Empire--and it concludes during that of her great-granddaughter, the Second Elizabeth--at a time when Britain was coming to terms with the loss of that same empire. The themes of emigration, early life on the Canadian frontier, the promises of young love and the poignancy of love amidst the carnage of the Somme, the joy of marriage and the despair of abandonment, and growing up in wartime England--all are explored in this unique and cogent portrayal of an English childhood.

My Mother's Branch: The Lineage and Life of Carrie Viola Reeves and Her Family Doyle W. Williams 2014-03-11 Doyle Williams has written a family history focusing on his mother, Carrie Viola Reeves, her siblings, Emma, Annie, and Charlie, and her parents, James Morgan Reeves and Sarah Frances Spencer. In this story he describes the turmoil that enveloped James Morgan as a small child in Arkansas during the Civil War and how it took his father's life and the lives of five of his siblings. He follows James Morgan as he moves to Texas with his mother, leaving

home at age ten to find his own way, and returning to Arkansas to grow up and marry. When his wife, Elizabeth Wolf, dies leaving him with a large family to rear, he returns to Texas, where he finds a new wife in Sarah Frances Spencer. James Morgan and Sarah move to Oklahoma Territory in the early 1890s, make their lives there and rear their own family. The author follows the children of James Morgan and Sarah as they grow up, marry, and eventually care for their aging parents. This is the story of an American pioneering family.

Fields and Fencelines Mark E. Hillenbrand 2019-03-06 The family farm was a place to learn values, work ethic, and develop character. For Author Mark Hillenbrand, it was a place where happy childhood memories were created and discipline and routine were important.

Deeply rooted in the hard work of planting and harvesting, raising cattle and chickens, and maintaining the property and machinery, is a sense of responsibility and belonging. His father instilled in him— with words but mostly by example—the importance of cultivating a deep respect and sense of stewardship of the land and its creatures. From Mark's first time driving a tractor at age ten, to tree planting as a young man, to assisting his father during his last harvest, the farm provided life lessons that bound the family together and extend to the next generation. At once nostalgic and realistic, *Fields and Fencelines* is a collection of stories that appeals to a simpler, holistic approach to life and reveals the insight and wisdom gained from growing up on a family farm.

The Lotterys Plus One Emma Donoghue 2017-03-28 The bestselling author of the adult novel *Room* bursts onto the children's book scene with this cross between *Little Miss Sunshine*, *Cheaper by the Dozen*, and *Modern Family*. Sumac Lottery is nine years old and the self-proclaimed "good girl" of her (VERY) large, (EXTREMELY) unruly family. And what a family the Lotterys are: four parents, children both adopted and biological, and a menagerie of pets, all living and learning together in a sprawling house called Camelottery. Then one day, the news breaks that one of their grandfathers is suffering from dementia and will be coming to live with them. And not just any grandfather -- the long dormant "Grumps," who fell out with his son so long ago that he hasn't been part of any of their lives. Suddenly, everything changes. Sumac has to give up her room to make the newcomer feel at home. She tries to be nice, but prickly Grumps clearly disapproves of how the Lotterys live: whole grains, strange vegetables, rescue pets, a multicultural household... He's worse than just tough to get along with -- Grumps has got to go! But can Sumac help him find a home where he belongs?

My Friend Grandpa Harriet Ziefert 2004 Every summer Emma spends a month in the country with Grandpa. Emma enjoys her grandpa and the big tree that lives on his farm. She plays under it, swings from its branches, and climbs up high. One day the tree is struck by lightning and is badly damaged. Emma is heartbroken. Will she ever be able to play in her tree again? Together, she and Grandpa find a way to save the best part of the tree. Robert Wurzburg's evocative illustrations beautifully portray the compelling relationship that exists between Emma and her grandpa.

Frozen Ghost Richmond West, 2022-01-14 *Frozen Ghost* is about three

kids from the tiny hamlet of Eclectic, Alabama--Isaiah, Elijah, and Ruth Knight--who, upon seeing a black ghost dog guarding a Native American and African American slave graveyard, accidentally disturbed that graveyard. The novel is told from the elderly Isaiah Knight's point of view, looking back to when he was thirteen years old. Isaiah and his brother and sister decided to become paranormal investigators and prove the existence of ghosts by gathering electronic voice phenomena. However, they got in over their heads. When their house became haunted, they failed to convince their skeptical half-brother, Harlan Watts. The spirit of their dead mother, frozen by a formula developed by their grandfather, helped them overcome the haunting. But were they prepared for Specter 005, a powerful demonic entity? They also visited two famous ghost sites in Birmingham: the ghost of the murdered May Hawes at East Lake Park and the ghost of the sadistic foreman "Slag" Wormwood at Sloss Furnaces.

His Grandfather's House Ron Fritsch 2017-11-16 The neighbors tell Kurt his grandfather, who has been his guardian since he was four years old, committed a series of crimes to acquire his farm. In this coming-of-age novel, Kurt needs to know if the neighbors' stories are true. The crimes they say his grandfather got away with include fraud, forgery, arson and murder.
