Elizabeth Bishop at Work Eleanor Cook 2016-08-15 Critics and biographers praise Elizabeth Bishop's poetry but have little to say about how it does its sublime work—in the ear and in the mind's eye. Eleanor Cook examines in detail Bishop's diction, syntax, rhythm, and meter, her acute sense of place, and her attention to the natural world. Writers, readers,

and teachers will all benefit.

The First Four Books of Poems William Stanley Merwin 2000 Reintroduces the out-of-print works of one of this century's greatest American poets.

Steady Hands Tracie Vaughn Zimmer 2009 In this collection of free-verse poems, inspired by Walt Whitman's *I Hear America Singing*, Tracie Vaughn Zimmer celebrates workers and the doing of work. The poems are short and direct, with strong, fresh images, and readers can easily imagine themselves in the roles she portrays: welder, librarian, surgeon, retail clerk, camp counselor. The illustrations are as original as the text—amazing multilayered collages made of paper, found objects, ephemera, photographs, dried flowers, and archival images. *Steady Hands* is sure to inspire discussion, creative

writing, art projects, and new answers to the old question: What do you want to do when you grow up?

[A Working Girl Can't Win](#) Deborah Garrison
2009-02-19 Deborah Garrison, whose work as an editor and writer has enlivened the pages of *The New Yorker* for more than a decade, evokes the characters and events of her everyday life with intense feeling and, more important, conjures up the universal dilemmas and pleasures of a young woman trying to come to terms with love and work.

Selected Poems Robert Pinsky 2014-08-19
Intense verbal music with a jazz feeling; invention against the grain of expectation; intelligence racing among materials with the variety of a busy street—these have been the qualities of Robert Pinsky's work since his first book, *Sadness and Happiness* (1975), celebrated for setting a new direction in American poetry.

At that time, responding to a question about that book, Pinsky said: "I would like to write a poetry which could contain every kind of thing, while keeping all the excitement of poetry." That ambition was realized in a new way with each of his books, including the book-length personal monologue *An Explanation of America*; the transformed autobiography of *History of My Heart*; the bestselling translation *The Inferno* of Dante; and, most recently, the savage, inventive *Gulf Music*. That variety and renewal are represented in this brilliantly chosen volume.

An Anthology of Chartist Poetry Peter Scheckner 1989 Chartist poetry was written by and for workers. In contrast with the portrayal of workers by mainstream Victorian writers, Chartist verse is intellectual, complex, and socially conscious and reflects an international outlook.

The Yeoman's Work Garrett Stack 2020-07-20
Stunning and meaningful poems by a young poet with fresh eyes and a strong sense of people and

place.

Work and Days Tess Taylor 2016 A poet hailed as "stunning" reveals a fierce and sensual intelligence in a meditation about farming, reproducing, and what it means to try to forge a relationship with the earth.

The Collected Poems and Prose of Jupiter

Hammon Jupiter Hammon 2021-05-21 The Collected Poems and Prose of Jupiter Hammon compiles the works of Jupiter Hammon, America's first published black writer. When his poem "An Evening Thought: Salvation by Christ, with Penitential Cries" appeared in print as a broadside in 1761, Hammon unknowingly changed American literature for generations to come. Born into slavery, Hammon was a highly talented poet and preacher whose subtle criticism of slavery employed Christian symbolism and promoted a vision of salvation through determination and faith in God. In 1786, Hammon gave "An Address to the Negroes in the State of New York" at the inaugural assembly of

the African Society of New York City. In it, he proclaimed that "If we should ever get to Heaven, we shall find nobody to reproach us for being black, or for being slaves." His message of hope and spiritual uplift employed Christian theology while responding to the needs and desires of enslaved African Americans. In "An Address to Miss Phillis Wheatley," Hammon harnesses the communicative power of poetry to acknowledge and praise a pioneering young poet: "While thousands muse with earthly toys; / And range about the street, / Dear Phillis, seek for heaven's joys, / Where we do hope to meet." Through this shared passion for poetry and belief in life after death, the two poets—who never did meet in life—join in mind and in spirit despite their earthly status as slaves. Through humility and hope, Hammon expresses his solidarity with a kindred soul while igniting and inspiring countless others. With a beautifully designed cover and professionally typeset manuscript, this edition of The Collected Poems

and Prose of Jupiter Hammon is a classic of African American literature reimagined for modern readers.

Domestic Work Natasha Trethewey 2000-08 In this debut collection, Natasha Trethewey draws moving domestic portraits of families, past and present, caught in the act of earning a living and managing their households. Small moments taken from a labour-filled day reveal the equally hard emotional work of memory and forgetting, and the extraordinary difficulty of trying to live with or without someone.

Shift Work Bobby C. Rogers 2022-03-02 Shift Work gathers a chorus from the storytelling working classes of the Upper South. In narrative poems made of sinewy, Whitmanesque lines, Bobby C. Rogers composes portraits of dwellers in the small towns, unincorporated communities, and hard-edged cities they have flown to, always packing their past with them, an inheritance as ephemeral as vapor, made mostly of memory even as it was being lived.

You Work Tomorrow John Marsh 2007 The first-ever anthology of American labor poetry of the Great Depression

Employed; Poems James Bertolino 1972

Life Is Employed William Flewelling 2016-11-16 Faces and actions of people and animals; the flair of nature and the subtleties of interaction; the way life arrives for me to observe and live, to hear and sense, to engage that is what spawns my poetry. Those poems selected and chosen from a past, with a few more contemporary in their lure to me and my pencil, are drawn together in this collection as a sampler of my engagement with life. I hope you find them engaging and inviting so that you may entertain the actions of the poem as it writes itself upon your mind, creating there your own experience of life, readying for the open engagement with what life directly brings to bear upon you.

The Book of Jobs Kathryn Maris 2006 A collection of poems about people at work in a

variety of occupations.

Work-a-day Poems Fançhon 1895

Moving to Find Work Naton Leslie 2000 Poetry.
Nate Leslie's poems deal with the gritty world of strikes, car breakdowns, truckstops and razed buildings - true American epiphanies - and even better, he writes about this world with a sure rhythm and word music than turns these ordinary scenes into rich delights of poetry. -- Len Roberts. These poems...have attitude - a straight ahead honesty and an earned (and paid for) clarity that is admirable and sharp. They hit hard and fast and ask only to be taken on their own considerable strength -- Robert DeMott.
Love and Other Poems Alex Dimitrov 2021-02-18
Alex Dimitrov's third book, *Love and Other Poems*, is full of praise for the world we live in. Taking time as an overarching structure—specifically, the twelve months of the year—Dimitrov elevates the everyday, and speaks directly to the reader as if the poem were a phone call or a text message. From the

personal to the cosmos, the moon to New York City, the speaker is convinced that love is “our best invention.” Dimitrov doesn't resist joy, even in despair. These poems are curious about who we are as people and shamelessly interested in hope.

Millrat Michael Casey 2021-12-15 In "Millrat," poet Michael Casey accounts for the working days and interior lives of fellow laborers in a textile factory on the Merrimack River in Lowell, Massachusetts. As he does in his remarkable collection of poems "Obscenities" (Yale Younger Poet Award, 1972) that brought the Vietnam War home to readers, Casey makes the shop floor come alive in the voices of co-workers and vivid scenes behind the brick wall of the mill. The episodes are frighteningly dangerous, wildly funny, and distinctly mundane as employees perform tasks and navigate the occupational power structure. This special 25th anniversary edition includes reprints of book reviews dating to the first printing in 1996 and new

commentary by writers who know him, in particular the editor/publisher of "Millrat" in the original. The book has been called "authentic," "a genuine work of art," and "classic." Casey draws on summer job experiences when he was in college in the 1960s, a period when the last of the Lowell mills were hanging on.

For a Living Nicholas Coles 1995 In this companion volume to their anthology "Working Classics," Nicholas Coles and Peter Oresick present poems written in the 1980s and 1990s that address the nature and culture of nonindustrial work--white collar, domestic, clerical, technical, managerial, or professional. They cross lines of status, class, and gender and range from mopping floors to television news reporting, Wall Street brokerage, and raising children.

The Prophet Kahlil Gibran 1923 Offering inspiration to all, one man's philosophy of life and truth, considered one of the classics of our time.

My Work Days and Random Poems C. G.

2008-01-01

What Work Is Philip Levine 2011-08-31 Winner of the National Book Award in 1991 "This collection amounts to a hymn of praise for all the workers of America. These proletarian heroes, with names like Lonnie, Loo, Sweet Pea, and Packy, work the furnaces, forges, slag heaps, assembly lines, and loading docks at places with unglamorous names like Brass Craft or Feinberg and Breslin's First-Rate Plumbing and Plating. Only Studs Terkel's *Working* approaches the pathos and beauty of this book. But Levine's characters are also significant for their inner lives, not merely their jobs. They are unusually artistic, living 'at the borders of dreams.' One reads *The Tempest* 'slowly to himself'; another ponders a diagonal chalk line drawn by his teacher to suggest a triangle, the roof of a barn, or the mysterious separation of 'the dark from the dark.' *What Work Is* ranks as a major work by a major poet . . . very accessible and utterly

American in tone and language.” —Daniel L. Guillory, *Library Journal*

Still Working It Out Brad Davis 2014-04-08 In various voices and with a range of strategies, these poems speak of and into the collisions we experience day in and day out--collisions with nature, art, language, religion, family, imagination, new and old ways of seeing and navigating the world--collisions that result in loss and sadness, confusion and laughter, gratitude and amazement. *Still Working It Out*, a collection that moves freely between memory and invention, embodies a faithful struggle to attend to and engage life with all senses on high alert for what may crush or sustain or gloriously transfigure.

An Idyl of Work (1875) Lucy Larcom 2008-08-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

Working-Class Women Poets in Victorian Britain Florence S. Boos 2008-06-12 Though working-class women in the nineteenth century included many accomplished and prolific poets, their work has often been neglected by critics and readers in favour of comparable work by men. Questioning the assumption that few poems by working-class women had survived, Florence Boos set out to discover supposedly

lost works in libraries, private collections, and archives. Her years of research resulted in this anthology. *Working-Class Women Poets in Victorian Britain* features poetry from a variety of women, including an itinerant weaver, a rural midwife, a factory worker protesting industrialization, and a blind Scottish poet who wrote in both the Scots dialect and English. In addition to biographical information and contemporary reviews of the poets' work, the anthology also includes several photographs of the poets, their environment, and the journals in which their poems appeared.

Working Hard for the Money Mary E. Weems 2002 Poetry. Fiction. Art. Subtitled "America's Working Poor in Stories, Poems, and Photos." Contributors to this volume come from all over the U.S., bringing to their writing diverse experiences involving community work or lived experience with social challenge. In her "Recipe for Wanda Coleman" contributor Coleman writes: "Take 18 years in the racist Los Angeles

School System during the 50's-60's, add a thatch of hair that always goes back to Africa and a body that bursts all seams, stir in a tablespoon of allergic dermatitis, a pinch of honesty, a cup of chopped integrity and a half pint of Edgar Allen Poe." Contributors include Paul Allen, Mary E. Weems, Larry Smith, A.D. Winans, Victoria Rivas, and more.

Going for Coffee Tom Wayman 1981

The Working Poet II Scott Minar 2014 The Working Poet II's exercise section features "best practice" writing prompts and instructions from Robin Becker, Jan Beatty, Iilya Kaminsky, Charles Harper Webb, Richard Jackson, Andrea Hollander, Paula Closson Buck, Phyllis Koestenbaum, Marjorie Maddox, Emily Rosko, John Gallaher, Sharona Muir, Lawrence Raab, Natasha Sajé, Cathy Smith Bowers, Edward Dougherty, Neil Carpathios, Elizabeth Dodd, Gary Margolis, Sebastian Mathews, Dzvinia Orłowsky, Pen Pearson, Jon Pineda, and more.

The Newest Employee of the Museum of

Ruin Charlie Clark 2020 "In The Newest Employee of the Museum of Ruin, poet Charlie Clark interrogates masculinity, the pastoral, the lasting inheritance of one's lineage, and the mysterious every day. His speaker, ever aware of impending ruin, experiences a landscape colored by anxiety. But his speaker is also self-aware, curious and trying to refrain from too much self-judgement: "I am sorry / for this cruel wish, but I want my life to outlast / bitterness." The speaker turns over and over the materials of culture, asking what pleasure it creates, replicates, diminishes, or destroys. When the tension runs too high, the poet creates moments of relief: "Suffering is not a philosophy any more than rain is." Readers follow a speaker searching for ways to enjoy living within a damaged and declining world. Rich in image and wide-eyed, the beautiful, the plain, the ugly coexist in a debut collection 15 years in the making"--

Jim Harrison: Complete Poems Jim Harrison 2021-12-20 Starred Review from Booklist: "This

robust volume is a testament to the fortitude of a great American poet's work... [a] landmark collection." From the Introduction by Terry Tempest Williams: "Jim Harrison...was among the great ones—an elevated soul in all his unruliness who favored his senses and courted the wild on the page and in the world. His was a storied life that loomed large, and we are the beneficiaries. 'Such a powerful wounded poet—wrote as if he had to sing with a cut throat . . . and he did have to sing,' said Jorie Graham." Jim Harrison: Complete Poems is the definitive collection from one of America's iconic writers. Introduced by activist and naturalist writer Terry Tempest Williams, this tour de force contains every poem Harrison published over his fifty-year career, as well as a section of previously unpublished "Last Poems." Here are the nature-based lyrics of his early work, the high-velocity ghazals, a harrowing prose-poem "correspondence" with a Russian suicide, the riverine suites, fearless meditations inspired by

the Zen monk Crazy Cloud, and a joyous conversation in haiku-like gems with friend and fellow poet Ted Kooser. Weaving throughout these 1000 pages are Harrison's legendary passions and appetites, his love songs and lamentations, and a clarion call to pay attention to the life you are actually living. Jim Harrison: Complete Poems confirms that Jim Harrison is a talented storyteller with a penetrating eye for details, or as Publishers Weekly called him, "an untrammelled renegade genius... a poet talking to you instead of around himself, while doing absolutely brilliant and outrageous things with language." NOTE: Jim Harrison: Complete Poems also appears as a three-volume box set. Print run limited to 750 copies. Each volume is introduced by a different writer: Colum McCann, Joy Williams, and John Freeman. The box set retails for \$85 and ISBN is 9781556596414.

Free Union John Casteen 2009 The poems in this debut collection revolve around physical work, the Appalachian landscape, and family

relationships. Casteen, for ten years a designer and builder of custom furniture, ranges from the farm to the shop floor, from the rivers of the Piedmont to the wooded shoulders of the Blue Ridge, and from the hyperattentiveness of childhood through the anxieties and joys of fatherhood.

Ten Poems about Work Selected 2021-06-25

Directed by Desire June Jordan 2012-12-28

"Directed by Desire . . . is a powerful addition to the entire canon of American poetry."—Booklist Now in paperback, *Directed by Desire* is the definitive overview of June Jordan's -poetry. Collecting the finest work from Jordan's ten volumes, as well as dozens of "last poems" that were never published in Jordan's lifetime, these more than six hundred pages overflow with intimate lyricism, elegance, fury, meditative solos, and dazzling vernacular riffs. As Adrienne Rich writes in her introduction, June Jordan "wanted her readers, listeners, students, to feel their own latent power—of the word, the deed,

of their own beauty and intrinsic value." From "These Poems": These poems they are things that I do in the dark reaching for you whoever you are and are you ready? The cloth edition of *Directed by Desire* was selected as a Library Journal Poetry Book of the Year and received the Lambda Book Award for Lesbian Poetry. June Jordan taught at UC Berkeley for many years and founded Poetry for the People. Her twenty-eight books include poetry, essays, fiction, and children's books. She was a regular columnist for *The Progressive* and a prolific writer whose articles appeared in *The Village Voice*, *The New York Times*, *Ms. Magazine*, and *The Nation*. After her death in 2002, a school in the San Francisco School District was renamed in her honor.

Poetry at Work Glynn Young 2013-11 There is value in taking poetry to work, and finding the poetry that's already there. Publications like "Harvard Business Review" and "FastCompany" are starting to write about the power of poetry-

noting poetry's effectiveness in building creative thinkers and problem solvers. Yet there is no single source to guide those who are *at work* every day, with little direction for how to explore the power of poetry in the workplace. Glynn Young's "Poetry at Work" is that guide. From discussions about how poetry is built into the very fabric of work, to practical suggestions on how to be a poet at work, this is a book that meets a very real need. Altogether-a landmark book that moves beyond David Whyte's seminal book on poetry and the corporate world. More than just philosophy, this book brings the hope of practice and surprising discovery, the benefits of stress relief and increased accomplishment. *** The Masters in Fine Living Series is designed to help people live a whole life through the power of reading, writing, and just plain living. Look for titles with the tabs "read, write, live, play, learn, " or "grow"-and join a culture of individuals interested in living deeply, richly.
