The Answer / La Respuesta (Expanded Edition) Sor Juana Inés de la Cruz 2009-06-01 Defiant writing by the first feminist of the Americas—the Mexican nun Sor Juana Inés de la Cruz—in response to the church officials that tried to silence her. Known as the first feminist of the Americas, the Mexican nun Sor Juana Inés de la Cruz enjoyed an international reputation as one of the great lyric poets and dramatists of her time. *The Answer/La Respuesta* (1691) is Sor Juana's impassioned response to years of attempts by church officials to silence her. While earlier translators have ignored Sor Juana's keen awareness of gender, this volume brings out her own emphasis and diction, and reveals the remarkable scholarship, subversiveness, and even humor she drew on in defense of her cause. This expanded, bilingual edition combines new research and perspectives on an inspired writer and thinker. It includes the fully annotated primary text responding to the church officials; the letter that ultimately provoked the writing of *The Answer*; an expanded selection of poems; an updated bibliography; and a new preface.

One Hundred Years of Solitude Gabriel García Márquez 2022-10-11 One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

Upside Down Eduardo Galeano 2014-05-13 From the winner of the first Lannan Prize for Cultural Freedom, a biting funny, kaleidoscopic vision of the first world through the eyes of the third Eduardo Galeano, author of the incomparable *Memory of Fire* Trilogy, combines a novelist's intensity, a poet's lyricism, a journalist's fearlessness, and the strong judgments of an engaged historian. Now his talents are richly displayed in *Upside Down*, an eloquent, passionate, sometimes hilarious exposé of our first-world privileges and assumptions. In a series of lesson plans and a "program of study" about our beleaguered planet, Galeano takes the reader on a wild trip through the global looking glass. From a master class in "The Impunity of Power" to a seminar on "The Sacred Car"--with tips along the way on "How to Resist Useless Vices" and a declaration of "The Right to Rave"--he surveys a world unevenly divided between abundance and deprivation, carnival and torture, power and helplessness. We have accepted a reality we should reject, Galeano teaches us, one where machines are more precious than humans, people are hungry, poverty kills, and children toil from dark to dark. A work of fire and charm, *Upside Down* makes us see the world anew and even glimpse how it might be set right. "Galeano's outrage is tempered by intelligence, an ineradicable sense of humor, and hope." -Los Angeles Times, front page

Las Ninfas Francisco Umbral 2003 La prosa magistral de Umbral nos devuelve a ese adolescente que mira hacia el niño que ha sido y los trenes que se cruzan en su camino, un adolescente que crece al pasar las páginas y va cambiando su ilusión de ser sublime sin interrupción por el deseo de la mujer amada y el placer de compartir las aventuras con los amigos, en una noche de verano, en una atmósfera donde al negro se le transparentaba el azul. Una novela fresca y sugerente como sólo es la gran literatura.

Law's Stories Peter Brooks 1996-01-01 The law is full of stories, ranging from the competing narratives presented at trials to the Olympian

historical narratives set forth in Supreme Court opinions. How those stories are told and listened to makes a crucial difference to those whose lives are reworked in legal storytelling. The public at large has increasingly been drawn to law as an area where vivid human stories are played out with distinctively high stakes. And scholars in several fields have recently come to recognize that law's stories need to be studied critically. This notable volume—inspired by a symposium held at Yale Law School—brings together an exceptional group of well-known figures in law and literary studies to take a probing look at how and why stories are told in the law and how they are constructed and made effective. Why is it that some stories—confessions, victim impact statements—can be excluded from decisionmakers' hearing? How do judges claim the authority by which they impose certain stories on reality? *Law's Stories* opens new perspectives on the law, as narrative exchange, performance, explanation. It provides a compelling encounter of law and literature, seen as two wary but necessary interlocutors. Contributors: J. M. Balkin, Peter Brooks, Harlon L. Dalton, Alan M. Dershowitz, Daniel A. Farber, Robert A. Ferguson, Paul Gewirtz, John Hollander, Anthony Kronman, Pierre N. Leval, Sanford Levinson, Catharine MacKinnon, Janet Malcolm, Martha Minow, David N. The Time In Between David Bergen 2007-12-18 In search of love, absolution, or forgiveness, Charles Boatman leaves the Fraser Valley of British Columbia and returns mysteriously to Vietnam, the country where he fought twenty-nine years earlier as a young, reluctant soldier. But his new encounters seem irreconcilable with his memories. When he disappears, his daughter Ada, and her brother, Jon, travel to Vietnam, to the streets of Danang and beyond, to search for him. Their quest takes them into the heart of a country that is at once incomprehensible, impassive, and beautiful. Chasing her father's shadow for weeks, following slim leads, Ada feels increasingly hopeless. Yet while Jon slips into the urban nightlife to avoid what he most fears, Ada finds herself growing closer to her missing father — and strong enough to forgive him and bear the heartbreaking truth of his long-kept secret. Bergen's marvellously drawn characters include Lieutenant Dat, the police officer who tries to seduce Ada by withholding information; the boy Yen, an orphan, who follows Ada and claims to be her guide; Jack Gouds, an American expatriate and self-styled missionary; his strong-willed and unhappy wife, Elaine, whose desperate encounters with Charles in the days before his disappearance will always haunt her; and Hoang Vu, the artist and philosopher who will teach Ada about the complexity of love and betrayal. We also come to learn about the reclusive author Dang Tho, whose famous wartime novel pulls at Charles in ways he can't explain. Moving between father and daughter, the present and the past, *The Time in Between* is a luminous, unforgettable novel about one family, two cultures, and a profound emotional journey in search of elusive answers.

The Vineyard María Dueñas 2017 New York Times bestselling author Maria Duenas returns with *The Vineyard*, a magnificent story of ambition, heartbreak, and desire set in the 1860s Mexico, Cuba, and Spain—perfect for fans of Kate Morton and Kristin Hannah. Mauro Larrea's fortune, the result of years of hardship and toil, comes crashing down on the heels of a calamitous event. Swamped by debt and uncertainty, he gambles the last of his money in a daring play that wins him an abandoned house and a vineyard an ocean away. Mauro travels to Andalusia de Jerez in Spain with every intention of selling the property and returning to Mexico. That is, until he meets the unsettling Soledad Montalvo, the wife of a London wine merchant, who bursts into his life

unannounced, determined to protect her family's legacy. Before long, Larrea finds himself immersed in the rich culture of the sherry trade. As his feelings for Soledad ripen into a consuming passion, he seeks to restore the vineyard to its former glory. From the turbulent young Mexican republic to flourishing Havana, and onward to the fertile vineyards of Jerez in the second half of the nineteenth century, Maria Duenas's new novel takes place on both sides of the Atlantic, the New World and the Old. This story of family intrigue vividly conjures the noise and grit of silver mines, and the earthier lure of ancient vineyards and magnificent cities whose splendor has faded. Here is a story of courage in the face of adversity and of a destiny forever altered by the force of passion.

Juan Gregorio Palechor Myriam Jimeno 2014-02-10 The Colombian activist Juan Gregorio Palechor (1923–1992) dedicated his life to championing indigenous rights in Cauca, a department in the southwest of Colombia, where he helped found the Regional Indigenous Council of Cauca. Recounting his life story in collaboration with the Colombian anthropologist Myriam Jimeno, Palechor traces his political awakening, his experiences in national politics, the disillusionment that resulted, and his turn to a more radical activism aimed at confronting ethnic discrimination and fighting for indigenous territorial and political sovereignty. Palechor's lively memoir is complemented by Jimeno's reflections on autobiography as an anthropological tool and on the oppressive social and political conditions faced by Colombia's indigenous peoples. A faithful and fluent transcription of Palechor's life story, this work is a uniquely valuable resource for understanding the contemporary indigenous rights movements in Colombia.

The Heart Has Its Reasons Maria Duenas 2014-11-11 Declared “a writer to watch” (Publishers Weekly, starred review), New York Times bestselling author María Dueñas pours heart and soul into this story of a woman who discovers the power of second chances. A talented college professor in Madrid, Blanca Perea seems to have it all. But her world is suddenly shattered when her husband of twenty years leaves her for another woman. Questioning the life she once had and whether she truly knows herself, Blanca resolves to change her surroundings. She accepts what looks like a boring research grant in California involving an exiled Spanish writer who died decades ago. Anxious to leave her own troubled life behind, she is gradually drawn into his haunted world, with its poignant loves and unfulfilled ambitions. But in delving into the past, Blanca finds herself simultaneously awakened to the present by Daniel Carter, a charismatic professor with crucial knowledge about the dead writer that he has never before revealed. Amid this web of passion, conflict, and hidden feelings, including her own, Blanca advances like an avid detective, refusing to quit, and ultimately discovers startling answers that resonate deeply in her own life. Evocative, lyrical, and humorous, *The Heart Has Its Reasons* is a journey of the soul from the pangs of the past to the vibrant present. It is a story about the thrill of creating one's life anew.

Palm Trees in the Snow Luz Gabás 2015-10-20 Letters from the past transport a young Spanish woman into the mysterious lives of her father and her uncle during the waning years of colonial rule in Guinea When Clarence comes upon a series of letters from her family's past, she starts to piece together the story of her father's travels with his brother, and she becomes curious about her origins. Sifting through the clues and assembling the narrative, Clarence embarks on a journey to the exotic African isle of Fernando Poo, where the 2 brothers, Jacobo and Kilian, landed after fleeing their conventional, safe lives in the Spanish Pyrenees. A secret rests at the heart of this tale as it moves back and forth between generations and spaces. For Clarence, in 2003, the life that Jacobo and Kilian created 50 years ago on the island as 2 expatriate cocoa cultivators starts to unfold. The brothers explore a culture that is starkly different from Spain, and in the midst of discovering what it means to grow the perfect cocoa beans, they build a strong friendship—and learn the dangers and delights of forbidden love.

The Revolutionaries Try Again Mauro Cardenas 2016-08-15 Extravagant, absurd, and self-aware, *The Revolutionaries Try Again* plays out against the lost decade of Ecuador's austerity and the stymied idealism of three childhood friends—an expat, a bureaucrat, and a playwright—who are as sure about the evils of dictatorship as they are unsure of everything else, including each other. Everyone thinks they're the chosen ones, Masha wrote on Antonio's manuscript. See *About Schmidt* with Jack Nicholson. Then she quoted from *Hope Against Hope* by Nadezhda Mandelstam,

because she was sure Antonio hadn't read her yet: Can a man really be held accountable for his own actions? His behavior, even his character, is always in the merciless grip of the age, which squeezes out of him the drop of good or evil that it needs from him. In San Francisco, besides the accumulation of wealth, what does the age ask of your so called protagonist? No wonder he never returns to Ecuador. Mauro Javier Cardenas grew up in Guayaquil, Ecuador, and graduated with a degree in Economics from Stanford University. Excerpts from his first novel, *The Revolutionaries Try Again*, have appeared in *Conjunctions*, the *Antioch Review*, *Guernica*, *Witness*, and *BOMB*. His interviews and essays on/with László Krasznahorkai, Javier Marias, Horacio Castellanos Moya, Juan Villoro, and Antonio Lobo Antunes have appeared in *Music & Literature*, *San Francisco Chronicle*, *BOMB*, and the *Quarterly Conversation*.

The Underdogs Mariano Azuela 2008-07-29 The greatest novel of the Mexican Revolution, in a brilliant new translation by an award-winning translator *The Underdogs* is the first great novel about the first great revolution of the twentieth century. Demetrio Macias, a poor, illiterate Indian, must join the rebels to save his family. Courageous and charismatic, he earns a generalship in Pancho Villa's army, only to become discouraged with the cause after it becomes hopelessly factionalized. At once a spare, moving depiction of the limits of political idealism, an authentic representation of Mexico's peasant life, and a timeless portrait of revolution, *The Underdogs* is an iconic novel of the Latin American experience and a powerful novel about the disillusionment of war.

From Silver Screen to Spanish Stage Stuart Nishan Green 2011-05-31 This is the first book-length English-language study of a group of five artists closely linked with the Spanish avant-garde in the 1920s and 1930s, now known as the 'Other' Generation of 27. In the same way that their contemporaries of the celebrated Generation of 27 (which included Federico Garcia Lorca) attempted a revolution of the arts through poetry inspired by European modernism, the 'Other' Generation of 27 attempted to renovate Spanish humour, first in prose, and then in the theatre and cinema. This book demonstrates how these humorists drew on the humour of Chaplin, Keaton, Lubitsch and the Marx Brothers for their stage comedy, and how they stretched the limits of the stage at the time by incorporating cinematic techniques, such as flashback, voice-overs and montage, in their search for new dramatic forms.

Narcoland Anabel Hernandez 2013-09-10 The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names - not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels."

2666 Roberto Bolaño 2013-07-09 A NATIONAL BOOK CRITICS CIRCLE AWARD WINNER THE POSTHUMOUS MASTERWORK FROM "ONE OF THE GREATEST AND MOST INFLUENTIAL MODERN WRITERS" (JAMES WOOD, THE NEW YORK TIMES BOOK REVIEW) Composed in the last years of Roberto Bolaño's life, *2666* was greeted across Europe and Latin America as his highest achievement, surpassing even his previous work in its strangeness, beauty, and scope. Its throng of unforgettable characters includes academics and convicts, an American sportswriter, an elusive German novelist, and a teenage student and her widowed, mentally unstable father. Their lives intersect in the urban

sprawl of Santa Teresa—a fictional Juárez—on the U.S.-Mexico border, where hundreds of young factory workers, in the novel as in life, have disappeared.

In the Time of the Butterflies Julia Alvarez 2010-01-12 Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo." (Concepción de León, *New York Times*) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas*—the *Butterflies*. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred *Butterflies* live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, *The New York Times Book Review* "This Julia Alvarez classic is a must-read for anyone of Latinx descent." —Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." —People "Shimmering . . . Valuable and necessary." —Los Angeles Times "A magnificent treasure for all cultures and all time." —St. Petersburg Times "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."—Cosmopolitan.com
