**College Study** Sally A. Lipsky 2007

**Keys to Effective Learning** Carol Carter 2011

This book focuses on developing effective learning techniques to help students excel in school and throughout their lives. Unlike traditional study skills books, this one emphasizes how people learn effectively by involving them in the active process of mastering their thinking, self-management, and academic skills and their personal initiative and persistence. **KEY TOPICS:** The authors outline getting ready to learn through building habits for success, self-awareness, goal setting, time and money management, learning preferences,

critical and creative thinking, reading and studying skills, memory, listening, taking notes, test preparation, test taking, succeeding on group projects, and lifelong learning. **MARKET:** For individuals interested in effective learning techniques, especially first generation or academically underprepared students who need strong study skills emphasis.

Flemming Guide to Reading Texts 3rd  
Edition** Wong 2004-06-01

**Keys to Effective Learning: Study Skills and  
Habits for Success** Carol J. Carter 2013-10-03

For courses in Study Skills, Student Success, Freshman Seminar or “University 101”. The sixth edition is geared to students who are academically underprepared for college-level

studies, especially first-generation and at-risk students. The text helps students build habits for success and develop the thinking, self-management, and study skills they need to succeed academically, and has been streamlined to focus more on essential study skills, with greater coverage of memory, studying, reading, and test-taking. It retains its acclaimed simple-to-use Critical and Creative Thinking coverage, and adds relevance by addressing the two greatest barriers to staying in school—time and money management. Understanding how you think is key; this revision promotes students' self-awareness, and offers a pre- and post-course assessment. The Habits for Success theme is more integrated and practical to ensure students develop the tools needed to increase their preparedness, confidence, and commitment to learning. Students and Faculty alike are encouraged to visit the central website for all Keys franchise materials, [www.carterkeys.com](http://www.carterkeys.com), where you can correspond with the author team,

view their speaking calendar, benefit from current articles, and more! TECHNOLOGY OFFERING: MyStudentSuccessLab is available with this book upon request. It is an online solution designed to help students 'Start strong, Finish stronger' by building skills for ongoing personal and professional development.
