**Trivial Pursuit Ultimate Puzzle Book** Editors of Media Lab Books 2020-02-25 Get ready to give your brain a workout! The Trivial Pursuit Ultimate Puzzle Book includes more than 200 word puzzles that put a spin on what puzzle fans might normally expect. Each puzzle is designed so that trivia is the basis for each answer. So, for example, instead of providing a list of words for a word search, this book provides a list of trivia questions, with the answers hidden within the puzzle. Similarly, the answers in a list of word jumbles might all relate to a general trivia question - such as "What were the names of the first 20 presidents of the United States." Each puzzle is categorized by theme, as in the classic Trivial Pursuit game, which covered geography, entertainment, history, arts & literature, science & nature, and sports & leisure. General trivia questions will be spotlighted in bursts throughout the book for added fun! It's a ton of brain-teasing fun that turns classic tabletop trivia into "do anywhere" pencil puzzle entertainment.
