

Essentials Of Canadian Politics And Government

Democratic Government and Politics James A. Corry
1951-12-15 Completely revised and enlarged edition (1951) of a book which has become a standard work on comparative government. This edition brings up to date the material on institutions and practices of government in Britain, the United States, and Canada, and analyses more fully the relationship of democratic institutions and practices to the essentials of the democratic creed.

Inside Canadian Politics Alex Marland 2020-03-16
Contemporary and accessible, *Inside Canadian Politics* provides a fresh perspective on the institutions and issues at the heart of our political system. This text explores key concepts and topics in Canadian politics from federalism, regionalism, Indigeneity, and diversity, to

the party system, media and political communication, and elections. Each chapter invites students to debate and discuss the effectiveness of government mechanisms in the daily lives of Canadians. This new edition has been fully updated to include the political realities of Canada today, including discussion of fakenews, the effects of social media on democracy, issues surrounding resource development and climate change, and the renegotiation of crucial trade agreements.

Canadian Democracy Stephen Brooks 2017-03-15 Exploring the essential components of politics and government in Canada, this clearly written

and concise version of Canadian Democracy presents an accessible, fully up-to-date overview of the values, processes, institutions, and contemporary issues that give rise to Canadian democracy and define Canada on the world stage.

Federalism Jennifer Smith 2004 In a world where federal states seem to exist precariously, politicians and academics from around the globe continue to look to Canada as a model of federalism. And yet, our own system of organization and governance also appears strained: Quebec nationalism, First Nations' claims, the regionalization of party politics, and the uneven and shifting delivery of essential services have all altered the face of federal politics. *Federalism* explains how Canada came to be a federation (what reasons there were for it, and against it, historically); what the challenges to federalism currently are; and how we might fortify some areas of

weakness in the federal system. Jennifer Smith argues that federalism is part of the democratic problem now; however, reformed, it can be part of the solution. Since theorists disagree on the democratic credentials of federalism, it is essential to look at how a real federal system operates. Smith examines the origins of Canadian federalism and its special features, then analyzes it in relation to the benchmarks of the Canadian Democratic Audit project: responsiveness, inclusiveness, and participation. Finding that Canadian federalism falls short on each benchmark, she recommends changes ranging from virtual regionalism to a Council of the Federation that includes Aboriginal representatives. Democracy is about more than the House of Commons or elections. It is also about federalism. This sparkling account of Canadian federalism is a must-read for students and scholars of Canadian politics, politicians and policymakers, and those

who care about Canadian democracy.

Canadian Democracy Professor of Political Science Stephen Brooks 2013-03-11 a href="http://www.oupcanada.com/ebrochure/brooks_concise/index.html"img src="/images/hed/closer_look_btn.gif"/aExploring the essential components of politics and government in Canada, this highly readable concise version of Canadian Democracy presents a clear, accessible, and fully up-to-date overview of the values, processes, institutions, and contemporary issues that give rise to Canadian democracy and define Canada on the world stage.

Laurier: A Study in Canadian Politics John Wesley Dafoe 2022-08-01 DigiCat Publishing presents to you this special edition of "Laurier: A Study in Canadian Politics" by John Wesley Dafoe. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern

format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Understanding Canadian Federalism Gregory J. Inwood 2012-09-28 Understanding Canadian Federalism provides an accessible and straightforward overview of the complex world of Canadian federalism and intergovernmental relations. Its boxed features, reader-friendly language, and interrogative style make the book an engaging and lively read. Understanding Canadian Federalism deals thematically with the theoretical and practical issues that have shaped, and continue to confront, Canadian federalism and presents them through the lens of a political economy perspective. It provides an understanding of the essential elements of Canadian federalism will grant readers a solid foundation in the intergovernmental issues that

shape Canadian politics. The Invisible Crown David E. Smith 1995 The Crown is not only Canada's oldest continuing political institution, it is also its most pervasive, touching the operation of Parliament and the legislatures, the executive, the bureaucracy, the courts, and federalism. However many consider the Crown remote and anachronistic, requiring explanation. There are few studies of the Crown in Canada; the few that exist tend to see the Crown in symbolic terms, such as a bond of national unity. David E. Smith adopts a new perspective on the place of the Crown in Canadian politics - not in the form of the office of governor general nor in the person of the sovereign, but as a structuring principle of government in Canada. The influence of the Crown, he argues, pervades all aspects of government, be it the legislative or administrative process, the legal system or the conduct of Canadian federalism. Yet, despite this essential place in the

constitutional order, its influence remains largely invisible behind the shield of responsible government. In fact, Smith traces Canada's distinctive form of federalism - with highly autonomous provinces - to the influence of the Crown. Canada, he states, is best understood as a system of compound monarchies. Based on archival research in Canada, and in Australia, The Invisible Crown assesses the contribution the Crown makes to a powerful executive in a system of parliamentary government. It concludes that the Crown has influenced the development of Canadian politics, and, the strength of that influence is a function of Canada's unique societal, geographic, and economic conditions.

Canadian Democracy from the Ground Up Elisabeth Gidengil 2014-01-01 Canada is often held up as an example of a healthy democracy. However, the Canadian public is less enthusiastic about the way our democracy works. This first-of-a-kind book approaches the

“democratic deficit” from the perspective of everyday Canadians and assesses the performance of Parliament and the media in light of their perceptions and expectations. In doing so, a number of chapters highlight the disjuncture between perceptions and performance. *Canadian Democracy from the Ground Up* is essential for anyone who would like to learn how to build a better democracy - one that meets the expectations of the Canadian public.

Essential Readings in Canadian Constitutional Politics

Peter H. Russell
2011-01-01 *Essential Readings in Canadian Constitutional Politics* introduces students, scholars, and practitioners to classic authors and writings on the principles of the Canadian Constitution as well as to select contemporary material. To complement rather than duplicate the state of the field, it deals with the Canadian Charter of Rights and Freedoms and with Canadian mega-constitutional politics in

passing only, focusing instead on institutions, federalism, intergovernmental relations, bilingualism and binationalism, the judiciary, minority rights, and constitutional renewal. Many of the selections reverberate well beyond Canada's borders, making this volume an unrivalled resource for anyone interested in constitutional governance and democratic politics in diverse societies.

Canada's Politics Eric Mintz
2013-02-01 This is your government! This text provides students with an introduction to the major aspects of Canadian politics with a special emphasis on the unique challenges our diverse population places on the practice of democracy and good government. With each aspect covered, it raises thought-provoking questions designed to encourage students to think critically about the important issues and topics currently shaping politics in Canada. Featuring relatable examples, a full-colour interior, and a jargon-

free writing style, Canadian Politics will engage students and provide them with the foundation they need for future study.

The Oxford Handbook of

Canadian Politics John

Courtney 2010-04-29 The

Oxford Handbook of Canadian Politics provides a

comprehensive overview of the transformation that has occurred in Canadian politics since it achieved autonomy nearly a century ago,

examining the institutions and processes of Canadian government and politics at the local, provincial and federal levels. It analyzes all aspects of the Canadian political system: the courts, elections, political parties, Parliament, the constitution, fiscal and political federalism, the diffusion of policies between regions, and various aspects of public policy.

The Politics of Linkage Brian

Bow 2010-07-01 Do Canada

and the United States share a special relationship, or is this just a face-saving myth, masking dependency and

domination? The Politics of Linkage cuts through the rhetoric that clouds this debate by offering detailed accounts of four major bilateral disputes. It shows that the United States has not made coercive linkages between issues. In the early Cold War years, the exercise of American power over Canada was held in check by a genuinely special diplomatic culture but since then has been held back only by interest groups and institutions. This revisionist account of Canada-US relations is essential reading for anyone interested in Canadian politics, American foreign policy, or international diplomacy.

Canadian Democracy Stephen

Brooks 2009 This new, revised

edition of the best-selling introduction to Canadian

politics examines the characteristics, complexities,

and controversies of the subject in a way that is

comprehensive yet

comprehensible. While offering a thorough grounding in the

basics of Canadian

government--its institutions,

ideologies, and processes-- Canadian Democracy, Sixth Edition, focuses on issues of individual, group, and regional equalities and freedoms, and raises thought-provoking questions about the nature of Canadian democracy itself. Through its contemporary approach, this innovative text teaches readers to think critically through analysis of current issues, helping today's students become actively engaged citizens.

Canada's Politics Eric Mintz 2016-03-18 This is your government! Completely up to date coverage of the landscape of Canadian politics with a thought provoking approach designed to get students thinking about the events that are currently shaping politics in Canada. This text provides students with an introduction to the major aspects of Canadian politics with a special emphasis on the unique challenges our diverse population places on the practice of democracy and good government. With each aspect covered, it raises

thought-provoking questions designed to encourage students to think critically about the important issues and topics currently shaping politics in Canada. Featuring relatable examples, a full-colour interior, and a jargon-free writing style, Canadian Politics will engage students and provide them with the foundation they need for future study.

The Future of Canadian Federalism/L'Avenir du federalisme canadien Paul-Andre Crepeau 1965-06-01 By the beginning of 1964 public debate about the terms on which French and English culture could continue to co-exist within a single Canadian federal state had become intense. Many causes could be assigned for the intensity of the debate, but one of them evidently was the lack of clear formulation of the problems. It was in these circumstances that the Association of Canadian Law Teachers and the Canadian Political Science Association used their annual meeting at Charlottetown in

1964 to get, on each of four aspects of the current problem of Canadian federalism, a vigorously reasoned statement, by a French-Canadian and an English-Canadian scholar, of the essentials of the problem as he saw it and then, by way of invited commentaries, to bring the ideas more fully into play. The four aspects were: competing concepts of federalism, economic problems peculiar to our federal state, legal and political attitudes towards the BNA Act, and institutional problems of a revision of the Act.

Sovereign Idea Reginald Whitaker 1992 Bringing together the best of Reg Whitaker's essays on democracy, federalism, and the state, A Sovereign Idea will be essential reading for anyone interested in the rise of the idea of democracy in Canada. The essays, each in its own way, are an attempt to discover how a more democratic Canada can be achieved.

Government in Canada Thomas A. Hockin 1976
Canadian Politics and

Government in the Charter Era Heather MacIvor 2006
Politics in Canada Robert J. Jackson 2006 The sixth edition stress the importance of politics in the study of Canadian government with up-to-date examples, issues and research. The text provides a view of the entire Canadian political process by taking a perspective on the elements of culture, institutions, behaviour and public policy.

Essentials of American Politics David H. McKay 2019-07-10

Essential Readings in Canadian Government and Politics Francois Rocher 2015-11 "The book provides students with a collection of influential essays, debates, reports, book excerpts, speeches, academic writings, and more. Dating from pre-Confederation to the present day, this thematically arranged collection will be an asset to any course in Canadian politics."--

Canadian Politics in the 21st Century Michael S. Whittington 2004

How We are Governed James

John Guy 1995

The Palgrave Handbook of Gender, Sexuality, and Canadian Politics Manon

Tremblay 2020-11-20 The Palgrave Handbook of Gender, Sexuality, and Canadian Politics offers the first and only handbook in the field of Canadian politics that uses 'gender' (which it interprets broadly, as inclusive of sex, sexualities, and other intersecting identities) as its category of analysis. Its premise is that political actors' identities frame how Canadian politics is thought, told, and done; in turn, Canadian politics, as a set of ideas, state institutions and decision-making processes, and civil society mobilizations, does and redoes gender. Following the standard structure of mainstream introductory Canadian politics textbooks, this handbook is divided into four sections (ideologies, institutions, civil society, and public policy) each of which contains several chapters on topics commonly taught in Canadian politics classes. The

originality of the handbook lies in its approach: each chapter reviews the basics of a given topic from the perspective of gendered/sexualized and other intersectional identities. Such an approach makes the handbook the only one of its kind in Canadian Politics.

Essentials of Canadian Politics and Government

Thomas Wilfred Joseph 2001

The Essential Trudeau Pierre Elliott Trudeau 1998 Pierre Elliott Trudeau always opposed the dominant ideology and what passed for conventional wisdom. This was true when he spoke out against the oppressive rule of Maurice Duplessis in Quebec. It was true in his years in Ottawa, as justice minister and prime minister, when he introduced controversial measures ranging from wage-and-price controls and restrictions on foreign investments, to expanded rights for homosexuals. It remained true in the years after his retirement, particularly when he has taken issue with the more provocative expressions of

Quebec nationalism and with federal initiatives such as Meech Lake and the Charlottetown Accord. Now neo-conservative ideas have taken over. Virtually every level of government in Canada is competing with the others to reduce the role of the state and eliminate constraints on business. Less government has come to mean a smaller role especially for the federal government. And the increased powers taken on by the provinces are being used, increasingly, to substitute private interests for the public good. The Canada that promoted equality, justice, and opportunity for all is under sustained attack. Never has the need for a clear statement of liberal principles been greater. In this volume, Ron Graham brought together a selection of excerpts from Trudeau's writings, speeches, and interviews - many of them never before published in book form - to make a highly readable, lucid, and compelling summary of Trudeau's political beliefs. To each chapter in this

selection Trudeau provided an introduction and to many of the excerpts he added a new commentary. The result is a book of remarkable power: rational, timely, and eloquent. **Canadian Politics, Seventh Edition** James Bickerton 2020-08-31 For this new edition, James Bickerton and Alain-G. Gagnon have organized the book into six parts. Part I covers the origins and foundation of Canada as a political entity while Part II focuses on government, parliament, and the courts. Part III examines matters pertaining to federalism and the Canadian Charter of Rights and Freedoms. Part IV casts some new light on electoral politics and political communications and Part V examines citizenship, diversity, and social movements. Part VI, the final section of the book, concentrates on a number of political issues that merit special attention on the part of political actors and decision makers, namely the evolving relationship between Canada and Indigenous peoples,

immigration and refugees, environment and climate change, and relations between Canada and the United States. This seventh edition of Canadian Politics includes 12 new chapters, with ten new contributing authors and coverage of six new subjects, and is essential reading for students and specialists studying Canadian politics. *Canadian Government and Politics - Seventh Edition* Robert J. Jackson 2020-02-25 Canadian Government and Politics delivers an up-to-date and concise introduction to Canada's political institutions, processes, and issues. The text integrates theory, history, Census data, and current affairs to give students an orderly picture of the wide-ranging landscape of Canadian government and politics. This seventh edition includes coverage and analysis of the 2019 general election, as well as a preview of the new Canadian government. It also adds exciting material on Canada's cultural landscape, institutions, and policies, along

with a new chapter on Indigenous Peoples. Other chapters examine the executive, legislative, and judicial branches of government, the electoral system, bureaucracy, Québec nationalism, foreign policy, and much more. The authors provide trenchant coverage of many key issues of concern to Canadians, including regionalism, nationalism, climate change, defense policy, Indigenous Peoples' rights, minority rights, pipelines, and the USMCA trade deal. These topics are addressed by way of fair-minded impartial discussions, aimed to foster a vital and optimistic perspective on Canadian politics that will encourage critical thinking and active citizenship.

Introduction to Canadian Politics and Government

Ralph Carl Nelson 1984

Governing Canada

Michael Wernick 2021-10-25 What does it really take to govern effectively? Michael Wernick, a career public servant with experience working at the highest levels of Canadian

government, shares tips, insider knowledge, and essential advice in this first-ever practical governance handbook. From choosing a Cabinet and getting the most out of it, to delivering on the prime minister's mandate letter, readers will get a close-up look at how day-to-day political work actually happens. Wernick's three decades "in the room" with prime ministers, cabinet ministers, and other members of government make this a must-read not only for politicians, but for anyone who aspires to understand them.

From choosing a Cabinet and getting the most out of it, to delivering on the prime minister's mandate letter, readers will get a close-up look at how day-to-day political work actually happens. Wernick's three decades "in the room" with prime ministers, cabinet ministers, and other members of government make this a must-read not only for politicians, but for anyone who aspires to understand them.

The Origins of Canadian and American Political Differences Jason Kaufman 2009-02-16 Why do the United

States and Canada have such divergent political cultures when they share one of the closest economic and cultural relationships in the world? Canadians and Americans consistently disagree over issues such as the separation of church and state, the responsibility of government for the welfare of everyone, the relationship between federal and subnational government, and the right to marry a same-sex partner or to own an assault rifle. In this wide-ranging work, Jason Kaufman examines the North American political landscape to draw out the essential historical factors that underlie the countries' differences. He discusses the earliest European colonies in North America and the Canadian reluctance to join the American Revolution. He compares land grants and colonial governance; territorial expansion and relations with native peoples; immigration and voting rights. But the key lies in the evolution and enforcement of jurisdictional law, which illuminates the way

social relations and state power developed in the two countries. Written in an accessible and engaging style, this book will appeal to readers of sociology, politics, law, and history as well as to anyone interested in the relationship between the United States and Canada.

Essentials Of Canadian Politics And Government

Welcome to activistcash.com, your go-to destination for a vast collection of **Essentials Of Canadian Politics And Government** PDF eBooks. We are passionate about making the world of literature accessible to everyone, and our platform is designed to provide you with a seamless and enjoyable for Essentials Of Canadian Politics And Government eBook downloading experience.

At activistcash.com, our

mission is simple: to democratize knowledge and foster a love for reading Essentials Of Canadian Politics And Government. We believe that everyone should have access to Essentials Of Canadian Politics And Government eBooks, spanning various genres, topics, and interests. By offering Essentials Of Canadian Politics And Government and a rich collection of PDF eBooks, we aim to empower readers to explore, learn, and immerse themselves in the world of literature.

In the vast expanse of digital literature, finding Essentials Of Canadian Politics And Government sanctuary that delivers on both content and user experience is akin to discovering a hidden gem. Enter activistcash.com, Essentials Of Canadian Politics And Government PDF eBook download haven that beckons readers into a world of literary wonders. In this Essentials Of Canadian Politics And Government review, we will

delve into the intricacies of the platform, exploring its features, content diversity, user interface, and the overall reading experience it promises.

At the heart of activistcash.com lies a diverse collection that spans genres, catering to the voracious appetite of every reader. From classic novels that have withstood the test of time to contemporary page-turners, the library pulsates with life. The Essentials Of Canadian Politics And Government of content is evident, offering a dynamic range of PDF eBooks that oscillate between profound narratives and quick literary escapes.

One of the defining features of Essentials Of Canadian Politics And Government is the orchestration of genres, creating a symphony of reading choices. As you navigate through the Essentials Of Canadian Politics And Government, you will encounter the perplexity of options — from the structured

complexity of science fiction to the rhythmic simplicity of romance. This diversity ensures that every reader, irrespective of their literary taste, finds Essentials Of Canadian Politics And Government within the digital shelves.

In the realm of digital literature, burstiness is not just about variety but also the joy of discovery. Essentials Of Canadian Politics And Government excels in this dance of discoveries. Regular updates ensure that the content landscape is ever-changing, introducing readers to new authors, genres, and perspectives. The unpredictable flow of literary treasures mirrors the burstiness that defines human expression.

An aesthetically pleasing and user-friendly interface serves as the canvas upon which Essentials Of Canadian Politics And Government paints its literary masterpiece. The websites design is a testament

to the thoughtful curation of content, offering an experience that is both visually appealing and functionally intuitive. The bursts of color and images harmonize with the perplexity of literary choices, creating a seamless journey for every visitor.

The download process on Essentials Of Canadian Politics And Government is a symphony of efficiency. The user is greeted with a straightforward pathway to their chosen eBook. The burstiness in the download speed ensures that the literary delight is almost instantaneous. This seamless process aligns with the human desire for swift and uncomplicated access to the treasures held within the digital library.

A key aspect that distinguishes activistcash.com is its commitment to responsible eBook distribution. The platform adheres strictly to copyright laws, ensuring that every download Essentials Of Canadian Politics And Government is a legal and

ethical endeavor. This commitment adds a layer of ethical perplexity, resonating with the conscientious reader who values the integrity of literary creation.

activistcash.com doesn't just offer Essentials Of Canadian Politics And Government; it fosters a community of readers. The platform provides space for users to connect, share their literary explorations, and recommend hidden gems. This interactivity adds a burst of social connection to the reading experience, elevating it beyond a solitary pursuit.

In the grand tapestry of digital literature, activistcash.com stands as a vibrant thread that weaves perplexity and burstiness into the reading journey. From the nuanced dance of genres to the swift strokes of the download process, every aspect resonates with the dynamic nature of human expression. It's not just a Essentials Of Canadian Politics And Government eBook download

website; it's a digital oasis where literature thrives, and readers embark on a journey filled with delightful surprises.

Essentials Of Canadian Politics And Government

We take pride in curating an extensive library of Essentials Of Canadian Politics And Government PDF eBooks, carefully selected to cater to a broad audience. Whether you're a fan of classic literature, contemporary fiction, or specialized non-fiction, you'll find something that captivates your imagination.

User-Friendly Platform

Navigating our website is a breeze. We've designed the user interface with you in mind, ensuring that you can effortlessly discover Essentials Of Canadian Politics And Government and download Essentials Of Canadian Politics And Government eBooks. Our search and categorization features are intuitive, making it

easy for you to find Essentials Of Canadian Politics And Government.

Legal and Ethical Standards

activistcash.com is committed to upholding legal and ethical standards in the world of digital literature. We prioritize the distribution of Essentials Of Canadian Politics And Government that are either in the public domain, licensed for free distribution, or provided by authors and publishers with the right to share their work. We actively discourage the distribution of copyrighted material without proper authorization.

Quality: Each eBook in our collection is carefully vetted to ensure a high standard of quality. We want your reading experience to be enjoyable and free of formatting issues.

Variety: We regularly update our library to bring you the latest releases, timeless classics, and hidden gems across genres. There's always something new to discover.
