The Absolute Basics of the Christian Faith Phil Tallon 2016-06-20

The Essentials of Christian Thought Roger E. Olson 2017-03-14 Or at least, such an outlook should unite Christians of all theological and church backgrounds. However, alternate visions of reality often infect and corrupt Christians' thinking. In *The Essentials of Christian Thought*, eminent theologian and church historian Roger Olson outlines the basic perspective on the world that all Christians, regardless of the place and time in which they are born, have historically held. This underlying metaphysic accords with all orthodox theologies, whether Calvinist or Arminian, Roman Catholic, Eastern Orthodox, or Protestant, but it separates Christianity from other religious and secular perspectives. It is, quite simply, the essential requirement of a Christian view of the world. Bold and incisive, *The Essentials of Christian Thought* will prompt thoughtful readers and students to more consciously appropriate the core of their faith, guarding against ideas that subtly but necessarily invite compromise.

Faith's Fundamentals Jack Cottrell 1995

The Fundamental Doctrines of the Christian Faith R. A. Torrey

2018-07-31 "We agree with Dr. Torrey that there is great need for clear and popular preaching of Christian doctrine. This need was met by Dr. Torrey in the case of his own Church, and will now be met in that of many readers to whom these sermons shall come in printed form. There are fifteen sermons, and the subjects treated are the Inspiration of the Bible, the Christian Conception of God, the Deity and Person of Christ, the Personality and Deity of the Holy Spirit, the Atonement, Justification, the New Birth, Sanctification, the Resurrection of the Body, the Devil, Future Punishment....These great doctrines are expounded clearly, simply, and in a thoroughly evangelic spirit and tone....We would close this notice by emphasizing again the great need today for just such preaching as Dr. Torrey has given in these sermons, and by commending them to all who feel the need of instruction in the fundamental doctrines of Christianity." -The Princeton Theological Review "The author is a Congregational minister, and his point of view is about the point of view that would have been taken by Jonathan Edwards, the greatest of all Congregational theologians. He is strongly conservative and strongly Calvinistic. He believes in verbal inspiration and in literal hell fire. His arguments are taken entirely from the Bible. To him the Bible is final authority on all questions. The reader will find this book a vast storehouse of proof texts, logically and systematically arranged....These sermons drew large audiences....The author avoids all technical and scholastic terms, and speaks in the language of the Bible and of the people. The layman who wishes to know what the Bible teaches on these fundamental doctrines will find this a helpful book." -The Union Seminary Review "For young Christians, as well as many older ones, this will be most helpful. It is a much felt need today that there should be more thorough instruction on the essentials of the Christian faith and Mr. Torrey's exceptional ability as a Bible student makes him a most helpful teacher on this subject." -Record of Christian Work "Instruction in the fundamental truths of Christianity first delivered as sermons." - Publishers Weekly "The sermons, fifteen in number, cover the principal subjects of Christian doctrine in an attractive, clear and earnest way; and are calculated to help many to a deeper and more serious reckoning with

their Christian profession....We have profited by contact with his earnest Christian mind." -The Living Church CONTENTS I Inspiration, or To What Extent is the Bible Inspired of God? II The Christian Conception of God, or the God of the Bible as Distinguished from the God of Christian Science and the God of Modern Philosophy III The Christian Conception of God--The Infinite Perfection and Unity of God IV The Deity of Jesus Christ V Jesus Christ a Real Man VI The Personality of the Holy Spirit VII The Deity of the Holy Spirit and the Distinction Between the Father, Son and Holy Spirit VIII The Atonement: God's Doctrine of the Atonement vs. Unitarian and Christian Science Doctrines of the Atonement IX The Distinctive Doctrine of Protestantism: Justification by Faith X The New Birth XI Sanctification XII The Resurrection of the Body of Jesus and of Our Bodies XIII The Devil XIV Is There a Literal Hell? Jesus Loves Me John S. Dickerson 2021-02-02 If you asked a millennial or younger person in your church, "What do I need to believe to be a Christian?" what would they say? At a time when "truth" is up for grabs, a journalist-turned-pastor wants to help believers understand what they believe. How? By using the simple lyrics "Jesus loves me, this I know, for the Bible tells me so." In this winsome book, bestselling author John S. Dickerson clearly and faithfully explains essential Christian beliefs, using simple stories that have resonated with his congregation of thousands. He guides readers into these basic beliefs, and most importantly, he illustrates why these beliefs matter. The result is an easy-to-read primer, designed for a time when Christianity is questioned and challenged. It is

a great study for young adults, new believers, and long-time believers who want to reclaim the essentials. For anyone who wants their small group, church, or loved ones to embrace the authority of Scripture and the nonnegotiable doctrines of Christianity. "What does it mean to be a genuine Jesus follower in an age when most people, including many self-described Christians, believe that God is well-pleased with a life lived in alignment with a 'designer faith' of their own making? In *Jesus Loves Me*, John Dickerson answers that question with a deep dive into the simple but profound gospel that Jesus taught as the only kind of faith the Heavenly Father would be well-pleased with. As Dickerson points out, we can't be true Jesus followers if we don't know who He is or what He said and never bother to actually live like He told us to live. Whether you are a brand-new Jesus follower or a longtime veteran, this book will help you nail down the basics of what it means to genuinely know and follow Jesus."--Larry Osborne, author and pastor, North Coast Church "Most Christians would tell you they believe the Bible to be God's Word. And yet many of those same Christians could not even articulate what the core beliefs are to the Christian faith. In *Jesus Loves Me*, John Dickerson does a great job of helping believers understand the basic teachings of Scripture. This is a great resource for any Christian who needs to build a stronger foundation to their faith."--Steve Poe, lead pastor of Northview Church, Carmel, Indiana

Essentials of Christian Faith Jack Cottrell 1992-12 With this scathing indictment of modern America, editor Steve Burris takes us on a pilgrimage that is foundational. It is necessary that we go back to fundamental matters at this point in our history, he writes. We live in an instant culture. We have come to expect instantaneous answers to all of life's questions. Yet, he notes, we are called by God to be the light and salt of the earth even as problems of the world permeate the church and threaten it. It is from this need that *Essentials of Christian Faith* was born. That is why Burris has drawn together many of the most influential and prolific Restoration writers. As a Christian, what is essential that you know and believe? The answer to that question is here in *Essentials of*

Christian Faith.

This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! *Core Christianity* covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity. The goodness of God despite a broken world. The ways God speaks. The meaning of salvation. What is the Christian calling? Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ.

Thirty-Six Essentials of the Christian Faith James D Quiggle 2021-03 The essential beliefs of the Christian faith are those which are the sine qua non (literally, "without which nothing"), that if missing or denied Christianity ceases to be genuine biblical apostolic Christianity. The doctrines in this book are those developed by the early church—the long-standing historic essentials—and other doctrines developed over the long

history of the church in response to false teachings. There are a few that are a response to worldly culture and values invading-infecting-the New Testament church. This work is a concise and relatively non-technical presentation of what I believe are the essential doctrines every believer in Christ as Savior should believe, understand, and profess.
