MacArthur's Quick Reference Guide to the Bible John F MacArthur 2021-08-03 MacArthur's Quick Reference Guide to the Bible is an essential tool for anyone who want to seriously study the bible deeply, faithfully, and effectively. The Complete Topical Guide to the Bible Martin Hugh Manser 2017-05-02 The Complete Topical Guide to the Bible provides Scripture references, definitions, and cross-references for the study of the Bible by topic. The topical approach differs significantly from the lexical approach of a concordance, and a topical guide is an essential supplement to a concordance. While a concordance is limited to the connection of biblical passages in which the same word appears, the topical approach identifies and connects all of the underlying concepts related to a topic. A concordance would not yield John 3:16 for a study of grace because the word grace does not appear in the verse, but The Complete Topical Guide to the Bible includes John 3:16 for grace because it's an essential verse on the topic. The topics in this resource include biblical, doctrinal, and historical subjects, and they are organized into nine major categories: God, Jesus Christ, the Holy Spirit, creation, humanity, sin and salvation, God's people, the life of the believer, and the last things. In addition to the great themes of the biblical message, practical issues of Christian living are also included.

Feasts of the Bible Participant Guide Sam Nadler 2013-12-16 This is the companion participant guide to the Feasts of the Bible 6-Session DVD-based Study. It gives the participant discussion questions, quizzes, a place for taking notes and listing prayer requests, additional Old Testament information about types of offerings, the role of the priests, the meaning of Jesus' teaching that he was "Lord of the Sabbath," and more. Includes a calendar of the feasts (they change dates each year) and diagrams and charts for the tabernacle and the feasts of the Lord. Some Christians miss the importance of the biblical feasts, seeing them as merely "Jewish" holidays, but Scripture says these are the Feasts of the Lord God established for all people for all time. Now you can connect the Hebrew roots of Christianity and the symbolism that points to Jesus Christ using this 6-session DVD-based study and Participation Guide, The Feasts of the Bible, sold separately.
