Existentialist Literature and Aesthetics

William Leon McBride 1997 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors*. Miola's edited work also features a comprehensive critical history, coupled with a full bibliography and photographs of major productions of the play from around the world. In the collection, there are five previously unpublished essays. The topics covered in these new essays are women in the play, the play's debt to contemporary theater, its critical and performance histories in Germany and Japan,

the metrical variety of the play, and the distinctly modern perspective on the play as containing dark and disturbing elements. To compliment these new essays, the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficult accessible journals, newspapers, and other sources. This collection brings together these essays for the first time.

Sapphism on Screen Lucille Cairns 2006-03-30

This book sets out to investigate and theorise mediations of lesbian desire in a substantial corpus of films (spanning the period 1936-2002) by male and female directors working in France and also in French-speaking parts of Belgium, Canada, Switzerland and Africa. The corpus is unique in never before having been assembled, and represents a valuable tool not just for researchers but also for university teachers creating courses both on lesbianism in film and on sexuality in French cinema. A fair number of the 89 texts treated are mainstream films which

have achieved high critical acclaim and/or high viewing figures: to cite just a few examples, Henri-Georges Clouzot's *Quai des orfèvres* (1947), Louis Malle's *Milou en mai* (1989), Claude Chabrol's *La Ceremonie* (1995), Andre Techine's *Les Voleurs* (1995), and Francois Ozon's *Huit femmes* (2001). As such, they have contributed to hegemonic constructions of and debate on (female) homosexuality, in a century wherein sexed/ gendered identity, including sexual orientation, has become a preeminent factor in the constitution of subjectivity. While such constructions and debate have a French-language specificity, and have been produced in distinct socio-political and cultural contexts, this study also engages in analytical comparisons with relevant anglophone films and their own distinct discursive contexts.

Somebody like you - Tome 03 : Nobody Like You Estelle Maskame 2023-06-15 Entre préjugés et sentiments, le point final de la relation tumultueuse et surprenante entre Mila et Blake !

Voilà déjà 2 ans que Mila et Blake ont rompu, et leurs coeurs brisés ont bien du mal à se réparer. Alors quand Mila de retour à Fairview pour l'été, retombe sur Blake, elle doit se rendre à l'évidence : elle a toujours des sentiments pour lui. Mais il a une petite amie, et elle doit l'accepter. Par contre, impossible d'oublier ce qui s'est passé, et elle a besoin de réponses : pourquoi n'a-t-il pas répondu à ses appels et ses mails ? Pourquoi refuse-t-il de lui parler ? Pas question de rester sur ce silence ! Elle va tenter de renouer le dialogue. Mais peut-être est-il dangereux pour eux de souffler sur la braise qui couve encore...

Les Grandes Espérances Charles Dickens
2023-10-26 "Les Grandes Espérances" (en anglais, "Great Expectations") est un roman classique de l'écrivain britannique Charles Dickens. Il a été publié sous forme de feuillet

entre 1860 et 1861 et est devenu l'une des œuvres les plus célèbres de Dickens. L'histoire suit la vie de Philip Pirrip, surnommé Pip, un jeune orphelin élevé par sa sœur Gargery et son mari Joe, un forgeron de village. L'histoire se déroule dans l'Angleterre du XIXe siècle et commence lorsque Pip rencontre un prisonnier évadé, Abel Magwitch, dans un cimetière. Magwitch exige que Pip lui procure de la nourriture et des outils pour échapper à la capture. L'histoire prend un tournant majeur lorsque Pip est invité à devenir un "gentleman" et à recevoir une éducation financée par un bienfaiteur anonyme. Il part pour Londres et entre dans la haute société. Pip est persuadé que son bienfaiteur est Miss Havisham, une vieille femme excentrique, mais il découvre plus tard la véritable identité de son bienfaiteur, ce qui le bouleverse. Le roman explore des thèmes tels que les attentes, les classes sociales, la rédemption, l'identité, l'amour et la désillusion. Il met en lumière les conséquences des choix de

vie de Pip et la manière dont les événements de son enfance influencent sa vie d'adulte. "Les Grandes Espérances" est salué pour sa riche caractérisation, sa satire sociale et sa narration captivante. Il est considéré comme l'un des meilleurs romans de Dickens et continue d'être étudié et apprécié pour sa complexité et sa profondeur.

Mort sur le golf Roger Moiroud 2019-11-28

Venu se livrer à son passe temps favori, le golf, Féra va se retrouver face à un golfeur... mort. Les circonstances curieuses du décès survenu sur le parcours d'Aix-les-Bains vont inciter Féra à demander une autopsie. Les événements vont alors s'enchaîner. L'enquête conduira Féra dans la Réserve nationale de Chasse et Faune Sauvage des Bauges, où de nouveaux rebondissements se produiront. Comme pour ses autres romans, Roger Moiroud s'appuie sur une documentation très précise, de nombreux

repérages et de multiples entretiens. Au-delà de l'intrigue policière, il entend aussi rendre hommage à sa terre natale, la Savoie, à ses habitants, à ses paysages et à sa gastronomie. On retrouve dans Mort sur le golf des personnages familiers comme le capitaine Durieux, l'adjoint de Féra, Claudia Bertoli, la journaliste du Dauphiné et, bien sur, Pluche, le caniche, fidèle compagnon du commissaire. À PROPOS DE L'AUTEUR Roger Moiroud a créé en 2006 le personnage du commissaire Féra. À Aix-les-Bains, où il est installé, Philibert Féra mène des enquêtes afin de confondre les auteurs de crimes qui se produisent dans la région. On découvre avec lui les paysages de la Savoie, ses villes, ses villages, sa population, ses recettes culinaires et ses vins, car Féra est un commissaire gastronome...

Giacomo Meyerbeer Marco Clemente Pellegrini 2008-10-01 This Guide has resulted from years of research on the papers and music of Giacomo

Meyerbeer, and aims to provide a bibliographical aid and point of reference for further research. The first part presents the private papers connected to the composer and his principal librettist, Eugène Scribe—both archival and printed, with working papers and correspondence, as found in Berlin, Paris and some of the famous libraries of the world. The body of Part 2 draws together all the known resources on Meyerbeer's life and historical reputation—from full scale biographies and entries in reference books, through critical discussions to website resources to records of symposia. The third part provides material about his background with its unique mixture of Jewish and Prussian elements, the powerful role of the city of Berlin in his life and work. The fourth part lists bibliographic material for Meyerbeer's music, looking at his operas, grouped as German, Italian and French, with each individual entry providing a record of the scores available, both modern and historical, the various

arrangements made from the operas during the heyday of their popularity, reviews of modern performances, discography, and bibliography of studies and publications pertinent to the wider cultural and historical contexts of the works. The next two sections constitute an extended record of material pertinent to the contemporaries of Meyerbeer. In the fifth section are select bibliographies of composers, authors, artists, performers, politicians, those who played some part in the composer's life, or anyone of significance in his wider contemporary circumstances. This is continued in the sixth part where the cultural and aesthetic elements of the composer's milieu, or life in the theatre during seventy years of the nineteenth century, are listed. The seventh part adds a bibliography of social and historical background, where the incidental issues of Judaism in nineteenth-century Europe, and the wider political, historical and geographical circumstances of Meyerbeer's life, his relentless travelling, and

closely recorded experiences in Germany, France, Italy, Belgium, England, and Austria. The eighth section provides a thematic key to this extensive material. Part 9 provides an extended tripartite series of lists of the published scores, arrangements and some special studies of Meyerbeer over the period 1820 to 2005—in alphabetical, chronological and thematic ordering. The last two sections furnish the modern equivalent of this record of Meyerbeer and his compositions, showing in Part 11 the list of performances of his operas since the Second World War, and in Part 12, listing the recordings of the operas, both commercial and private, for the same period. The thirteenth and last section is iconographical, pictures that represent an interesting survey of the popular response to Meyerbeer in the 19th century.

Schwarz-Bart: Pluie et Vent sur Télumée Miracle
 Simone Schwarz-Bart 2015-03-02 Great-granddaughter of Minerve, first woman of the

Guadeloupean branch of the Lougandor family to be freed from slavery in 1848, the elderly Telumée tells the story of her own difficult life and that of her ancestors. It is a poor black woman's tale of heroic survival, set in the early 20th century, harsh agrarian environment of a Caribbean island. Through the richly imaged narration of a constantly evolving, cultural significant and always entertaining saga, the author leads the reader into her native West Indian realm of legends, magic, folkloric wisdom and traditional reverence for the elderly and the past. Her protagonist, Telumée, embodies the innate strength and nobility of women in general and of black Caribbean women in particular. Published in 1972, this book received Elle magazine's literary prize. This edition reflects the editor's personal acquaintance with the author, and her country. It provides a synthesis of the latest critical studies, and a thorough interpretation of Creole terms, symbolic imagery and a unique cultural background.

Sartre: Literature and Theory Rhiannon Goldthorpe 1984 In this major study Rhiannon Goldthorpe takes up the challenge of Sartre's diversity in an original and provocative way. Her detailed and comprehensive exploration of the relationship between the theoretical and literary works pays due attention to their characteristic complexity. The discussion of *La Nausée*, *Les Mouches*, *Huis clos*, *Les Mains sales* and *Les Séquestrés e'Altona*, for example, does not present these literary texts as mere 'illustrations' of Sartre's theories of consciousness, imagination and emotion, but as subtle philosophical and linguistic investigations in their own right. In addition, by reference to recently published fragments from Sartre's

earlier work, Goldthorpe calls into question existing views of Sartre's intellectual development and provides a new history of the crucial Sartrean concept of 'commitment'.
