

Eternal Church

The Revelation of Jesus Christ Alfred J. Chomppf Pastor 2013 This book is about the Lord Jesus Christ and who He really is. When we read the Bible, we should remember the principle: "The last revelation carries the greater weight." The final revelation of the Lord Jesus Christ to the last living of His disciples, the apostle John, a short time before the apostle John was also to expire, was a final word to His beloved disciple, containing the most important things for the life of the Christian church. And since the last revelation carries the greater weight, we should embrace these last messages of the Lord with great care and believe these words, even if they would upset well-established doctrines in the churches. Only the Lord Jesus Christ is worthy to be praised, and He is the only one who deserves the attention of this book.

The Loveliest Place Dustin Bengé 2022-02-25 How Christians Can Rediscover the Beauty and Glory of the Church Dear. Precious. Lovely. The Bible describes the church in extraordinary ways, even using beautiful poetry and metaphors. How does this compare to how Christians today describe the church? Unfortunately, many believers focus more on its mission, structure, or specific programs than on its inherent beauty. It's time to spark a renewed affection for the church. In *The Loveliest Place*, Dustin Bengé urges Christians to see the holy assembly of God's redeemed people in all its eternal beauty. He explains what makes the church lovely, including the Trinitarian relationship, worship, service, and gospel proclamation. For those who have never learned to view the church as God sees it, or have become disillusioned by its flaws, this book is a reminder that the corporate gathering of believers is a reflection of God's indescribable beauty. This is the third book in the Union series, which invites readers to experience deeper enjoyment of God through four interconnected values: delighting in God, growing in Christ, serving the church, and blessing the world. Part of the Union Series: Inviting readers to experience deeper enjoyment of God; other volumes include *Rejoice and Tremble* and *Deeper* Concise Version Also Available: *The Loveliest Place* is the full version of *Why Should We Love the Local Church? Looks Beyond Methodology*: Focuses on the beauty, not just the biblical function, of the church

God's Eternal Plan Watchman Nee 1993-12 Our Eternal God Has an Eternal Plan, and His Plan Far Surpasses the Mere Satisfaction of Our Individual Hopes and Desires. God has His Own Desire, His Own Goal: He will Not Be Satisfied Until Every Trace of Rebellion is Eliminated from the Universe and all Things Are Headed Up in Christ. The Role of the Church is Crucial in the Accomplishment of God's Eternal Plan. Today, Like Never Before, the Church is in the Midst of a Universal Struggle Between God and His Enemy, Satan. This Struggle Began with the Rebellion of Satan, Persisted with Satan's Corruption of Man, and Continues to this Day As the Church Endeavors to Experience and Apply the Effectiveness of Christ's Death on the Cross. The Responsibility for Satan's Defeat Now Rests with the Church, as it Daily Must Seek Through Revelation and Prayer to Advance God's Interest on the Earth and to Shun Every Vestige of Satanic Influence.

Slow Church C. Christopher Smith 2014-05-06 In today's fast-food world, Christianity can seem outdated or archaic. The temptation becomes to pick up the pace and play the game. But Chris Smith and John Pattison invites us to leave franchise faith behind and enter the kingdom of God, where people know each other well and love one another as Christ loves the church.

Absolutely Sure Steven J. Lawson 2006-05-17 Untold multitudes of church members today are religious, but lost and many lack the assurance of their salvation. Many are grappling with where they stand with the Lord-am I saved or not? Others are deceived and have a false assurance that they ought not have. Yet others want to know how to live the Christian life victoriously. Such people must be awakened out of their slumber and shown what are the evidences of a true work of grace in salvation. The greatest proof of the new birth is not a past event, but a present experience of God at work within a believer's life.

The Contested Public Square Greg Forster 2010-02-28 Christian thinking about involvement in human government was not born (or born again!) with the latest elections or with the founding of the Moral Majority in 1979. The history of Christian political thinking goes back to the first decades of the church's existence under persecution. Building on biblical foundations, that thinking has developed over time. This book introduces the history of Christian political thought traced out in Western culture--a culture experiencing the dissolution of a long-fought-for consensus around natural law theory. Understanding our current crisis, where there is little agreement and often opposing views about how to maintain both religious freedom and liberal democracy, requires exploring how we got where we are. Greg Forster tells that backstory with deft discernment and clear insight. He offers this retrospective not only to inform but also to point the way beyond the current impasse in the contested public square. Illuminated by sidebars on key moments in history, major figures and questions for further consideration, this book will significantly inform Christian scholars' and students' reading and interpretation of history.

Grant 2008-10 This book contains a description of a variety of religions, the title of the religious leader, days held sacred, beliefs related to health and illness, their customs and practices, death and dying, beliefs related to medical practices, beliefs related to reproduction, and possible implications related to health care. A book such as this is valuable given the multicultural context in which we all live and work.

Eternal Impact Ken Hemphill 2008 Greatly respected church strategist Ken Hemphill believes the only process that will radically transform the mission and structure of today's community of believers is the Word of God applied by the Holy Spirit. Toward that goal, *Eternal Impact* presents to readers a biblical study of the New Testament Church, focusing on the founding principles of the church in Matthew 16 and the birth of the church in Acts 2. Also included are chapters on the eight key characteristics of kingdom-centered churches and discussions on leadership and giftedness among church members.

The Eternal Church Bill Hamon 2011-07-28 Hamon takes readers on a journey throughout the history of the church. Beginning at the origination of the church in the 1st Century, he proceeds to its deterioration during the Middle Ages to the restoration of the church from the time of the Reformation to the present.

The Glorious Church Watchman Nee 1993-05-01 God views the church, the redeemed believers, from a heavenly perspective. Far from seeing her as defeated by the power of sin and sins, God views the church as the triumphant and glorious counterpart of Christ, who fully expresses the One who fills all in all. In *The Glorious Church* Watchman Nee discusses four significant representations of the church in the Bible: Eve in Genesis 2, the wife in Ephesians 5, the woman in Revelation 12, and the bride in Revelation 21 and 22. In each instance, he presents the church's high calling to fulfill God's eternal purpose. Recently discovered handwritten notes supplement this new and fresh translation of *The Glorious Church*, making it the most complete record of the messages given by Watchman Nee in the Fall of 1939 and the fall of 1942. The Appendix, "The Overcomers and God's Dispensational Moves," is a significant, never-before published portion of these notes.

And Jacob Dugged a Well Theodore M. Snider 2012-05 The subject of Christology has been a struggle for the church from the very beginning. It has resulted in divisions, crusades, inquisitions, persecutions, and a wide range of creeds. Each group claims it possesses the truth—a truth revealed to them, a particular turn on belief they alone rightly proclaim. In *And Jacob Dugged a Well*, author Pastor Theodore M. Snider provides a commentary on religion—where it's been, where it's headed, and how it fits in the modern world. He seeks to answer this question: why do we believe what we believe? Snider discusses how scientific and technological discoveries have changed not only our worldviews but also our Godviews and how consciousness and brain research are altering the way we understand each other and how beliefs are formed. He compiles a diverse amount of information on topics relevant to both secular and religious audiences, including creationism, evolution, intelligent design, and artificial intelligence through historical, scientific, cognitive, and psychological avenues. *And Jacob Dugged a Well* reminds us that "natural" may not be as clear as we once thought. Faith in the twenty-first century needs to look quite different from the past century.

One More Sunday John D. MacDonald 2014-06-14 Welcome to the Eternal Church of the Believer, where devout workers operate state-of-the-art computer equipment to process the thousands of dollars that pour in daily and where hundreds of prayers are offered by armies of believers. Roy Owens arrives there after his journalist wife disappears while doing an exposé on the Eternal Church of the Believer. Embroiled in a desperate search for her, it is not long before he uncovers a multimillion-dollar organization that hides the vices and human failings of the people behind the church.

A Peculiar Treasure Jon W. Brisby 2019-06-30 A woman's personal conviction to begin keeping the seventh-day Sabbath in 1926 would challenge her husband to begin an intensive study to prove her wrong. That study would spawn a new religious movement under Herbert W. Armstrong. A fledgling group would form in 1934, and an audacious media operation would make the Radio Church of God (later named the Worldwide Church of God) grow by 30% per year over the next 35 years. Proclaiming a unique understanding of the Bible, traditional Christian orthodoxy would be challenged, making that church most peculiar indeed. Internal and external forces would alter Herbert Armstrong's view of his own mission, and especially after Loma's death, doctrinal and administrative turmoil would stagger the church for the rest of his life. After his death in 1986, the empire would implode, and successors would dismantle everything that the Armstrong's had built. Was it all just a fantastic, fraudulent escapade—conceived by a lucky and opportunistic salesman—or might it have been a divine Work-God's own peculiar treasure? If it did begin with God's inspiration, why and how did it all go so wrong? Is there anything left of it today that has any redeeming value? These are the questions that will be answered, with evidence to suggest that there is yet an enduring legacy of Herbert and Loma Armstrong.

Eternity Is Now in Session John Ortberg 2018 A bestselling author dispels the myth that eternal life is something that Christians can only hope to experience after they die—and that being saved is merely about meeting the minimal entrance requirements for getting into heaven. Instead, he explains that the moment believers trust Christ, they are initiated into "eternal living" with God as a here-and-now reality.

THE CHURCH: EARTHLY BLESSINGS AND ETERNAL REWARD Cordelia Battle 2008-02-12 If you are thinking about attending church, searching for the truth, or secretly hurting inside, Cordelia Battle is ready to help by sharing her plan for spiritual growth and restoration of your faith in the Lord's church. The church has always had a firm foundation in Jesus Christ and is made up of those who love God. New Christians never imagine being hurt in a church setting, yet it sometimes happens when you serve the Lord. As a result, there are those who refuse to enter church doors because of past negative experiences with church leadership. If you have been hurt or rejected in the church, Battle offers gentle advice as she helps you better understand why attending services is an important part of your spiritual journey. You will learn: How the church should represent God's love Whether you should fear God's anger Why forgiveness is so important How to define ministry How worship and service in the church has evolved Why there's a need for church fellowship The church is justified by faith in accordance with grace; so the church will continue to grow. Choose your destiny—today and for eternity what God has waiting for you.

Eternity Is Now in Session Participant's Guide John Ortberg 2018-09-04 A 5-session journey to discover what it really means to be "saved." For Christians, perhaps the deepest expression of what we're waiting for is found in the phrase "eternal life." But what is eternal life? Why do we want it? And how do we know if we have it? In the *Eternity Is Now in Session Participant's Guide*, bestselling author John Ortberg takes you on a radical journey of rediscovery, dispelling the myth that eternal life is something way out in outer space that we can only hope to experience after we die. Instead, John unpacks the reality that the moment we trust Christ, we are initiated into "eternal living" with God as a here-and-now reality, one that will continue beyond our life on this earth. We can truly know God, experiencing His presence, favor, and resurrection power right here on this earth—in the details, tasks, and challenges of daily, ordinary life. And as we begin to know God this way, we'll realize each moment of our lives is a vehicle to the eternity we've been longing for all along. Note: This is a companion piece to the *Eternity Is Now in Session DVD Experience* (9781496431684) and John Ortberg's book *Eternity Is Now in Session* (9781496431646).

The Doctrine of Endless Punishment William Greenough Thayer Shedd 1885 At the request of the editor of the *North American Review*, the author of this book prepared an argument in defense of the doctrine of Endless Punishment, which was published in the number of that periodical for February, 1885. It was agreed that the writer should have the right to republish it at a future time. Only the rational argument was presented in the article. The author now reproduces it, adding the biblical argument, and a brief historical sketch. Every doctrine has its day to be attacked, and defended. Just now, that of Eternal Retribution is strenuously combated, not only outside of the church, but to some extent within it. Whoever preaches it is said, by some, not "to preach to the times"—As if the sin of this time were privileged, and stood in a different relation to the law and judgment of God, from that of other times. Neither the Christian ministry, nor the Christian church, are responsible for the doctrine of Eternal Perdition. It is given in charge to the ministry, and to the church, by the Lord Christ himself, in his last commission, as a truth to be preached to every creature. Speaking generally, those who believe that there is a hell, and intelligently fear it, as they are

commanded to do by Christ himself, will escape it; and those who deny that there is a hell, and ridicule it, will fall into it. Hence the minister of Christ must be as plain as Christ, as solemn as Christ, and as tender as Christ, in the announcement of this fearful truth. - Preface
