*The Artist and the Eternal City*  
Lloyd Grossman 2021-08-03

This brilliant vignette of seventeenth-century Rome, its Baroque architecture, and its relationship to the Catholic Church brings to life the friendship between a genius and his patron with an ease of writing that is rare in art history. By 1650, the spiritual and political power of the Catholic Church was shattered. Thanks to the twin blows of the Protestant Reformation and the Thirty Years War, Rome—celebrated both as the Eternal City and Caput Mundi (the head of the world)—had lost its preeminent place in Europe. Then a new Pope, Alexander VII, fired with religious zeal, political guile, and a mania for creating new architecture, determined to restore the prestige of his church by making Rome the key destination for Europe's intellectual, political, and

cultural elite. To help him do so, he enlisted the talents of Gianlorenzo Bernini, already celebrated as the most important living artist—no mean feat in the age of Rubens, Rembrandt, and Velazquez. *Rome, the Eternal City* Clara Erskine Clement Waters 1896

1894 A good young man's surrender to passion, the retribution falling on himself and others.

Hall Caine Vivien Allen  
1997-07-01 This first full biography of the Victorian romantic novelist Hall Caine traces his life from childhood in Liverpool, through his time as 'housemate' to Dante Gabriel Rossetti and association with members of the Pre-Raphaelite Brotherhood to his triumphant career as a popular novelist. Caine, a swashbuckling character who might have figured in one of his own

novels, wrote fifteen novels and many non-fiction works. Vivien Allen has been able to take advantage of Caine's family papers and letters and, living in the Isle of Man, is well placed to write about this half-forgotten author of Manx descent who made his home there from 1896 until his death in 1931. The book contains letters to Hall Caine from the American, Dr Francis Tumblety who has been recently identified as the probable 'Jack the Ripper'. These letters were mentioned in the Channel 4 (UK) documentary 'Jack the Ripper' 1996. Much of the archive material was accessed with the assistance of the New York Public Library and the New York Theatre Museum.

**The Eternal City** Peter Bondanella 2017-11-01 A major new interpretation of the impact of ancient Rome on our culture, this study charts the effects of two diametrically opposed views of Roman antiquity: the virtuous republic of self-less citizen soldiers and the corrupt empire of power-hungry tyrants. The power of these images is second only to those derived from Christianity in constructing our modern culture. Few modern readers are aware of how indebted we are to the Roman model of our political philosophy, art, music, cinema, opera, and drama. Originally published in 1987. Chris Miller 2019-04-29 What would you do if you could live

forever? Eleven-year-old Winnie Foster yearns for a life of adventure beyond her white picket fence, but not until she becomes unexpectedly entwined with the Tuck family does she get more than she could have imagined. When Winnie learns of the magic behind the Tuck's immortality, she must fight to protect their secret from those who would do anything for a chance at eternal life. As her adventure unfolds, Winnie faces an extraordinary choice: return to her life, or continue with the Tucks on their infinite journey. Based on the best-selling children's classic by Natalie Babbitt, adapted for the stage by Claudia Shear and Tim Federle, and featuring a soaring score from Chris Miller and Nathan Tysen, the TYA edition of Tuck Everlasting is a condensed 70-minute version of the Broadway production, re-conceived by the authors to be performed by nine actors.
