

Eternal Trust

1901 圣经 注释 卷一

The Atonement R. W. Dale 1875 *The Atonement* is R. W. Dale's exceptional commentary upon the pillar belief of Christianity: that Jesus died for the sins of humanity and was reconciled with His father, the Lord God. Originally, this Biblical study was delivered as a series of lectures to students and believers present at the Congregational Union Memorial Hall in England. R. W. Dale sought to share decades of accumulated study and wisdom to seekers of Christ, and clarify the circumstances and significance of the death of Jesus upon the cross. The treatment given by Dale is thoroughly meticulous and therefore lengthy; in total ten lectures are accompanied by annotations appended as endnotes to each, with further long notes present in the appendix. The Biblical scholarship of R. W. Dale is in full display in this work. Chapter by chapter and verse by verse, we are taken through words pertinent to the death of Jesus and the atonement. Analysis of the Gospels and the appraisal of the Apostle Paul are accompanied with a deeper reading of various Bible passages, plus the meditations of Saint Peter and other Christian figures. The very theology of Christianity is explained at length; Christ declared that His blood be shed for the remission of sins, this phrase alone proving a wellspring for devotion.

Former Governor Mike Huckabee shares how to live a life that will continue to be felt by those who carry your legacy forward. Whether in politics, family, education, or business, what matters most is leaving a legacy for future generations. Rare, Medium or Done Well emphasizes the importance of understanding where we've been, where we are now, and how both determine where we're going. Mike asserts, "A person who has no standard to live by other than the culture of the moment is a person whose principles might as well come from the

latest public opinion polls."

Hagiography 1861

The Atonement R.W. Dale 2013-11-10 Robert William Dale (1829 - 1895) was an English Congregationalist pastor who ministered at Carr's Lane Chapel in Birmingham for over 40 years. His 1875 Lectures on the Atonement have remained in print for almost 150 years. John Stott tells the story of a minister who approached Martyn Lloyd-Jones in the early years of his ministry and observed that the finished work of Christ had little place in his preaching. Lloyd-Jones immediately visited a used bookstore and asked for any volumes on the atonement. The owner brought out James Denney's *The Death of Christ* and R. W. Dale's *The Atonement*. To the concern of his wife, Lloyd-Jones locked himself in his room, so absorbed in these two books he refused even to eat. When he emerged several days later, he exclaimed that he had found "the real heart of the gospel and the key to the inner meaning of the Christian faith."

Jeremiah Alexander Maclaren 2019-11-25

"Expositions of Holy Scripture: Isaiah and Jeremiah" by Alexander Maclaren As a renowned preacher, Maclaren diligently studied the bible and was, therefore, able to create texts that allowed the masses to understand scripture. In this book, he explains how one can turn to prayer in the hopes of redemption by showing the stories of prophets who evangelized in God's name. To this day, this book is a fundamental part of religious curricula around the world.

This Grateful Heart Alden Solovy 2017-04-01

This Grateful Heart offers an anthology of modern day psalms and prayers to lift us up, inspire our days, and mark our milestones. Written by Jewish poet and liturgist Alden Solovy, the collection provides nearly 100 readings, spanning topics from the simple delights of daily living to the complexities of grief; from the celebration of major turning points like bar and bat mitzvah to the more solemn commemoration of lost lives and ended relationships; and from the awe-filled moments of the High Holy Days to the observance of secular holidays. For clergy, this collection offers supplementary material for use in services and life cycle rituals; for the individual, this collection can serve as a way to give voice to the joys and sorrows of everyday life. I hope people will see This Grateful Heart as a prayerbook, a resource kit, a spiritual practice, an inspiration, and a source of hope. Any day a prayer is needed, or any day someone decides to deepen a personal prayer practice, there's a doorway here, in this book. - Alden Solovy

Answers for the Honest Skeptic Ted Even
2021-07-01 It is true that mankind himself has probably always been characterized with the main desire to determine just what spiritual truth really is. For centuries and centuries, highly educated philosophers and religious men alike have always stood toe to toe, disagreeing on spiritual truth. Since they cannot all be right, this would strongly indicate that education, religious persuasion, or even intelligence has little to do with our discovery of the real spiritual truth. For if these things were truly critical, then obviously the spiritual/intellectual giants of history would have agreed on spiritual truth long ago. In this work, author Ted Even endeavors to show that the disagreeing intellectuals/skeptics of the past only serve to reinforce Christ's radical statement about our need to just become like little children in order to discover the spiritual truth, and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis. However, while super intelligence or big degrees may not be necessary, the discovery of spiritual truth does require just one very reasonable quality of heart, which little children have always possessed. Find out just what this basic quality of heart is, as you continue your search for spiritual truth within this simple-to-understand work which only leaves the real spiritual truth left standing.

The Power of infinity Anupkumar Shetty
2022-07-28 This semi-autobiography has been used to explain the science and logistics of living a cancer-free life. A sincere attempt has been made to bridge secular and spiritual life, the science of cancer, and the science of wellness. This book conveys different ways to beat cancer and prevent cancer by systematically attacking the cancer cells with an anti-cancer lifestyle. The book has five sections. The first and the fifth sections summarize the book for a busy reader. The second section is on fighting cancer as the last game of your life by comparing this battle to world cup finals of any sport you like by diligent, unfailing team building and intelligent, blissful execution. The third section is about the prevention of cancer. Cancer survivors have to prevent cancer to remain cancer free. All of us have to prevent cancer in our life to be cancer-free. This section is an amalgamation of the science of cancer, mathematics of cancer, an anticancer lifestyle, and appreciating and realizing the infinite power within us. It explains about surrounding the body with healthy five elements (earth, water, air, fire and space) as in healthy food, healthy liquids, healthy air, healthy level of stress, and healthy companions to heal from and prevent cancer. Tapping into the infinite strength within us which the author calls as 'Infinity' is a common thread through fighting cancer and preventing cancer. In the fourth section on a commoner experiencing infinity, various spiritual paths to unveil that infinity have been quoted as the different methods to experience it. By democratizing spirituality, the author stresses that we all have access to Infinity, God, or Brahman in this life without waiting for it to be an afterlife experience. Some universal, mostly non-denominational, contemporary, non-dualistic and potent Hindu, Sikh and Buddhist texts have been quoted to efficiently describe these methods. These are logical and contemporary and can be practiced by all citizens of this universe of all faiths and ethnicity including atheists.

The Speaking Trinity and His Worded World

Pierce Taylor Hibbs 2018-11-13 The Trinity is a speaking God: three divine persons who share the same essence and commune with each other in love and glory. How does this truth shape the way we view the world and our place in it? The Speaking Trinity and His Worded World explores these questions by presenting all of life through the lens of language. Understood as communion behavior, language has its roots in God himself. What's more, God has used language not only to create our world, but to sustain and direct it. Because of this biblical fact, we live in a place that always and everywhere reveals the trinitarian God whose speech upholds it. All things "speak" of God by revealing aspects of his character (Romans 1). We live in a worded world, a world that was spoken and speaks of God. Thus, language is far more than a means of human communication; it is at the center of who God is, who we are, and what our world is like. Join the author as he walks through redemptive history and points out not only how all things can be perceived through the lens of language, but what this means for us practically in our use of language.

The Face of God Yogi Mahajan 1999 This book is not the story of creation, nor its a description of God Almighty; It is about an experience of love, devotion and sheer joy with the incarnation of the all pervading power of Divine Love, Shri Adi Shakti Shri Mataji Nirmala Devi. Would You Lie to Save a Life Michael Glenn

Maness 2007-09 The Sparrow and the Crow is and will be an epic journey, deep within your wildest imagination. It takes you in places that light cannot exist, but love does. It makes you fear what you don't believe and except what you can't conceive. Christ was a flower, a perfect flower, taken into the eye of the sparrow. Hatred, rage, anger became justice, caught within the heart of the crow. The power of Christ has traveled through the ages, searching for two people, a man and a woman, who are not perfect before God; but their hearts are pure and one with creation. They are the chosen ones. Two people willing to die for each other, for no other reason than to preserve a single burning light within a darkened night. A candlelight, burning within the Eye of the Sparrow. His promise to Adam and Eve becomes the Omen of the Crow. That he who seeks the rose shall inherit the Heavens and Earth forever more.
