The Triumphs of Eugene Valmont (1906) by Robert Barr Robert Barr 2016-03-18 Robert Barr (16 September 1849 - 21 October 1912) was a Scottish-Canadian short story writer and novelist, born in Glasgow, Scotland. Barr emigrated with his parents to Upper Canada at age four and was educated in Toronto at Toronto Normal School. Barr became a teacher and eventual headmaster of the Central School of Windsor, Ontario. While he had that job he began to contribute short stories—often based on personal experiences—to the Detroit Free Press. In 1876 Barr quit his teaching position to become a staff member of that publication, in which his contributions were published with the pseudonym "Luke Sharp." This nom de plume was derived from the time he attended school in Toronto. At that time he would pass on his

daily commute a shop sign marked, "Luke Sharpe, Undertaker", a combination of words Barr considered amusing in their incongruity. Barr was promoted by the Detroit Free Press, eventually becoming its news editor.

The Triumphs of Eugène Valmont

Robert Barr 2020-11-25 When I say I am called Valmont, the name will convey no impression to the reader, one way or another. My occupation is that of private detective in London, but if you ask any policeman in Paris who Valmont was he will likely be able to tell you, unless he is a recent recruit. If you ask him where Valmont is now, he may not know, yet I have a good deal to do with the Parisian police. For a period of seven years I was chief detective to the Government of France, and if I am unable to prove myself a great crime hunter, it is

because the record of my career is in the secret archives of Paris. I may admit at the outset that I have no grievances to air. The French Government considered itself justified in dismissing me, and it did so. In this action it was quite within its right, and I should be the last to dispute that right; but, on the other hand, I consider myself justified in publishing the following account of what actually occurred, especially as so many false rumours have been put abroad concerning the case. However, as I said at the beginning, I hold no grievance, because my worldly affairs are now much more prosperous than they were in Paris, my intimate knowledge of that city and the country of which it is the capital bringing to me many cases with which I have dealt more or less successfully since I established myself in London.

Valmont (1906). By: Robert

Robert Barr (16 Septem: ber 1849 - 21 October 1912) was a Scottish-Canadian short story writer and novelist, born in Glasgow, Scotland. Early Years in Canada Barr emigrated with his parents to Upper Canada at age four and was educated in Toronto at Toronto Normal School. Barr became a teacher and eventual headmaster of the Central School of Windsor, Ontario. While he had that job he began to contribute short stories-often based on personal experiences-to the Detroit Free Press. In 1876 Barr quit his teaching position to become a staff member of that publication, in which his contributions were published with the pseudonym "Luke Sharp." This nom de plume was derived from the time he attended school in Toronto. At that time he would pass on his daily commute a shop sign marked, "Luke Sharpe, Undertaker," a combination of

words Barr considered amusing in their incongruity.[2] Barr was promoted by the Detroit Free Press, eventually becoming its news editor. London years: In 1881 Barr decided to "vamoose the ranch," as he stated, and relocated to London, to establish there the weekly English edition of the Detroit Free Press. In 1892 he founded the magazine *The Idler*, choosing Jerome K. Jerome as his collaborator (wanting, as Jerome said, "a popular name"). He retired from its co-editorship in 1895. In London of the 1890s Barr became a more prolific author-publishing a book a year-and was familiar with many of the best-selling authors of his day, including Bret Harte and Stephen Crane. Most of his literary output was of the crime genre, then quite in vogue. When Arthur Conan Doyle's Sherlock Holmes stories were becoming well-known Barr published in the *Idler* the first Holmes parody, "The Adventures of Sherlaw Kombs" (1892), a spoof that was continued a decade later in

another Barr story, "The Adventure of the Second Swag" (1904). Despite the jibe at the growing Holmes phenomenon Barr and Doyle remained on very good terms. Doyle describes him in his memoirs *Memories and Adventures* as, "a volcanic Anglo-or rather Scot-American, with a violent manner, a wealth of strong adjectives, and one of the kindest natures underneath it all." Robert Barr died from heart disease on 21 October 1912, at his home in Woldingham, a small village to the southeast of London.

In Russian and French Prisons Peter Kropotkin 2020-05-26 First published in 1887, "In Russian and French Prisons" is Peter Kropotkin's detailed critique of French and Russian prisons in the late 19th century. Within it, Kropotkin offers poignant descriptions of the conditions of those who undergo solitary confinement while offering his own panacea to the wealth of problems engendered by the existence of

prisons: abolish them entirely. Although written over a century ago, Kropotkin's astute criticisms of the penal system are still very much relevant today. Contents include: "My First acquaintance With Russian Prisons", "Russian Prisons", "He Fortress Of St. Peter And St. Paul", "Outcast Russia", "The Exile In Siberia", "The Exile On Sakhalı", "A Foreigner On Russian Prisons", etc. Pyotr Alexeyevich Kropotkin (1842-1921) was a Russian writer, activist, revolutionary, economist, scientist, sociologist, essayist, historian, researcher, political scientist, geographer, geographer, biologist, philosopher and advocate of anarcho-communism. He was a prolific writer, producing a large number of pamphlets and articles, the most notable being "The Conquest of Bread and Fields, Factories and Workshops" and "Mutual Aid: A Factor of Evolution". The Triumphs of Eugene Valmont Robert Barr 2018-02-08 The Triumphs of Eugene Valmont (1906) brings together tales of the multifarious exploits of Robert Barr's elegant and cunning sleuth, Valmont, a brilliantly ironic parody of Sherlock Holmes. Exhibiting the crucial combination of realism and imagination that characterizes the finest crime writing, the stories exude playfulness and

blend mystery and quasi-Gothic thrills with humorous detours and romantic adventure. A notable figure in 1890s literary London and a friend of Conan Doyle, Barr was acutely aware of style as a form of statement and the stories are full of literary effects, commentary on the detective mystery genre, and Valmont's disparaging reflections on English values. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The Beach Beneath the Street

McKenzie Wark 2015-05-05

Over fifty years after the Situationist International appeared, its legacy continues to inspire activists, artists and theorists around the world. Such a legend has accrued to this movement that the story of the SI now demands to be told in a contemporary voice capable of putting it into the context of twenty-first-century struggles. McKenzie Wark delves into the Situationists' unacknowledged diversity, revealing a world as rich in practice as it is in theory. Tracing the group's development from the bohemian Paris of the '50s to the explosive days of May '68, Wark's take on the Situationists is biographically

and historically rich, presenting the group as an ensemble creation, rather than the brainchild and dominion of its most famous member, Guy Debord. Roaming through Europe and the lives of those who made up the movement - including Constant, Asger Jorn, Michèle Bernstein, Alex Trocchi and Jacqueline De Jong - Wark uncovers an international movement riven with conflicting passions. Accessible to those who have only just discovered the Situationists and filled with new insights, *The Beach Beneath the Street* rereads the group's history in the light of our contemporary experience of communications, architecture, and everyday life. The Situationists tried to escape the world of twentieth-century spectacle and failed in the attempt. Wark argues that they may still help us to escape the twenty-first century, while we still can.

But he also comes face to face with the realities of the corrupt society in which he lives - the sleazy colleagues, the manipulative mistresses and wily financiers - and swiftly learns to become an arch-seducer, blackmailer and social climber in a world where love is only a means to an end. Valmont Robert Barr

2015-02-11 This early work by Robert Barr was originally published in 1906 and we are now republishing it with a brand new introductory biography. "The Triumphs of Eugene Valmont" is a collection of the stories and exploits of French detective turned rogue Eugene Valmont including parody of Sherlock Holmes. Barr set the standard for the genre with an even mix of light-hearted sardonics and cunning sleuth. Robert Barr was born on 16th September 1849 in Glasgow, Scotland, but he and his parents emigrated to Upper Canada when he was just four years old. He attended Toronto

Normal School to train as a teacher and this career path led him to become headmaster of the Central School of Windsor, Ontario. During his time as a headteacher he began to contribute short stories to the Detroit Free Press, a publication for whom he left the teaching profession to become a staff member in 1876. He wrote for them under the pseudonym "Luke Sharp," a name he found amusing on a sign reading "Luke Sharpe, Undertaker" that he used to pass on his daily commute to work. He eventually rose to the position of news editor at the publication. In 1881 he left Canada for London to establish a weekly English edition of the Detroit Free Press. He remained in England to found The Idler, a monthly magazine he collaborated on with the popular humourist Jerome K. Jerome. During the 1890's he began to increase his literary production, writing mainly in the popular crime genre of the day. The success of his contemporary, Arthur Conan Doyle, and his super sleuth,

In London of the 1890s Barr became a more prolific author-publishing a book a year-and was familiar with many of the best-selling authors of his day, including Bret Harte and Stephen Crane. Most of his literary output was of the crime genre, then quite in vogue. When Arthur Conan Doyle's Sherlock Holmes stories were becoming well-known Barr published in the *Idler* the first Holmes parody, "The Adventures of Sherlaw Kombs" (1892), a spoof that

was continued a decade later in another Barr story, "The Adventure of the Second Swag" (1904). Despite the jibe at the growing Holmes phenomenon Barr and Doyle remained on very good terms. Doyle describes him in his memoirs *Memories and Adventures* as, "a volcanic Anglo-or rather Scot-American, with a violent manner, a wealth of strong adjectives, and one of the kindest natures underneath it all."
