

Fall Of The House Of Windsor

The Fall of the House of Windsor Nigel Blundell 1992

On Royalty Jeremy Paxman 2008-07-31 The notable characteristic of the royal families of Europe is that they have so very little of anything remotely resembling true power. Increasingly, they tend towards the condition of pipsqueak principalities like Liechtenstein and Monaco—fancy-dress fodder for magazines that survive by telling us things we did not need to know about people we have hardly heard of. How then have kings and queens come to exercise the mesmerizing hold they have upon our imaginations? In *On Royalty* renowned BBC journalist Jeremy Paxman examines the role of the British monarchy in an age when divine right no longer prevails and governing powers fall to the country's elected leaders. With intelligence and humor, he scrutinizes every aspect of the monarchy and how it has related to politics, religion, the military and the law. He takes us inside Buckingham Palace and illuminates the lives of the monarchs, at once mundane, absurd and magical. What Desmond Morris did for apes, Paxman has done for these primus inter primates: the royal families. Gilded history, weird anthropology and surreal reportage of the royals up close combine in *On Royalty*, a brilliant investigation into how an ancient institution struggles for meaning in a modern country.

The Shadow Queen Rebecca Dean 2012-08-14 King Edward VIII abdicated his throne for her in one of the world's great love stories - but who was Wallis Simpson? Born into a poor southern family but taken in by rich relatives, Wallis Simpson was raised as a socialite. Between family conflicts and debutante balls, she and her friends dream of their future husbands, and like millions of girls worldwide, dream of Prince Edward, the heir to the British throne who would someday be king. Beloved author Rebecca Dean imagines the early life of Wallis Simpson, her triumphs and heartbreaks, and the making of the twice divorced, nearly destitute woman who captured a king's heart and changed the course of history. Set against a background of high society, royal circles, and diplomatic intrigue, *The Shadow Queen* features one of the most fascinating and controversial women of the 20th century.

A Brief History of the House of Windsor Michael Paterson 2013-06-20 The British monarchy may be over a thousand years old, but the House of Windsor dates only from 1917, when, in the middle of the First World War that was to see the demise of the major thrones of continental Europe, it rebranded itself from the distinctly Germanic Saxe-Coburg-Gotha to the homely and familiar Windsor. By redefining its loyalties to identify with its people and country rather than the princes, kings and emperors of Europe to whom it was related by birth and marriage, it set the monarchy on the path of adaptation, making itself relevant and allowing it to survive. Since then, the fine line trodden by the House of Windsor between ancient and modern, grandeur and thrift, splendour and informality, remoteness and accessibility, and influence and neutrality has left it more secure and its appeal more universal today than ever.

Sandringham Days John A. Matson 2011-11 This is a fascinating portrait of royal life at Sandringham, from the early life of Albert Edward to the modern day. Drawing on letters, diaries and contemporary reports, it is a rich exploration of the private lives of Britain's royal family. From family life at the estate to the first visit of Queen Victoria, the glittering parties of the early twentieth century and all the way up to the death of King George V, the reigns of his sons and the Sandringham of today, it will delight anyone with an interest in the lives of the British royal family.

The Windsor Style Suzy Menkes 1987

The Court at Windsor Christopher Hibbert 1964 Intimate report of pleasant gossip about the great fortress-castle's royal inmates and their days spent there, from William the Conqueror to Elizabeth 2d.

The Royals Kitty Kelley 2009-10-31 The #1 New York Times bestselling, controversial portrait of the British royal family -- as told from behind the palace walls -- for fans of Netflix's *The Crown* and all royal watchers. They are the most chronicled family on the face of the globe. Their every move attracts headlines. Now Kitty Kelley has gone behind the scenes at Buckingham Palace, Windsor Castle and Kensington Palace to raise the curtain on the men and women who make up the British royal family. Queen Elizabeth, Prince

Charles, Princess Diana...here are the scandals of the last decades: the doomed marriages and the husbands, wives, lovers and children caught in their wake and damaged beyond repair. No one is spared. *HRH* Elizabeth Holmes 2020-11-17 ****THE INSTANT NEW YORK TIMES BESTSELLER**** Veteran style journalist Elizabeth Holmes expands her popular Instagram series, *So Many Thoughts*, into a nuanced look at the fashion and branding of the four most influential members of the British Royal Family: Queen Elizabeth II; Diana, Princess of Wales; Catherine, The Duchess of Cambridge; and Meghan, The Duchess of Sussex. Kate Middleton and Meghan Markle are global style icons, their every fashion choice chronicled and celebrated. With all eyes on them, the duchesses select clothes that send a message about their values, interests, and priorities. Their thoughtful sartorial strategies follow in the footsteps of Queen Elizabeth II and Diana, Princess of Wales, two towering figures known for using their personal style to great acclaim. With one section devoted to each woman, *HRH* is a celebration of their stories and their style, pairing hundreds of gorgeous photographs with extensive research. A picture emerges of the British monarchy's evolution and the power of royal fashion, showing there's always more than what meets the eye.

Fall of the House of Windsor Nigel Blundell 1992 A history of the royal scandals, including the Dianagate tapes. The innermost secrets of the lives of Princess Diana, the Duchess of York and Prince Edward are among the stories told in this text.

Red, White & Royal Blue Casey McQuiston 2019-05-14 * Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

The Little Princesses Marion Crawford 2003-04-10 An account of the childhoods and early adulthoods of Queen Elizabeth and Princess Margaret, as told by one of their primary caregivers, offers insight into early twentieth-century British royal life.

17 Carnations Andrew Morton 2015-03-10 From the author of New York Times bestseller *MEGHAN* comes a scandalous historical drama about the secrets hidden between the royal family, Franklin D. Roosevelt, Winston Churchill, the Duke of Windsor, and Adolf Hitler before, during, and after World War II. Andrew Morton tells the story of the feckless Edward VIII, later Duke of Windsor, his American wife, Wallis Simpson, the bizarre wartime Nazi plot to make him a puppet king after the invasion of Britain, and the attempted cover-up by Churchill, General Eisenhower, and King George VI of the duke's relations with Hitler. From the alleged affair between Simpson and the German foreign minister to the discovery of top secret correspondence about the man dubbed "the traitor king" and the Nazi high command, this is a saga

of intrigue, betrayal, and deception suffused with a heady aroma of sex and suspicion. For the first time, Morton reveals the full story behind the cover-up of those damning letters and diagrams: the daring heist ordered by King George VI, the smooth duplicity of a Soviet spy as well as the bitter rows and recriminations among the British and American diplomats, politicians, and academics. Drawing on FBI documents, exclusive pictures, and material from the German, Russian, and British royal archives, as well as the personal correspondence of Churchill, Eisenhower, and the Windsors themselves, 17 CARNATIONS is a dazzling historical drama, full of adventure, intrigue, and startling revelations, written by a master of the genre.

The Rise and Fall of the House of Windsor A. N. Wilson 1994 "For those who seek coherence beyond the weekly wrap-up offered by PEOPLE magazine comes a book that ponders the deeper effects of this slow decline of the world's last great monarchy....An interesting overview of what has happened to royalty."

CHICAGO TRIBUNE Divorce and separation. Steamy telephone tapes. Brewing custody battles.

Embarrassing photographs. Is the House of Windsor self-destructing? The brilliant writer A.N. Wilson, whose biographies include C.S. Lewis and Tolstoy, sets out to answer this vexing and fascinating question in his spectacular new book. An observer and writer of great style and an Englishman of particular opinions, Wilson is uniquely placed to rail about the royal follies even as he defends the monarchy's usefulness. He asserts that the Windsors have actually gained in political power under Elizabeth II, and puts all the naughty goings-on in a historical context. A riches-to-ruin saga as bizarre as any novel, THE RISE AND FALL OF THE HOUSE OF WINDSOR is by far the most intelligent--and most surprising--account of the catastrophe that the Royal Family have brought on themselves.

Albert and Victoria E. J. Feuchtwanger 2006-01-01 A joint biography of Britain's most remarkable and influential royal couple. >

Dynasty Donald Spoto 1995

... and What Do You Do? Norman Baker 2020-08-26 By turns irreverent and uncompromising a book that asks important questions about the future of the British royal family.

The Palace Papers Tina Brown 2022-04-26 NEW YORK TIMES BESTSELLER • The “addictively readable” (The Washington Post) inside story of the British royal family’s battle to overcome the dramas of the Diana years—only to confront new, twenty-first-century crises “Frothy and forthright, a kind of Keeping Up with the Windsors with sprinkles of Keats.”—The New York Times (Notable Book of the Year) ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, Elle, Town & Country “Never again” became Queen Elizabeth II’s mantra shortly after Princess Diana’s tragic death. More specifically, there could never be “another Diana”—a member of the family whose global popularity upstaged, outshone, and posed an existential threat to the British monarchy. Picking up where Tina Brown’s masterful *The Diana Chronicles* left off, *The Palace Papers* reveals how the royal family reinvented itself after the traumatic years when Diana’s blazing celebrity ripped through the House of Windsor like a comet. Brown takes readers on a tour de force journey through the scandals, love affairs, power plays, and betrayals that have buffeted the monarchy over the last twenty-five years. We see the Queen’s stoic resolve after the passing of Princess Margaret, the Queen Mother, and Prince Philip, her partner for seven decades, and how she triumphs in her Jubilee years even as family troubles rage around her. Brown explores Prince Charles’s determination to make Camilla Parker Bowles his wife, the tension between William and Harry on “different paths,” the ascendance of Kate Middleton, the downfall of Prince Andrew, and Harry and Meghan’s stunning decision to step back as senior royals. Despite the fragile monarchy’s best efforts, “never again” seems fast approaching. Tina Brown has been observing and chronicling the British monarchy for three decades, and her sweeping account is full of powerful revelations, newly reported details, and searing insight gleaned from remarkable access to royal insiders. Stylish, witty, and erudite, *The Palace Papers* will irrevocably change how the world perceives and understands the royal family.

Behind the Throne Adrian Tinniswood 2018-10-02 An upstairs/downstairs history of the British royal court, from the Middle Ages to the reign of Queen Elizabeth II Monarchs: they're just like us. They entertain their friends and eat and worry about money. Henry VIII tripped over his dogs. George II threw his son out of the house. James I had to cut back on the alcohol bills. In *Behind the Throne*, historian Adrian Tinniswood uncovers the reality of five centuries of life at the English court, taking the reader on a remarkable journey

from one Queen Elizabeth to another and exploring life as it was lived by clerks and courtiers and clowns and crowned heads: the power struggles and petty rivalries, the tension between duty and desire, the practicalities of cooking dinner for thousands and of ensuring the king always won when he played a game of tennis. A masterful and witty social history of five centuries of royal life, *Behind the Throne* offers a grand tour of England's grandest households.

Wallis in Love Andrew Morton 2018-02-13 A NEW YORK TIMES BESTSELLER. Sunday Times bestselling author Andrew Morton reveals new information and sources that totally transform our perception of Wallis Simpson. *Wallis in Love* brings a fascinating new perspective on the 20th century's most controversial royal scandal. Andrew Morton's impeccable research and unerring skill for riveting storytelling combine to present a strong case for a new and startling reveal: that the woman who rocked the world with her uncompromising passion for the Prince of Wales may have fooled everyone by keeping the object of her true passion hidden away... From her relatively lowly beginnings in America - where young Wallis and her mother were dependent on her domineering and powerful Uncle Sol, to her rise through the social ranks and her determination to one day beat men at their own game - to the ultimate conquest of the Prince of Wales, Morton paints a vivid and multi-faceted picture of a compelling, ambitious and often hard-hearted woman, who may have won the jewel in the British crown but very possibly at the expense of her true happiness. *Wallis in Love* reveals the men Wallis truly loved, the men who broke her heart - and the hearts she broke in turn. In this vivid, fresh and frankly amazing portrait of the Duchess of Windsor, Morton draws on interviews, secret letters, diaries and never before seen or heard primary sources. From the day she was born in a ramshackle cottage in the hills to revealing what really happened the night her husband died, Morton paints a fresh and enticing portrait of the Duchess of Windsor.

The Decline and Fall of the House of Windsor Donald Spoto 1996 Biography of the Royal Family of Great Britain from Queen Victoria to Queen Elizabeth II that reveals new information about many family members and examines the difficulties that celebrity status has brought to the family.

The FBI Wife Sandra Windsor 2016-02-15 “There would be another house to make a home, a relationship to repair and a heart to make happy with a new determination” Sandy, a 1960’s FBI wife, finds herself in territory for which there seems to be no roadmap, yet she knows she is somewhere important, an observer and a participant in an unfolding scene which is impacting her as she moves from assignment to assignment across country under Hoover’s rigid FBI expectations. Caught in this world, juxtaposed against the social explosions of the time, Sandy takes the reader on an emotional journey across country, through the trauma of the Kennedy assassination, Martin Luther King’s Selma march and the war on organized crime, knowing all the while she is giving up more and more of herself. They are a couple marching out of step, searching for a connection. Sandy aspires for a partnership based on trust and shared aspirations; Cliff is seduced by the danger of working high profile criminal cases. She must find that person lurking within, separate from her identity as an FBI wife. “My river’s life echoed my own as I searched, manipulated, pressed on, gave up to finally reach a place I hadn’t been before.” Sandra Windsor’s *FBI Wife* beautifully explores what it’s like to live next to big moments in history, to hold home and family together as your partner engages in the headline events of your time. William Haywood Henderson, author of *Augusta Locke*

George V Jane Ridley 2022-01-04 From one of the most beloved and distinguished historians of the British monarchy, here is a lively, intimately detailed biography of a long-overlooked king who reimagined the Crown in the aftermath of World War I and whose marriage to the regal Queen Mary was an epic partnership The grandfather of Queen Elizabeth II, King George V reigned over the British Empire from 1910 to 1936, a period of unprecedented international turbulence. Yet no one could deny that as a young man, George seemed uninspired. As his biographer Harold Nicolson famously put it, "he did nothing at all but kill animals and stick in stamps." The contrast between him and his flamboyant, hedonistic, playboy father Edward VII could hardly have been greater. However, though it lasted only a quarter-century, George’s reign was immensely consequential. He faced a constitutional crisis, the First World War, the fall of thirteen European monarchies and the rise of Bolshevism. The suffragette Emily Davison threw herself under his horse at the Derby, he refused asylum to his cousin the Tsar Nicholas II during the Russian Revolution, and he facilitated the first Labour government. And, as Jane Ridley shows, the modern British

monarchy would not exist without George; he reinvented the institution, allowing it to survive and thrive when its very existence seemed doomed. The status of the British monarchy today, she argues, is due in large part to him. How this supposedly limited man managed to steer the crown through so many perils and adapt an essentially Victorian institution to the twentieth century is a great story in itself. But this book is also a riveting portrait of a royal marriage and family life. Queen Mary played a pivotal role in the reign as well as being an important figure in her own right. Under the couple's stewardship, the crown emerged stronger than ever. George V founded the modern monarchy, and yet his disastrous quarrel with his eldest son, the Duke of Windsor, culminated in the existential crisis of the Abdication only months after his death. Jane Ridley has had unprecedented access to the archives, and for the first time is able to reassess in full the many myths associated with this crucial and dramatic time. She brings us a royal family and world not long vanished, and not so far from our own.

The Golden Hour Beatriz Williams 2019-07-09 "The Golden Hour is pure golden delight Beatriz Williams is at the top of her game." —Kate Quinn, New York Times Bestselling Author of The Alice Network Beatriz Williams, the New York Times bestselling author of *The Summer Wives*, is back with another hot summer read; a dazzling epic of World War II in which a beautiful young "society reporter" is sent to the Bahamas, a haven of spies, traitors, and the infamous Duke and Duchess of Windsor. *The Bahamas, 1941*. Newly-widowed Leonora "Lulu" Randolph arrives in the Bahamas to investigate the Governor and his wife for a New York society magazine. After all, American readers have an insatiable appetite for news of the Duke and Duchess of Windsor, that glamorous couple whose love affair nearly brought the British monarchy to its knees five years earlier. What more intriguing backdrop for their romance than a wartime Caribbean paradise, a colonial playground for kingpins of ill-gotten empires? Or so Lulu imagines. But as she infiltrates the Duke and Duchess's social circle, and the powerful cabal that controls the islands' political and financial affairs, she uncovers evidence that beneath the glister of Wallis and Edward's marriage lies an ugly—and even treasonous—reality. In fact, Windsor-era Nassau seethes with spies, financial swindles, and racial tension, and in the middle of it all stands Benedict Thorpe: a scientist of tremendous charm and murky national loyalties. Inevitably, the willful and wounded Lulu falls in love. Then Nassau's wealthiest man is murdered in one of the most notorious cases of the century, and the resulting coverup reeks of royal privilege. Benedict Thorpe disappears without a trace, and Lulu embarks on a journey to London and beyond to unpick Thorpe's complicated family history: a fateful love affair, a wartime tragedy, and a mother from whom all joy is stolen. The stories of two unforgettable women thread together in this extraordinary epic of espionage, sacrifice, human love, and human courage, set against a shocking true crime . . . and the rise and fall of a legendary royal couple.

The Benin Massacre Alan Maxwell Boisragon 1898

Royals at War Dylan Howard 2020-06-30 Reveals Shocking Revelations about Prince Harry, Meghan Markle, and the British Royal Family—and the Divisive Rifts Between Them This explosive exposé, *Royals at War*, takes readers inside a riven Buckingham Palace to provide the definitive account of the unfolding abdication crisis of 2020—dubbed Megxit—during which the Duke and Duchess of Sussex, Prince Harry and Meghan Markle, became royal outcasts. Through revealing interviews with royal family insiders, friends, aides, historians, royal watchers, and others with intimate knowledge of The House of Windsor, this tell-all book looks back at the events, motives and crises which led to Harry (sixth in line to the throne) dramatically abandoning his birthright—in a move not seen for nearly a century, when King Edward VIII also gave up the crown for the woman he loved as Europe teetered on the brink of fascism and war. Like Edward and Wallis Simpson, the catalyst for the scandal here is also an ambitious, controversial American woman. Dylan Howard, bestselling author of *Diana: Case Solved* and *Epstein: Dead Men Tell No Tales*, charts how Meghan's relationship with Harry was viewed as controversial from the start—and how her brief honeymoon with the British public began to sour shortly after she and Harry announced in November 2018 that they would be leaving Kensington Palace to move to Frogmore Cottage, an hour outside London. As senior royals expressed disapproval, the public at first seemed to enjoy the royal spat, with many still supporting Team Meghan—until it emerged that the bill to renovate Frogmore Cottage to Meghan's lavish expectations would be \$3 million . . . and be picked up by British taxpayers. Finally, in a move nobody saw coming, Harry announced he was turning his back on the role he had been groomed for since birth—giving

up his HRH title, repaying the renovation costs of Frogmore Cottage, abandoning his royal duties, and leaving Britain for good. Buckingham Palace reeled. Howard's unique access and insight into this constitutional crisis will not only address the tensions and tantrums behind closed palace doors, but seek to answer the questions many are still asking: Has Prince Harry ever really recovered from the death of his mother Diana—and the resentment he feels against the institution that tried to destroy her? Why did Meghan, once hailed as a breath of fresh air, rile up the monarchy? Why did she refuse to conform to royal conventions in the way that Catherine did before her? Did the public and media criticism of Meghan go too far? And just how valid are the accusations of racism? How did these modern royals treat the tabloids differently to tradition? And did it backfire? What next for Harry and Meghan? And how will they—and the institution they've turned their back on—react to their new lives outside the confines of the Palace and free from the strict codes and conventions that bind all members of the Royal Family? Caught in a trap by virtue of a life entombed in a gilded cage, *Royals at War* answers these questions and more . . . and reveals how Harry's infatuation with Meghan and desire to modernize the monarchy could yet end in disaster for the House of Windsor. Played out against the cataclysm of the British tabloid's laser focus on the duchess' every movement—for good or ill—this is the true story of Harry and Meghan's split from the Establishment . . . and perhaps just the beginning of a whole new Monarchy, redefined for the modern age.

Buckingham Babylon Peter Fearon 1993 The inside story of the British Royal House, from its foundation through the secrets of its greatest crises to the current tabloid scandals. Fearon reveals the most guarded secrets of a classically dysfunctional family—one doomed to repeat the patterns of the past. Photos.

The Last Queen Clive Irving 2021-01-05 A timely and revelatory new biography of Queen Elizabeth (and her family) exploring how the Windsors have evolved and thrived, as the modern world has changed around them. Clive Irving's stunning new narrative biography *The Last Queen* probes the question of the British monarchy's longevity. In 2021, the Queen Elizabeth II finally appears to be at ease in the modern world, helped by the new generation of Windsors. But through Irving's unique insight there emerges a more fragile institution, whose extraordinarily dutiful matriarch has managed to persevere with dignity, yet in doing so made a Faustian pact with the media. *The Last Queen* is not a conventional biography—and the book is therefore not limited by the traditions of that genre. Instead, it follows Elizabeth and her family's struggle to survive in the face of unprecedented changes in our attitudes towards the royal family, with the critical eye of an investigative reporter who is present and involved on a highly personal level.

The Fall of the House of Usher and Other Writings Edgar Allan Poe 2003-03-27 This selection of Poe's critical writings, short fiction and poetry demonstrates an intense interest in aesthetic issues and the astonishing power and imagination with which he probed the darkest corners of the human mind. *The Fall of the House of Usher* describes the final hours of a family tormented by tragedy and the legacy of the past. In *The Tell Tale Heart*, a murderer's insane delusions threaten to betray him, while stories such as *The Pit and the Pendulum* and *The Cask of Amontillado* explore extreme states of decadence, fear and hate.

Monarchy and the End of Empire Philip Murphy 2013-12 Examines the relationship between the British government, the Palace, and the modern Commonwealth since 1945 and argues that the monarchy's relationship with the Commonwealth, which was initially promoted by the UK as a means of strengthening imperial ties, increasingly became an impediment to British foreign policy.

William and Harry Katie Nicholl 2010-11-09 *William and Harry* is a fascinating insight into the lives and loves of two extraordinary young men who have captured not only the hearts and minds of not only the British public, but those the world over. This is the definitive book about the princes, bringing their story right up to date. It is the tale of two brothers who have carried the legacy of their mother, Diana, Princess of Wales, into the twenty-first century and on whom the future of the House of Windsor largely depends. Drawing on her unique set of contacts Katie Nicholl recounts the royal brothers' extraordinary lives and reveals William and Harry's real characters as they become front-line soldiers and modern princes. Through her network of sources, some of which have agreed to speak for the very first time, Katie tells the story of one of Prince William's earliest romances, and his struggle with his destiny as a future King of England. As a royal wedding between Prince William and Kate Middleton seems more probable, Katie has spoken to a wealth of contacts close to the couple who reveal how their love affair really started at St Andrews, the hurdles the pair overcame and the challenges they still face. She recounts the story of Harry's time at Eton,

his relationship with Chelsy Davy, and his three months he spent on the front line in Afghanistan. She analyses William and Harry's complex relationship with their father, and the woman who will one day become Queen Camilla. She talks to their friends, contemporaries and confidants to paint a unique and revealing portrait of the two most famous brothers in the world.

"The" Royal House of Windsor Elizabeth Longford 1976

The Crown in Crisis Alexander Larman 2021-01-19 The thrilling and definitive account of the Abdication Crisis of 1936 On December 10, 1936, King Edward VIII brought a great international drama to a close when he abdicated, renouncing the throne of the United Kingdom for himself and his heirs. The reason he gave when addressing his subjects was that he could not fulfill his duties without the woman he loved—the notorious American divorcee Wallis Simpson—by his side. His actions scandalized the establishment, who were desperate to avoid an international embarrassment at a time when war seemed imminent. That the King was rumored to have Nazi sympathies only strengthened their determination that he should be forced off the throne, by any means necessary. Alexander Larman's *The Crown in Crisis* will treat readers to a new, thrilling view of this legendary story. Informed by revelatory archival material never-before-seen, as well as by interviews with many of Edward's and Wallis's close friends, Larman creates an hour-by-hour, day-by-day suspenseful narrative that brings readers up to the point where the microphone is turned on and the king speaks to his subjects. As well as focusing on King Edward and Mrs. Simpson, Larman looks closely at the roles played by those that stood against him: Prime minister Stanley Baldwin, his private secretary Alec Hardinge, and the Archbishop of Canterbury Cosmo Lang. Larman also takes the full measure of those who supported him: the great politician Winston Churchill, Machiavellian newspaper owner Lord Beaverbrook, and the brilliant lawyer Walter Monckton. For the first time in a book about the abdication, readers will read an in-depth account of the assassination attempt on Edward's life and its consequences, a first-person chronicle of Wallis Simpson's scandalous divorce proceedings, information from the Royal Archives about the government's worries about Edward's relationship with Nazi high-command Ribbentrop and a boots-on-the-ground view of how the British people saw Edward as they watched the drama unfold. You won't be able to put down *The Crown in Crisis*, a full panorama of the people and the times surrounding Edward and the woman he loved.

The Big Rich Bryan Burrough 2010-03-30 "Full of schadenfreude and speculation—and solid, timely history too." —Kirkus Reviews "This is a portrait of capitalism as white-knuckle risk taking, yielding fruitful discoveries for the fathers, but only sterile speculation for the sons—a story that resonates with today's economic upheaval." —Publishers Weekly "What's not to enjoy about a book full of monstrous egos, unimaginable sums of money, and the punishment of greed and shortsightedness?" —The Economist Phenomenal reviews and sales greeted the hardcover publication of *The Big Rich*, New York Times bestselling author Bryan Burrough's spellbinding chronicle of Texas oil. Weaving together the multigenerational sagas of the industry's four wealthiest families, Burrough brings to life the men known in their day as the Big Four: Roy Cullen, H. L. Hunt, Clint Murchison, and Sid Richardson, all swaggering Texas oil tycoons who owned sprawling ranches and mingled with presidents and Hollywood stars. Seamlessly charting their collective rise and fall, *The Big Rich* is a hugely entertaining account that only a writer with Burrough's abilities-and Texas upbringing-could have written.

The Queen and I Sue Townsend 2012 After some forty years on the throne of England to be rehoused on a council estate in the Midlands comes as something of a shock to the Queen. In fact it is a nightmare. *Edward VIII (Penguin Monarchs)* Piers Brendon 2016-04-28 'After my death,' George V said of his eldest son and heir, 'the boy will ruin himself within twelve months.' The forecast proved uncannily accurate. Edward VIII came to the throne in January 1936, provoked a constitutional crisis by his determination to marry the American divorcee Wallis Simpson, and abdicated in December. He was never crowned king. In choosing the woman he loved over his royal birthright, Edward shook the monarchy to its foundations. Given the new title 'Duke of Windsor' and essentially sent into exile, he remained a visible skeleton in the royal cupboard until his death in 1972 and he haunts the house of Windsor to this day. Drawing on unpublished material, notably correspondence with his most loyal (though much tried) supporter Winston Churchill, Piers Brendon's superb biography traces Edward's tumultuous public and private life from bright young prince to troubled sovereign, from wartime colonial governor to sad but glittering expatriate. With

pace and panache, it cuts through the myths that still surround this most controversial of modern British monarchs.

Matriarch Anne Edwards 2014-12-05 The life of Princess May of Teck is one of the great Cinderella stories in history. From a family of impoverished nobility, she was chosen by Queen Victoria as the bride for her eldest grandson, the scandalous Duke of Clarence, heir to the throne, who died mysteriously before their marriage. Despite this setback, she became queen, mother of two kings, grandmother of the current queen, and a lasting symbol of the majesty of the British throne. Her pivotal role in the abdication of her eldest son, the Duke of Windsor, is just one of the events that provide the backdrop for both thrilling biography and for narrating the splendors and tragedies of the entire house of Windsor.

The Decline and Fall of the House of Windsor Donald Spoto 1995 Biography of the Royal Family of Great Britain from Queen Victoria to Queen Elizabeth II that reveals new information about many family members and examines the difficulties that celebrity status has brought to the family.

That Woman Anne Sebba 2012-02-14 Acclaimed biographer Sebba offers the first full scale biography of Wallis Simpson, exploring the mind of one of the most glamorous and reviled figures of the 20th century—and one of the most talked about women of her generation.

The Windsor Diaries Alatheia Fitzalan Howard 2021-05-04 The never-before-published diaries of Alatheia Fitzalan Howard—who spent her teenaged years living out World War II in Windsor Great Park with her close friends Princess Margaret and Princess Elizabeth, the future queen of the United Kingdom—provide an extraordinary and intimate look at the British Royal Family. Like so many others in Great Britain, young Alatheia Fitzalan Howard's life was turned upside down by the start of the Second World War. Sent to stay with her grandfather at the historic Cumberland Lodge in Windsor Great Park, Alatheia found the affection she so craved through her close friendship with the two princesses Elizabeth and Margaret, and their parents King George VI and Queen Elizabeth, her neighbors at nearby Windsor Castle. Together, the girls enjoyed parties, cinema evenings, picnics, and more, all recorded in honest and captivating detail in Alatheia's diary, which she kept as a constant source of comfort. Day by day, from ages sixteen to twenty-two, she recorded the intimate details of her life with the Royal Family and the anxieties of wartime Britain. Now, published for the first time, these unique diaries unveil a candid and vivid portrait of the British Royal Family and of Princess Elizabeth in particular, the warm, quiet young girl who was already on her journey to her ultimate destiny: the Crown.
