*Overcome Modern Idols* Bruce Leiter 2020-10-17 Do you struggle because of situations or people that weigh you down? How can you get help? This book can help you gain victory over the stressful circumstances in your life. God wants to make you into his victor instead of being a victim. Using easy-to-read language with a generous dose of humor, the author explains and applies the Bible to everyone's daily life. As a result, God can enable you overcome the many false gods that creep into your life from your culture. The study has discussion questions for groups and practical steps you can follow to help you run on your journey with Jesus toward every believer's goal, final perfection after death. Notice the following review by Rev. Jack Stulp, retired pastor and home-missions administrator: "Having read 'Overcome Modern Idols,' I appreciate that it's not merely a collection of the author's opinions. It is full of Scripture that is quoted and is expounded. Author Leiter is impressed with our Lord's wisdom and seeks to share it." "This book does not take the common approach of naming things that people accept as idols, like money. Reflecting much thinking and meditation, this book gets us to think of ways that people come up with distorted and wrong ideas of what God is like and then worship these distorted concepts, which are false gods. I found it helpful and am pleased to recommend this book to others." The following review is from Judy Dunnagan, a Moody Publishers editor: "We can tell that this message is very near and dear to your heart. Your study is very compelling and is needed for such a time as this." The Bible study's chapter outline follows: Part One: An important pattern 1. The desperate need to overcome the false gods and the evil forces 2. Christians' general unawareness of many modern idols 3. The ways that idols creep into believers' lives 4. The Old Testament's teachings against idols 5. Who is more powerful, God or the idols/demons? 6. God's command about the false gods 7. Recognizing and

rejecting false idols 8. How to overcome the evil forces' attacks and influences Part Two: Who is the true God compared to the false gods? Part Three: The highest modern idol, the "I-god" - The Old Testament's teaching and depiction of the "I-god" or self-ism - The New Testament's solution to the "I-god" or self-ism - Our connection to Jesus, the Source of our strength - God says that confession is good for the soul Part Four: Six personal false gods often learned in our childhood The bodyguard god The on-demand god The boy(girl)friend god The guilt-god The anti-science god The god-of-the-gaps Part Five: False group-gods learned from the world's cultures Six "Human-gods" - The "Me-god" - The "We-god" - The "Good-us-god" - The "False-theory-god" - The "I-think-god" - The "My-experience-god" Three "Escape-gods" - The "Separate-god" - The "It-god" - The "Fun-god" Four "Whatever-gods" - The "No-god" - The "?-god" - The "Shifty-god" - The "I'm-okay-you're-okay-god" Four "I'm better-gods" - The "My-race-god" - The "My-sex-god" - The "High-head-god" - The "Rage-god" Five undefined gods - The "Form-god" - The "Gone-god" - The "All-god" - The "Always-been-done-that-way god" - The "Law-god" Part Six: The "One-person-gods" Part Seven: Prayer to the true God-the key to experiencing Jesus' victory Every Christian is the target of these modern idols, which are Satan's arrows. We can overcome them with the use of the Bible and prayer. How? This Bible study will help you defeat their influence in your life and in that of your loved ones. Awareness is the first step, and then using God's tools to stop their attacks in their tracks is the next step. You will find guidance to stop their influences.

Worshipping False Gods Arun Shourie 2012-07-27 Over the last couple of decades, B.R. Ambedkar has come to be idolized as no other political leader has. His statue is one of the largest in the Parliament complex. Political parties have reaped rich electoral dividends riding on his name. A decades-old cartoon of him in a textbook rocked Parliament for days recently, causing parties across the political spectrum to run for cover and call for the withdrawal of the 'offending' cartoon. In *Worshipping False Gods*, Arun Shourie employs his scholarly rigour to cast a critical look at the legend of Ambedkar. With his distinctive eye for detail,

Shourie delves into archival records to ask pertinent questions: Did Ambedkar coordinate his opposition to the freedom struggle with the British? How does his approach to social change contrast with that of Mahatma Gandhi's? Did the Constitution spring from him or did it grow as a dynamic living organism? Passionately argued and based on a mountain of facts that it presents, *Worshipping False Gods* compels us to go behind the myths on which discourse is built in India today.

Stahl 2021-03-22 In *The "God of Israel" in History and Tradition*, Michael Stahl examines the historical and ideological significances of the formulaic title "god of Israel" ('elohe yisra'el) in the Hebrew Bible using critical theory on social power and identity.

Rise of the False Gods Alicia Leslie 2018-08-28 Since the beginning of time, FALSE GODS have cast a dark shadow on planet Earth and its inhabitants, sowing seeds of discontent, war, and all forms of suffering. While their antics are factual, in reality they are just phantoms of a broken belief system. Any power they have in our lives has been given to

them through that system. Throughout the ages, their influence has brought an ebb and flow of adversity. While we have been able to endure, and at times suppress this malefic, yet seductive energy, we have not been able to eradicate it. If you are wondering why, with all of our knowledge and talent, we have not overcome the false gods once and for all, we don't have to look far for the answer. As the Pogo character said, "We have seen the enemy, it is us." Driven by the cravings of our own lower nature, unconsciously and impulsively, we have played into the hands of the false gods. To overcome the works and wiles of the false gods we must come to know them. A teaching from *The Art of War* states: "So it is said that if you know your enemies and know yourself, you will not be put at risk even in a hundred battles." In the pages of this book, you will find wisdom that will help you know your (real or perceived) enemies, and know yourself at a depth that will empower you. While God is a major player in this book, it is not a religious book. It is non-denominational, and does not seek to convert, as God is seen in all faiths. It contains politics but is non-partisan. The answer is not magical, it's metaphysical. The current state of conscious in our country is embattled as the forces of light and darkness, ignorance and illumination fight for superiority. Should the false gods triumph, life as we know it will cease to exist. We have the power to change. The answer is simple, but not easy. If you're one of the millions that are waiting for Jesus to come and rescue us you might not want to hold your breath. He already came, and taught then proved his teaching works. We just didn't follow as He instructed. Now is the time. Before it's too late. Claim the power that is yours by Divine Right to co-create the world we dream of.

**Of God and Gods** Jan Assmann 2008-06-17 For thousands of years, our world has been shaped by biblical monotheism. But its hallmark—a distinction between one true God and many false gods—was once a new and radical idea. *Of God and Gods* explores the revolutionary newness of biblical theology against a background of the polytheism that was once so commonplace. Jan Assmann, one of the most distinguished scholars of ancient Egypt working today, traces the concept of a true religion back to its earliest beginnings in Egypt and describes how this new idea took

shape in the context of the older polytheistic world that it rejected. He offers readers a deepened understanding of Egyptian polytheism and elaborates on his concept of the "Mosaic distinction," which conceives an exclusive and emphatic Truth that sets religion apart from beliefs shunned as superstition, paganism, or heresy. Without a theory of polytheism, Assmann contends, any adequate understanding of monotheism is impossible. **Foul Lady Fortune** Chloe Gong 2023-09-26 From the #1 New York Times bestselling author of *These Violent Delights* and *Our Violent Ends* comes the "equal parts intoxicating and dazzling" (Roshani Chokshi, New York Times bestselling author of *The Gilded Wolves*) first book in a captivating new duology following an ill-matched pair of spies posing as a married couple to investigate a series of brutal murders in 1930s Shanghai. It's 1931 in Shanghai, and the stage is set for a new decade of intrigue. Four years ago, Rosalind Lang was brought back from the brink of death, but the strange experiment that saved her also stopped her from sleeping and aging—and allows her to heal from any wound. In short, Rosalind cannot die. Now, desperate for redemption for her

traitorous past, she uses her abilities as an assassin for her country. Code name: Fortune. But when the Japanese Imperial Army begins its invasion march, Rosalind's mission pivots. A series of murders is causing unrest in Shanghai, and the Japanese are under suspicion. Rosalind's new orders are to infiltrate foreign society and identify the culprits behind the terror plot before more of her people are killed. To reduce suspicion, however, she must pose as the wife of another Nationalist spy, Orion Hong, and though Rosalind finds Orion's cavalier attitude and playboy demeanor infuriating, she is willing to work with him for the greater good. But Orion has an agenda of his own, and Rosalind has secrets that she wants to keep buried. As they both attempt to unravel the conspiracy, the two spies soon find that there are deeper and more horrifying layers to this mystery than they ever imagined.

*Counterfeit Gods* Timothy Keller 2010-09-16 The issue of idolatry has been with the human race for thousands of years; the subtle temptation is always to take what is good and turn it into the ultimate good, elevating it above all other things in the search for security and meaning. In this timely and challenging book, New York pastor Timothy Keller looks at the issue of idolatry throughout the Bible -- from the worship of actual idols in the Old Testament, to the idolatry of money by the rich young ruler when he was challenged by Jesus to give up all his wealth. Using classic stories from the Bible Keller cuts through our dependence on the glittering false idols of money, sex and power to uncover the path towards trust in the real ultimate -- God. Today's idols may look different from those of the Old Testament, but Keller argues that they are no less damaging. Culturally transforming as well as biblically based, COUNTERFEIT GODS is a powerful look at the temptation to worship what can only disappoint, and is a vital message in today's current climate of financial and social difficulty.

*Counterfeit Gods* Timothy Keller 2011-10-04 New York Times bestselling author of *The Prodigal Prophet* and nationally renowned minister Timothy Keller exposes the error of making good things "ultimate" in this book, and shows readers a new path toward a hope that lasts. Success, true love, and the life you've always wanted. Many of us placed our faith

in these things, believing they held the key to happiness, but with a sneaking suspicion they might not deliver. No wonder we feel lost, alone, disenchanting, and resentful. There is only one God who can wholly satisfy our cravings—and now is the perfect time to meet Him again, or for the first time. In *Counterfeit Gods*, Timothy Keller shows how a proper understanding of the Bible reveals the unvarnished truth about societal ideals and our own hearts. This powerful message cements Keller's reputation as a critical thinker and pastor, and comes at a crucial time—for both the faithful and the skeptical.

**False Gods of Our Time** Norman L. Geisler 1985

*False Gods* Ben Counter 2014-02 For years, fans have been clamouring for novels about the Horus Heresy - the bloody civil war that set Space Marine against Space Marine and nearly spelled the end of mankind at the hands of the traitor Horus. 'False Gods' takes the epic story onwards as Horus struggles to keep his armies in line and the seeds of his downfall are sown.

**The False Gods** George Horace Lorimer 2005-11 Large format for easy reading. Supernatural like story concerning the coming to life of ancient Egyptian artefacts.

*False Gods* Louis Auchincloss 1992-01-22 Six stories blending ancient Greek mythology with modern, upper-class Manhattan, from the author of *Skinny Island*. Louis Auchincloss once again evokes the beguiling world of New York society that he has made his own special literary landscape. Inspired by the colorful mosaic of ancient Greek myths, he has created six equally rich contemporary fables—six lives governed by false gods. Hermes, or in Auchincloss's interpretation, "god of the self-made man," is a Jewish lawyer who finds acceptance into WASP society only at greatest personal cost; Hephaestus is a bachelor designer of Palladian villas whose young bride, enamored of newfangled things, compels him to "go modern." In other stories, a former World War II naval officer, guided perhaps by the goddess Athene, escapes a sinking cruise ship by disguising himself as a woman; and a Catholic convert, distracted by the muse Polyhymnia, is torn between his priestly duties and his worldly social and artistic ambitions. In every tale a unique moral

sensibility holds sway, revealing how the pagan impulse may surface in the most unlikely and provocative situations, compromising even the noblest of spirits. Keenly insightful, flawlessly executed, *False Gods* is the work of a National Medal of Arts winner, widely acclaimed as American society's most entertaining and intelligent critic. Praise for *False Gods* "These modern-day tales subtly describe the effects of moral conflict and compromised values . . . . These fables are finely crafted and eloquently written." —Library Journal

Mat, a tightly reined dog, snarling and snapping but never allowed to bite. Unfortunately, no transformation, however well planned, is without its growing pains. Mat's leash is so tight it's choking him. Dougie is tormented by a little voice inside his head—a fragment of his former self—that he cannot silence. And Nikolai's most difficult tests for the brothers are still to come. The critical question isn't whether they can pass those tests, but whether they even want to. Without each other to lean on and live for, a bleak future has become bleaker still. But Nikolai's too good to let his slaves slip through his fingers—by death or by despair. A noose, a nighttime sky, a shared lover, an unexpected friend. A foreboding forest cabin. A lavish party with all the debauchery Nikolai's clientele could want. It's all coming in season 3 of the *Flesh Cartel*. \*\*See this title's page on [RiptidePublishing.com](http://RiptidePublishing.com) for content warnings.\*\*

*How Gods Are Made* Rev. Daniel J. Clausen 2012-07-03 Have you ever wondered why there are so many religions in the world? Each one claims to be true, and attempts to affirm it by tales of miracles and books of

wisdom. But they can't all be right, can they? In this book, Daniel Clausen shows the origins of false religion and idolatry through the Bible, logic, and his personal experiences as a former occultist and cult leader, where he gained a real and active demonic backing, resulting in a loyal, but deceived following. Read on, and discover the truth of HOW GODS ARE MADE.

*The False Gods* George Horace Lorimer 2021-01-18 Book Excerpt: ... You want to be a Dissenting minister, and you're working for your education. Very creditable of you, I'm sure. And you're a stranger in New York, you say?" "Utter," returned Simpkins. Mrs. Athelstone proceeded to question him at some length about his qualifications. When he had satisfied her that he was competent to attend to the easy, clerical work of the office and to care for the more valuable articles in the hall, things which she did not care to leave to the regular cleaners, she concluded: "I'm disposed to give you a trial, Mr. Simpkins, but I want you to understand that under no circumstances are you to talk about me or your work outside the office. I've been so hunted and harried by reporters----" And her voice broke. "What I want above all else is a clerk that I can trust." The assurance which Simpkins gave in reply came harder than all the lies he had told that morning, and, some way, none of them had slipped out so smoothly as usual. He was a fairly truthful and tender-hearted man..

**False Gods** Frank Stockton Dobbins 1881

*False Gods* Michael Whelton 2002-08 The New Age Movement once considered eccentric has now reached such a level of maturity and acceptance in society that the occult has become respectable. *False Gods* analyzes the deep spiritual void that the New Age movement attempts to fill and its resultant impact on society. This book also explores and explains the New Age movement as a recurring phenomenon in human history and its challenges to Christianity.

*False Christian Gods* Douglas Hooley 2018-04-04 Jesus warned that when He returns in judgment, "many" will call Him "Lord," and say that they have "prophesied, cast out devils, and done many wonderful things" in His, Jesus', name. To which He will reply that, He "never knew" them

(Matthew 7:22-23). Which Jesus is it then, that these "many" false Christians are doing works in the name of, and calling "lord," if not the authentic Jesus of the Bible? When the character and nature of the God of the Bible is changed in any way, a new false god is born. A false god who has a false god son, named Jesus. In this age of Postmodern Progressivism, where truth is relative and under emphasized, and there are 35,000 different denominations, one needs to be careful they are calling the correct Jesus, "lord." The responsibility of getting this right cannot be deferred to anyone: not your pastor, not your priest, and not the pope. Author, Doug Hooley, discusses the history and underlying causes of what is contributing to a startling yet stealthy and seldom recognized problem today; polytheism, the worship of many false gods, within the Church! Doug discusses how to recognize a "not-quite-Jesus," and utilizing biblical principles, guard against such false gods that come in the name of Christ. According to research, people are leaving traditional churches in droves. They are no longer content with traditional religion that has strayed so far from the truth, that even words such as "faith," "hope," and "belief," have lost their original meaning as used in the first century. Many are hungering and searching for the authentic Jesus of the Bible. They are longing to hear His true and complete good news, instead of carrying the weight of traditional religious burdens on their backs. They are looking for the Jesus that came to free them from such burdens and the false gods of religious imaginations who would have them be in bondage. *False Christian Gods: Choose Your Jesus Wisely*, is a tool to help those who are in search of the authentic Jesus, and His authentic truth.

**False Gods** Michael J Smith 2020-09-15 The gods wield terrible power. The people have served the demands and whims of their divine authority for generations. They serve without question, under the constant yoke of fear. For the gods bring fire and destruction to any that dare break their law. The temple enforces the law. Priests rule with divine authority, guards punish by divine right. A young girl runs from slavery and a local villager offers her aid. The gods repay this act of defiance by destroying the village, yet still they require more in appeasement. And a cascade of events is triggered, a cascade that leads to rebellion, to revolution. The temple will fracture, but how can those who want freedom stand against gods? The balance of power will shift, for all is not as it seems. A new name for the gods is rediscovered, remembered from a distant past. Once, long ago, the gods were called Dragons.

**False Gods** Graham McNeill 2014-03-04 The second novel in the bestselling Horus Heresy series, re-issued in a deluxe trade paperback format *The Great Crusade* that has taken humanity into the stars continues. The Emperor of mankind has handed the reins of command to his favoured son, the Warmaster Horus. Yet all is not well in the armies of the Imperium. Horus is still battling against the jealousy and resentment of his brother primarchs and, when he is injured in combat on the planet Davin, he must also battle his inner daemons. With all the temptations that Chaos has to offer, can the weakened Horus resist? *The False Gods (Classic Reprint)* George Horace Lorimer 2017-07-24 Excerpt from *The False Gods* The reporter made no answer and asked no questions. Until that moment he had not known that he had a turn, but if he had, he did not propose to lose it by any foolish slip. So he settled down in his chair and began to turn over his assignment in his mind.

**Anunnaki** Sasha Lessin 2015-03-21 Anunnaki: False Gods extends Zecharia Sitchin's translations from clay tablets that underlie the Bible. Ten thousand years ago, scribes in ancient Sumer (Iraq) wrote on these tablets what they said the Anunnaki gods (tall people from the sky) dictated. Sitchin asked Dr. Lessin to keep public attention on his legacy by creating an educational program. The Anunnaki are Homo sapiens like us but who live hundreds of thousands of years. They said they rocketed to Iraq 450,000 years ago from a planet called Nibiru to harvest gold to send back (via Mars) to Nibiru to powder into an atmospheric shield. They mined abundant gold in Africa until, 300,000 years ago, their miners mutinied. To replace the mutineers, Anunnaki geneticists created short-lived slaves, called Adamites, adapted from their own genome but modified with a bit of clay, copper and genes from an intelligent hominoid, Homo erectus (Bigfoot's ancestor) already living in Africa. Two hundred thousand years ago, Enki, their Chief Scientist, begat a line of Earthlings called Adapites with two Adamite girls. Fifty thousand years ago Enki and an Adamite beauty begat Noah, who carried Enki's longevity genes and ruled the Iraqi city of Sharuppak. Enki saved Noah and many of his subjects from the Deluge of 13,000 years ago. The Anunnaki had Noah's people and other flood survivors proliferate and build cities in the Middle East and Egypt with up to 50,000 inhabitants. The Anunnaki ruled the new civilizations as gods with descendants of Noah's sons as intermediaries. The Anunnaki gave us the best and the worst of planet-wide civilization--kings, historians, taxes, temples,

priests, bicameral congresses, record-keeping, law codes, library catalogs, furnaces, kilns, wheeled vehicles, paved roads, medicines, cosmogony, cosmology, festivals, beer, food recipes, art, music, music instruments, music notes, dance, textiles, and multicolored apparel. Sumerian schools taught mathematics, architecture, theology, writing, grammar, botany, zoology, geography. They displayed but did not pass on a world-wide energy grid, air, submarine and interplanetary transport vehicles and advanced computers. They also gave us hierarchy, misogyny, violence, greed, slavery, debt and war that featured genocide and weapons of mass destruction. In 2024 BCE Anunnaki ruined their eastern Mediterranean cities with nuclear blasts and fallout storms. Most of the Anunnaki returned to Nibiru by 311 BCE. But some stayed. They and their descendants (the power elite) rule us to this day. They and their spawn created and perpetuate exclusive, hostile nations and religions to keep us divided. They addicted us to credit institutions to keep us slaving. Their tales of their stay on Earth before they made our ancestors, as well as what our forefathers directly saw, imprinted us with the values of their hierarchic, male-run, master-slave-enemy mentality. We assumed values of extraction, pollution, monetary monopoly and obsession with gold. Fortunately, the Lessins contend, the genetics team that created us also gave us the capacity and preserved the histories Sitchin and others translated so we can overcome the liabilities they left us.
