The Book of English Magic Philip Carr-Gomm 2010-10-14 A guide to England's rich history of magical lore and practice "for readers of works like Harry Potter who have grown up a bit into wanting to know more" (The Hermetic Library). Through experiments to try and places to visit, as well as a historical exploration of magic and interviews with leading magicians, The Book of English Magic will introduce you to the extraordinary world that lies beneath the surface. Magic runs through the veins of English history, part of daily life from the earliest Arthurian legends to Aleister Crowley to the novels of Tolkien and Philip Pullman, and from the Druids to Freemasonry and beyond. Richly illustrated and deeply knowledgeable, this book is an invaluable source for anyone curious about magic and wizardry, or for sophisticated practitioners seeking to expand their knowledge. "Playful and serious, respectful and amused . . . this will remain the standard work for years to come." —The Sunday Telegraph "A magical mystery tour." —The Times "Fabulous." —Daily Express "Lucid and wonderfully easy to read . . . While it is indeed a perfect book for the 'intelligent novice' it's far more than that—it's a serious, in-depth survey of a massive topic." —WitchVox "An accessible and immensely readable book . . . A fascinating insight into a hidden world." —Booksquawk

**Storytelling** Josepha Sherman 2015-03-26 Storytelling is an ancient practice known in all civilizations throughout history. Characters, tales, techniques, oral traditions, motifs, and tale types transcend individual cultures - elements and names change, but the stories are remarkably similar with each rendition, highlighting the values and concerns of the host culture. Examining the stories and the oral traditions associated with different cultures offers a unique view of practices and traditions."Storytelling: An Encyclopedia of Mythology and Folklore" brings past and present cultures of the world to life through their stories, oral traditions, and performance styles. It combines folklore and mythology, traditional arts, history, literature, and festivals to present an overview of world cultures through their liveliest and most fascinating mode of expression. This appealing resource includes specific storytelling techniques as well as retellings of stories from various cultures and traditions.

Spiritual Alchemy Jenny Tyson 2016-11-08 The Greatest Magic is the Magic that Transforms the Self To learn the secrets of Enochian magic became my personal obsession. Little did I realize that a simple experiment with the spirit board would result a year later in a life-transforming and completely original alchemical initiation, the Great Work that is the ultimate goal of spiritual alchemy. Transcend ordinary consciousness and undergo a personal, life-altering transformation through Jenny Tyson's amazing journey of spirit communication and instruction. This remarkable book presents Jenny's yearlong training and the intense three-day initiation that turned her minimal psychic abilities into full-blown clairvoyance and clairaudience. Along the way she contacted several guides, including famed Elizabethan magicians John Dee and Edward Kelley. Providing detailed accounts of Jenny's experiences and the ghost box and other tools she used, Spiritual Alchemy guides your own spirit communication. Discover Jenny's unique analysis of the Emerald Tablet of Hermes Trismegistus, her process of awakening and raising Kundalini energy, and her work with the angels and gateways to divine unity. With powerful new training methods, a unique interview with Edward Kelley, and more, this book revolutionizes the interactions between humans and spirits. Features a foreword by Donald Tyson.

History of Genii and Familiar Spirits John Beaumont 2016-12-01 "History of Genii and Familiar Spirits", first published in 1705, presents a history of communication with the personal Genius and Familiar Spirits that draws on sources as diverse as Neo-Platonism, Renaissance occultism, Greco-Roman history, and cross-cultural comparisons with the Sami people and Native Americans. Beaumont presents examples of contact with spirits through visions, dreams, apparitions, and magic, stretching from Socrates to his own day. John Beaumont, (c.1650-1731), was a physician, antiquarian, mystic, geologist, and fellow of the Royal Society.

**The Fourth Book of Occult Philosophy** Donald Tyson 2009 The Fourth Book of Occult Philosophy, by Henry Cornelius Agrippa and unnamed others, is considered one of the cornerstones of Western magic, and the grimoires it contains are among the most important that exist in the Western tradition. For more than three hundred years, this mysterious tome has been regarded as difficult or even impossible to understand—until now. Occult scholar Donald Tyson presents a fully annotated, corrected, and modernized edition of Stephen Skinner's 1978 facsimile edition of the original work, which was six tracts published as one volume in 1655. For the first time, these classic works of Western magic have been rendered fully accessible to the novice practitioner, as well as occult scholars and skilled magicians. Tyson presents clear instruction and practical insight on a variety of magic techniques, providing contemporary magicians with a working grimoire of the arcane. **Practical Solitary Magic** Nancy B. Watson 1996-11-01 Many students don't want to be tied to a particular group or spiritual tradition, but prefer to search, experiment, and grow on their own; this book is perfect for these people. Watson discusses the principles that underlie magical practice in a very easy-to-understand manner. She includes information on affirmations, visualization, spiritual practices, folk magic, and ritual. Safety measures and ethical considerations are stressed throughout.

**The Dream World of H. P. Lovecraft** Donald Tyson 2010-11-08 Occult scholar Donald Tyson plumbs the depths of H. P. Lovecraft's cosmic visions and horrific dream world to examine, warts and all, the strange life of the man who created the Necronomicon and the Cthulhu mythos. Lovecraft expressed disdain for magic and religion, and most of his biographers have dismissed the mystical side of his nature. This book redresses this imbalance. Here you will find the roots of Lovecraft's extraordinary cosmic vision laid bare. The dream-world sources for his mythic Old Ones are examined, along with the practical esoteric implications of Lovecraft's unique mythology. A man in fundamental conflict with himself, Lovecraft lived always on the brink of madness or suicide. Tyson reveals Lovecraft for what he truly was—a dreamer, an

astral traveler, and the prophet of a New Age. Praise: "The Dream World of H. P. Lovecraft is a thought-provoking and intellectually stimulating book. Its fusion of sound biographical knowledge and critical insight makes it a must-read for Lovecraftians."—S.T. Joshi, Leading Authority on H. P. Lovecraft  
The Demonology of King James I Donald Tyson 2012-03-08 Written by King James I and published in 1597, the original edition of *Demonology* is widely regarded as one of the most interesting and controversial religious writings in history, yet because it is written in the language of its day, it has been notoriously difficult to understand. Now occult scholar Donald Tyson has modernized and annotated the original text, making this historically important work accessible to contemporary readers. Also deciphered here, for the first time, is the anonymous tract *News from Scotland*, an account of the North Berwick witch trials over which King James presided. Tyson examines King James' obsession with witches and their alleged attempts on his life, and offers a knowledgeable and sympathetic look at the details of magick and witchcraft in the Jacobean period. *Demonology* features historical woodcut illustrations and includes the original old English texts in their entirety. This reference work is the key to an essential source text on seventeenth-century witchcraft and the Scottish witch trials

A Practical Guide to Witchcraft and Magick Spells Cassandra Eason 2001 Everyone has the power to make spells, and this book takes the reader step-by-step through a menu that includes everything from self-help for happy families to green magic for saving the planet.

Familiar Spirits Donald Tyson 2004 For centuries, familiars have assumed many forms—the heavenly lover of the shaman, the wise imp of the witch, and the elemental companion of the theurgist. But the time-honored practice of summoning a magical assistant has been mostly forsaken due to the false perception that it is both difficult and dangerous. Now, renowned occultist Donald Tyson shares his revolutionary system for safely and successfully summoning, directing, and dismissing a familiar. Accessible to dedicated beginners, these techniques do not require expertise in formal ritual, astrology, or the Kabbalah. Revealed here for the first time is Tyson's unique system for generating spirit sigils based on a set of symbols called Power Glyphs. Familiars summoned by this method become valuable assistants who will do everything in their power to fulfill your goals.

**Welsh Witchcraft** Mhara Starling 2022-02-08 A New Approach to Witchcraft Based on Welsh Traditions Enter a world of sacred lakes, healing herbs, spectral hounds, and the mighty red dragon. Mhara Starling shows you how you can incorporate Welsh and Celtic folk magic into your modern witchcraft practice with exercises for celebrating those who came before, protecting against adversity, changing the weather, and more. You'll also discover methods for honoring the land and ways to connect with Cerridwen, Rhiannon, and other deities. *Welsh Witchcraft* invites you to explore this country's rich heritage and use it to empower your spirituality.

**Protection & Reversal Magick** Jason Miller 2006-06-15 You could be the target of a spell or curse and not even know it! All people, witches or not, are susceptible to these attacks. The difference: witches and magicians can do something about it. Now you can too. *Protection & Reversal Magick* is a complete how-to manual on preventing, defending, and reversing magickal attacks of any kind. You will learn to: Set up early-warning systems. Appease angry spirits through offerings. Perform daily banishings and make amulets that will prevent most attacks. Make magickal “decoys” to absorb attacks against you Summon guardian spirits or gods for help. Bind, confuse, or expel a persistent enemy who will not leave you be. These techniques aren't just for witches, either, but for ceremonial magicians, rootdoctors, and anyone else who puts magick to a practical use. Like the cunning men and women of old, now you can defend yourself and your loved ones against even the strongest attacks! “This book is not only one of my favorite books on ‘defense against the dark arts’, but is actually one of my favorite books in my whole library. Throughout the book Jason provides not only on protection, but also on recognizing the symptoms of attack and creating early warning system to alert you of magickal attacks.” —Mat Auryn, author of *Psychic Witch*

The 13 Gates of the Necronomicon Donald Tyson 2012-04-08 Thirteen points of entry. Locked gateways to magical realms of immense power—and danger, for the uninitiated. Within these pages are thirteen keys. Enter the *Necronomicon* and be forever changed. In this authentic sourcebook for magicians, occult scholar

Donald Tyson uses H.P. Lovecraft's story elements and characters—alien races, ancient sorceries, the Dreamlands, deities, witches, and ghouls—as the foundation for a workable and coherent system of modern ritual magic based on the thirteen true zodiacal constellations. This authoritative guide presents the essential elements of the *Necronomicon* mythos for use in esoteric practices such as dream scrying, astral projection, magical rites, and invocations.

Consorting with Spirits Jason Miller 2022 "Working with spirits can be some of the most dangerous yet some of the most gratifying work a magickal practitioner can engage in. With Jason as your guide in this book, you are in some of the best hands out there when it comes to approaching and working with spirits. This is a book I wish I had fifteen years ago when I began working closely with spirits." --Mat Auryn, author of *Psychic Witch* Spirits have power and knowledge. Learn how to summon, communicate, and negotiate with the unseen. We are all spirits, and as such have the ability to communicate with other spirits. The physical body presents some limitations that can be overcome with training, but which can also be leveraged to give other spirits a link to the physical form that they seek. Working with spirits can enable your most powerful magickal goals. From calling on spirits to help with protection, money, and knowledge, the skills learned here will help you tap into power with your spirit allies. *Consorting with Spirits* is a system of practices for training the mind and energy body on three abilities: The capacity to sense spirits, the capacity to interact with spirits, and the capacity to deepen and clarify that interaction. It is this deepening and clarifying that has been missing from much of the material about spirits. *Consorting with Spirits* shares: Proper training necessary for calling and conversing with spirits. How to evaluate the messages you receive. A full view of different modes of contact and what situations each mode lends itself to Why the best sorcery is local. The tools to establish and maintain a long-term relationship with spirits (consorting). The 6 different manifestations of spirits and their corresponding magickal operations, qualities, benefits, and drawbacks. The 4 methods of interacting with spirits: prayer, conjuring, compelling, and evocation.

**1-2-3 Tarot** Donald Tyson 2004 With the simple system outlined in this book, you can start reading the cards immediately -- even if you've never even touched a Tarot deck before. Most books that teach you how to read the Tarot contain long lists of keywords for each card. With seventy-eight cards and multiple keywords for each card, that's hundreds of meanings to memorize! The easy, effective system outlined in 1-2-3 Tarot will have you giving accurate readings right away without having to memorize anything. The key to this unique system is the Tarot sentence. A card's complex significance boils down to three elements: identity, action, and direction. These elements are matched with a noun, verb, and adverb to form a simple sentence and give you a succinct meaning for any given card. You'll learn how to interpret the collective meanings of three-card sets within a variety of spreads designed to answer any question. A quick-reference table that includes reversed meanings saves you the trouble of flipping through the book while you're in the middle of a reading. Flexible, fast, and fun, this foolproof method can be applied to any Tarot deck. Book jacket.

**Familiar Spirits** Sara Christene 2020-10-07 An inept witch, a cozy town, and an old dark magic. Welcome to Twilight Hollow, WA, a small forest town with three resident witches. Adelaide O'Shea runs the Toasty Bean, imbuing her coffee and tea with warm, cozy magic. When a black cat crosses her path, she worries her new pet might be unlucky, and her suspicions are confirmed when the next thing in her path is a dead man with her phone number in his pocket. And the cops aren't the only ones breathing down her neck over it. There's an old, dark magic in town, and it has its sights set on Addy. With the help of her two witch sisters, a handsome detective, and a charming veterinarian, can Addy solve the murder and escape the darkness? Or will her and her new spooky pet have to turn tail and run?

*A Witch's Guide to Familiars* Aubrey Harper 2017-04-18 Witches are dropping dead and their familiars are going missing. Rory Wiltz's familiar asks her to look into the matter but it's not long before the Witches' Council sends a letter of their own. Lucretia Crane, head of the Witches' Council, wants Rory and her familiar to come to her estate somewhere in New England. And she's not asking, she's demanding it. While Rory and Hunter and their familiars travel to New England to deal with the Witches' Council, Scott, Jess, and Luke decide to go on a mission of their own to solve the murders themselves. Witch politics are in full swing at the estate, and it doesn't help that the killer might just be one of their own. Will Rory and Hunter get out of the estate unscathed, or will they lose something irreplaceable? And will their friends come to the rescue in time?

*Living Spirits* Bj Swain 2018-12-25 Living Spirits explores the various types of spirits which exist in Western Magic and how they can be approached in a world alive with their presence and power. Living Spirits invites readers to jump off the sidelines and reach deep into the rich soil of a magical world and explore its power and mysteries so as to apply them for the purposes of real and effective magic. The book explores the traditions of the grimoires but goes beyond that and explores spirit magic in a broader current based on building relationships with spirits.

*Luminarium* Bj Swain 2020-06-04 A streamlined, practice-focused text on conjuration. This is a 0 to 60mph, level up your work, hit the ground running approach to spirit conjuration. The core idea is using magical approaches to facilitate and improve your access to magic. This text combines elements of the Greek Magical Papyri, the Hygromanteia, the Heptameron and Orphism to create a more holistic approach to conjuring angels and aerial spirits. You can use these spirits for either knowledge or practical purposes. The method is easily adapted to demons. With this text you will gain the benefits of traditional ancient magical sources and the ease of contemporary spirit relationship approaches to magic. To prepare you, the

text draws on Hoodoo, Catholicism, Buddhism, Greek Orthodoxy, Hinduism, and Zen to build an array of spiritual and magical practices from which to choose so you can simulate the benefits of long term spiritual preparations and development. With Luminarium someone who's never done magic can begin conjuring spirits in under two weeks, maybe just a few days. You probably already have most of the tools you'll need because this magic is based on magic from 1500 years ago, not complicated High Church rituals. Combine that with a hefty exploration of spells drawn on the Psalms, Solomonic Pentacles, Abramelin Squares, and folk magical tools and methods and you have Luminarium. This system has been tested by a handful of magical practitioners and their experiences are included in the text to help you explore it more easily. "Great stuff! I personally appreciate how straightforward and clear it was when it comes to ritual and spell work." - Jonathan Masters "I think it absolutely is fantastic, this is so needed and I think this is going to be really ground breaking, and makes conjurations accessible to a much wider audience." - Anneliese Anthoinette "All I gotta say is.... WOAHH. That was powerful. And I am buzzing. Also, some real interesting physical manifestation stuff happened" - Alexander Deckman "I'm really excited for people to read this." - Aequus Nox

**High Magic** U. D. (Frater) 2005 Of course, Magic is Magic wherever. But Ceremonial Magic - with or without a k ending - is perceived as largely European in origin and practice. The Golden Dawn, Aurum Solis, O.T.O were European and even AMORC, B.O.T.A., G.B.G. were mostly European inspired. As valid as these esoteric orders were and are, they are at best schools and the knowledge taught is now widely available. What is key is not the knowledge but the self-accomplishment that comes only through personal experience (otherwise known as "self-initiation"). The essence of Magic is a simple formula based on the exercise of Will, Imagination, and Gnosis or Magical Trance. It is a "technology" and must be mastered like any technology through understanding and practice. Like playing the piano, it takes discipline to continue practicing basic exercises until it all becomes second nature and can function as an art as well. "And, what for?" Not to perform tricks or miracles. Not to wear fancy robes and chant barbarous words. Not to reach high degrees with grand titles in a secret order. No, it is to transform and transmute your own self and thus to become more than you were, not merely to accelerate normal human evolution but to actually move beyond and be a co-creator. And to finally answer those questions: "Who am I? Where did I come from? Where am I going?" High Magic is an active program for self-discovery and Self-Realization. This book by a famed contemporary German magician self-instructs the student through a series of basic exercises and real magical practices that train the magician through a consistent program combined with examples and explanations. Each step is thorough without extravagance; the program is effective and entirely self-directed (as must be all real learning); the book is encyclopedic in depth and inclusive even of chaos and cyber magic. Tables and Charts simplify the learning process. The system starts with immediate immersion in ritual practice starting with the Kabbalistic Cross and Lesser Banishing Ritual of the Pentagram and moves through beginning to advanced levels of Practical Sigil Magic, Ritual Magic, Elemental Magic, the Greater Ritual of the Pentagram, Planetary Magic, the Hexagram Ritual, Mantra Meditation, the Magical Gaze, Magical Trance, the Pan Ritual, Money Magic, Talisman Magic, Moon Magic, Chaos Magic and Cyber Magic. In each case, practice is used to instruct - nothing is presented as "theory only." You will find everything analyzed, explained and justified with refreshing and truly uncommon common sense! The author fully dispels the myths and subterfuges of archaic magical orders and explores the role of the Unconscious Mind, the issues of Religion and Mysticism, the nature of High and Low Magic, the function of Myth and the role of Drama in Ritual, the Magical Nature of Reality and Magical Perception, Dream Work in relation to Magical Training, the Magical Imagination and training for Visualization, Psychic Protection, Invocation and Evocation, the Calling and Movement of Energies, Charging, Paradigm Shifting, what is really means "to Keep Silent," the power of Intention & definition of Magical Goals, the ritual use of Symbols and Gestures, the power of Words, the Magician's Universe, the magical pronunciation of Hebrew Letters, the Magician's Tools, Mantric Sigils, the IAO formula, and much more. High Magic is as central to Western culture as are science, technology, the rule of law, democracy and the entrepreneurial economy. Its practice and application should be part of your daily life starting now.

*The Witch's Familiar* Raven Grimassi 2003 "You can use Familiars as guardians during dream or astral work or to protect your home and property. This work shows how to obtain a familiar and work with one, and it also provides cautions and remedies for any problems that may occur in this magical partnership."--  
**Three Books of Occult Philosophy** Heinrich Cornelius Agrippa von Nettesheim 1993 "The Three Books of Occult Philosophy's vast store of magical lore has been so influential that occultists have been drawing upon it for the past five centuries. This classic work was first published in 1531, and translated into English in 1651, but it has never since been reprinted in its entirety. Now--for the first time in 500 years--editor Donald Tyson presents these writings as Agrippa intended them to appear: wholly complete and free from the hundreds of errors made in the original translation. The Three Books of Occult Philosophy is the most complete repository of pagan and Neo-platonic magic ever compiled. This book is packed with material you will not find elsewhere, including copious extracts on magic from obscure or lost works by Pythagoras, Pliny the Elder, Cicero, Ptolemy, Plato, Aristotle, and many other authorities. Donald Tyson's detailed annotations clarify difficult references and provide origins of quotations, even expanding upon them in many cases in order to make Agrippa's work more accessible to the modern reader. As well as providing extensive insight into the foundations of the Western Esoteric tradition, the Three Books of Occult Philosophy is the ultimate 'how-to' for magical workings. It describes how to work all manner of divinations and natural and ceremonial magic in such clear and useful detail that it is still the guide for modern techniques. And the extensive supplementary material--including biographical and geographical dictionaries and appendices--provides quick reference to many previously obscure matters in classical magic. The Three Books of Occult Philosophy is an essential reference tool for all students of the history of ideas and the occult tradition."--back cover.

Cunning Folk and Familiar Spirits Emma Wilby 2005 This book contains the first comprehensive examination of popular familiar belief in early modern Britain. It provides an in-depth analysis of the correlation between early modern British magic and tribal shamanism, examines the experiential dimension of popular magic and witchcraft in early modern Britain, and explores the links between British fairy beliefs and witch beliefs. In the hundreds of confessions relating to witchcraft and sorcery trials in early modern Britain there are detailed descriptions of intimate working relationships between popular magical practitioners and familiar spirits of either human or animal form. Until recently historians often dismissed these descriptions as elaborate fictions created by judicial interrogators eager to find evidence of stereotypical pacts with the Devil. Although this paradigm is now routinely questioned, and most historians acknowledge that there was a folkloric component to familiar lore in the period, these beliefs, and the experiences reportedly associated with them, remain substantially unexplored. This book examines the folkloric roots of familiar lore from historical, anthropological and comparative religious perspectives. It argues that beliefs about witches' familiars were rooted in beliefs surrounding the use of fairy familiars by beneficent magical practitioners or cunning folk', and corroborates this through a comparative analysis of familiar beliefs found in traditional Native American and Siberian shamanism. The author explores the

experiential dimension of familiar lore by drawing parallels between early modern familiar encounters and visionary mysticism as it appears in both tribal shamanism and medieval European contemplative traditions. These perspectives challenge the reductionist view of popular magic in early modern Britain often presented by historians.

**Backwoods Witchcraft** Jake Richards 2019-06-01 In Backwoods Witchcraft, Jake Richards offers up a folksy stew of family stories, lore, omens, rituals, and conjure crafts that he learned from his great-grandmother, his grandmother, and his grandfather, a Baptist minister who Jake remembers could "rid someone of a fever with an egg or stop up the blood in a wound." The witchcraft practiced in Appalachia is very much a folk magic of place, a tradition that honors the seen and unseen beings that inhabit the land as well as the soil, roots, and plant life. The materials and tools used in Appalachia witchcraft are readily available from the land. This "grounded approach" will be of keen interest to witches and conjure folk regardless of where they live. Readers will be guided in how to build relationships with the spirits and other beings that dwell around them and how to use the materials and tools that are readily available on the land where one lives. This book also provides instructions on how to create a working space and altar and make conjure oils and powders. A wide array of tried-and-true formulas are also offered for creating wealth, protecting one from gossip, spiritual cleansing, and more.

The many forms of scrying, such as Ouija boards, dowsing rods and aura reading, are examined in this compendium of techniques for those who want to develop their skills.

### **Icon Magick, A Simple and Versatile Magic System for the Practicing Wizard**

Spirit Conjuring for Witches Frater Barrabbas 2017-02-08 The greatest Witches of folklore practiced their craft by conjuring spirits and employing a familiar spirit. Now, centuries later, these arts—supposedly the domain of ceremonial magicians only—can be perfected by modern Witches. In this groundbreaking book, Witch and ritual magician Frater Barrabbas shares a system of Witchcraft-based magic developed for safely performing invocations and evocations, handling fallen spirits and Goetic demons, traveling in the spirit world, creating a spirit pact, and constructing your own rituals for spirit conjuring. To help you get to know the full breadth of the spirit world, Spirit Conjuring for Witches includes a unique list of spirits as well as techniques for working with sigils and recommendations for classical grimoires. Exploring history, folktales, and personal experiences, this book shows how to magically develop relationships with spirits and ultimately master both the spirit and material worlds. Praise: "A clear and distinct body of tools and rituals for working with a broad range of spirits. If you are a witch looking for a more formal approach to this field, this may be the book for you."—Ivo Dominguez Jr., author of Spirit Speaks and Practical Astrology for Witches and Pagans "Frater Barrabbas has made a valuable contribution to the practice of modern witchcraft...This is a very thorough and carefully developed invitation to revive the practice of magical evocation that historically played so central a role in witchcraft and magic."—Jim Baker, author of The Cunning Man's Handbook "Frater Barrabbas shows how modern Witches can also reclaim their ability to conjure spirits in the age-old tradition of evoking beings of the Otherworld to attain knowledge or obtain practical results in this world. With the current revival in the publication, study and use of the classical grimoires, witches who are drawn to the practice of the magickal evocation of spirits now have a detailed guide to the inner preparations and outer practices necessary to evoke spirits safely and

correctly."—Jonathan Nightshade, Gardnerian HP, Traditional Crafter and Sorcerer "I wish that there had a book like Spirit Conjuring for Witches back when; it would have saved me any number of missteps along the way. With more than forty years of experience under his cincture, Frater Barabbas speaks with a voice of wisdom, clarity and authority: truly one of the Thirteen Human Treasures of Paganistan."—Steven Posch, Traditional Witch and Host of Radio Paganistan "As Witches we all work with Deity and various spirits; but can you honestly say you communicate with them? This book is a valuable resource for every serious Witch's library. The author has outlined how to truly connect with that spirit realm, which allows us to build a relationship with those we work with."—Lady Adariana, Gardnerian HPS
