Favor Kiki Clark 2021-07-28 Never fall for straight guys--especially when they're friends with your brother. Jeremy knows that. Honest! All he wanted was a little work done on his house. That was it. Nothing too complicated. And if he can get it done cheap because some guy owes his brother a favor? Even better! The last thing he expected when Declan knocked on his door was to find the hottest man he'd ever seen. Or for that person to barely be able to speak to him or look him in the eye. Why would his brother even be friends with a 'phobic dudebro? By the time the renovations are finishing up, Jeremy's prepared to let Declan's favor to his brother be paid in full and forget about the guy's shy smile and ripped body. But his interfering brother has other plans. Favor is a 30k word novella featuring a busybody older brother, piercings in fun places, a very suggestive sculpture, spackle used as a flirting technique, a not-so-straight contractor, and an audiobook narrator who's had a bit of dry spell and is sure he's imagining the way the hot contractor is looking at him. Note: A version of this title was previously available for free to newsletter subscribers (Declan's Favor). Approximately 20k words have been added.

Forever, Erma Erma Bombeck 2013-01-15 New York Times Bestseller: This anthology of Erma Bombeck's most memorable and humorous essays is a tribute to one of America's sharpest wits. When she began

writing her regular newspaper column in 1965, Erma Bombeck's goal was to make housewives laugh. Thirty years later, she had published more than four thousand columns, and earned countless laughs—from housewives, presidents, and everyone in between. With grace, good humor, and razor-sharp prose, she gently skewered every aspect of the American family. This collection holds the best of her columns—not just her famous quips, but also the heartbreaking observations that gave her writing such weight. In 1969, Erma wrote: “screaming kids, unpaid bills, green leftovers, husbands behind newspapers, basketballs in the bathroom. They're real . . . they're warm . . . they're the only bit of normalcy left in this cockeyed world, and I'm going to cling to it like life itself.” With what Publishers Weekly calls her “infectious sense of human absurdity,” Erma Bombeck's writing remains a timeless examination of the still-cockeyed world. This ebook features an illustrated biography of Erma Bombeck including rare images and never-before-seen documents from the author's estate.

A Forever Family Rob Scheer 2019-05-28 In the tradition of The Promise of a Pencil and Kisses from Katie comes an inspirational memoir by the founder of Comfort Cases about his turbulent childhood in the foster

care system and the countless obstacles and discrimination he endured in adopting his four children. Rob Scheer never thought that he would be living the life he is now. He's happily married to his partner and love of his life, he's the father of four beautiful children, and he's the founder of an organization that makes life better for thousands of children in the foster care system. But life wasn't always like this. Growing up in an abusive household before his placement in foster care, Rob had all the odds stacked against him. Kicked out of his foster family's home within weeks after turning eighteen—with a year left of high school to go—he had to resort to sleeping in his car and in public bathrooms. He suffered from drug addiction and battled with depression, never knowing when his next meal would be or where he would sleep at night. But by true perseverance, he was able to find his own path and achieve his wildest dreams. "A heartwarming, hopeful memoir brimming with humanitarianism and compassion" (Kirkus Reviews), Rob's story provides a glimpse into what it's like to grow up in the foster care system, and sheds necessary light on the children who are often treated without dignity. Both a timely call to action and a courageous and candid account of life in the foster care system, *A Forever Family* ultimately leaves you with one message: one person can make a difference.
