*Portals of Prayer for Kids* Concordia Publishing House 2017-10-24 Faith-building begins at home, where parents are blessed with the God-given responsibility of laying the foundation for their child's understand of the Lord, the world He created, and everyone's part in it. *Sacred Mundane* Kari Patterson 2017-07-25 What if the key to changing your life--and yourself--is already in your hand? So many women struggle with what to do with their daily lives. They feel trapped in everyday drudgery and disappointment, in dull domestic duties, and in mundane jobs they despise. Where is the abundant, purposeful life they were promised? Kari Patterson shows readers the truth: in each unremarkable life lies an opportunity to see, know, love, and be utterly transformed by a God who meets everyone right where they are. Instead of stepping away from real life to find God, Patterson equips women with a six-step practice to move further in and meet Him in the humdrum moments of everyday existence. And when a woman's inner being is truly changed by the sacred, everything in her world changes too--right down to tackling the dirty dishes. Through entertaining narrative, candid real-life stories, Bible study, and practical instruction, *Sacred Mundane* guides individuals or small groups to discover the beautiful sacredness in the lives they already lead. Women who long to grow in God and make a real difference in the world--no matter how small--will reach eagerly for this book and the radical transformation it offers. "Our daily routine, with its mundane tasks and mindless repetition, is ultimately an offering of worship to God. What a great truth from a great God!" --Ann Byle, author of *The Making of a Christian Bestseller* and coauthor of *Devotions for the Soul Surfer*

**Love Does for Kids** Bob Goff 2018-10-23 Children will laugh, dream, and be inspired to actively live out their faith with *Love Does for Kids*. In the same way that *Love Does?* has struck a deep chord with adults, kids will experience God in new and thrilling ways through the insightful and humorous stories of Bob Goff. Kids everywhere will become empowered by Bob and Lindsey's stories about how love does. Through taking action with faith and building a deeper connection to God, children will learn that they are loved by God no matter the mistakes or obstacles they face. As a little boy with a big personality and even bigger dreams, Bob Goff had lots of questions, and they didn't go away when he grew up. It wasn't until he learned just how big and wild and wonderful God is that he began to find answers. Taking inspiration from *Love Does for Kids*, children ages 4-10 will take ownership of their mistakes and forgive

others for their mistakes; never give up, no matter how scared or anxious they are; put their faith into action by spending time with—and acting more like—Jesus; and learn to live a life full of love for others. With childlike faith, enthusiasm, and great whimsy, young believers will feel instantly connected to a love that acts as much as it feels. With a sense of wonder at how great God is, children will feel empowered to do things that will make a tangible difference in the world and share His light with others.

**Wise Up** Marty Machowski 2016-09-14 Every parent and teacher wants to see their children make good choices, grow in wisdom, and learn how to live a God-honoring life. But Christian parents know that teaching good morals isn't enough. Kids (and adults) need gospel power in order to "wise up!" Christians through the centuries have used the book of Proverbs to teach children the godly wisdom needed to navigate their everyday lives. *Wise Up*, by author and family pastor Marty Machowski, is a two-part discipleship resource geared to help children grown in the true wisdom that is only found in Christ. *Wise Up* offers two separate discipleship tools. The first product is a family devotional, *Wise Up: Ten-Minute Family Devotions in Proverbs*, which will help make learning the truths of Proverbs fun and memorable for the whole family. Each compact session features Bible reading, discussion questions, a fun activity, and a song to keep children engaged in making gospel-motivated, good choices. Each wisdom theme in *Wise Up* is carefully and repeatedly connected to the good news of Jesus's life, death, resurrection, and coming return. *Wise Up* moves families beyond the practical wisdom of Proverbs to connect the teaching of Solomon to God's larger story of salvation. Also available in this series is the companion twelve-week curriculum, which is designed to connect the teaching of Proverbs to God's larger story of salvation. Children will learn that Solomon's wisdom, life, and failures all point to "something greater than Solomon"—they point to Jesus. The goal of this curriculum is to present the wisdom of Proverbs against the backdrop of the gospel to show children that real wisdom comes only as we depend on Jesus for daily help and forgiveness. Each lesson includes Bible reading, discussion questions, object lessons, a fun activity, and songs for families from the companion *Walking with the Wise* music CD by Sovereign Grace Music. This curriculum includes three learning levels—preschool and kindergarten (ages 4-6), elementary (ages 6-9), and middle school (ages 10-12).

**Wise for Salvation** Christie Thomas 2015-07-29 Young children can know God's Word! As your family follows each week's series of devotions, children will act, dance, draw, imagine, memorize, and sing their way to a better relationship with God and a knowledge of His Word. *Wise for Salvation* contains five interactive devotions per week, with each week focusing on a single story. Covering 87 Bible stories and lessons, *Wise for Salvation* can be your go-to devotional for years!

**Devotions for Super Average Kids, Book 2** Bob Smiley 2014-06 *Super Average Boy* is back with another thirty fun-filled devotional readings for kids. These creative stories and devotions encourage young readers to embrace the joy of being Super Average, as they find purpose and peace with the person God made them to be. This second book in the series covers topics like texting/cyberbullying, handling homework, the importance of reading, finding a mentor, missing curfew, confidence, overscheduling, preparing to serve God as an adult, conflict resolution, and more.

**The One Year Book of Family Devotions** Children's Bible Hour 2000 Each devotion contains a Scripture reading, a brief story in a contemporary family setting, a "How about You?" section that applies the story to the reader's life, a related Bible memory verse, and a 2-5 word "key" summing up the day's message.

**The Very Best, Hands-On, Kinda Dangerous Family Devotions, Volume 1** Tim Shoemaker 2019-05-21 As parents hoping to raise godly children, we may understand the importance of regular family devotions. However, we may find it difficult to get our kids (or even ourselves) fully engaged. But what if devotions looked less like sitting in the living room

listening to someone read and trying to pry answers out of reluctant kids and more like, say, electrocuting a pickle? Or converting a leaf blower into a toilet paper launcher? Or lighting toothpaste on fire? These hands-on, kinda dangerous, totally unforgettable object lessons (along with nearly fifty others) are not only more fun than other family devotions--they actually deliver the spiritual impact you desire for your kids. They'll even get dads and any too-cool-for-this-stuff teens jazzed about a weekly family devotional time. So put away the flannelgraph, get out the safety goggles, and start bringing the truths of Scripture to vivid life in your household. Just remember to change out of your Sunday clothes first.
