On Guard Against the Red Menace Rodrigo Patto Sá Motta 2020-02-01 This book focuses on the values, beliefs, fears and actions of Brazilian groups that throughout the twentieth century fought the red menace. It is based on broad and

diversified documentary sources, including police files, archives of political leaders, traditional press periodicals, newspapers and brochures of right-wing organizations, monuments, caricatures, and photographs. The work is a major contribution to better understanding the political impact of right-wing movements in Brazil and the justifications made for the authoritarian coups of 1937 and 1964. The author explains the intricacy of the political movements, leaderships and organizations that gathered around the fight against communism, as well as the ideas and images used to disseminate their arguments, including international sources of inspiration. The argument presented is not one of mere condemnation, but as dictatorship has reared its head post-1964 an assessment is long overdue in order to understand the political impact of anti-communist movements which have contributed to enable the longstanding police-military repressive machine of the Brazilian State. The current return of anti-communism to the Brazilian political scene is evidence of the book's thesis that this phenomenon took root in Brazilian society during the first decades of the twentieth century. *On Guard Against the Red Menace* helps to understand why a candidate of military origin who promises to rid the country of the reds won the October 2018 elections in Brazil, by adopting a discursive strategy that represents the appropriation of the anti-communist tradition analyzed in this book.

Soviet Trade and World Depression Hubert Renfro Knickerbocker 1931

American-Soviet Trade in the Cold War Philip J. Funigiello 1988 This study brings a valuable perspective to the important issue of Cold War politics on American Soviet trade

policy over the past forty years. Generally, American presidents from Truman through Reagan have been more sophisticated than Congress or the public in their approach to trade policies with the USSR and the Communist bloc. The author is particularly critical of Congress, where anti-Communist sentiment resulted in restrictive trade measures that limited the Executive's flexibility in economic policy. Originally published in 1988. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

Red Scared! Michael Barson 2001-04 "Red Scared! offers valuable lessons from the vault on how to identify Communists, media reports on the jolly side of Stalin, guidelines for bomb shelter chic, and much more. As they did in their other lively pop-culture histories, Teenage Confidential and Wedding Bell Blues, Michael Barson and Steven Heller once again bring the nearly forgotten details of American culture into full relief with Red Scared!"--BOOK JACKET.

Fighting the Red Trade Menace Hubert Renfro Knickerbocker 1931

Who's who Columbia Journalists Bernard S. Redmont 1939

Girding for Battle Donald J. Stoker 2003-08-30 The literature on the post-1950 arms trade is exhaustive. In contrast, there is almost nothing that examines the pre-1950 trade in arms in a solid, empirical manner. This volume fills that void. It is a broad collection of articles that examines aspects of the global trade in armaments from 1815 to 1940. Its collective thrust analyzes the connections between diplomacy, the domestic politics of procurement, private business, and military technology transfers in Asia, Europe, and Africa and the Americas. The Stoker-Grant collection disentangles the threads of diplomatic, domestic, political, and economic factors in explaining specific outcomes for each country. The research

and conclusions are empirically and uniquely grounded in the archival evidence from the state and company records of the participants. Moreover, it advances academic and popular understanding of the arms trade in a number of significant ways. First, it elucidates the existing discussions of the arms race leading up to World War I by providing a longer-term context. In considering nearly a century and a half of case studies rather than a single decade, this work allows for a more accurate and non-polemical appraisal of the linkages between armaments and the outbreak of wars. An important collection for scholars, students, and other researchers involved with military history and business and political linkages in the global arms trade.

The Political Economy of International Commodity Cartels Elina Kuorelahti 2020-12-29

The Political Economy of International Commodity Cartels examines how international commodity cartels in the 1930s were impacted not only by commercial rivalry, but also by international trade political and diplomatic concerns. This work presents the rise and decline of the European Timber Exporters' Convention (ETEC) and analyses how firms navigated through the cartel game under increasing international competition, pressures from the national governments, and the interventionist endeavours of the League of Nations. Cartels are often associated with, in the standard economic interpretation, business collusion. However, in using vast archive sources and historical methodology, the chapters in this book shed light onto how international relations shaped cartels. The rise of British protectionism, the emergence of the Soviet Union as an industrial power, and the economic rapprochement of the League of Nations in the early 1930s created a wave of political and diplomatic challenges in the timber trading countries and affected cartelisation. Timber firms in the biggest producer countries—Finland and Sweden—were uninterested in international cartel collaboration, but under pressure joined the ETEC nevertheless. This book makes a strong contribution to the fields of business history and cartel studies. It is an essential read for economic historians interested in how political pressure shaped international cartels and how cartels became avenues of diplomacy.

Current Biography Yearbook Maxine Block 1968

Catalogue of Copyright Entries Library of Congress. Copyright Office 1931

Russia and the United States Nikolai V. Sivachev 1980-05-15 Russia and the United States—an

account of American-Russian relations written for an American audience by Soviet historians—represents a novel venture for both scholarship and publishing. Its often startling perspective on American foreign policy is required reading for anyone wishing to understand the increasingly troubled relations between the two nations. Sivachev and Yakolev trace the course of the U.S.-Russian relations from the years preceding the American Revolution to the 1970s, when human rights issues began to cause friction. Those relations, the authors believe, were characterized by America's repeated failure to take advantage of opportunities to improve them. Recognizing the controversial nature of the book, Sivachev said in an interview with the New York Times: "We did not set out to please the American reader, nor did the University of Chicago Press ask us to. On the contrary, they recommended that we should feel free to present our own views." "Scholars and students of American foreign policy . . . are likely to be alternatively interested, intrigued, angered, and sometimes illuminated by some of the interpretations found in this work."—Perspective "An American reader should not prejudge this book as simply another dreary contribution to the rhetoric of Soviet propaganda. It is more than this. The book is an expression of a view of the world that is truly and strikingly different from an American one and it is important to understand that it is a theory of reality that is shared by most, if not all, Soviet intellectuals who study America and its foreign policy. It is not enough simply to establish the inaccuracies and misrepresentations contained in such a view. One must go further and understand that such a view of reality is sincerely deeply held and that it is a part of a larger belief system that gives the authors' scholarly work coherence and meaning."—Boston Sunday Globe

Fighting The Red Trade

Menace

Welcome to activistcash.com, your go-to destination for a vast collection of **Fighting The Red Trade Menace** PDF eBooks. We are passionate about making the world of literature accessible to everyone, and our platform is designed to provide you with a seamless and enjoyable for Fighting The Red Trade Menace eBook downloading experience.

At activistcash.com, our mission is simple: to democratize knowledge and foster a love for reading Fighting The Red Trade Menace. We believe that everyone should have access to Fighting The Red Trade Menace eBooks, spanning various genres, topics, and interests. By offering Fighting The Red Trade Menace and a rich collection of PDF eBooks, we aim to empower readers to explore, learn, and immerse themselves in the world of literature.

In the vast expanse of digital literature, finding Fighting The Red Trade Menace sanctuary that delivers on both content and user experience is akin to discovering a hidden gem. Enter activistcash.com, Fighting The Red Trade Menace PDF eBook download haven that beckons readers into a world of literary wonders. In this Fighting The Red Trade Menace review, we will delve into the intricacies of the platform, exploring its features, content diversity, user interface, and the overall reading experience it promises.

At the heart of activistcash.com lies a diverse collection that spans genres, catering to the voracious appetite of every reader. From classic novels that have withstood the test of time to contemporary page-turners, the library pulsates with life. The Fighting The Red Trade Menace of content is evident, offering a dynamic range of PDF eBooks that oscillate between profound narratives and quick literary escapes.

One of the defining features of Fighting The Red Trade Menace is the orchestration of genres, creating a symphony of reading choices. As you navigate through the Fighting The Red Trade Menace, you will encounter the perplexity of options — from the structured complexity of

science fiction to the rhythmic simplicity of romance. This diversity ensures that every reader, irrespective of their literary taste, finds Fighting The Red Trade Menace within the digital shelves.

In the realm of digital literature, burstiness is not just about variety but also the joy of discovery. Fighting The Red Trade Menace excels in this dance of discoveries. Regular updates ensure that the content landscape is ever-changing, introducing readers to new authors, genres, and perspectives. The unpredictable flow of literary treasures mirrors the burstiness that defines human expression.

An aesthetically pleasing and user-friendly interface serves as the canvas upon which Fighting The Red Trade Menace paints its literary masterpiece. The website's design is a testament to the thoughtful curation of content, offering an experience that is both visually appealing and functionally intuitive. The bursts of color and images harmonize with the perplexity of literary choices, creating a seamless journey for every visitor.

The download process on Fighting The Red Trade Menace is a symphony of efficiency. The user is greeted with a straightforward pathway to their chosen eBook. The burstiness in the download speed ensures that the literary delight is almost instantaneous. This seamless process aligns with the human desire for swift and uncomplicated access to the treasures held within the digital library.

A key aspect that distinguishes activistcash.com is its commitment to responsible eBook distribution. The platform adheres strictly to copyright laws, ensuring that every download Fighting The Red Trade Menace is a legal and ethical endeavor. This commitment adds a layer of ethical perplexity, resonating with the conscientious reader who values the integrity of literary creation.

activistcash.com doesn't just offer Fighting The Red Trade Menace; it fosters a community of readers. The platform provides space for users to connect, share their literary explorations, and recommend hidden gems. This interactivity adds

a burst of social connection to the reading experience, elevating it beyond a solitary pursuit.

In the grand tapestry of digital literature, activistcash.com stands as a vibrant thread that weaves perplexity and burstiness into the reading journey. From the nuanced dance of genres to the swift strokes of the download process, every aspect resonates with the dynamic nature of human expression. Its not just a Fighting The Red Trade Menace eBook download website; its a digital oasis where literature thrives, and readers embark on a journey filled with delightful surprises.

Fighting The Red Trade Menace

We take pride in curating an extensive library of Fighting The Red Trade Menace PDF eBooks, carefully selected to cater to a broad audience. Whether youre a fan of classic literature, contemporary fiction, or specialized non-fiction, youll find something that captivates your imagination.

User-Friendly Platform

Navigating our website is a breeze. Weve designed the user interface with you in mind, ensuring that you can effortlessly discover Fighting The Red Trade Menace and download Fighting The Red Trade Menace eBooks. Our search and categorization features are intuitive, making it easy for you to find Fighting The Red Trade Menace.

Legal and Ethical Standards

activistcash.com is committed to upholding legal and ethical standards in the world of digital literature. We prioritize the distribution of Fighting The Red Trade Menace that are either in the public domain, licensed for free

distribution, or provided by authors and publishers with the right to share their work. We actively discourage the distribution of copyrighted material without proper authorization.

Quality: Each eBook in our collection is carefully vetted to ensure a high standard of quality. We want your reading experience to be enjoyable and free of formatting issues.

Variety: We regularly update our library to bring you the latest releases, timeless classics, and hidden gems across genres. Theres always something new to discover.

Community Engagement: We value our community of readers. Connect with us on social media, share your favorite reads, and be part of a growing community passionate about literature.

Join Us on the Reading Fighting The Red Trade Menace

Whether youre an avid reader, a student looking for study materials, or someone exploring the world of eBooks for the first time, activistcash.com is here to cater to Fighting The Red Trade Menace. Join us on this reading journey, and let the pages of our eBooks transport you to new worlds, ideas, and experiences.

We understand the thrill of discovering something new. Thats why we regularly update our library, ensuring you have access to Fighting The Red Trade Menace, celebrated authors, and hidden literary treasures. With each visit, anticipate fresh possibilities for your reading Fighting The Red Trade Menace.

Thank you for choosing activistcash.com as your trusted source for PDF eBook downloads. Happy reading Fighting The Red Trade Menace.
