The Woman's Hand Paul Gordon Schalow 1996
This volume has a dual purpose. It aims to define the state of Japanese literary studies in the field of women's writing and to present cross-cultural interpretations of Japanese material of relevance to contemporary work in gender studies and comparative literature.

The Touch of the Real Philippa Kelly 2002
Taking the reader back to the early modern period, this book addresses the works of Shakespeare, and asks how historical texts might be seen to interplay with identity. Beginning with Stephen Greenblatt's

illuminating essay, questions are raised about how we come up with "important" historical texts, how we use educational and cultural institutions to maintain their primacy, and what the costs of this can be. Several of the essays look at ways of defining "the self" in the 16th and 17th centuries, and the working-through of these notions in various writings. Others tell us about how people traveled and the effects of travel on selfhood - how they dressed, how they celebrated special occasions, and how they thought of work and pleasure. The authors reflect on recent methodological concerns and adapt them to new issues in historically-oriented literary and cultural studies. They offer important contributions to new directions in scholarship. The book emerges from a symposium held at the Humanities Research

Centre, Australian National University, to celebrate the work of Stephen Greenblatt. Drawing on Greenblatt's methodologies, contributors examine strategies by which we "know" ourselves through our relationships with the past.

The Alchemy of Laughter G. Cavaliero 1999-11-02 This is the only contemporary critical study to discuss the nature of comedy with exclusive reference to novels. It examines the comic styles of novelists from Fielding and Jane Austen to Waugh and Agnus Wilson, as well as less familiar writers such as Ronald Firbank and Sylvia Townsend Warner. Distinguishing between different kinds of humour, it shows how comedy works in practice under changing literary, social and environmental conditions, and is designed to interest academic and general readers equally.

Everything I Never Told You Celeste Ng

2014-06-26 The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* "A taut tale of ever deepening and quickening suspense." —O, the Oprah Magazine "Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family." —Entertainment Weekly "Lydia is dead. But they don't know this yet." So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in

which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

Romeo and Juliet Harley Granville-Barker 1995 "I feel that I have spent half my career with one or another Pelican Shakespeare in my back pocket. Convenience, however, is the least important aspect of the new Pelican Shakespeare series. Here is an elegant and clear text for either the study or the rehearsal room, notes where you need them and the distinguished scholarship of the general editors, Stephen Orgel and A. R. Braunmuller who understand that these are plays for performance as well as great texts for contemplation." (Patrick Stewart) The distinguished Pelican Shakespeare series, which has sold more than four million copies, is now completely revised and repackaged. Each volume features: * Authoritative, reliable texts * High quality introductions and notes * New, more readable trade trim size * An essay on the theatrical world

of Shakespeare and essays on Shakespeare's life and the selection of texts

Goodbye Yeats and O'Neill Edward Alphonsus Hagan 2010 Goodbye Yeats and O'Neill is a reading of one or two books recently written by the following major authors: Roddy Doyle, Colm Tóibín, John McGahern, William Trevor, Seamus Deane, Nuala O'Faolain, Patrick McCabe, Colum McCann, Nick Laird, Gerry Adams, Claire Boylan, Frank McCourt, Tim O'Brien, Michael Patrick MacDonald, Alice McDermott, Edward J. Delaney, Beth Lordan, William Kennedy, Thomas Kelly, and Mary Gordon. The study argues that farce has been a major mode of recent Irish and Irish-American fiction and memoir--a primary indicator of the state of both Irish and Irish-American cultures in the early twenty-first century.

Mastering Shakespeare Richard Gill 2017-03-01 Mastering Shakespeare covers in detail the plays set in the National Curriculum through GCSE and A-Level to the major elements of

Shakespearean drama studied in further education courses. The book is divided into sections that deal with comedy, tragedy and history. Also included are detailed sections on the most popular plays in the theatre and in the examination room. The book deals with the basic themes of Shakespeare, the kinds of characters he created, the stories he was attracted to, and the ways in which the plays work out on stage. Among the plays studied are A Midsummer Night's Dream, Merchant of Venice, Julius Caesar, Romeo and Juliet and Hamlet.

Why Reading Books Still Matters Martha C. Pennington 2017-08-29 Bringing together strands of public discourse about valuing

personal achievement at the expense of social values and the impacts of global capitalism, mass media, and digital culture on the lives of children, this book challenges the potential of science and business to solve the world's problems without a complementary emphasis on social values. The selection of literary works discussed illustrates the power of literature and human arts to instill such values and foster change. The book offers a valuable foundation for the field of literacy education by providing knowledge about the importance of language and literature that educators can use in their own teaching and advocacy work.

Brief Encounters: A Collection of Contemporary

Nonfiction Judith Kitchen 2015-11-09
The best of short literary memoirs, essays, and reflections, many of which were written expressly for this collection. Also available
The late Judith Kitchen, editor of the perennially popular anthologies *Short Takes*, *In Short*, and *In Brief*, was greatly influential in recognizing and establishing flash creative nonfiction as a form in its own right. In *Brief Encounters*, she and writer/editor/actor Dinah Lenney expand this vibrant field with nearly eighty new selections: shorts—as these sharply focused pieces have come to be known—representing an impressive range of voices, perspectives, sensibilities, and forms. *Brief Encounters* features the work of the emerging and the established—including Stuart Dybek, Roxanne Gay, Eduardo Galeano, Leslie Jamison, and Julian Barnes—arranged by theme to explore the human condition in ways intimate, idiosyncratic, funny, sad, provocative, lyrical, unflinching. From the rant to the rave, the meditation to the polemic, the confession to the

valediction, this collection of shorts—this celebration of true and vivid prose—will enlarge your world.

Studies in the Short Fiction of Mahfouz and Idris

Mona Mikhail 1992-05 In this comparative approach to the works of two major contemporary Egyptian writers, Mona Mikhail identifies existentialism as a major force in their work. Her close examination of the images and metaphors that recur in the short fiction of those two writers shows strong affinities with the works of Ernest Hemingway and Albert Camus, concentrating on a central preoccupation with the theme of death as a constant in the works of all four writers. Mikhail shows how Mahfouz and Idris not only successfully incorporate myth and folklore but also draw upon the rich heritage of classical Arabic Literature as a source for their work.

Klara and the Sun Kazuo Ishiguro 2021-03-02
NEW YORK TIMES BESTSELLER • Once in a great while, a book comes along that changes our view of the world. This magnificent novel from the Nobel laureate and author of *Never Let Me Go* is “an intriguing take on how artificial intelligence might play a role in our futures ... a poignant meditation on love and loneliness” (The Associated Press). • A GOOD MORNING AMERICA Book Club Pick! Here is the story of Klara, an Artificial Friend with outstanding observational qualities, who, from her place in the store, watches carefully the behavior of those who come in to browse, and of those who pass on the street outside. She remains hopeful that a customer will soon choose her. Klara and

the Sun is a thrilling book that offers a look at our changing world through the eyes of an unforgettable narrator, and one that explores the fundamental question: what does it mean to love?

Sickened Julie Gregory 2008-11-19 A remarkable memoir that speaks in an original and distinctive Midwestern voice, rising to indelible scenes in prose of scathing beauty and fierce humor. A young girl is perched on the cold chrome of yet another doctor's examining table, missing yet another day of school. Just twelve, she's tall, skinny, and weak. It's four o'clock, and she hasn't been allowed to eat anything all day. Her mother, on the other hand, seems curiously excited. She's about to suggest open-heart surgery on her child to "get to the bottom of this." She checks her teeth for lipstick and, as the doctor enters, shoots the girl a warning glance. This child will not ruin her plans. From early childhood, Julie Gregory was continually X-rayed, medicated, and operated on—in the vain

pursuit of an illness that was created in her mother's mind. Munchausen by proxy (MBP) is the world's most hidden and dangerous form of child abuse, in which the caretaker—almost always the mother—invents or induces symptoms in her child because she craves the attention of medical professionals. Many MBP children die, but Julie Gregory not only survived, she escaped the powerful orbit of her mother's madness and rebuilt her identity as a vibrant, healthy young woman. Punctuated with Julie's actual medical records, *Sickened* re-creates the bizarre cocoon of her family's isolated double-wide trailer, their wild shopping sprees and gun-waving confrontations, the astonishing naïveté of medical professionals and social workers. It also exposes the twisted bonds of terror and love that roped Julie's family together—including the love that made a child willing to sacrifice herself to win her mother's happiness. The realization that the sickness lay in her mother, not in herself, would not come to Julie until adulthood.

But when it did, it would strike like lightning. Through her painful metamorphosis, she discovered the courage to save her own life—and, ultimately, the life of the girl her mother had found to replace her. Sickened takes us to new places in the human heart and spirit. It is an unforgettable story, unforgettably told. *Final Touch* Judith Cain Dotson 2000 Date of Death: October 1, 1985. Forklifts operating in a "working warehouse" store. A new retail marketing concept then, an accepted part of American shopping today. But the danger is real, "over thirty-thousand accidents" & a number of deaths say those with access to court records. Television & newspaper reports about "failing merchandise" accidents are becoming commonplace. "Few of the millions of shoppers who each day crowd into retail canyons of big discounters such as Home Depot & Wal-Mart expect to be crushed in an avalanche of merchandise," says the Los Angeles Times. "The incidents have been piling up for at least 15

years since boxes of Final Touch fabric softener toppled from a shelf at Sam's Club store in Tulsa, Oklahoma." Small-town trial lawyers called this case the "killing of Dolly Cain," & battled the corporate giant of customer clubs in a search for justice & healing. Dotson spent years pulling together family stores, personal memories & trial testimony into a poignant, courageous account of mother-loss & a family's triumph over unexpected tragedy. This story is painfully true. It provokes tears, laughter & thought in its readers. Will appeal to readers interested in mystery law, courtroom drama, grief & family relationships.
