Financial Accounting is the ideal text for a first course in financial accounting with a focus on IFRS. Harrison helps students nail the accounting cycle up front in order to increase success and retention later on. The concepts and mechanics students learn in the critical 'accounting cycle' chapters are used consistently and repetitively-and with clear-cut details and explanations-throughout the remainder of the text, minimizing confusion. This edition features a new user-oriented approach along with many new problems, exercises, and analysis questions.

2019-04-11 The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929.

Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong

foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

EBOOK: Financial Accounting and Reporting: An

International Approach Anne Marie Ward 2013-03-16
Financial Accounting and Reporting: An International Approach is an adaptation of McGraw-Hill Australia's bestselling financial accounting text Australian Financial Accounting by Craig Deegan, authored by Anne Marie Ward of Ulster University. Set within an international context, with a solid grounding in IAS/ IFRS, the book provides students with a detailed grasp of reporting requirements in an accessible and engaging manner. Up to date throughout and complete in theoretical and practical coverage, the book successfully communicates the detail necessary to understand, challenge and critically evaluate financial reporting. The result gives students a strong foundation for current study and their future professional lives.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. ⚠ Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. ⚠ Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the

seller prior to purchase. Financial Accounting helps students “nail” the accounting cycle! Financial Accounting features the ‘accounting cycle’ up front in the text in order to increase success and retention later on. The concepts and mechanics students learn in the critical ‘accounting cycle’ chapters are used consistently and repetitively—and with clear-cut details and explanations—throughout the remainder of the text, thus minimizing confusion. MyAccountingLab for Financial Accounting is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams—resulting in better performance in the course—and provides educators with a dynamic set of tools for gauging individual and class progress. ⚠ Teaching and Learning Experience ⚠ This program presents a better teaching and learning experience. Financial Accounting, Tenth Edition will:

Personalize learning with MyAccountingLab: MyAccountingLab provides instructors with a rich and flexible set of course materials, along with course-management tools that make it easy to deliver all or a portion of your course online. Use consistency, repetition, and a high level of detail when teaching core accounting concepts. Teach with a better coverage of the accounting cycle from start to finish. The text covers a wide range of topics that prepares students for their field. Reinforce learning by using exercises: End-of-chapter, analytical, and Challenge Problems allows students to review the material and gain a better grasp of the text. Note: You are purchasing a standalone product; MyAccountingLab does not come packaged with this content. If you would like to purchase both the physical text and MyAccountingLab search for ISBN-10: 0133768775/ISBN-13: 9780133768770. That package includes ISBN-10:
