Financial Accounting Douglas Cloud 1997-08

Loose-leaf version Financial Accounting Jan Williams 2011-01-11

While many texts characterize themselves as having either a “user” approach or a “preparer” approach, Williams’ *Financial Accounting* is written for faculty who want to strike a balance between these approaches. Business majors will find relevance in the “Ethics, Fraud & Corporate Governance,” “Your Turn” and “Case in Point” boxes throughout the chapters while accounting majors will receive a firm grounding in accounting basics that will prepare them for their intermediate course.

Working Papers for Use with Financial Accounting Robert Libby 2000-08-15 Forms for the practical applications described in the text, available separately.

Books In Print 2004-2005 Ed Bowker Staff 2004

Financial Accounting with NetTutor, PowerWeb, GL/EX CD and My Mentor CD Package Jan Williams 2002-11 While many texts characterize themselves as having either a “user” approach or a “preparer” approach, Williams, *Financial Accounting*, is written for faculty who want to strike a balance between these approaches. Business majors will find relevance in the “Management Strategy,” “Your Turn” and “Case in Point” boxes throughout the chapters while accounting majors will receive a firm grounding in accounting basics that will properly prepare them for their intermediate accounting course. Perhaps the most important new feature is the online companion, My Mentor. This text-specific online resource uses video clips, animated graphics and Excel templates to demonstrate accounting concepts, expressing accounting visually. This solves a problem that many introductory students have in accounting: It allows them to link concepts and numbers together in a interactive rather than print environment.

Study Guide for Use with Financial Accounting Meigs 1997-06

Financial and Managerial Accounting Jan Williams 2002-06-01 Clear. Accurate. Current. The new twelfth edition of *Financial and Managerial Accounting: A Basis for Business Decisions* unites this texts long-running standard of excellence with a thorough revision reflecting contemporary concepts and issues in accounting. The managerial accounting section has been expanded making this book appropriate for the 50/50 split accounting principles courses that employ a corporate approach. The hallmarks of this text continue to be exceptional balance between the preparer and user points of view, excellent real-world examples that do not distract students from the text narrative, and clear writing style. This is a reflection of the authors and their well-known dedication to accounting education.

Financial Accounting, 6e S N Maheshwari, Suneel K Maheshwari & Sharad K Maheshwari *Financial Accounting* provides a comprehensive coverage of course requirements for students studying to appear in the *Financial Accounting* paper of B.Com examinations under different Indian universities, including those that have adopted the CBCS system. It also meets the requirements of students appearing in the accounting paper at the Foundation Examinations of Institute of Chartered Accountants of India, the Institute of Company Secretaries of India and the Institute of Cost Accountants of India.
