Being God's Man by Standing Firm Under Pressure Stephen Arterburn 2004-11-16 How to maintain your godly boundaries even under pressure. When you're faced with an imminent threat, your body releases adrenaline. Your heart beats faster. Your muscles tense, and all your senses switch to "Go." But what happens when your spiritual well-being is under attack? Do you stand strong in your desire to do God's will...or run for the hills? The path of faith is tough traveling. Fighting to hold on to God's purposes under adverse conditions is inconvenient, impractical, and thoroughly unpredictable. Standing firm under pressure reveals our true convictions about God, about everything. In Being God's Man by Standing

Firm Under Pressure you'll examine one man-named Daniel-and his band of brothers who demonstrated how not to compromise under pressure. They didn't let misfortune, temptation, manipulation, intimidation, or even death shake their faith into compromise. Instead, they faced each new challenging circumstance with courage and trust. As God's man, you can, too. Special Features: ·Practical studies facilitate personal encounters with God and other men ·Questions encourage genuine reflection and help build godly convictions ·"Real Life" case studies show how the truths you discover have worked out in other men's lives ·"Standing Strong" section gives you the opportunity to form and express your action steps with God and your group

Stand Firm Rev Daniel W Blair 2012-11-13 "In the coming days, a solid theological belief system may be our only hope for standing firm in our faith..." As we fast approach the end of days, we have seen an increase in demonic activity, psychological problems, and increasing pressure

from the religious establishment to accept other belief systems in the name of tolerance. This ready resource will help the end time saint remain faithful to Jesus even in the face of intense persecution. Reverend Blair is convinced that God has given the Christian everything needed for life and godliness, and he supports this by offering practical application. So as you go along your way, return to this book again and again to drink from the fountain of knowledge concerning your salvation in Jesus Christ and godly counsel on how to Stand Firm in the last days.

Stand Firm Walk Thru the Bible 2013 A 365-day devotional for men that equips them with an unshakeable faith to be godly leaders in their homes, churches, and communities.

Standing Firm in Christ Gary S Maxey

2020-07-14 Teach Me Your Paths is a series of twelve books designed to help us become better disciples of Jesus Christ. This is the third book in the series. Here we examine our personal walk with God as members of the Christian family. Part One (Lessons 1-8) admonishes us to stand firm in Christ by maintaining the doctrinal and experiential foundations of our faith. We must be on our guard against every enemy of our souls and maintain strong foundations. In Part Two (Lessons 9-16) we are reminded that the secret of our strong stand in Christ is primarily in developing our relationship with God. Part Three

(Lessons 17-24) takes us on a journey to understand that an important part of our success as believers in standing firm in Christ is to relate to others in healthy and productive ways. This book is especially helpful for small group study in growing and dynamic churches where discipleship is highly valued.

Claim Your Crown Tarah-Lynn Saint-Elie
2020-02-04 Young women are deeply dissatisfied with society's standards (and double standards). They want more for themselves--but sometimes they don't quite know what that more should be. That's where Miss Black New Jersey 2018 and Teen Vogue "It Girl" turned fashion writer Tarah-Lynn Saint-Elie comes in. Through her insightful comments on media, pop culture, and pervading cultural myths about beauty, fashion, and womanhood, Tarah-Lynn dismantles the messages that feed into the insecurities, fears, doubts, and guilt that young women experience today. She introduces them to an understanding of God as a loving Father and the King of all

kings, who bestows upon his daughters a crown of love, worth, and power. And she shows them how to not only claim the promises of God but also walk purposefully in them as independent women (no prince necessary!) who respond to adversity with righteousness and authority.

Confident Faith Mark Mittelberg 2013 In *Confident Faith*, Mark Mittelberg assures Christians that we can be confident in our beliefs. There's no reason to be timid about what we believe, because our beliefs can stand up to the test. Truth isn't dependent on how a person feels or one's own point of view, as so many assert. On the contrary, we can determine truth through our five senses, and that truth reliably points to a deeper and unseen reality. Mark walks readers through twenty arrows that point towards Christian beliefs: from the intricate design of the universe to archaeological proofs, from the consistent testimony of changed lives to the reliability of the ancient documents of the Bible. After studying these arrows, you'll put this book down with a renewed confidence in what you believe and why it matters for eternity.

In this thirteen week adult Bible curriculum, you will rediscover the deep joy and wondrous gift of a strong Christian home! If you are determined to understand and follow God's design for your family, these lessons will establish your footing on solid ground!

Firm in the Faith Steve Bruce 1984

Standing Firm in the Faith James Morrisson 2004-11 After many years of wandering in a secular humanist wilderness, James Morrisson became a Christian at age 66. He quickly developed a deep love for the life-giving truth of Scripture. Standing Firm in the Faith reflects his rich and varied training and experience. It has the broad perspective of a student of history; the sharp reasoning of a lawyer; the practical, down-to-earth examples of a teacher; and the passion of a classical musician. It also reflects the love of a man who is "Dad" and "Grandpa" to many

members of his church. The purpose of Standing Firm in the Faith is very practical--to let Scripture stir people into action. Whether you are a new believer or a seasoned Christian, it will give you a solid, Scriptural foundation for being an overcomer, so that you can stand your ground in these challenging times. This is more than a discussion of important Scriptural principles. It is also a personal testimony of how the life-giving, mind-transforming power of Scripture can change our lives. "Thank you so much for the labor of love you have given in the clarity and soundness of this high impact book." --Dr. Joseph Umidi, Professor of Ministry, Regent University

Saving Christianity? Michael Youssef 2020 A clear and frank exploration of the future of Christianity and whether it needs to be saved.

We live in confusing times. Our society has shifted on its moral axis, and many are asking whether Christianity needs to be reinvented--or even reimagined--in order to save it. With Newsweek declaring "The Decline and Fall of Christian America" on its cover and The Daily Beast questioning "Does Christianity Have a Future?" bloggers and Christian commentators are discussing whether we need a "new of kind of Christianity." In *Saving Christianity?* Dr. Michael Youssef explores this train of thought and its pitfalls. He describes how similar discussions in Christianity's recent past explored the very same question. *Saving Christianity?* will help you discern what is going on within the church while it reviews the essentials of the Christian faith as described in the Bible. We dare not abandon this "mere faith," as Dr. Youssef describes it, because it is the light for all humanity--and especially for those of us living in today's chaotic times. After reading *Saving Christianity?* you'll have a renewed confidence in

the future of the church and the central place it will occupy for generations to come.

Brave by Faith Alistair Begg 2021-05-01 Learn from the book of Daniel how to live confidently for Christ today. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in a pagan world that opposes God's rule. In this realistic yet positive book, renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our

generation. Not because it maps out a strategy for how to deal with our new lack of status ... or because Daniel was a great man and we need to follow his example. The reason is that it will help us to believe in Daniel's God." Alistair Begg, author.
