

First Aid For Cats An Owners Guide To A Happy Healthy Pet

Pet First Aid Bobbie Mammato 1997 Designed to provide assistance and guidance to the pet owner in case of an emergency, this book includes coverage of CPR, choking, bleeding, trauma, poisoning, thermal emergencies, various wounds, and more. Suggestions are also given for items to be included in a pet first aid kit, plus tips on regular pet care, neutering and spaying, and traveling with pets. 150 illustrations.

Jack Russell Terrier Catherine Romaine Brown 2008-04-21 Your Happy Healthy Pet The authoritative information and advice you need, illustrated throughout with full-color photographs--now revised and redesigned to be even more reader-friendly! Jack Russell Terriers (JRTs) demand a lot of attention and activity, but offer a lot of affection and constant amusement.

This guide fills you in on the breed's needs and attributes, covering: * The JRT's irrepressible hunting dog instincts and character * Tips for selecting a JRT puppy or adult dog * Things you'll need to make your pup one of the family * Pointers on feeding, grooming, and healthcare * Training and housetraining your JRT * Bonus chapters available on companion Web site Single-minded, energetic, and intent, the JRT may try your patience. But then she does her canine comedy or snuggles up affectionately and captures your heart.

A Kid's Guide to Cats Arden Moore 2020-03-17 This fun and practical cat care book written just for kids will guide young cat owners in how to provide a safe, healthy environment, deliver daily care, and ensure positive interactions and rewarding, long-term relationships with feline

friends. Pet expert Arden Moore helps kids understand how cats think and what they need to be happy and healthy, whether socializing a spunky new kitten or welcoming an adult cat into a household. Along with essentials on topics such as how to read a cat's body language and proper litter box protocol, fun and fascinating features cover the history of cat-human relationships, why and how cats purr, "ask the vet" Q&As, trivia, DIY cat toys, and even tips for training a cat to come when called (yes, you can!). Information-packed and filled with photography and colorful illustrations that infuse each page with feline energy, *A Kid's Guide to Cats* equips kids with everything they need to know to be great cat caretakers and companions.

Dog First Aid American Red Cross 2008

The Complete Book of Home Remedies for Your Cat Deborah Mitchell 2013-04-30 Provides advice on feline diet and information on symptoms, diagnosis, conventional treatment,

and home remedies for fourteen common feline medical conditions, including hairballs, fleas, diabetes, arthritis, and obesity.

The Healthy Pet Manual Deborah Straw 2005-07-05 This revised and expanded edition of *Why Is Cancer Killing Our Pets?* includes the most up-to-date information on the factors that may cause cancer in pets, and preventive measures that can be taken. The full spectrum of conventional and alternative treatments is presented in this essential resource for the care and protection of our beloved pets.

The First-Aid Companion for Dogs & Cats Amy D. Shojai 2001-02-07 Is there an animal doctor in the house? Most likely, the answer is no. And when an accident or other emergency threatens your pet, every minute counts. Don't be unprepared! Open *The First-Aid Companion for Dogs and Cats* by Amy D. Shojai and learn: * Basic first-aid techniques, such as cleaning a wound, making a splint, and performing CPR--step-by-step! * Which over-the-counter human

medications can help--or harm--your dog or cat * What to keep in your pet's medicine chest (many essential items are probably in your house already!) * How to quickly pinpoint what's wrong with your pet, using the First-Aid Symptom Finder Plus, you'll discover a comprehensive A-to-Z guide to more than 150 common--and not-so-common--injuries and conditions, including: * Abscesses * Bites from Animals * Car Accidents * Choking * Gunshot Wounds * Heatstroke * Hot Spots * Jellyfish Stings * Poisoning * Snakebites Each at-a-glance entry tells you when to call the vet, which supplies or medications you'll need, what immediate action you should take, and what you should do as follow-up care. By knowing what to do in an emergency and then acting quickly and confidently to take the proper steps, you could save your pet's life. The next time medical help is not quickly available, reach for The First-Aid Companion for Dogs and Cats. It's a pet owner's second best friend.

A Pet Owner's Guide to a Happy and Healthy

Companion Kimberly Sarmiento 2016-12

Guide to a Healthy Cat Elaine Wexler-Mitchell
2007-08-27 Authoritative, easy-to-follow
guidance in giving your cat the best possible
care Written by the former president of the
Academy of Feline Medicine and the proprietor
of a feline-only veterinary clinic, *Guide to a
Healthy Cat* is the definitive guide to feline well-
being. Dr. Elaine Wexler-Mitchell provides the
most up-to-date information about cat health,
including vaccine recommendations, new
therapeutic diets, and the latest treatments for
kidney disease. You'll find everything you need
to know about raising a kitten, feeding the
finicky feline, grooming for good health, caring
for a senior cat, and keeping peace in a multi-cat
home. From the scoop on litter boxes to the keys
to feline mental health, this user-friendly guide
is packed with plain-English explanations and
advice to help keep your cat healthy, including: *
A thorough discussion of feline disease-how to
combat it and manage it * The latest on proper
nutrition and the best foods for your cat *

Sensible, practical advice on keeping your cat
safe from household dangers * Chapters on how
to tell if your cat is sick and whether it's an
emergency; what the most common veterinary
diagnostic tests are and what the results mean;
and what items in your medicine cabinet are safe
to give to your cat-and which ones are not *
Information on what you can catch from your cat
and how to control allergies to cats * The latest
developments in keeping cats flea-free * A
glossary of veterinary and cat terms *Guide to a
Healthy Cat* gives you all the knowledge and
tools you need to understand your cat and his or
her health needs-and provide the best care.
**The Humane Society of the United States
Complete Guide to Cat Care** Wendy
Christensen 2014-04-08 Building a lifelong,
loving relationship with a cat can be a
challenging task. Whether you're thinking of
adopting a cat or already live with one, *The
Humane Society of the United States Complete
Guide to Cat Care* offers authoritative and

practical advice that will help you make the best decisions for your pet along the way. This comprehensive guide includes sections on choosing a healthy cat or kitten, feeding and nutrition, training, grooming, disease, vet visits, caring for an aging cat, feline first-aid kits and emergency care. Unlike other books that endorse breeding and promote novelty or purebred cats, The Humane Society's Guide to Cat Care stresses making life better for the millions of cats already here. It provides information on rescuing and rehabilitating homeless cats, finding a stray's owner, and helping an outdoor cat make the transition to a safe indoor environment. The guide also encourages animal advocacy and offers a list of ways to get involved.

The Young Adult's Guide Pet Ownership: Everything You Need to Know About Caring For Your First Pet Hannah Litwiller 2018-06-29
You've been trying to convince your parents since you were a little kid that you need a pet,

and you just fell in love with a cute kitten or perfect puppy you saw on the adoption list... but you don't even know where to start. This book gives you the information you need about your first furry, finned, or feathered friend. With so many choices, it can be hard to decide what pet is right for you. We'll walk through the variety of traditional and exotic pets, and include with each a comprehensive list of considerations including life spans, behaviors and temperaments, living environments, and common care concerns. With research and statistics, full-color photos, case studies from young pet owners like you, and plenty of real-world stories, this book will guide you through the process of owning your first pet from the moment you sign the adoption papers to when your new best friend becomes a part of the family forever!

First Aid For Birds Julie Rach 2008-05-05
At last, a book for pet owners that focuses on administering first aid to birds. You'll not only

learn step-by-step information on emergency situations bird owners might encounter, you'll also learn how to quickly save your bird's life by taking action, and how to prevent emergencies by feeding your bird a balanced diet, regularly trimming his wings and nails and bird-proofing your home. First Aid for Birds is written by an expert and includes instructions on monitoring your bird's health by regular veterinary visits and observing your bird daily for signs of illness. Best of all, the book is filled with color photos, info-packed sidebars and fun facts to make caring for your pet bird easy and enjoyable.

Pet Lover's Guide to First Aid and Emergencies Tom Day 2005-09-06 Part of the Pet Lover's Guide series, this volume describes how to recognize an emergency - including surveying the pet and assessing the scene. A list of emergency situations and how to respond is included. The book offers an alphabetical list of both major and minor emergencies, their causes, signs, and first aid treatment. Both dogs and

cats are included in each general category. In addition, the book describes CPR and includes suggestions for a pet first-aid kit, including which human drugs may be used on pets. Full-color line art and photographs demonstrate animal behavior, how to take pulses and heart rates, and pressure points. Other illustrations depict transport of a trauma patient, basic CPR techniques, types of bandages, allergic reactions, open-mouth breathing, and methods of cooling for heatstroke. Special boxes labeled "Where We Stand" present the author's strong opinions on specific (sometimes controversial) issues in a highlighted, easy-to-find format. Key terms are highlighted, making them easy to locate and reference - these terms are also included in the glossary with clear, simple definitions. Important information is bulleted and placed in a shaded box, bringing the main points to the reader's attention in a quick and useful way. Detailed list of emergency situations and proper responses shows how to do a

complete and thorough examination of causes and signs, plus first-aid treatment, in a concise and user-friendly format. Emergencies are alphabetically listed and divided by species, enabling quick access to critical information and to appropriate actions. Clear readability makes information easily accessible to pet owners, helping them provide appropriate first aid to pets before medical attention from a veterinarian can be obtained. Written by established, recognized veterinarians, this book is a reliable source for veterinary professionals.

Guide to Cat Care Km Alamin 2023-02-22

Guide to Cat Care is the ultimate resource for cat owners who want to provide the best possible care for their feline companions. This comprehensive book covers all aspects of cat care, from kitten-hood to adult life, covering topics such as nutrition, grooming, first aid, and preventative care. This book provides expert advice on understanding cat behavior and body language, as well as tips on how to communicate

with your cat and create a happy home environment. The author also provides valuable insights into common cat health issues, and preventative measures that can be taken to keep your cat healthy and happy. In this book, you will learn about the best feeding schedules and portion control, how to read cat food labels, and how to groom and maintain your cat's hygiene. The author also provides step-by-step instructions for creating a cat first aid kit, treating minor cat injuries, and knowing when to seek professional help. Guide to Cat Care is a must-have for every cat owner who wants to provide the best possible care for their furry friend. With this book, you can be confident in providing a healthy and happy life for your cat.

The Veterinarians' Guide to Your Cat's Symptoms Michael S. Garvey, D.V.M.

2010-05-26 The experts reveal how to interpret and understand your cat's symptoms and what steps to take to ensure its health. This comprehensive and practical book is designed to

assist cat owners in understanding their pets' bodies and health based on signs and symptoms of disease, and in determining the most common medical problems that might cause particular symptoms. Adopting the "decision chart" format from popular symptom guides for human ailments, such as the American Medical Association's Guide to Your Family's Symptoms and Take Care of Yourself, five leading veterinarians have designed a user-friendly chart system that will guide a pet owner from noting the symptom and observing the cat's behavior to understanding the associated signs of an illness, the possible conditions, and the best steps to take. Filled with more than 150 charts in an easy-to-follow two-color format and medical drawings, The Veterinarians' Guide to Your Cat's Symptoms is the indispensable reference for cat owners. It not only considers the problems of sick and injured pets, but also addresses the needs of healthy animals. It has all the information a cat owner needs: , What a

healthy cat should look like , Flow charts to the 200 most common symptoms , Behavioral issues, such as spraying and clawing , Emergency first aid, including transporting an injured cat , A glossary of veterinary diagnostic tests and medical terms With this unique combination of medical information and advice, plus an innovative chart system, The Veterinarians' Guide to Your Cat's Symptoms will ensure that your cat really does have nine lives.

The Rat Ginger Cardinal 2008-04-21 This is our seventh set of Happy, Healthy Pet titles. Like the others, they are books pet owners can turn to for the essential information they need to raise a healthy, happy pet. All books contain information on: feeding grooming housing health care what to expect from the pet basic training As our series expands and focuses on different kinds of pets, the emphasis remains on making the pet a companion. Owners of more unusual pets will particularly appreciate the expert advice in

these books because professional care for exotic animals can be hard to come by. As always, the instruction on the books is from experts—people who know their pets intimately but always remember what it was like to have one the first time. Happy, Healthy Pet guides are rich with professional quality color photos and are designed to be enjoyable and easy to learn from. More and more people are discovering each year what affectionate, intelligent and charming pets rats can be. Ginger Cardinal already knows. She's the former president of the Rat, Mouse and Hamster Society and a longtime breeder, exhibitor, judge and dedicated companion of these special rodents.

First Aid for Cats Stefanie Schwartz 1998-11-23
Do you know what to do if your cat breaks his leg? How do you respond if your cat goes into shock, or is suddenly choking? What can you do to keep your cat safe? Learn how to distinguish a minor affliction from a true emergency and how to address the situation. Written by a

veterinarian for the layman, *First Aid for Cats* will help you handle an emergency with the best advice for your cat's health and safety. This book contains detailed information on everything from how to assemble a first aid kit to how to give your cat CPR. *First Aid for Cats* includes a cross-referenced index in the back of the book for quick access to the problem at hand. Informative illustrations and photographs simplify the application of successful first aid.

Your Cat: The Owner's Manual Marty Becker
2012-05-01 Dr. Marty Becker has become known as "America's Veterinarian" because of his educational and entertaining shows and columns. For more than ten years, Dr. Becker has been the popular veterinary contributor to ABC-TV's *Good Morning America* and is now a member of Core Team Oz on Dr. Mehmet Oz's show. Dr. Becker will help owners solve problems and enhance their bond with their cats through a tip-filled book on everything from finding the right cat to preventing health

problems and bad behavior. He will start owners off on the right foot, whether they buy a kitten or adopt an older cat, showing them how to solve the most annoying behavior and cat-care problems--from scratching furniture to not using the litter-box. (Surprising fact: did you know that black cats shed more than light-colored cats?) And he advises owners how to make their own cat toys, and how to save money on medication, both traditional and alternative.

Keeping Your Indoor Cat Happy & Healthy

Arden Moore 2000-12-28 Make Your Home a PURR-fect Palace! Indoor cats live longer, stay healthier, and enjoy better relationships with their human owners than do outdoor cats. But if you're like many cat owners, you worry about confining your cat to the house. You wonder if your cat finds like indoors satisfying, and you look for ways to add entertainment, exercise, and excitement to your indoor cat's daily routine. Worry no more! Author Arden Moore will show you how to turn your house into cat

heaven without spending a lot of money, whether you live in a large country cottage or a small studio apartment. You'll learn how to: Cat proof your home Think like a cat when you decorate Provide your cat with fun home-alone activities Teach your cat to play simple games with you Pamper your cat with a spa-style massage Install an enclosed outdoor cat run And more!

A-Z of Cat Health and First Aid Andrew Gardiner 2015-03-01 A-Z of Cat Health and First Aid clearly explains what the owner can do for their cat, working alongside the veterinary surgeon, to give their companion the best chance of a full and speedy recovery. There is detailed help for over 200 common cat illnesses, as well as advice in the event of accidents, for everything from coat contamination, high blood pressure and fleas to overgrown nails, spaying and urination problems. Each illness is explained and details of first aid and nursing care that can be administered at home is clearly outlined,

along with a full explanation of what treatment your vet might follow. Andrew Gardiner is an experienced vet, and the ideal guide to the practical solutions that anyone can carry out at home to help keep their cat fit and well. Cats can seem as varied and complex as people, and modern veterinary medicine has a much improved knowledge of cats' bodies, with very specific approaches to their health problems. This revised and updated edition of A-Z of Cat Health and First Aid will inform and educate any cat owner how better to provide for their companion's health.

Kitten Care & Training Amy D. Shojai
1996-04-04 An Owner's Guide to a Happy Healthy Pet is the series to turn to when you want a basic reference that's reliable, up-to-date, and complete. These guides feature: Expert authors, plus renowned guest contributors on specialized topics Full-color photos throughout Basic information on the breed, species, or topic Complete coverage of care, health, grooming,

training, and more Tips and techniques to make life with a pet more rewarding
Cat Care Robert Duffy 2020-07-23 A must have book for cat owners and potential cat owners. It explains what to do when dealing with a new kitten and throughout the lifetime of the cat as it becomes the pet and companion it was meant to be. Not only does the book cover the vast amount of general things to consider about owning and caring for a cat more specific issues are covered. These include: The early years and the cat 'teenager'. What the cat should eat and drink and foods that are dangerous. Basic first aid is covered (before the cat gets to the vet). Also how to transport the cat safely. The correct insurance for the cat is a detail not overlooked. Written in easy to understand language this book is a 'must have' for all cat lovers.

Cat First Aid George E. Boyle 1990 Provides information for correctly restraining, transporting, and administering first aid to an injured cat, and offers advice on general health care.

Cat Owner's Manual Bruce Fogle 2003 Written by Dr. Bruce Fogle the world's best-selling practicing vet. Cat Owner's Manual contains all the information a cat owner will ever need to keep their pet happy and healthy. Covering all stages of feline development from kitten to mature cat, Cat Owner's Manual includes sections on cat breeds, first aid and veterinary care (including special easy-to-use diagnostic charts), behavior, grooming, nutrition, breeding, and training. Special sections focus on bringing a kitten home and caring for an older cat. With full color illustrations throughout, Cat Owner's Manual is a joy to look at as well as a comprehensive practical guide.

First Aid For Dogs Stefanie Schwartz

2007-08-31 Do you know what to do if your dog is stung by a bee, breaks a leg or goes into shock? Learn how to distinguish a minor affliction from a true emergency and how to address the situation. Written by a veterinarian for the layman, First Aid for Dogs will help you handle an emergency with the best advice for your dog's health and safety. It contains detailed information on everything from how to assemble a first aid kit to how to give your dog CPR. First Aid for Dogs includes a cross-referenced index in the front of the book for quick access to the problem. Informative illustrations and photographs simplify the application of successful first aid.

Feline Fundamentals Sienna D. Blake 2023-06-26 Introducing "Feline A Guide to Understanding, Nurturing, and Enjoying Life with Your Cat." This comprehensive guide presents everything you need to know about living with and caring for our feline friends. This book is your go-to resource for every stage of

your cat's life, from selection to senior care. Beginning with "The Wonderful World of Cats," the book provides an enlightening journey through the history and evolution of domestic cats, along with a deep dive into feline behavior. As you become acquainted with the ins and outs of cat care, you'll gain a profound appreciation for the intricacies of the feline world. In "Choosing the Right Cat for You," you'll discover how to select the perfect feline companion, considering different breeds and their traits. We cover options from adopting a shelter cat to selecting a reputable breeder. "Preparing Your Home for Your New Cat" is all about making your home a cat-friendly haven. You'll learn how to cat-proof your living space, the essential supplies you need, and how to create a safe and comfortable environment. The sections on "Feeding and Nutrition," "Grooming and Coat Care," and "Litter Box Training and Maintenance" offer practical advice to help keep your cat healthy and happy. Discover the right

food choices, grooming techniques, and best practices for a fresh and odor-free home. Building a strong relationship with your cat is key. The chapters on "Socialization and Bonding" and "Training and Behavior Modification" guide you on building trust, introducing other household pets, teaching commands, and handling behavioral issues. Your cat's health is paramount. This guide delivers essential knowledge on routine veterinary care, dental health, emergency preparedness, and even specialty areas such as holistic and alternative cat care. This book also covers lifestyle choices and special considerations, such as indoor vs. outdoor living, travel preparations, dealing with allergies, senior cat care, and care for cats with special needs. Furthermore, it delves into more specific topics such as breeding and pregnancy, end-of-life care, and ethical considerations in cat breeding. "Feline Fundamentals" also promotes responsible pet ownership and community involvement with

chapters on fostering, volunteering with cat rescue organizations, and more. This is more than a book; it's a lifelong companion for every stage of your journey with your feline friend. Whether you're a seasoned cat owner or considering adopting your first kitten, "Feline A Guide to Understanding, Nurturing, and Enjoying Life with Your Cat" is an essential addition to your library. Purchase your copy today and embark on a rewarding journey with your furry friend.

Whole Health For Happy Cats Sandy Arora 2010-03-01 Domestic cats have high cancer rates, chronic disease, and immunodeficiency in spite of increased indoor living, plentiful food, and limited exposure to infectious agents and parasites. This book emphasizes prevention. To prevent disease, we try to make environmental and dietary choices that support the vital energy to the body. Obvious requirements include proper light, fresh air, and clean water as well as exercise, stimulation of the senses, and food that nourishes without harming. But meeting these requirements requires some effort. If it were a simple choice, many people would choose to treat and care for their pets with natural therapies. Unfortunately, most cat caregivers

find the expectations and requirements of natural pet health care fairly imposing. *Whole Health for Happy Cats* provides the basic information you need to incorporate holistic treatments into your cat's everyday care, reduce health care costs, and help your cat enjoy a long healthy life. *Whole Health for Happy Cats* translates the dry and often-overwhelming scientific data found in other cat care books into everyday language. The easy-to-follow guidelines teach cat caregivers to use holistic remedies at home, including homeopathy, aromatherapy, and flower essences. In addition, sidebars, comparison charts, decision-making guides, and extensive resources make this an easy-to-read and informative book.

A Pet Owner's Guide to a Happy and Healthy Companion Kimberly Sarmiento 2016-11-30 Dogs and cats are like humans — they need a proper diet and good exercise. This book will show you how to make sure that your pet is properly cared for. Did you know that obesity is

very common among dogs and cats? Did you know that the best way to keep your pet healthy is not feeding him less? This book explores feeding options as well as ingredients and labeling to ensure that you know what to do when it comes to mealtime. Countless hours have been devoted to researching the latest findings about pet care to ensure that the learning process is simple and hassle-free. Walks and playing fetch aren't the only activity that dogs enjoy. What about volunteering with your dog at a local nursing home or trying out a doggy park? This book also covers how to meet your pet's needs creatively and well. The answers to how to pick a good vet, how to find a good trainer, and how to make sure that your pet is getting enough exercise when you're at work are all covered. Most importantly, this book will help you understand your pet better and therefore appreciate her more. Compared to the average human life, a pet's life is sadly short. The book will help you make the most of it.

Fit Cat Arden Moore 2016-03-01 Think of this book as your customized guide to all things cat. It is filled with step-by-step guidelines, surprising tips and tricks, and feline insights, all designed to ensure your four-legged pal enjoys a long, healthy life. Cats outnumber dogs worldwide and feline popularity is stronger than ever...Paw through the pages of *Fit Cat: Tips and Tricks for a Longer, Healthier, Happier Life* and discover how to be truly your cat's best friend. Learn pet first aid. Outsmart your misbehaving kitty by re-channeling her need to scratch or play in more acceptable ways. Discover how to stretch your family budget without sacrificing the quality of care for your cat. And learn how to make smart nutritional choices and prevent your cat from turning into an overweight feline. [First Aid for Cats and Dogs](#) Gordon Roberts BVSc MRCVS 2015-01-30 Not everybody believes an emergency will occur with their pets. Even the ones that do, often don't realise they can make a substantial difference in a serious

situation. Rest assured, anyone wanting to be prepared for any problems will be ready and more confident with this pet first aid guide. This eBook comes in a simple and easy-to-read style that informs dog and cat lovers how to prepare for emergency and first aid situations. It also provides useful tips on how to prevent these situations from arising in the first place. Many other first aid guides fail to point out the safety risks involved in first aid, but this guide will unlock all the potential hazards that cause harm to you and your pet during such a frantic time, as well as tell you how to avoid them. But how do you even know when something is wrong or when it's time to call the situation an emergency, act on it and contact the vet? Luckily, there is a chapter to walk you through the normal signs, including healthy temperature, pulse and breathing rate, along with the common signs of poor health that you cannot ignore. First aid is all about knowing what to do and how to do it, so this guide's chapter on first

aid procedures will reveal the most common used methods to help stabilise your pet - artificial respiration, CPR, the Heimlich manoeuvre and detailed wound care tips. The final chapter outlines various medical conditions or medical emergencies, how to spot them and what first aid to perform to increase chances of stabilising the pet, stopping problems from getting worse or protecting and attending to problems temporarily until a vet is reached. Overall, you won't find a more handy pet first aid guide that can be accessed and read so easily!

Kitten Care & Training Amy D. Shojai
2008-05-05 An Owner's Guide to a Happy Healthy Pet is the series to turn to when you want a basic reference that's reliable, up-to-date, and complete. These guides feature: Expert authors, plus renowned guest contributors on specialized topics Full-color photos throughout Basic information on the breed, species, or topic Complete coverage of care, health, grooming, training, and more Tips and techniques to make

life with a pet more rewarding

Ask the Vet about Cats Elaine Wexler-Mitchell 2003 From the publisher of Cat Fancy magazine comes Ask the Vet About Cats, a comprehensive manual to caring for your cat. Ask the Vet's author Elaine Wexler-Mitchell, D.V.M., draws from her many years of clinical practice as a feline veterinarian to compile and answer over eighty of the most commonly asked catcare questions. Spiral bound for easy use, this manual helps you become a better cat owner by placing all your cat-care questions and answers in one easy-to-reference location. From birth to senior years to common health and husbandry concerns, Ask the Vet About Cats has the remedies and cat-care tips you are looking for. By helping you become more aware of behavior, nutrition, lifestyle, and other health concerns related to your cat, you will understand how to properly care for your cat at home and when to seek veterinary care. Book jacket.

The Longhaired Cat Anna Sadler 2008-05-05

At last, a book for cat owners that emphasizes total care and companionship and addresses the special needs of longhaired cats! The Longhaired Cat: An Owner's Guide to a Happy Healthy Pet includes a description and beautiful color photo of each longhaired breed, information on how and where to choose your cat, sound advice on how to keep your cat healthy, insight into your cat's behavior, and much more. The Longhaired Cat: An Owner's Guide to a Happy Healthy Pet is full of easy-to-reference sidebars on everything from what to put in your cat's first aid kit to old-world legends about cat history. Whether you're a new cat owner with questions about bringing home your new pet, or a long-time cat lover facing new feline dilemmas, this book will provide you with the answers you need.

The First Aid Companion for Dogs & Cats Amy D. Shojai 2001-03-07 Provides a directory of first-aid and emergency procedures for cats and dogs, covering everything from identifying a

problem and performing CPR to administering a pill and follow-up care.

The Complete Book of Cat and Dog Health

Lise Hansen 2019-10-18 Written by a qualified veterinarian, this is a complete and comprehensive guide to health care for cats and dogs, providing invaluable advice on essential aspects of care, such as diet and vaccinations, as well as a guide to holistic treatments. The first part of the book describes the main lifestyle choices every dog and cat owner makes, whether or not they are aware of them: settling in a new puppy or kitten, vaccination, neutering, diet, finding the right veterinarian, and caring for the ageing animal. The second part describes the main holistic modalities and their relevance when animals become sick. What they are, how they work, when they are useful, and how to find a practitioner. Also includes chapters on osteopathy, homeopathy, acupuncture, Bach's flower remedies, and herbal medicine. The third part of the book discusses a range of common

health problems in dogs and cats, both from a conventional veterinary point of view and from an holistic perspective, and aims to help the owner understand the condition they are facing, as well as providing tips on how to supplement their veterinarian's advice and treatment.

Complete Cat Care DK 2014-02-03 This is the perfect guide to take care of cats and kittens at home. Whether you are a new cat parent or already have a feline companion at home, Complete Cat Care is ideal for all your cat needs. From making your home cat-proof and welcoming for your furry friend to essential equipment you need at home, this book covers it all. From grooming, bathing, and feeding your cat to dealing with behavioral problems, get all the advice from Complete Cat Care. Know how to spot early signs of a disease and find out about common cat disorders. This comprehensive yet accessible book will explain how to take care of a sick or an elderly cat. Also, learn how to administer basic first aid to treat

your cat at home and find out what to do in case of an emergency. The book also provides information about breeding and how to care for a new mother and her kittens. Complete Cat Care will help you keep your cat healthy at every stage of its life.

The Pill Book Guide to Medication for Your Dog and Cat Kate Roby 1998-10-06 Following "The Pill Book", this comprehensive guide to prescription and over-the-counter drugs for dogs and cats includes profiles of more than 200 drugs, information on side effects and safety tips, advice on choosing a veterinarian, the latest alternative medicine, directory of pet organizations, a glossary of medical terms, and more.
