

First Of Broadway Solos

Peter Pan James M. Barrie 2021-03-24 Peter Pan, o menino que não queria crescer, inicialmente publicado como peça de teatro, ganhou os corações de muitas crianças e adultos, tornando-se um dos maiores clássicos da literatura mundial. A história do menino que vive na Terra do Nunca e se recusa a crescer foi criada a partir das histórias que Barrie contava aos filhos de sua amiga, Sylvia Davies. Mas o personagem pode ter sido inspirado também no irmão de Barrie, que morreu quando ainda era criança. Peter Pan, Sininho, Wendy, Garotos Perdidos e Capitão Gancho são personagens complexos e trazem à obra profundidade e discussões pertinentes acerca da infância.

Music Fundamentals for Musical Theatre Christine Riley 2020-01-09 Musical theatre students and performers are frequently asked to learn musical material in a short space of time; sight-read pieces in auditions; collaborate with accompanists; and communicate musically with peers, directors, music directors and choreographers. Many of these students and performers will have had no formal musical

training. This book offers a series of lessons in music fundamentals, including theory, sight-singing and aural tests, giving readers the necessary skills to navigate music and all that is demanded of them, without having had a formal music training. It focuses on the skills required of the musical theatre performer and draws on musical theatre repertoire in order to connect theory with practice. Throughout the book, each musical concept is laid out clearly and simply with helpful hints and reminders. The author takes the reader back to basics to ensure full understanding of each area. As the concepts begin to build on one another, the format and process is kept the same so that readers can see how different aspects interrelate. Through introducing theoretical ideas and putting each systematically into practice with sight-singing and ear-training, the students gain a much deeper and more integrated understanding of the material, and are able to retain it, using it in voice lessons, performance classes and their professional lives. The book is published alongside a companion website, which offers supporting material for the aural skills component and gives readers the opportunity to drill listening exercises individually and at their own pace. Music Fundamentals for Musical Theatre allows aspirational performers - and even those who aren't enrolled on a course - to access the key components of music training that will be essential to their careers.

Little Mary Sunshine Rick Besoyan 1960 This hugely successful Off Broadway show played for

almost three years at New York's Orpheum Theatre, winning an Obie award as the Best of the Season. Billed as "a musical about an old operetta"-Little Mary Sunshine gently spoofs such old-time favorites like "Rose Marie" and "Naughty Marietta"-but has a personality all its own. The plot is a little bit of everything: Colorado Rangers led by stalwart Captain Jim; the lovely Mary Sunshine, her 'naughty' maid Nancy; a chorus of giggling schoolgirls and the ominous but benevolent Indian chief. Hearts are won and lost and won again, in this delightful, laugh-filled and charming show. -- Publisher's description.

Working on a Song Anaïs Mitchell 2020-10-06 "Working On A Song is one of the best books about lyric writing for the theater I've read."—Lin-Manuel Miranda Anaïs Mitchell named to TIME's List of the 100 Most Influential People in the World of 2020 An illuminating book of lyrics and stories from Hadestown—the winner of eight Tony Awards, including Best Musical—from its author, songwriter Anaïs Mitchell with a foreword by Steve Earle On Broadway, this fresh take on the Greek myth of Orpheus and Eurydice has become a modern classic. Heralded as “The best new musical of the season,” by The Wall Street Journal, and “Sumptuous. Gorgeous. As good as it gets,” by The New York Times, the show was a breakout hit, with its poignant social commentary, and spellbinding music and lyrics. In this book, Anaïs Mitchell takes readers inside her more than decade’s-long process of building the musical from the ground up—detailing her inspiration, breaking down the lyrics, and opening up the process of creation that gave birth to Hadestown. Fans and newcomers alike will love this deeply thoughtful, revealing look at how the songs from “the underground” evolved, and became the songs we sing again and again.
