First Star i See Tonight Robert L. Eklund 2007-10 FIRST STAR I SEE TONIGHT is an intimate adventure with the sky and stars. This unique combination of prose, poetry, and art invites the reader to explore in the company of an astronomer, poet, and artist a night of wonder under the stars. The book can be thought of as an excursion into the earth's own shadow, from nightfall to dawn, including a liftoff into outer space and a perspective on the delights of our home planet. It is structured in seven chapters: TWILIGHT ZONE, a time when our perceptions shift and we become aware of a wider universe. MOONGLOW. Through all its phases, our little sister-planet, the moon, is a constant source of wonder. DEEP SKY. When the moon sets, the sky darkens and deepens, and countless new objects come into view. ORION AND FRIENDS. Constellations help us make friends with the stars. REACHING OUT. In our time we have truly begun to reach for the stars. THE HOME PLANET. From space, we look back on our earth and see, with more discerning eyes, its times, seasons, lights, shadows, and colors. GOOD NIGHT. Finally, even astronomers must go to bed. Bridging the gulf that so often separates the sciences from the arts and humanities, FIRST STAR I SEE TONIGHT shows how the astrophysicist's space and the poet/artist's sky can be understood and appreciated at one and the same time. It is written for young and old readers alike, but always for the young in heart.

Author/poet Robert Eklund and illustrator/designer Virginia Hoge invite you to come along with them on a Billion-year mission: Descrambling the wonder Outside and inside.

Dance Away with Me Susan Elizabeth Phillips 2020-06-09 At long last, the legendary New York Times bestselling author returns with a heartfelt novel of womanhood, a wild heart, and the healing power of love. Run, run, as fast as you can! When life throws her one setback too many, midwife and young widow Tess Hartsong takes off for Runaway Mountain. In this small town high in the Tennessee mountains, surrounded by nature, she hopes to outrun her heartbreak and find the solace she needs to heal. But instead of peace and quiet, she encounters an enigmatic artist with a craving for solitude, a fairy-tale sprite with too many secrets, a helpless infant, a passel of curious teens, and a town suspicious of outsiders, especially one as headstrong as Tess. Just as headstrong is Ian North, a difficult, gifted man with a tortured soul—a man who makes Tess question everything. In running away to this new life, Tess wonders— Has she lost herself . . . or has she found her future? *The Stars My Destination* Alfred Bester 2010 One of the very best must-read SF novels of all time.

Heroes Are My Weakness Susan Elizabeth Phillips 2014-08-26 New York Times bestselling author Susan Elizabeth Phillips is back with a delightful novel filled with her sassy wit and dazzling charm. He's a reclusive writer whose imagination creates chilling horror novels. She's a down-on-her-luck actress reduced to staging kids' puppet shows. He knows a dozen ways to kill his characters with his bare hands. She knows a dozen ways to kill an audience with laughs. But she's not laughing now. Annie Hewitt has arrived on Peregrine Island in the middle of a snowstorm and at the end of her resources. She's broke, dispirited, but not quite ready to give up. Her red suitcases hold the puppets she uses to make her living: sensible Dilly, spunky Scamp, and Leo, the baddest of bad guys. Her puppets, the romantic novels she loves, and a little bit of courage are all she has left. Annie couldn't be more ill prepared for what she finds when she reaches Moonraker Cottage or for the man who dwells in Harp House, the mysterious mansion that hovers above the cottage. When she was a teenager, he betrayed her in a way she can never forget or forgive. Now they're trapped together on a frozen island along with a lonely widow, a mute little girl, and townspeople who don't know how to mind their own business. Is he the villain she remembers, or has he changed? Her head says no. Her heart says yes. It's going to be a long, hot winter.

Start with Why Simon Sinek 2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

The Shooting Star Shivya Nath 2018-09-14 Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of

Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, *The Shooting Star* is a travel memoir that maps not just the world but the human spirit. *This Heart of Mine* Susan Elizabeth Phillips 2009-03-17 New York Times bestselling author Susan Elizabeth Phillips magic is vibrantly alive, and it's on display in *This Heart of Mine*, the fifth book in her wildly popular Chicago Stars series! Molly Somerville loves her career as the creator of the Daphne the Bunny children's book series, but the rest of her life could use some improvement. She has a reputation for trouble that started even before she gave away her fifteen-million-dollar inheritance. Then there's her long-term crush on the quarterback for the Chicago Stars football team her sister owns—that awful, gorgeous Kevin Tucker, a man who can't even remember Molly's name! One night Kevin barges into Molly's not-quite-perfect life and turns it upside down.

Unfortunately, the Ferrari-driving riving, poodle-hating jock isn't as shallow as she wishes he were, and she soon finds herself at a place called Wind Lake. Surrounded by paintbox cottages, including a charming old bed-and-breakfast, Molly and Kevin battle their attraction and each other as they face one of life's most important lessons. Sometimes love hurts, sometimes it makes you mad as hell, and sometimes—if you're lucky—it can heal in a most unexpected way.

First Star Will Hillenbrand 2018-05-01 Best friends Bear and Mole can't wait to go camping and sleep under the stars—but Mole worries, what if they get lost in the dark? Rolling up sleeping bags, picking fresh berries, and climb-climb-climbing, the two buddies are having a great time hiking to Camp Tiptop. They especially can't wait to watch the sunset. But Mole soon realizes that when the sun goes down. . .it will be dark. What if they get lost? Seeing Mole nervous, Bear decides to tell his friend the legend of a special star—the First Star—that will always help them find their way. Featuring the popular characters and cozy illustrations of Will Hillenbrand's earlier Bear and Mole books, *First Star* is a perfect bedtime book, an ode to friendship, and a gentle reminder that no matter how dark it gets, your loved ones will always help you find your way.

Life on Mars Tracy K. Smith 2017-01-10 Winner of the 2012 Pulitzer Prize * Poet Laureate of the United States * * A New York Times Notable Book of 2011 and New York Times Book Review Editors' Choice * * A New Yorker, Library Journal and Publishers Weekly Best Book of the Year * New poetry by the award-winning poet Tracy K. Smith, whose "lyric brilliance and political impulses never falter" (Publishers Weekly, starred review) You lie there kicking like a baby, waiting for God himself To lift you past the rungs of your crib. What Would your life say if it could talk? —from "No Fly Zone" With allusions to David Bowie and interplanetary travel, *Life on Mars* imagines a soundtrack for the universe to accompany the discoveries, failures, and oddities of human existence. In these brilliant new poems, Tracy K. Smith envisions a sci-fi future sucked clean of any real dangers, contemplates the dark matter that keeps people both close and distant, and revisits the kitschy concepts like "love" and "illness" now relegated to the Museum of Obsolescence. These poems reveal the realities of life lived here, on the ground, where a daughter is imprisoned in the basement by her own father, where celebrities and pop stars walk among us, and where the poet herself loses her father, one of the engineers who worked on the Hubble Space Telescope. With this remarkable third collection, Smith establishes herself among the best poets of her generation.

The Lucky Star William T. Vollmann 2020-02-18 The National Book Award winning author returns to his original fictional territory—the lives of the dispossessed in San Francisco—with a parable about the limitations of desire and life at the margins of society In such earlier works of fiction as *The Rainbow Stories* and *The Royal Family*, William T. Vollmann wrote of pimps, prostitutes, addicts and homeless dreamers in San Francisco's Tenderloin district. In this new novel, Vollmann returns there with a

story that centers around a woman with magical powers whom everyone loves, and who has to love them all back. After being initiated into a coven of island witches, Neva begins to fulfill her fate in a Tenderloin dive bar. Her worshippers include Richard, the introverted, alcoholic, occasionally omniscient narrator; a profane, aggressive transgender sex worker named Shantelle; the brisk but motherly barmaid Francine; and the former Frank, who has renamed herself after her idol Judy Garland. When Judy starts to love Neva too much, Judy's retired policeman boyfriend embarks on a mission of exposure and destruction. Crafted out of language by turns spiritual and sexually graphic, *The Lucky Star* aches with compassion as it explores celebrity culture, gender identity, incest, Christian sacrifice and, most of all, the quotidian and sometimes faltering heroism of marginalized people who in the face of humiliation and outright violence seek to love in their own way, and stand up for who they are.

Salt, Fat, Acid, Heat Samin Nosrat 2017-04-25 Now a Netflix series New York Times Bestseller and Winner of the 2018 James Beard Award for Best General Cookbook and multiple IACP Cookbook Awards Named one of the Best Books of 2017 by: NPR, BuzzFeed, The Atlantic, The Washington Post, Chicago Tribune, Rachel Ray Every Day, San Francisco Chronicle, Vice Munchies, Elle.com, Glamour, Eater, Newsday, Minneapolis Star Tribune, The Seattle Times, Tampa Bay Times, Tasting Table, Modern Farmer, Publishers Weekly, and more. A visionary new master class in cooking that distills decades of professional experience into just four simple elements, from the woman declared "America's next great cooking teacher" by Alice Waters. In the tradition of *The Joy of Cooking* and *How to Cook Everything* comes *Salt, Fat, Acid, Heat*, an ambitious new approach to cooking by a major new culinary voice. Chef and writer Samin Nosrat has taught everyone from professional chefs to middle school kids to author Michael Pollan to cook using her revolutionary, yet simple, philosophy. Master the use of just four elements—Salt, which enhances flavor; Fat, which delivers flavor and generates texture; Acid, which balances flavor; and Heat, which ultimately determines the texture of food—and anything you cook will be delicious. By explaining the hows and whys of good cooking, *Salt, Fat, Acid, Heat* will teach and inspire a new generation of cooks how to confidently make better decisions in the kitchen and cook delicious meals with any ingredients, anywhere, at any time. Echoing Samin's own journey from culinary novice to award-winning chef, *Salt, Fat, Acid, Heat* immediately bridges the gap between home and professional kitchens. With charming narrative, illustrated walkthroughs, and a lighthearted approach to kitchen science, Samin demystifies the four elements of good cooking for everyone. Refer to the canon of 100 essential recipes—and dozens of variations—to put the lessons into practice and make bright, balanced vinaigrettes, perfectly caramelized roast vegetables, tender braised meats, and light, flaky pastry doughs. Featuring 150 illustrations and infographics that reveal an atlas to the world of flavor by renowned illustrator Wendy MacNaughton, *Salt, Fat, Acid, Heat* will be your compass in the kitchen. Destined to be a classic, it just might be the last cookbook you'll ever need. With a foreword by Michael Pollan. *Without My Mother* Melissa Cistaro 2019-05-07 How Do You Forgive a Parent Who Has Failed You? One summer, Melissa Cistaro's mother stepped into her baby-blue Dodge Dart and drove away, leaving behind Melissa and her brothers. Rarely seeing their mother as they were growing up, they blamed themselves for her leaving, turning to each other for support and seeking out often destructive ways to cope with living without their mom. Decades later, with children of her own, Melissa finds herself in Olympia, Washington, as her mother is dying. She has just days to find out what happened that summer and to confront the unthinkable fear that a "leaving gene" might be lying dormant inside of her. She knew she came from a long line of mothers who left their children. But when Melissa stumbles across a folder titled "Letters Never Sent" tucked away in her mother's filing cabinet, she begins to feel the wreckage of her mother's painful journey, before and after she abandoned her family. Alternating between Melissa's tumultuous coming-of-age and her mother's final days, *Without My Mother* is a haunting yet ultimately uplifting story of one woman's quest to discover how our parents' choices impact our own and how we can survive those choices to forge our own paths.

Love Irresistibly Julie James 2013-04-02 From the New York Times bestselling Julie James—a smart, sexy novel that brings together a former football star turned prosecutor and a beautiful restaurant executive who's been burned one too many times by romance. For fans of Susan Mallery and Rachel Gibson. HE'S USED TO GETTING WHAT HE

WANTS... A former football star and one of Chicago's top prosecutors, Assistant U.S. Attorney Cade Morgan will do anything to nail a corrupt state senator, which means he needs Brooke Parker's help. As general counsel for a restaurant company, she can get a bug to the senator's table at one of her five-star restaurants so the FBI can eavesdrop on him. All Cade has to do is convince Brooke to cooperate—and he's not afraid to use a little charm, or the power of his office, to do just that. AND WHAT HE WANTS IS HER A savvy businesswoman, Brooke knows she needs to play ball with the U.S. Attorney's office—even if it means working with Cade. No doubt there's a sizzling attraction beneath all their sarcastic quips, but Brooke is determined to keep things casual. Cade agrees—until a surprising turn of events throws his life into turmoil, and he realizes that he wants more than just a good time from the one woman with whom he could fall terrifyingly, irresistibly in love. .

Diary of an Oxygen Thief Anonymous 2016-05-23 Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and, somehow, they met in Bright Lights, Big City. He's blinded by love. She by ambition. Diary of an Oxygen Thief is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

First Star I See Tonight Susan Elizabeth Phillips 2016-08-23 A no-nonsense sports hero and a feisty female detective go head-to-head in this funny, fresh, seductive novel from the award winning NYT bestselling author known for her unforgettable characters, heartfelt emotion, and laugh out loud humor. He's the former quarterback of the Chicago Stars football team. She's trying to make a success of her very own detective agency. Her first job? Follow him. Let's just say it's not going well. Not well at all.... Piper Dove is a woman with a dream—to become the best detective in the city of Chicago. First job? Trail former Chicago Stars quarterback, Cooper Graham. The problem? Graham's spotted her, and he's not happy. Which is why a great detective needs a first rate imagination. "The fact is . . . I'm your stalker. Not full-out barmy. Just . . . mildly unhinged." Piper soon finds herself working for Graham himself, although not as the bodyguard he refuses to admit he so desperately needs. Instead, he's hired her to keep an eye on the employees at his exclusive new nightclub. But Coop's life might be in danger, and Piper's determined to protect him, whether he wants it or not. (Hint: Not!) If only she weren't also dealing with a bevy of Middle Eastern princesses, a Pakistani servant girl yearning for freedom, a teenager who just wants to fit in, and an elderly neighbor demanding that Piper find her very dead husband. And then there's Cooper Graham,, a legendary sports hero who always gets what he wants—even if what he wants just might be an intrepid detective hell bent on proving she's as tough as he is. From the bustling streets of Chicago to a windswept lighthouse on Lake Superior to the glistening waters of Biscayne Bay, two people who can't stand to lose will test themselves and each other to discover what matters most.

It Had to Be You Susan Elizabeth Phillips 2013-05-14 The Windy City isn't quite ready for Phoebe Somerville—the outrageous, curvaceous New York knockout who has just inherited the Chicago Stars football team. And Phoebe is definitely not ready for the Stars' head coach, former gridiron legend Dan Calebow, a sexist jock taskmaster with a one-track mind. Calebow is everything Phoebe abhors. And the sexy new boss is everything Dan despises—a meddling bimbo who doesn't know a pigskin from a pitcher's mound. So why is Dan drawn to the shameless sexpot like a heat-seeking missile? And why does the coach's good ol' boy charm leave cosmopolitan Phoebe feeling awkward, tongue-tied . . . and ready to fight? The sexy, heartwarming, and hilarious "prequel" to This Heart of Mine—Susan Elizabeth Phillips's New York Times bestselling blockbuster—It Had To Be You is an enchanting story of two stubborn people who believe in playing for keeps.

Night Sky, Morning Star Evelina Zuni Lucero 2000 Cecelia Bluespruce, a successful Native American artist, must come to terms with her past when her grown son wants to learn more about his father, an activist who has been in prison for twenty years.

How Did the First Stars and Galaxies Form? Abraham Loeb 2010-07-19 A concise introduction to cosmology and how light first emerged in the universe Though astrophysicists have developed a theoretical framework for understanding how the first stars and galaxies formed, only now are we able to begin testing those theories with actual observations of the very distant, early universe. We are entering a new and exciting era of discovery that will advance the frontiers of knowledge, and this book

couldn't be more timely. It covers all the basic concepts in cosmology, drawing on insights from an astronomer who has pioneered much of this research over the past two decades. Abraham Loeb starts from first principles, tracing the theoretical foundations of cosmology and carefully explaining the physics behind them. Topics include the gravitational growth of perturbations in an expanding universe, the abundance and properties of dark matter halos and galaxies, reionization, the observational methods used to detect the earliest galaxies and probe the diffuse gas between them—and much more. Cosmology seeks to solve the fundamental mystery of our cosmic origins. This book offers a succinct and accessible primer at a time when breathtaking technological advances promise a wealth of new observational data on the first stars and galaxies. Provides a concise introduction to cosmology Covers all the basic concepts Gives an overview of the gravitational growth of perturbations in an expanding universe Explains the process of reionization Describes the observational methods used to detect the earliest galaxies

The Natural Navigator Tristan Gooley 2012-06-05 From the New York Times bestselling author of The Secret World of Weather and The Lost Art of Reading Nature's Signs, learn to tap into nature and notice the hidden clues all around you Before GPS, before the compass, and even before cartography, humankind was navigating. Now this singular guide helps us rediscover what our ancestors long understood—that a windswept tree, the depth of a puddle, or a trill of birdsong can help us find our way, if we know what to look and listen for. Adventurer and navigation expert Tristan Gooley unlocks the directional clues hidden in the sun, moon, stars, clouds, weather patterns, lengthening shadows, changing tides, plant growth, and the habits of wildlife. Rich with navigational anecdotes collected across ages, continents, and cultures, The Natural Navigator will help keep you on course and open your eyes to the wonders, large and small, of the natural world.

Natural Born Charmer Susan Elizabeth Phillips 2009-10-13 Chicago Stars quarterback Dean Robillard is the luckiest man in the world: a bona-fide sports superstar and the pride of the NFL with a profitable side career as a buff billboard model for End Zone underwear. But life in the glory lane has started to pale, and Dean has set off on a cross-country trip to figure out what's gone wrong. When he hits a lonely stretch of Colorado highway, he spies something that will shake up his gilded life in ways he can't imagine. A young woman . . . dressed in a beaver suit. Blue Bailey is on a mission to murder her ex. Or at least inflict serious damage. As for the beaver suit she's wearing . . . Is it her fault that life keeps throwing her curveballs? Witness the expensive black sports car pulling up next to her on the highway and the Greek god stepping out of it. Blue's career as a portrait painter is the perfect job for someone who refuses to stay in one place for very long. She needs a ride, and America's most famous football player has an imposing set of wheels. Now, all she has to do is keep him entertained, off guard, and fully

clothed before he figures out exactly how desperate she is. But Dean isn't the brainless jock she imagines, and Blue—despite her petite stature—is just about the toughest woman Dean has ever met. They're soon heading for his summer home where their already complicated lives and inconvenient attraction to each other will become entangled with a charismatic but aging rock star; a beautiful fifty-two-year-old woman trying to make peace with her rock and roll past; an eleven-year-old who desperately needs a family; and a bitter old woman who hates them all. As the summer progresses, the wandering portrait artist and the charming football star play a high-stakes game, fighting themselves and each other for a chance to have it all. Natural Born Charmer is for everyone who's ever thought about leaving their old life in the dust and never looking back. New York Times bestselling author Susan Elizabeth Phillips takes us home again . . . and shows us where love truly lives
