*On the Farm: A Book of Stencils* Penny Vedrenne 2008-02 Some of the first things little ones are introduced to are farm animals & the sounds they make. The farm theme has been a popular choice for decorating a child's room for a long time & it still is. With these stencils you can create the perfect farm yard setting for your little one. Included are a barn, a chicken, a cow, a fence, a horse, a lamb, a pig, a sheep and a tractor. Use your imagination and combine them to create a beautiful mural. Use them individually to decorate a piece of furniture or create accent pieces like pillows and throws. These are cut & paint stencils. Most cut & paint stencils are complete with only one stencil &

leave you with a silhouette image. These designs each have more than one stencil (called overlays) & they leave you with a complete picture. My goal was to create a project that would be easy enough to complete in a minimal amount of time & yet leave you with an art piece only lacking of your individual touches. These stencils are designed to inspire your creativity!
