FISTS OF STEEL...HEART OF GOLD T. P. Zuke 2007-06-28 From slum to splendor, hermit to hero, Buddy endured and survived. "Fists of Steel...Heart of Gold" is an interesting, thought-provoking and exciting adventure novel. It is about the changing life of Buddy Brannigan, an aging boxer who dreams about becoming a mountain man but seems to be destined to the slums of Chicago. Buddy gets a chance to fulfill that dream and live in the Rocky Mountains. Buddy winds up with far more than he bargained for! Instead of a life of leisure in the Colorado wilderness, Buddy finds himself involved with angry forest rangers, in an airplane crash, fighting a raging river, and battling international terrorists who intend to pull off the most daring terrorism ever ... nuclear terrorism.

Iron Fist From The Sea Douw Steyn 2015-01-19 This seminal work documents the clandestine sea borne operations undertaken by South Africa's 4 Reconnaissance Commando Regiment. It breathtakingly reveals the versatility and effectiveness of this elite unit which worked with a range of other South African and Rhodesian forces, including the Rhodesian SAS, to engage in a range of raiding and war fighting activities. These operations saw the clandestine reconnaissance of harbors, the sinking of enemy shipping and the destruction of shore installations in Angola and Mozambique. Just some of the tasks undertaken by this extraordinary maritime capability which totaled no more than 45 operators, both black and white! With unparalleled access to previously secret material, the authors, both of whom worked to develop 4 Recce's operating capabilities, trace the origins of the Regiment back to the 1970's when the South African's determined the need for a maritime force projection capability. They relate how maritime doctrine was developed within South Africa's wider Special Forces capability and how joint operational approaches were configured with the South African Navy. This saw the development of a range of swimmer, reconnaissance, diving and boat operator training courses, along with the design of specialist raiding craft and amphibious assault platforms, which were originated to operate from the Navy's existing shipping and submarines. All of which demonstrated the immense potential of this newly emergent force and the resourcefulness of its individual operators. Required to successfully complete a grueling selection process, the operators of 4 Recce were relentlessly tested to prove their physical and mental mettle, not to mention their leadership skills and initiative. Steyn and Söderlund's chronological analysis of the operations undertaken by 4 Recce and the South African Navy is stunning to behold. They impartially detail the secret and specialized actions which saw both success and failure. From Cabinda on the West Coast to Tanzania on the East, 4 Recce, and whose existence and capability was largely kept secret even within the South African Defence Force, conducted numerous clandestine raids. They attacked shipping and strategic targets such as oil facilities, transport infrastructure and even ANC offices. And sometimes the raids did go wrong, spectacularly so in one instance when two operators were killed and Captain Wynand Du Toit was captured. He was later paraded in front of the world's media, much to the embarrassment of the South African government. This is a fascinating work and one that will enthrall anyone with an interest in Special Forces operations. Profusely illustrated with many previously unpublished photographs, it stands as a testament to the author's endeavors as, respectively, the former Operations Commander of 4 Recce and the former Commander Task Group of the SA Navy - as well as the incredible operators of 4 Recce. Explosive and compulsive, Iron Fist from the Sea takes you right to the raging surf; to the adrenaline and fear that is sea borne raiding...

The War of the Fists Robert Charles Davis 1994 "The War of the Fists" is a study of 17th-century worker culture in the city of Venice, focusing on the mock battles, or "battagliole", which the town's two popular factions waged on public bridges. Their importance in the city's plebeian life makes bridge battles an extremely valuable point of entry for exploring structures of Venetian popular culture, a task which Robert Davis attempts at several levels.

The Streets Ran Red Robert Deshaies 2021-01-04 A lone detective returns to a home left long ago. Burdened by a haunted soul from a life of murder and madness, Clark Brass is reined home by the death of

his old employer, Donald Kilkenny. Returning to the British Isles, the family Brass served for years offers him the job to solve the murder of his dear friend, in hopes of discovering his real tragic end. During his investigation, the red-filled streets across England consume Brass's mind, only for him to uncover the murder has inconceivably sinister revelations and consequences.

Backbone of the Nation Robert Gildea 2023-08-22 A powerful new history of the Great Strike in the miners' own voices, based on more than 140 interviews with former miners and their families Forty years ago, Arthur Scargill led the National Union of Mineworkers on one of the largest strikes in British history. A deep sense of pride existed within Britain's mining communities who thought of themselves as the backbone of the nation's economy. But they were vilified by Margaret Thatcher's government and eventually broken: deprived of their jobs, their livelihoods, and in some cases, their lives. In this groundbreaking new history, Robert Gildea interviews those miners and their families who fought to defend themselves. Exploring mining communities from South Wales to the Midlands, Yorkshire, County Durham, and Fife, Gildea shows how the miners and their families organized to protect themselves, and how a network of activists mobilized to support them. Amid the recent wave of industrial action in the United Kingdom, Backbone of the Nation highlights anew the importance of labor organization—and intimately records the triumphs, losses, and resilience of these mining communities.

Hockey Strong Todd Smith 2016-09-27 This is the story of hockey, one scar at a time. For the casual enthusiast and hockey fanatic alike comes a brilliant collection of essays and photographs celebrating the grit and dedication of hockey players who regularly and willingly withstand injury and hardship to play the sport they love. Veteran hockey writer Todd Smith explores a side of the NHL that is rarely seen. Through in-depth player interviews and inside-the-locker-room reportage, Hockey Strong gives readers a behind-the-pads look at the playing in pain ethos that has been woven into the fabric of the game. What separates a hockey player's toughness from other athletes' is the fact that being hockey strong is more than a single performance or bout or game or series. Hockey strong is a way of life. Superstars, muckers, snipers, and enforcers alike: the arduous journey of an NHL player is a story of the human body. It is the cracking left fist of the Philadelphia Flyers' Dave Brown and the battering ram right hand of the Detroit Red Wings' Joe Kocur. It is the unbreakable hockey heart of Rob McClanahan during "The Miracle on Ice" at the 1980 Winter Olympics in Lake Placid. It is the smashed face Kris Draper suffered during the bloody rivalry between the Colorado Avalanche and the Detroit Red Wings. Medical clearance to fight. Midgame root canals. Crushed orbital bones. Beer league determination. Legendary beat-downs. Collapsed lungs that go unreported. Unrelenting pain. Recovery and valor. Players refusing to go out because they owe it all to their brothers in uniform. Includes stories from: Shjon Podein, Dave Brown, Kris Draper, Kirk Maltby, Joe Kocur, Darren McCarty, Chris Nilan, David Clarkson, Rob McClanahan, Herb Brooks, Jack Carlson, Zach Parise, Charlie Coyle, Rick Tocchet, the Playoffs, and more!

Ships of Strife A. Dingle 2006-08-01 Ships of Strife by pulp writer Captain A.E. Dingle is part of the Wildside Pulp Classics series. Plainly, the second mate bore important news. Long Rube came over the side like a monkey and beckoned Forrester to the rail. The two mates stood in low-voiced conversation for a brief moment, then Bower tumbled down into his boat again and pulled for shore. To the surprise of Blake, Forrester sent a hail forward for him. "How much fo'c's'le talk have you heard, Dude?" asked the big mate, when the two stood together at the rail. "You got some idee what we're after?" "Some," admitted Blake, eyeing the man keenly. "Not much." "All right. Howard's the skipper o' the John Foster, yonder. He's got a girl aboard. The girl is after the wreck of a ship sunk some'eres between here and Australia. Steelfist is after it too, see? But we don't know where the wreck lays, an' prob'ly the crew o' the Foster does - they'll know where they're bound for, anyhow." Blake nodded quietly. "The Ol' Man is goin' to come aboard later. Crew's goin' ashore. You an' me go ashore tonight, see? We got a scheme on what'll work. But you talk turkey right now, Dude. Do you stick with us or not? You're no liar, an' I owe you a good turn anyhow; say

yes or no, and either way goes as she lays with me." "I say yes," returned Blake, his gray eyes steady. "Good for you, bully! Then don't go ashore with the boys, that's all."

Eternal Warrior Vol. 3: Days of Steel TPB Peter Milligan 2015-04-29 From steel comes salvation! The Eternal Warrior? Gilad Anni-Padda, the Earth's Fist and Steel? is forever charged with guarding the Geomancer and securing the Earth's safety. After completing another brutal mission, the Earth's undying guardian is approached with a cryptic task: find and save a baby? in whose hands might rest the fate of an entire people! But the Eternal Warrior is no nursemaid? and, to complicate matters, a thousand Magyar invaders want the baby dead. At the edge of civilization, can history's most expert killer keep one precious life alive? Start reading here as master storyteller Peter Milligan (Hellblazer) and Eisner Award-winning artist Cary Nord (X-O MANOWAR, Conan) chronicle the brutal and bloodied history of Valiant's immortal champion in an all-new tale of swords, savagery, and steel. Vikings of Gloves Robert E. Howard 2022-11-13 Sailor Steve Costigan is a merchant sailor on the Sea Girl and is also its champion boxer. His only true companion is a bulldog named Mike (after his brother and fellow boxer, "Iron" Mike Costigan). Costigan, one of Howard's humorous boxing pulp heroes, roamed the Asiatic seas with fists of steel, a will of iron, and a head of wood. A striking contrast between Howard's barbarians and swordsmen, Costigan was a modern-day character, written in a humorous, Texas tall tale style. This edition includes: The 'Sailor Steve Costigan' Stories: The Pit of the Serpent The Bull-Dog Breed Sailor's Grudge Fist and Fang The Iron Man Winner Take All Waterfront Fists Champ of the Forecastle Alleys of Peril The TNT Punch Texas Fists The Sign of the Snake Blow The Chinks Down! The Song of Steel Harry Loudon 2024-02-02 Betrayal. Loss. War. In a world like this, these ideas unfortunately become common place, unavoidable. Sometimes a man can be killed when the sun is at its brightest and the birds are singing beautiful songs, and love might be found when the world is at its coldest. As a war threatens the continent of Icehelm due to the greed-driven decision of a terrible king, two brothers, one gutsy and one fearful, must fight to save what little family they have left: their sister. The northern Kingdom of Snowhelm, a place of warriors and honour, take up their arms to claim vengeance against the High King and his tainted blood, leading to a tale to be spoken for generations—though tame compared to what the future might hold. In the shadows, dark eyes watch as the world tears itself apart, striking only when the enemy is at its weakest and taking one step closer to Judgement. This is a tale of legends and villains, a song of many verses.

Secondary Superheroes of Golden Age Comics Lou Mougin 2020-01-10 When Superman debuted in 1938, he ushered in a string of imitators--Batman, Wonder Woman, Captain Marvel, Captain America. But what about the many less well-known heroes who lined up to fight crooks, super villains or Hitler--like the Shield, the Black Terror, Crimebuster, Cat-Man, Dynamic Man, the Blue Beetle, the Black Cat and even

Frankenstein? These and other four-color fighters crowded the newsstands from the late 1930s through the early 1950s. Most have since been overlooked, and not necessarily because they were victims of poor publication. This book gives the other superheroes of the Golden Age of comics their due.

Nights of Steel Nico Rosso 2012-11-06 Return to The Ether Chronicles, where the skies above the American West are about to get wilder than ever... Bounty hunter Anna Blue always finds her fugitive. But her latest mission is filled with mystery: a high price for an eccentric inventor. And her biggest rival, Jack Hawkins—a startlingly handsome, entirely unsettling man whose abilities match her own—is hunting the same bounty. Neither will back down. When a rogue Man O' War flies his airship into the California skies, guns blazing, Anna and Jack are forced to team up or die. But it isn't the danger that has them ready to flare like gunpowder. They've circled each other for years as competitors only. Fighters and outsiders, they never thought they'd find a kindred soul. As hot passion and raw need draw them together, can they survive this mission long enough to track the most elusive fugitives...their hearts?

Revelation Space Alastair Reynolds 2020-04-21 This highly acclaimed first novel in the Revelation Space universe has redefined the space opera with a staggering journey across vast gulfs of time and space to confront the very nature of reality itself . . . Nine hundred thousand years ago, something annihilated the Amarantin civilization just as it was on the verge of discovering space flight. Now one scientist, Dan Sylveste, will stop at nothing to solve the Amarantin riddle before ancient history repeats itself. With no other resources at his disposal, Sylveste forges a dangerous alliance with the cyborg crew of the starship Nostalgia for Infinity. But as he closes in on the secret, a killer closes in on him. Because the Amarantin were destroyed for a reason, and if that reason is uncovered, the universe and reality itself could be irrevocably altered . . . "[A] tour de force... Ravishingly inventive." -- Publishers Weekly

A Fist for Joe Louis and Me Trinkia Hakes Noble 2019-08-15 Gordy and his family live in Detroit, Michigan, the heart of the United States automobile industry. Every night after coming home from work at one of the plants, Gordy's father teaches him how to box. Their hero is the famous American boxer Joe Louis, who grew up in Detroit. But the Great Depression has come down hard on the economy. Detroit's auto industry is affected and thousands of people lose their jobs, including Gordy's father. When his mother takes on work with a Jewish tailor, Gordy becomes friends with Ira, the tailor's son, bonding over their shared interest in boxing and Joe Louis. As the boys' friendship grows, Gordy feels protective of Ira, wanting to help the new boy fit in. At the same time, America is gearing up for the rematch between Joe Louis and the German boxer, Max Schmeling. For many Americans this fight is about good versus evil (US against Nazi Germany). Against the backdrop of the 1938 Fight of the Century, a young boy learns what it means to make a stand for a friend.

Spinegrinder Clive Davies 2015-03-06 First came video and more recently high definition home entertainment, through to the internet with its streaming videos and not strictly legal peer-to-peer capabilities. With so many sources available, today's fan of horror and exploitation movies isn't necessarily educated on paths well-trodden — Universal classics, 1950s monster movies, Hammer — as once they were. They may not even be born and bred on DAWN OF THE DEAD. In fact, anyone with a bit of technical savvy (quickly becoming second nature for the born-clicking generation) may be viewing MYSTICS IN BALI and S.S. EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento. In this world, H.G. Lewis, so-called "godfather of gore," carries the same stripes as Alfred Hitchcock, "master of suspense." SPINEGRINDER is one man's ambitious, exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema, of a sort that most critics won't care to write about. One opinion; 8,000 reviews (or thereabouts).

Fist of Rage Kisa Murrin 2024-01-25 The complete Fist of Rage collection Escaped from Rage Just when she thought she'd reached the key, he changed the lock. The murder of Olivia's in-laws was just the beginning of the downward spiral that changed her life. It precipitated the violence that landed her in the hospital on multiple occasions. She knew if she stayed, her husband Greg would kill her. If she ran, she might have a chance. Meeting Rachel gave her the opportunity to start a new life in anonymity, now, she's running out of money. To take back her life she must face her past, filing for divorce is the only way to be free. Greg is a powerful man, he has the resources to find her once she puts herself back on the map, but she can't hide forever. Revealing where she is brings hell to her door and is the catalyst that puts her in the golden tower of casino mogul Ian Alessandro. She'll have to make choice, protect those who have helped her along the way, or allow them to suffer the wrath of the devil that she married. Returned to Rage New mysteries unfold, and new entanglements emerge, because secrets always surface. Olivia made her choice, self-sacrifice seemed to be the only option to spare those she cares about from the destruction that is her husband. His veiled threats make her question if she'll ever see the golden tower that became so much more than her safehouse. It's the place where her former life was sifted through, where she learned the secrets of her past. The place she learned to trust again and forged new friendships. The golden tower that gave Olivia refuge has become Ian's prison. He waits for a lead that will help him find her, but each possibility turns to a dead end. With each passing day new truths are revealed, he finds his mother's past is intertwined with Olivia's in a web of deceit. The key to finding her may be in the hands of a man that wronged them both. Released from Rage With the threat of Greg still lingering, Olivia's safety is absolute in the golden tower of the Lost Cities. Within the walls new unions are forged through understanding and forgiveness. The bonds of friendships are fortified in the hopes of the future. And the love between Ian and Olivia is strengthened as new life grows. When tragedy strikes, Olivia is forced to go beyond those walls leaving the security they provide. Greg takes advantage of the opportunity and makes his presence known. She must face the inferno of his rage, knowing the only way to be free is through the fire. She'll have to burn before she can rise from the ashes. Redeemed through Rage Don't let old ghosts steal your peace. By his own admission, Angus Kelley was not a good man, but he's trying to be now. He spent his life as an outsider looking in, the only way to keep his family safe was to walk away, as if he'd never been there. He watched from afar as his son grew up, missing the moments and the milestones, sitting on the sidelines as a stranger to those he loved the most. An unseen, unheard sentry. When his past and present collided, Angus emerged from the shadows to defend the family he left behind. Through the turmoil, he proved his good intentions, and was given the opportunity to explain his absence. He found a place within his family, he found acceptance and forgiveness, but the ghosts of the past still haunt him. The villain he was still holding him back from living in the moment. The secrets he was forced with bind him from being truly present in the now. The only way to be free is to face who he was before and come to terms with the things he did in the past. Only the truth can absolve him. While sorting through the sins of his former life, an old foe resurfaces with a new threat. Angus must resurrect the man he was to keep the danger from destroying the new life he's built. What would you sacrifice to keep your family safe?
