The Five Continents of Theatre Eugenio Barba 2019-02-11 The Five Continents of Theatre undertakes the exploration of the material culture of the actor, which involves the actors' pragmatic relations and technical functionality, their behaviour, the norms and conventions that interact with those of the audience and the society in which actors and spectators equally take part.

Cabin Fever Mark Dunn 2000 Action whirls around one disastrous Memorial Day weekend at the Beckle cabin in the Texas hill country. Aubry, his four daughters, and Great Aunt Tammy gather there for the first time since Mrs. Beckle's death. Nothing goes right. Aunt Tammy is trapped in the bathroom. Daughter Cesca arrives bearing scars from a round with her abusive husband. Her sister Pidge, on sudden leave from the group home for the emotionally disturbed where she lives, shows up in Cesca's car with Cesca's chloroformed husband locked in the trunk. The Beckles must pull together or the family will self-destruct. Their strongest ally is their most alienated member.

Linda Goodman's Love Signs Linda Goodman 2014-01-09 The New York Times bestseller that helps you explore whether romance is in the stars. Linda Goodman's Love Signs addresses the question asked by everyone familiar with astrology: How do I relate to someone of another sign? Each sign is "related" to the twelve signs of the zodiac in a different and unique way. Each section addresses the differences for a male and a female with the same sign matches. This is an updated edition of Linda Goodman's lively bestseller, which has introduced millions to the concept of astrological compatibility. "What seems to set Goodman's books apart from other stargazing guides is their knowledgeable approach and comprehensive reach." —Newsweek

Seven Interviews Mark Dunn 2014-01 Three actors. One desk. Three chairs. Theatre at its most elemental. "Seven Interviews" offers up seven different short plays, each with an interview format, and each of which illuminates some aspect of the human condition. The seven pieces range from the broadly comic to the aching tragic. Among the situations set up in the seven pieces are a job interview to replace a secretary who is giving her employer nightmares, a biographer's horrible realization that she doesn't know her subject at all, the matter of a baseball team mascot who is frightening children at the ballpark, a dialogue between psychiatrist and patient with an unexpected outcome, a conference between parent and school principal over the expulsion of the woman's son; along with pieces about a very unlikely customer for a professional hit-man, and an office cleaning lady caught red-handed on Christmas Eve.

Ella Minnow Pea Mark Dunn 2010-05-22 An epistolary novel set on a fictional island off the South Carolina coastline, 'Ella Minnow Pea' brings readers to the hometown of Nevin Nollop, inventor of the pangram 'The Quick Brown Fox Jumps Over the Lazy Dog'. Deified for his achievement in life, Nevin has been honored in death with a monument featuring his famous phrase. One day, however, the letter 'Z' falls from the monument, and some of the islanders interpret the missing tile as a message from beyond the grave. The letter 'Z' is banned from use. On an island where the residents pride them-selves on their love of language, this is seen as a tragedy. They are still reeling from the shock when another tile falls. And then another... In his charming debut, first published in 2001, Mark Dunn took readers on a journey through the eyes of Ella Minnow Pea, a young woman forced to create another clever turn of phrase in order to save the islanders' beloved language.

Music and the Exotic from the Renaissance to Mozart Ralph P. Locke 2015-05-07 During the years 1500-1800, European performing arts reveled in a kaleidoscope of Otherness: Middle-Eastern harem women, fortune-telling Spanish 'Gypsies', Incan priests, Barbary pirates, moresca dancers, and more. In this prequel to his 2009 book Musical Exoticism, Ralph P. Locke explores how exotic locales and their inhabitants were characterized in musical genres ranging from instrumental pieces and popular songs to oratorios, ballets, and operas. Locke's study offers new insights into much-loved masterworks by composers such as Cavalli, Lully, Purcell, Rameau, Handel, Vivaldi, Gluck, and Mozart. In these works, evocations of ethnic and cultural Otherness often mingle attraction with envy or fear, and some pieces were understood at the time as commenting on conditions in Europe itself. Locke's accessible study, which includes numerous musical examples and rare illustrations, will be of interest to anyone who is intrigued by the relationship between music and cultural history, and by the challenges of cross-cultural (mis)understanding.

Insider Baseball Joan Didion 2016-10-04 A Vintage Shorts Selection • Almost three decades ago, iconic and incomparable American essayist Joan Didion's now-classic report from the Dukakis campaign trail exposed, in no uncertain terms, the complete sham that is the modern American presidential run. Writing with bite and some humor too, Didion betrays "the process"—the way in which power is exchanged and the status quo is maintained. All insiders—politicians, journalists, spin doctors—participate in a political narrative that is "designed as it is to maintain the illusion of consensus by obscuring rather than addressing actual issues." The optics of presidential campaigns have grown ever more farcical and remote from the needs and issues most relevant to Americans' lives, and Didion's elegant, shrewd, and prescient commentary has never been more urgent than it is right now. An ebook short.

Man, Play, and Games Roger Caillois 2001 According to Roger Caillois, play is an occasion of pure waste. In spite of this - or because of it - play constitutes an essential element of human social and spiritual development. In this study, the author defines play as a free and voluntary activity that occurs in a pure space, isolated and protected from the rest of life.

all over her new dress, her classmate contemplates how to make her feel better and what it means to be kind. From asking the new girl to play to standing up for someone being bullied, this moving and thoughtful story explores what a child can do to be kind, and how each act, big or small, can make a difference--or at least help a friend. With award-winning author Pat Zietlow Miller's gentle text and Jen Hill's irresistible art, *Be Kind* is an unforgettable story about how two simple words can change the world.

Frank's Life Mark Dunn 1998 "Before there was Truman, there was Frank! Frank is the star of his own soap opera. Frank's Life. Unfortunately for poor Frank, he doesn't know it. Nor does he realize that his wife, his mother, his sister and best friend, indeed everyone he has met since the age of 3 are actors. But the elaborate deception can't last much longer: ratings have dropped, revenues are down--even the network itself is in trouble. As cast members are asked to take pay cuts, they begin to leave the show--killing themselves off in unseemly soap-opera ways. Frank's gnawing feeling that something about his life just "doesn't seem right" grows to near paranoia before he makes the painful discovery that he's been duped by everyone he cares for. Then there's the little matter of "what to do with Frank." A darkly funny allegory about an everyman honest, good and true--who learns that he has lost title of his very life--and his final showdown with corporate powers to win back that life and stake out his own spot in a world without artifice. And in the end, as Frank reclaims his humanity, the actors who surround him discover theirs as well."--Publisher's website

LMNOP Paul Loesel 2019 Chaos arises when letters begin to fall from a town monument and government officials ban them one by one. The community depends on the strength of a determined teenage girl to fight for their freedom of speech. Adapted from Mark Dunn's 2001 award-winning debut novel, *Ella Minnow Pea*, this unique musical is part romance, part clever word game, and part adult fable that reminds us how precious our liberties are and how important it is to have the courage to stand up for what we believe.
