### **The Oxford Companion to Twentieth-Century Literature in English**

Jenny Stringer 1996-09-26 This is a unique new reference book to English-language writers and writing throughout the present century, in all major genres and from all around the world - from Joseph Conrad to Will Self, Virginia Woolf to David Mamet, Ezra Pound to Peter Carey, James Joyce to Amy Tan. The survivors of the Victorian age who feature in *The Oxford Companion to Twentieth-Century Literature in English* - writers such as Thomas Hardy, Olive Schreiner, Rabindranath Tagore, Henry James - could hardly have imagined how richly diverse 'Literature in English' would become by the end of the century. Fiction, plays, poetry, and a whole range of non-fictional writing are celebrated in this informative, readable, and catholic reference book, which includes entries on literary movements, periodicals, and over 400 individual works, as well as articles on some 2,400 authors. All the great literary figures are included, whether American or Australian, British, Irish, or Indian, African or Canadian or Caribbean - among them Samuel Beckett, Edith Wharton, Patrick White, T. S. Eliot, Derek Walcott, D. H. Lawrence, Tennessee Williams, Vladimir Nabokov, Wole Soyinka, Sylvia Plath - as well as a wealth of less obviously canonical writers, from Anaïs Nin to L. M. Montgomery, Bob Dylan to Terry Pratchett. The book comes right up to date with contemporary figures such as Toni Morrison, Ben Okri, Salman Rushdie, Carol Shields, Tim Winton, Nadine Gordimer, Vikram Seth, Don DeLillo, and many others. Title entries range from Aaron's Rod to *The Zoo Story*; topics from *Angry Young Men*, *Bestsellers*, and *Concrete Poetry* to *Soap Opera*, *Vietnam Writing*, and *Westerns*. A lively introduction by John Sutherland highlights the various and sometimes contradictory canons that have emerged over the century, and the increasingly international sources of writing in English which the Companion records. Catering for all literary tastes, this is the most comprehensive single-volume guide to modern (and postmodern) literature.

*Thirteen Ways of Looking at a Blackbird* Wallace Stevens 2013 ??Wallace Stevens? ?Thirteen Ways of Looking at a Blackbird? appeared originally in 1917 and was subsequently published in his first book, *Harmonium*, in 1923. In a letter, Stevens once wrote that ?this group of poems is not meant to be a collection of epigrams or of ideas, but of sensations.? If this is indeed the poet's intent, the poem provides readers with no fewer than thirteen perspectives or observances about blackbirds, but in those ?thirteen ways? is the immeasurable culmination of sensations. Just as the poet's imagination invites readers to discover the infinite mysteries of the world and how these unify us in unexpected ways, Corinne Jones's new visual interpretation of Stevens' poem invites us, again, to re-explore the multiplicity of observation and subsequent knowledge.????This new trade edition, a 10x10 reprint of the original fine arts book, juxtaposes Jones's beautiful and sensual prints of blackbirds against Stevens's poetic text. The result is that the life and power inherent in each artwork is increased wonderfully and vibrantly when taken as a whole.??

[Gender and Domestic Violence in the Caribbean](#) Ann Marie Bissessar 2021-06-22 Domestic violence, interpersonal violence, intimate partner violence, or gender-based violence continues to be a social problem that is rarely understood or discussed in many parts of society, worldwide. The same holds true in the Anglophone Caribbean. Most Caribbean societies are patriarchal in nature, as most men govern and create the political and economic landscape where citizens live. This edited volume brings together reputable scholars of rigorous academic research from various disciplines (e.g., political science, law, linguistics, criminology, nursing, social work and psychology) to clearly explain the conceptual definition of domestic violence within the Latin American and Caribbean region's socio-political context. It will highlight who are the perpetrators as well as the victims of domestic violence and the consequences of allowing domestic violence to perpetuate in the region. This book is unique in the market today, as it is the only book grounded in the Caribbean providing a comprehensive overview of domestic violence with regards to the significance, victims, perpetrators, and the consequences. *Enitharmon Press* Alan Walker 2004 *Enitharmon Press* has long been among the leading British poetry publishers, but over the years it has broadened its list to include essays, memoirs, short stories and an acclaimed list of artists' books. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

**Mark** Warren Carter 2020-04-03 *The Academy of Parish Clergy 2020 Reference Book of the Year 2020 Association of Catholic Publishers first place award in Scripture 2020 Catholic Press Association third place award for best new religious book series* This reading of Mark's Gospel engages this ancient text from the perspective of contemporary feminist concerns to expose and resist all forms of domination that prevent the full flourishing of all humans and all creation. Accordingly, it foregrounds the Gospel's constructions of gender in intersectionality with the visions, structures, practices, and personnel of Roman imperial power. This reading embraces a rich tradition of feminist scholarship on the Gospel, as well as masculinity studies, particularly pervasive hegemonic masculinity. Its politically engaged discussion of Mark's Gospel provides a resource for clergy, students, and laity concerned with contemporary constructions of gender, power, and a world in which all might experience fullness of life.

*The Portraits & the Poses* Edwin Brock 1973 The publication in 1972 of *Invisibility Is the Art of Survival*, the author's own selection of poems from earlier books brought out in England, introduced Edwin Brock to American readers. This new collection, *The Portraits & The Poses*, will further the acquaintance with a fresh and forceful voice, one which David Ignatow has called "the best in English contemporary poetry." These are highly personal poems: the "poses," the postures and bafflements of everyday life as Brock sees it; the "portraits," pithy vignettes of everyday people and their relationships as he knows them. Yet what is personal to the poet is made highly accessible by his art, and by his particular qualities of profound earthiness, honesty, humor, and concern.

**The Giving Tree** Shel Silverstein 2014-02-18 As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half, Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Rabbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic!*

**Words That Kill** Vivid Vega 2017-04-07 *Words That Kill* is a collection of poetry about one's breaking point. Themes included are depression, anxiety, abuse, body dysmorphic disorder, hope, and love. The collection is split into three chapters, *Sticks and Stones*, which deals with the rise of the *Words That Kill*, followed with *Last Breath*, the climax of the breaking point, and lastly, *I See the Light*, which deals with hope and love surrounding the darkness of the pain caused by the *Words That Kill*. *And Another Thing* Edwin Brock 1999 Edwin Brock's death in September 1997, just before his seventieth birthday, brought to an end a body of poems which had been noticed in the late 1950s, in the United States as well as in Britain. Sharp, colloquial, shrewd, direct, and often humorous, Brock's poems are highly original. Two of them, "Five Ways to Kill a Man" and "Song of the Battery Hen," are among the best-known, most widely anthologized poems of the twentieth century. In his last years Brock was extraordinarily prolific. *And Another Thing* is a generous selection of these late poems, following the publication of *Five Ways to Kill a Man: New and Selected Poems*. This book shows him at the height of his powers.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these

questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

**The Long Pale Corridor** Judi Benson 1996 Death can happen in an instant, but grief takes time and can be the greatest pain we shall ever have to bear, for which there is no anaesthetic. It is unknown territory which most people face with little or no preparation. This anthology encompasses a wide range of personal experience from a great number of contemporary poets. These poems deal with the complexity of death, bringing to the surface the unmentionable: the anger, fear, bewilderment, despair, guilt, remorse, relief, the humour, the love and the many questions we ask ourselves to make sense of it all. Every bereavement is different because every relationship is different. There is no limit to the time it takes. While this may not be a comfortable book, it is a comforting one which celebrates life and offers hope to those who have been bereaved. It can help to know that others have suffered such loss and survived. This is not a book to read from cover to cover in one sitting, but rather to dip into and cherish when everyone else has seemingly forgotten.

*Passion* June Jordan 2021-10-19 After decades out of print, *Passion*—one of June Jordan's most important collections—has returned to readers. Originally entitled, *passion: new poems, 1977-1980*, this volume holds key works including "Poem About My Rights," "Poem About Police Violence," "Free Flight," and an essay by the poet, "For the Sake of the People's Poetry: Walt Whitman and the Rest of Us." June Jordan was a fierce advocate for the safety and humanity of women and Black people, and for the freedom of all people—and Barack Obama made a line from this book famous: "We are the ones we have been waiting for." With love and humor, via lyrics and rants, she calls for nothing less than radical compassion. This new edition includes a foreword by Nicole Sealey.

**Agenda** William Cookson 1994

**Killer Verse** Harold Schechter 2011-09-06 *Killer Verse: Poems of Murder and Mayhem* is a spine-tingling collection of terrifically creepy poems about the deadly art of murder. The villains and victims who populate these pages range from Cain and Abel and Bluebeard and his wives to Lizzie Borden, Jack the Ripper, and Mafia hit men. The literary forms they inhabit are just as varied, from the colorful melodramas of old Scottish ballads to the hard-boiled poetry of twentieth-century noir, from lighthearted comic riffs to profound poetic musings on murder. Robert Browning, Thomas Hardy, W. H. Auden, Stevie Smith, Mark Doty, Frank Bidart, Toi Derricotte, Lynn Emanuel, and Cornelius Eady are only a few of the many poets, old and new, whose work is captured in this heart-stopping—and criminally entertaining—collection.
