### **Two Sisters & The Four-Leaf Clover: Hoping Every Day That Someone Would Come To Help Us**

Sara Shaw 2021-07-05 I found my lucky four-leaf clover, not expecting what would happen next. In a small midwestern town in the era of the Great Depression and World War II, two sisters are growing up after the death of their mother. At age sixteen, both married to escape their unhappy home life. Unfortunately, they escaped nothing. Their paths, at times, dangerously affected not only their lives but also the lives of their children, who were growing up in another turbulent time in history, the '60s. But close to home and in the lives of both families, you could hear a loud crying out at night. Is God real? If God is real, why is this happening? Mother, why are you letting this happen? Please, someone, help us!

**Lucy's Magical Five Leaf Clover** A. J. Grace 2013-12-24 Lucy lives along the coastal meadows of Ireland with her parents. Her birthday is coming up, and she wants to make a very special wish. In order for her wish to come true, she must find a magical five leaf clover. On her trips to the meadows to find that special five leaf clover, she encounters a leprechaun who is waiting for a rainbow to form. Lucy's new friend helps her on her journey and teaches her that if you have faith, hope, and love you can make magical things happen. But will she find her magical five leaf clover? And will it make her wish come true?

**The Four-Leaf Clover** Shannon Mazurick 2020-01-30 There was a patch of clovers. The clovers each had three leaves except for one clover. One clover had four leaves! One day a leprechaun visited the patch to choose a clover. The four-leaf clover felt weird being around a leprechaun because of its fourth leaf.

However, soon, the four-leaf clover realized that the fourth-leaf gave it luck.

**My Omaha Obsession** Miss Cassette 2020-11 My Omaha Obsession takes the reader on an idiosyncratic tour through some of Omaha's neighborhoods, buildings, architecture, and people, celebrating the city's unusual history. Rather than covering the city's best-known sites, Miss Cassette is irresistibly drawn to strange little buildings and glorious large homes that don't exist anymore as well as to stories of Harkert's Holsum Hamburgers and the Twenties Club. Piecing together the records of buildings and homes and everything interesting that came after, Miss Cassette shares her observations of the property and its significance to Omaha. She scrutinizes land deeds, insurance maps, tax records, and old newspaper articles to uncover a property's singular story. Through conversations with fellow detectives and history enthusiasts, she guides readers along her path of hunches, personal interests, mishaps, and more. As a longtime resident of Omaha, Miss Cassette is informed by memories of her youth combined with an

enduring curiosity about the city's offbeat relics and remains. Part memoir and part research guide with a healthy dose of colorful wandering, My Omaha Obsession celebrates the historic built environment and searches for the people who shaped early Omaha.

*Black Clover, Vol. 26* Yuki Tabata 2021-08-03 In a world of magic, Asta, a boy with anti-magic powers, will do whatever it takes to become the Wizard King! **Five Leaf Clover** Mark Hayden 2021-06-05 Welcome to Ireland. Now die. Conrad has a lot on his plate, and recovering from a punctured kidney is only the start... Top of his to-do list is a trip to Cornwall for an interview with Morwenna Mowbray, Vessel and victim of Fae magick. Before he can go, Tom Morton has news on the missing book, the Codex Defanatus. And soon it becomes clear that all roads lead across the Irish Sea, to a country where Conrad has no jurisdiction, no allies, and where his enemies are not one, but two Fae Queens. He knows that it's a long road to Galway, and that when he gets to the end, he'll be alone, but choosing his travelling companions is only the first challenge. Conrad's struggle to wash the stain of the Codex from his family name reaches a climax in the Ninth Book of the King's Watch - Five Leaf Clover. Grab a copy now and find out if Conrad has the Luck of the Irish.

**Life Is But a Four-leaf Clover** Marsha Martin-Yates 2016-04-18 I am thankful to God for granting me the knowledge that I should be aware of and appreciate all of His creations, the sun, moon, and trees, even right down to the green grass that grows underneath my feet. I found these things to be absolutely amazing and beautiful. Even as a small child, one could find me playing outside, on my knees in the grass, discovering the different weeds that grew right there on the ground; each had its own individual beauty. One day, Mama found me playing around in what I thought was grass. She came over to where I was playing and kneeled down to point out the clovers. Then she said to me, "Hey, you are playing in a clover patch. Did you know that?" I turned to look at her as she spoke to me and got the feeling that what she was about to tell me would be of great substance. I didn't know anything about this patch of clover but my mind was racing with the impact of her announcement. I could not have known that what she was about to tell me would impact my life forever. She then explained how most have three leaves. "However," she said, "If you're a lucky li'l girl, you will find that lucky clovers have four leaves." I took a quick glance at the clovers

in an effort to see if I could quickly find one with four leaves, but all I could see were clovers that had three leaves. I thought to myself, "is this some kind of joke?" Then Mama went on to tell me this fascinating story of the clovers. She explained how easy it was to find the three-leaf clovers and stated, "Sometimes it will take days or even weeks to find a four-leaf clover. Some claim to never have found one. But if and when you do, it is said that it represents good luck for you." She wasn't finished and went on to explain the significance of each leaf of a four-leaf clover.

**A Leaf Can Be . . .** Laura Purdie Salas 2022-08-01 Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! A leaf is a leaf, a bit of a tree. But just try to guess what else it can be! A leaf can be a...shade spiller, mouth filler, tree topper, rain stopper. Find out about the many roles leaves play in this poetic exploration of leaves throughout the year. Laura Purdie Salas's lyrical, rhyming text and Violeta Dabija's glowing illustrations make simple yet profound observations about seemingly ordinary objects and encourage readers to suggest "what else it can be!" Using metaphors for a leaf (tree topper / rain stopper), a rock (hopscotch marker / fire sparker), and water (thirst quencher / kid drencher), these insightful picture books creatively highlight a variety of roles and relationships in nature.
