**Alone on the South Downs Way** Holly Worton 2016-06-14 Alone on the South Downs Way is the story of Holly Worton's 100 mile walking journey along one of England's National Trails in 2015. An avid walker, she thought she was up for the challenge of an eight day hike, and happily set off to explore the South Downs. What followed was a magical journey through nature that was both more satisfying and more difficult than she ever imagined. This book contains all the blisters, sweat, and tears from that life-changing journey. More than just a walking travelogue or memoirs of a walking holiday, this book contains Holly's reflections on walking the Way, including lessons learned and practical information to help you plan your South Downs Way hiking adventure. It includes a suggested packing list, gear recommendations, and other useful tips, such as when to walk the Way, where to stay, and how much you'll need to budget. This book will not only get you inspired to walk the South Downs Way or other long distance trail, it will encourage you to get outdoors more often.

**Mushy, Moldy, Fizzy, Fuzzy, Swelling, Growing Science** Kristine Petterson 1997 Contains instructions for experiments that will cause common household materials to grow, swell, stretch, and expand.

**The True Love Experiment** Christina Lauren 2023-05-16 Felicity "Fizzy" Chen is lost. Sure, she's got an incredible career as a beloved romance novelist with a slew of bestsellers under her belt, but when she's asked to give a commencement address, it hits her: she hasn't been practicing what she's preached. Fizzy hasn't ever really been in love. Lust? Definitely. But that swoon-worthy, can't-stop-thinking-about-him, all-encompassing feeling? Nope. Nothing. What happens when the optimism she's spent her career encouraging in readers starts to feel like a lie? Connor Prince, documentary filmmaker and single father, loves his work in large part because it allows him to live near his daughter. But when his profit-minded boss orders him to create a reality TV show, putting

his job on the line, Connor is out of his element. Desperate to find his romantic lead, a chance run-in with an exasperated Fizzy offers Connor the perfect solution. What if he could show the queen of romance herself falling head-over-heels for all the world to see? Fizzy gives him a hard pass-unless he agrees to her list of demands. When he says yes, and production on The True Love Experiment begins, Connor wonders if that perfect match will ever be in the cue cards for him, too.

**Girls' Home Spa Lab** Maya Pagán 2018-12-11 For today's active, plugged-in girls aged 9 to 13, finding healthy ways to unwind and de-stress is an important part of well-being. Girls' Home Spa Lab is packed with all-natural recipes, activities, and tips for self-care and relaxation specially designed for tweens. From homemade facial steams and hair masks to foot soaks, tub teas, and body balms, the 50 head-to-toe recipes can be easily made from ingredients found in the kitchen cupboard, such as honey, oats, and coconut oil. Girls will also learn how to soothe themselves with easy yoga poses, homemade sleep tea, and natural remedies for a headache, stuffy nose, or sore throat. **Spa Bodywork** Anne Williams 2007 This textbook guides massage therapists through each step of delivering a spa treatment—from consideration of the indications and contraindications to scope of practice issues, supplies, room set-up, specific procedure steps, and ideas for integrating massage techniques, spa products, and enhancing accents. While wet-room treatments are discussed, the focus is on dry-room treatments, which can be delivered in a wider variety of settings. More than 250 full-

color photographs illustrate each technique and treatment. Treatment Snapshot boxes provide a quick overview of the treatment before the detailed step-by-step procedures section.

Sanitation Boxes offer clean-up and sanitation tips. Sample Treatments include promotional descriptions, product recommendations, and recipes for creating inviting smell-scapes.

**Blame it on Romeo** Sophia Knightly 2017-10-26 Hi, I'm Francesca Lake, WBCG TV's medical reporter. Privately, I am on a mission to marry a doctor. After my recent mortifying episode in the ER, it's clear I suck at self-diagnosis. It all started when I thought I was having a heart attack. I made a cringe-worthy entrance at the hospital, but in my defense, I thought I was DYING. You can ask Harrison Taylor, my dog's vet. He was the one who carried me into the ER. I used to love my job reporting the social scene, but I've been recently drafted as the station's medical reporter. God only knows what diseases I will have to report on. This is not a good thing for a closet hypochondriac! There's only one upside—medical reporting means meeting lots of doctors. Surely, there will be a few eligible bachelors in the mix... I'm trying to ignore my wild attraction to Harrison, but his forest green eyes, rugged physique and warm smile make my insides melt...not to mention other parts. My adorable dog, Romeo, is in love with Harrison, and he's convinced Harrison is for me. But I'm looking for a "human" doctor. Harrison is an animal doctor. Do I look like an animal? Well, only on a bad hair day, but that's beside the point. Marrying a doctor calls for a methodical approach, and I intend to date as many as I can to meet "the one." I have to ignore Romeo's blatant attempts to matchmake me with Harrison. But ignoring my pounding heart when I'm around swoony Harrison is another matter entirely... **One Foot Wrong** Sofie Laguna 2009-08-18 The stars shine brightest out of the deepest dark . . ."

A child is imprisoned in a house by her reclusive, religious parents. Hester Wakefield has never spoken to another child, nor seen the outside world. Her one possession is an illustrated children's Bible, and its imagery forms the sole basis for her capacity to make poetic, real-life connections. Her companions at home are Cat, Spoon, Door, Handle, Broom, and Tree, and they all speak to her, sometimes telling her what to do. One day she takes a brave Alice in Wonderland trip into the forbidden outside, at the behest of Handle, and this overwhelming encounter with light and sky and sunshine is a marvel to her. From this moment on, Hester learns that there are some things she cannot tell her parents, and she keeps this secret to herself. Hester buries it among her other secrets, the ones that take place in the shadowy corners of her insular world, and she keeps them all locked inside her as they multiply and grow, waiting until she can find other ways to be free. One Foot Wrong challenges the boundaries of right and wrong, sanity and madness, love and justice, poetry and life. The story told by Hester is often dark and harrowing, but the affecting impact of her distinctive voice and her way of seeing the world illuminates every page and makes this novel an exhilarating, enlightening and, ultimately, an uplifting and transformative experience.

**National Theatre Connections Monologues**

Anthony Banks 2016-06-30 For the first time, there is an anthology of monologues for young people available, taken from plays commissioned as part of the National Theatre Connections over the past 20 years. Always drawing together the work of 10 leading playwrights - a mixture of established and current writers - the annual National Theatre Connections anthologies offer young performers between the ages of 13 and 19 an engaging selection of plays to perform, read or study. Each play is specifically commissioned by the National Theatre's literary department and reflects the past year's programming at the venue in the plays' ideas, themes and styles. The plays are performed by approximately 200 schools and youth theatre companies across the UK and Ireland, in partnership with multiple professional regional theatres where the works are showcased. This anthology of 100

monologues is the ideal resource for teenagers and young people attending auditions either in the amateur or professional theatre world; students leaving secondary school to audition for drama school; as well as teachers of English and Drama looking for suitable dramatic for their students to engage with and perform. It provides suitable scene-study books that are suitable and relevant to the student in terms of tone, style and content. Young actors who have searched for audition material written in the voice of teenage characters will welcome this resource.

**Foot Care Handbook** Stephanie L. Tourles

2021-12-21 The number of people who experience foot pain is on the rise, and it's been shown that those plagued by chronic foot pain are more likely to have pain in other parts of their bodies. **Thinking on My Feet** Kate Humble 2018-10-04

**\*\* SHORTLISTED FOR THE WAINWRIGHT PRIZE\*\* \*\* SHORTLISTED FOR THE EDWARD STANFORD TRAVEL WRITING AWARD - TRAVEL MEMOIR OF THE YEAR \*\*** A lovely, civilised and transporting read, that should have all of us stepping out to meet the world with fresh eyes.' - Hugh Fearnley-Whittingstall 'An enticing read that makes every walk Humble describes an adventure' - Ranulph Fiennes 'A beautiful and magnificent book. A paean to a simple act. I defy you to read this book and not be inspired to walk, march or hike - and as a result live a better life more connected with nature and the world around you.' - Simon Reeve 'A lovely book, fast-flowing yet at every turn giving the reader pause for thought. Kate Humble makes a delightful companion, her words full of sunshine and the raw pleasure she radiates as she encounters life in its many unexpected forms.' - Benedict Allen 'I've discovered that going for a daily walk has become as essential to me feeling good for the rest of the day as that first cup of tea. But I would argue that all I am doing is responding to a natural need we all have. Humans have always been migrants, the physiological urge to be nomadic is deep-rooted in all of us and perhaps because of that our brains are stimulated by walking. I solve all sorts of problems, formulate ideas, work things out to that gentle rhythm of self-propelled movement.' - Kate Humble

*Thinking on My Feet* tells the story of Kate's walking year - shining a light on the benefits of this simple activity. Kate's inspiring narrative not only records her walks (and runs) throughout a single year, but also charts her feelings and impressions throughout - capturing the perspectives that only a journey on foot allows - and shares the outcomes: a problem solved, a mood lifted, an idea or opportunity borne. As she explores the reasons why we walk, whether for creative energy, challenge and pleasure, or therapeutic benefits, Kate's reflections and insights will encourage, motivate and spur readers into action. Also featured are Kate's walks with others who have discovered the magical, soothing effect of putting one foot in front of the other - the artist who walks to find inspiration for his next painting; the man who takes people battling with addiction to climb mountains; the woman who walked every

footpath in Wales (3,700 miles) when she discovered she had cancer. This book will inspire you to change your perspective by applying walking to your daily endeavours. **\*PRAISE FOR THINKING ON MY FEET \*** 'A diary of sorts, charting a year of wonderful walks through the sun, wind and rain...each entry builds an image of her life in the great outdoors...it sounds idyllic to say the least.' - Sunday Express, S Magazine 'These are 365 days of inspiration to get out and, sometimes literally, smell the flowers.' - Wanderlust Magazine 'Humble's book about going for a walk can inspire absolutely anyone to make a change. Because all you have to do is step outside the front door.' - Waitrose Weekend 'Witty, enlightening and often startlingly profound' - Country Walking Magazine

**Pop!** Mitch Johnson 2021-05-06 An outrageous theft. A huge reward. Two friends on the run. An uproariously funny, action-packed new adventure about the power of courage, standing up for what's right, and fizzy drinks, from the award-winning author of Kick. Queenie de la Cruz stares out at the ocean and dreams of a world beyond her small-town. She's about to get her wish... When the priceless recipe to the world's most popular drink - thought to be lost forever - washes up at her feet, Queenie's life instantly changes. Everyone wants it, and with a \$10 million bounty on her head, Queenie's soon on the run. Pursued by bounty hunters, black-ops helicopters and angry mobs, Queenie's journey involves a mad scientist, a tin foil hat-wearing conspiracy theorist, a crocodile and an unlikely new friend, Todd. But being on the run also makes Queenie begin to see the world around her more clearly - a world in which a big corporation's excess has left the planet covered in its plastic bottles and waste. Suddenly, the home she always dreamed of escaping, and the ocean she grew up with and took for granted, don't seem so bad. If Queenie and Todd can bring down the bad guys, maybe she can go back home and make a difference...

**Heartlines and The Web** Stuart Deeks 2013-12-13 I find a fungus one autumn in a grassy area of a town park. I identify it as *Amanita Rubescens*, the Blusher. I cook and eat it. It affects me, the ripples begin. I am curious to know more. Others get involved. It is prepared as a medicine at a homoeopathic pharmacy, then a group take part in a trial, a Proving. We clarify its medicinal potential. This is then confirmed in homoeopathic practice. Found, tested, prescribed. This book tells this story and indicates the scope and impact of the medicine. We see its relevance for people at the present time. It is needed. Purification. Cleansing. Clearing physical and mental toxic states. Speaking up about long held hurts, personal or national. Parallels with the Arab Spring and other recent demonstrations. Alignment, personal and planetary. The web that connects everything, impelling a radical healing of the heart. ,

**National Theatre Connections 2011** Sam

Adamson 2014-03-10 This brilliant new

collection of ten plays for young people will prove indispensable to schools, colleges and youth theatre groups. Specially commissioned by the National Theatre for the Connections Festival 2011 involving 200 schools and youth theatre groups across the UK and Ireland, each play is accompanied by production notes and exercises. The Pied Piper re-imagined, the aftermath of genocide in Rwanda, witches in seventeenth century Norfolk, a giant baby on the rampage, an extraordinary day in an ordinary school are just some of subjects covered in the thrilling and varied new plays created by talented writers for young actors to perform in National Theatre Connections 2011. The plays in this anthology offer a huge variety of stories and styles to ignite the imagination of young casts and creative teams. Themes are both teenage and universal - ambition, dashed hopes, fear and confidence, loyalty and betrayal. These new plays embrace a huge range for their inspiration: they plunder classics and imagine the future.

Australia's Best Spas Amanda Jane Clark 2014-01-21 With hundreds of photographs, this spa guidebook presents the best quality spas in Australia--from Queensland's palm-fringed coast to Tasmania's wild mountain wilderness.

Australia is blessed with a mind-boggling array of spas in a multitude of shapes, sizes, and locations. Even if it were possible to visit a different spa each month, it would take several years to experience the varied delights of every Australian spa. From just four spas in the late 1990s, there are now over 300, with a dozen more opening in 2005. Getting there is definitely part of the fun. Your journey to inspiring locations will take you through magnificent national parks, to sparkling oceans and sandy beaches, across breathtaking harbors, into glamorous cityscapes and remote landscapes rich in ancient wonders. A spa visit can be a spiritually euphoric experience. With all the laying of hands, cleansing and renewal, sensory stimulation and heightened awareness of our physical presence, the effect of submitting to treatments designed to deliver ultimate pleasure can be mind altering.

Subjects in Process Michael A. Peters 2015-10-23 Subjects in Process investigates the human subject in the first decade of the twenty-first century in relation to changing social circumstances and belongings. The concept of 'subjectivity' in the Western tradition has focused on the figure of the autonomous, self-conscious, and rooted individual. This book develops a conception of the subject that is nomadic and fluid rather than grounded and complete. Written from a perspective that takes account of globalisation - and the pressures that it places upon individuals and communities - this book draws upon Nietzsche and the post-modern thinkers that followed him. Arguing that a modern conception of the subject must be one based on cultural exchanges and transformations, this book is sure to provide new

insights for anyone concerned with or interested in the identity of the individual now and in the future.

A funny and sad story, told completely in verse.

Foot in the Door Jason Bruce 2012-01-10 When Reg Foot meets a fortune teller who tells him great things lie in store, it's full steam ahead for every iceberg of opportunity that comes his way. Then one day, the sun comes out, the icebergs melt, and life looks like it's going to be smooth sailing. But beneath the calm waters lurk monsters, literally, who are about to get stamped out!
