*The Sense of an Ending* Julian Barnes 2011-10-05 BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her

own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

**Diary of Faith** Rev. Kim Yoon Jeom 2020-11-24 In-Sil Kim is the youngest daughter in her family, and she always considered her father to be peaceful, quiet, sweet and taciturn man and minister of the church. As a little girl, she did not realize that he had experienced various hardships, struggling in spirit and suffering during the Japanese

occupation of Korea. One day, his diary happened to come into her hands, and she learned many things about his personal life. *Diary of Faith* tells the story of Rev. Kim Yoon Jeom's spiritual life and everyday living experiences. One day he heard a quiet but clear voice coming from somewhere outside of this world. From that time on, he heard God's voice directly. His life was guided by communication with God, and he received visions from God asking that he write; these revelations persuaded his daughter that his personal narrative should be shared. Though Rev. Kim struggled throughout his life and often confessed himself to be unworthy as a minister of the church of the Lord Jesus Christ and as a servant of God, he was a minister with sincerity and consciousness of self, called by God to accomplish the mission of eternal salvation. This personal diary, translated from Korean to English, shares the spiritual journey of a pastor during the Japanese occupation of Korea. *A Dictionary of the English Language* Samuel Johnson 1834

Revealing the earliest sources of the traditions of Shiva and Dionysus, Alain Danielou reconstructs the fabric of our ancient relationship with creation, vividly relating practices that were observed from the Indus Valley to the coasts of Portugal at least six thousand years ago.
