Tarot for Christians Wynn Wagner 2012-05-01 FULL COLOR. The main character of tarot's first card is The Fool, and Tarot for Christians is the adventure of that innocent wanderer. THE FOOL is a simple traveler through the deck, growing and learning, experiencing and living. The author — a retired archbishop of the Old Catholic Church — brings his knowledge of metaphysics and traditional symbolism to these misunderstood "flash cards." Each of the major cards in the deck is a station on the Fool's journey. The archbishop explains his take on each of the major cards with humor and eager anticipation of the wisdom to be found in the images. The Fool's adventure is a meditation on life, not an attempt to peer into the future. It is a lesson for today, not tomorrow. Tarot for Christians is the loving and personal journey of Christ's vagabond, and he wants us all to join him.

Tarot and Psychology Arthur Rosengarten 2000-04-07 What? A Clinical Psychologist Espousing Tarot Cards? Dr. Arthur Rosengarten, in *Tarot and Psychology: Spectrums of Possibility*, does just that. He explains Tarot to those who may want to learn to use it properly for the greatest good-individuals who desire greater spirituality in their lives, including the benefits of psychological insight and depth, without the baggage of affiliation that invariably accompanies any single set of beliefs. Tarot, they will soon find, operates on many levels of profound meaning from a purely non-affiliated platform in the truest sense. Tarot makes accessible to awareness a full spectrum of psychological and spiritual possibility with little preference for its user's qualifications or beliefs. Rather magically, one might say, Tarot captures the heartbeat of experience. This fact alone should make the deck of human possibility immediately relevant to helping professionals who deal with the heartbeats of experience daily. The use of Tarot as an oracle for creating awareness and gaining insight into particular symptoms, problems or questions-i.e. Tarot divination-is often mentioned as an afterthought, alongside other meditational exercises and alternative spread configurations. Yet today, the vast majority of individuals who have discovered the wonders and mysteries of Tarot have done so through experiences of divination. Card reading, without a doubt, is Tarot's most beguiling and potentially beneficial enterprise. Why dance around the magic? For Tarot to continue to evolve into the 21st century (and beyond) it must have a stronger application emphasis, that is, it must be relevant, accessible, and meaningful to the changing contours of people's lives. It must resonate with all who seek greater meaning, creativity, and awareness, not simply with small segments of the waning New Age. Tarot and

Psychology provides an innovative new approach for understanding the psychological and spiritual possibilities of human experience.

Holistic Tarot Benebell Wen 2015-01-20 The best-selling guide to reading tarot from celebrated occultist and scholar Benebell Wen—history, practice, and 500+ illustrations and spreads. Designed for beginning as well as experienced tarot readers, *Holistic Tarot* offers a fresh and easy-to-follow approach to the use of the tarot deck for tapping into subconscious knowledge and creativity. The tarot deck has been used as a divination tool for more than two centuries; while the tarot is still most commonly thought of as "fortune telling," the true power of the tarot lies in its ability to channel a clear path for our deep intuition to shine through. Consulting the tarot can help clear creativity blockages, clarify ambitions, work through complex decisions, and make sense of emotions and relationships. Whether used for simple decision-making or an understanding of your life's purpose, learning tarot can be an indispensable tool for being more mindful of the factors that can assist or weaken your efforts toward success. In *Holistic Tarot*, author Benebell Wen provides a complete guide to using the tarot to foster personal development. Wen gives a comprehensive overview of the history of the tarot and a wide array of theories on its use (including its relationship to Jungian archetypal psychology and traditional Chinese divination practices) before digging deeply into one of the best-known tarot systems, the Rider-Waite-Smith. Beginners will find a complete guide to working with the tarot, including choosing and caring for a deck, how best to learn and remember the attributes of the major and minor arcana, the interpretation of cards and spreads, the role of meditation in a tarot practice, and how to use the tarot for improving relationships, professional development, and personal resilience. More advanced practitioners will appreciate nuanced theoretical discussions of the tarot as well as practical advice about reading others' tarot cards and setting up a practice. Containing over 500 illustrations and detailed information on each card as well as numerous spreads, *Holistic Tarot* is a complete compendium of tarot study that every practitioner should have in their library. "A modern alchemical achievement."—Barbara Moore, author of *Tarot Spreads* "Will become one of the jewels in the crown of tarot literature."—Anthony Louis, MD, author of *Tarot Beyond the Basics* "A tarot classic."—Sasha Graham, author of *Tarot Diva* "A magnificent, intelligent, comprehensive overview and innerview of the Rider Waite Smith system of tarot! This is the only guide you need to have. Bravo!"—James Wanless, PhD, author of *Voyager Tarot* "A huge accomplishment ... likely to become the essential guidebook for serious students of the tarot."—Joan Bunning, author of *Learning the Tarot* "No tarot enthusiast should be without this book!"—Chic and Tabatha Cicero, authors of *The Golden Dawn Magical Tarot* "Arguably the most comprehensive guide to tarot on the market today. It's also innovative: it deftly combines Eastern mysticism with Western metaphysics. It's an impressive tome that presents a wholly modern, rational approach to tarot practice while preserving notable elements of tradition."—Corrine Kenner, author of *Tarot and Astrology*

Flash Cards Are Awesome Janette Robinson 2021-04-06 Flash Card Mastery = Upward Social Mobility In the world we live in, there is a direct correlation between proficiency in a language (for example, English, the lingua franca of a large part of the world in the twenty-first century) and the upward trajectory of the career path of any individual. Success in one's personal and professional life is all about communication, and knowing a language better makes it easier to communicate in the most appropriate fashion in any situation that one might come across in one's daily life. Words can create livelihoods. Whether it works directly, if you are a writer or a poet, or if they work indirectly, in facilitating your communication with your colleagues, friends, and family - words grease the wheels of the modern world. Words are also the gateway to upward social mobility. Many people use words in tests of intelligence and of suitability for various jobs; the first thing you do when you move to a new country and are trying to get a job is to learn the local language, in case you don't know it. This book has two sections. The first section has a large number of flash cards, that give you insights into the meanings and parts of speech of a number of useful nouns, verbs, and adjectives. These flash cards can be read from time to time; looking at a flash card 10-20 times has been proven to help people retain the meanings of words better. The second section prepares you for the next book in this series; it has a large number of words categorized into various levels of difficulty of definition. You can guess the meanings of these; this mental exercise will get you ready for the next big step! Mastering the contents of this book will get you closer to that dream job or that coveted college seat. All the best!

Easy Guide to the Tarot Dayanara Blue Star 2015-03-02 The tarot is a pack of 78 playing cards used by mystics and occultists for foretelling the future as well as for giving you a peek into your spiritual and mental pathway. Tarot cards have existed since the mid-15th century in various parts of the European continent. However, at that point it was basically used to play card games, such as French tarot or the Italian tarocchini. The word itself is derived from the Italian word "tarocchi", a word which has no known origin. Some believe that the word is related to the Taro River in northern Italy. Others believe that the word originated from an Arabic word, "turuq", which means "ways". The cards seem to have come from Mamluk, Egypt in the 14th century. At that point in time, the suits were Staves, Cups, Coins and Swords; quite similar to the suits that exist these days. In Europe, the first tarot card deck was created in Milan, Ferrara and Bologna in northern Italy. This was between the years 1430 and 1450. The original purpose of the tarot was to play games. In the 18th century, the tarot began to be used for divination purposes. Manuscripts from the era reveal that there was a specific way of laying out the cards and there was a divinatory meaning associated with each card. The tarot has four suits, but this can vary depending on the region. Jean-Baptiste Alliette, popularly known as Etteilla, was the first to create a tarot deck especially for the purposes of divination. This 78-card deck has two distinct parts. Take advantage of this great opportunity to understand the tarot quickly and easily!

The Easiest Way to Learn the Tarot - Ever!! Dusty White 2009-03-20 This is the definitive guide to learning and mastering Tarot quickly and easily. Unique, fun, easy-to-learn exercises teach you how to hear what the cards are trying to tell you. This book is perfect for the beginner: all you need to read the tarot is this book and a deck of cards (preferably the standard Rider decks you can find anywhere). We start you immediately practicing our unique, easy and fun exercises with your cards. You will spend your time playing with your cards, not memorizing rules and dogma from some book of archaic superstition and vague cards meanings. You see, this is not yet another book of Tarot card meanings. How boring is that? We will start your hands-on learning immediately; you will be playing with your Tarot cards as they reveal the future to you. You learn by doing, not by memorizing outdated lies and superstitions. This is our official Tarot academy textbook, the same one we use to turn beginners into professionals. This (hands-on time and practice) is essential or you will be trapped in the cycle of buying more and more Tarot books that only make you more and more reliant on them for card meanings. Here is what you will by reading this book: What your cards are telling you every time you ask a question. What various meanings your cards can have (how else can 78 cards describe the thousands of things that could happen to you on any given day?) How to cast a spread and actually get reliable answers The best spreads to use, how to use them, and when to use them (for any occasion) What the cards "traditionally mean" and why that is important, but not more important than what your intuition is telling you "right now" The difference between average Tarot readers and masters is their ability to hear their inner voice, and see how card meanings adapt to the question being asked. We help you instinctively see exactly how cards blend, influence, and aspect other cards, and how to answer ANY question, even if you have never picked up a deck. We do this through unique exercises and games, taught nowhere else in the world. Click on the "Look Inside" link above to see exactly how you will quickly and easily master the Tarot. This is a highly interactive workbook: You don't just read this book and put it on the shelf-you practice what you learn in real time, and you see results instantly from your education. The more you practice the better your results will be and the more you will understand your cards. We even have TONS of free videos every week and audio lessons to supplement your education at our easy tarot lessons website. This book is the best way to start learning the tarot. When you have completed this book and you want to read cards better than most professional tarot readers you will ever meet, you will want to pick up a copy of Advanced Tarot Secrets. That book will help you get 3-5 times more information from every spread you cast than anyone you know, and it will teach you the deepest secrets of distance divination and manifestation. Best of all, unlike any other professionally published tarot book this book comes with complete support. If you ever get lost, stuck, or bored, we are here to help. You can find us inside the book. Thanks for checking out The Easiest Way to Learn the Tarot-EVER!! We are here to help you. This is all we do.

The Big Book of Tarot Joan Bunning 2019-08-01 A complete beginner's course with step-by-step lessons on how to work with tarot cards for personal guidance. Joan Bunning's "Learning the Tarot—An Online Course" has helped hundreds of thousands of people worldwide discover the personal value of the tarot. Drawing on the material offered in this popular online course and from her previous books, Joan has created a complete guide to tarot for beginners, which serves as a handy and in-depth resource for more experienced tarot card readers as well. While there are countless books devoted to tarot, what sets Joan Bunning's book apart is her ability to take a rather complicated esoteric system and break it down into clear, manageable, and easy-to-learn lessons. These lessons cover the basics and then move gradually into more advanced concepts. The book includes: Lessons on how to consider one card by itself, how to look for card pairs, and how to create the "story" of a reading Contains two pages of information for each card including a picture from the popular Rider Waite deck, a description, keywords, action phrases, and suggestions for cards with similar and opposite meanings How to work with reversed cards to give tarot readings a natural flow of high points and low points without abrupt transitions Practical insights on how to work with and interpret a wide variety of

Tarot in Context (Large Print) Juan Buain 2020-12-05 You read one or more of the many introductory books about Tarot. You might have started doing readings for friends and family. But the cards themselves stay elusive. Some cards look too similar. Their differences seem to elude you. Remembering all the 78 cards by rote learning is not working. Tarot in Context accompanies your journey of learning by putting the cards in a context where you can see them in action. Many Tarot cards express similar concepts, with subtle differences in degree and reach. Tarot in Context proposes a fun way to learn these differences: by seeing how they modify the course of action of a given story. From a central premise, choosing different tarot cards from hand-picked groups of "confusing" triplets of cards, 52 different stories unfold. Seeing how different cards evolve a central story, you can relate each card back to the central story. This allows for your memory to make "hooks" in your brain to place the cards and retrieve them faster and more easily. Tarot in Context is "Choose Your Own Adventure(TM)" with Tarot Cards. The central story deals with Susan McKenzie Robinson, at a the crossroads in love, work and family. Each story is very short, 4-5 pages in length. The different stories can be browsed or certain cards can be reviewed directly, seeing how they affect a given substory. It includes also an analysis of how the divinatory meaning of each Tarot card affects the different substories.

The Complete Tarot Reader Teresa Michelsen 2005 Reading Tarot with the right side of the brain Teresa Michensens one-of-a-kind self-study program helps students develop a long-lasting, intuitive approach to Tarot reading that works with any Tarot deck! Instead of memorizing standard card meanings and spreads, readers are encouraged to use their own life experiences and knowledge to craft a personal understanding of the cards. Organized like a study guide, this book includes study goals, progress activities, and easy exercises for exploring the suits, court cards, major arcana, and a variety of reading techniques (reversals, dignities, timed readings, large spreads). Michelson also discusses the underlying structures and patterns in the Tarot and how various cards are related to astrology, numerology, psychology, and myth. Practical aspects of Tarot reading difficult clients, readers block, good questions, and ethical issues are also covered.

Daily Tarot Journal Seagrape Apothecary 2021-10-19 Beginning a Tarot practice can seem daunting and overwhelming - so many cards, archetypes, and messages to learn! While sitting down with flash cards and memorizing each card may work for some folks (we love you Virgos!) - creating a daily practice with your cards is a gentle and effective way accomplish two goals: to learn the meanings of each card, and integrate this divination and ritual into your daily life. Tarot is a tool not just for big, life changing moments - new job, new relationships, or new heartbreak - but it can be a message from Spirit and your intuition on a daily basis. By pulling a card every morning, finding daily gratitude, and intention setting - you are devoting time to yourself and investing in your magical practice. This journal can be used with any Tarot deck, or even an Oracle deck if you choose. The Rider-Waite-Smith deck is the classic Tarot deck, and many artists have produced fascinating interpretations of the images. When choosing a deck, it is most helpful to find art and language that you personally are drawn to. If you aren't delighted by the images, you will not be likely to use it! Created by Seagrape Apothecary.

The Tarot Blueprint: Learn How Every Card Relates to the Journey of Life, a Reference Manual for the Tarot Blueprint Deck Mati H Fuller 2019-05-06 The Tarot Blueprint was given to me as a channeled message from Spirit. In a flash of a second, the whole concept was in my head, and I felt so excited I almost couldn't contain myself. While the Adrenalin was pumping through my veins, I jumped out of bed and rushed over to my Tarot cards to see if the concept was going to work for all the cards, and it did! Every card in the deck was describing a part of the journey, and it struck me that Tarot covers EVERY aspect of life, like an incredible blueprint of the human journey from cradle to grave! The

words flowed so effortlessly that I wrote the whole book in about a week! Connecting the Tarot with the Chakras and learning the cards from this perspective requires no memorization whatsoever. The book can benefit beginners of Tarot as well as professionals. The Tarot Blueprint is a spiritual perspective on the Tarot that will appeal to anyone who is a seeker of truth. The Blueprint is there. You just have to discover it... *The Cartomancer's Key* Talia Felix 2008-12-31 Cartomancy, or fortune telling by cards, can trace its history back to the European Renaissance. Its method has varied over time, but its practice remains in use to this day. Any card can be used, from the Tarot to a simple deck of flash cards; this book explains the method for any type of card at all! Special emphasis is provided on popular methods such as playing cards and tarot decks. Text includes: charts of the cards and their meanings, instructions for how to remedy an undesirable reading, theory, suit variations - all kept brief and simple to speed the user along. Additionally, the book comes fully illustrated with suggested card layouts and historical specimens of common and unusual cards alike. This text strives to provide the user a thorough understanding of the principals of cartomancy with simple graphs and instructions complemented with historical context. It is ideal for anyone with an interest in fortune telling, whether for research or practice.

The Tarot Companion Liz Dean 2018-03-20 "An empowering approach to tarot written by one of the best tarot readers around today." —Sarah Bartlett, author of *The Little Book of Love Magic* *The Tarot Companion: A Portable Guide to Reading the Cards for Yourself and Others* is the quick-reference handbook you need to understand the art of reading tarot. Tarot-reading is one of the oldest esoteric practices. Lore has it that the art of reading tarot cards has existed for over six hundred years. Yet tarot is more popular than ever in our modern society because the cards speak to our most instinctual and primal selves through their stories, meanings, and symbols. In *The Tarot Companion*, bestselling tarot author Liz Dean reveals the messages and mystery of the cards from the Major to Minor Arcana, as well as how to cleanse and shuffle your deck. This beautiful and accessible little volume lets you quickly and accurately use the cards to reveal an inner truth, gain insight into a pressing question, or divine what may unfold in your life.

English Flash Card Masterclass Janette Robinson 2021-02-26 Flash Card Mastery = Upward Social Mobility In the world we live in, there is a direct correlation between proficiency in a language (for example, English, the lingua franca of a large part of the world in the twenty-first century) and the upward trajectory of the career path of any individual. Success in one's personal and professional life is all about communication, and knowing a language better makes it easier to communicate in the most appropriate fashion in any situation that one might come across in one's daily life. Words can create livelihoods. Whether it works directly, if you are a writer or a poet, or if they work indirectly, in facilitating your communication with your colleagues, friends, and family - words grease the wheels of the modern world. Words are also the gateway to upward social mobility. Many people use words in tests of intelligence and of suitability for various jobs; the first thing you do when you move to a new country and are trying to get a job is to learn the local language, in case you don't know it. This book has two sections. The first section has a large number of flash cards, that give you insights into the meanings and parts of speech of a number of useful nouns, verbs, and adjectives. These flash cards can be read from time to time; looking at a flash card 10-20 times has been proven to help people retain the meanings of words better. The second section prepares you for the next book in this series; it has a large number of words categorized into various levels of difficulty of definition. You can guess the meanings of these; this mental exercise will get you ready for the next big step! Mastering the contents of this book will get you closer to that dream job or that coveted college seat. All the best!
