Alley Oops Janice Levy 2005-05-01 This story relates the painful and embarrassing aftermath of name-calling and bullying from the perspective of the bully. J. J. Jax has been tormenting an overweight boy named Patrick, calling him Pig-Pen and Porky, to the point that Patrick is now afraid to go to school. Learning of his son's behavior, J. J.'s father lectures him to stop bullying Patrick. When that approach fails, Mr. Jax tries another tack and shares an

experience he had as a youthful bully and the consequences he recently faced as a result of his actions. Touched by his father's words, J.J. reaches out to Patrick in a school arm-wrestling contest and experiences the "alley oops" moment of empowerment and self-esteem that comes from doing the right thing. Snappy dialogue highlights the harmful, lasting effects of bullying and the importance of finding common ground toward conflict resolution. Believable contemporary illustrations bring the story to life with expressive body language.

The Lake on Fire Rosellen Brown 2018-10-16
The Lake on Fire is an epic narrative that begins among 19th century Jewish immigrants on a failing Wisconsin farm. Dazzled by lore of the American dream, Chaya and her strange, brilliant, young brother Asher stowaway to Chicago; what they discover there, however, is a Gilded Age as empty a façade as the beautiful Columbian Exposition luring thousands to Lake Michigan's shore. The pair scrapes together a meager living—Chaya in a cigar factory; Asher, roaming the city and stealing books and jewelry to share with the poor, until they find different paths of escape. An examination of family, love, and revolution, this profound tale resonates eerily with today's current events and tumultuous social landscape. The Lake on Fire is robust, gleaming, and grimy all at once, proving that celebrated author Rosellen Brown is back with a story as luminous as ever.
