The Sunset Route Carrot Quinn 2021-07-06 The unforgettable story of one woman who leaves behind her hardscrabble childhood in Alaska to travel the country via freight train—a beautiful memoir about forgiveness, self-discovery, and the redemptive power of nature, perfect for fans of *Wild* or *Educated*. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE PHILADELPHIA INQUIRER • “An urgent read. A courageous life. Quinn’s story burns through us and bleeds beauty on every page.”—Noé Álvarez, author of *Spirit Run: A 6,000-Mile Marathon Through North America’s Stolen Land* After a childhood marked by neglect, poverty, and periods of homelessness, with a mother who believed herself to be the reincarnation of the Virgin Mary, Carrot Quinn moved out on her own. She found a sense of belonging among straight-edge anarchists who taught her how to traverse the country by freight trains, sleep in fields under the stars, and feed herself by foraging in dumpsters. Her new life was one of thrilling adventure and freedom, but still she was haunted by the ghosts of her lonely and traumatic childhood. *The Sunset Route* is a powerful and brazenly honest adventure memoir set in the unseen corners of the United States—in the Alaskan cold, on trains rattling through forests and deserts, as well as in low-income apartments and crowded punk houses—following a remarkable protagonist who has witnessed more tragedy than she thought she could ever endure and who must learn to heal her own heart. Ultimately, it is a meditation on the natural world as a spiritual anchor, and on the ways that forgiveness can set us free.

Fly Fisher's Reader Leonard M. Wright 1990-03-15 Leonard M. Wright has compiled a wonderfully varied collection featuring works from such prominent figures as fly fishing legend Sparse Grey Hackle and novelist Thomas McGuane, along with some heretofore hidden talent. Nick Lyons, Robert Traver, and Russell Chatham among others provide us with distinctly American humor and insights on bass, trout, and the pursuit thereof from quiet Northeastern creeks to the bustling San Francisco Bay.

The Adventure of the Flying Blue Pidgeon Marcia Wilson 2016-12-01 Lestrade panted, getting to his feet as the gang of Cheathams fell back. "Right now I can think of worse things than rescue by an amateur detective." "My dear Lestrade, we're simply ensuring the fight is fair." Sherlock Holmes somehow dissuaded the truth of that by the way his lips were coiling up at the edges (without letting go of the pipe in his teeth). Perhaps it was because he was clearly in disguise as a seedy deckhand in Dutchman's sailing clothes. From behind him the little professional could see Dr. Watson, tarred like a sailor and armed with a wicked-looking blackthorn. "Well, then!" Lestrade crowed with his fist up and parallel to the looming swarm over the tavern. "Who is next?" "Marcia Wilson has discovered Scotland Yard's Tin Dispatch Box." David Marcum,

Fly-fishing the Arctic Circle to Tasmania James W. White 2019-03-18 Marooned on a river island above the Arctic Circle, caught by a flash flood in New Zealand, boated with an NFL cheerleader in the Caribbean, robbed in a British Columbia motel, and bunked with an almost-terrorist in Manitoba, this author-preacher from Colorado has had some interesting experiences when going "further out" to fish. Twelve ebullient stories of adventure, travel, and international fly-fishing are told here. They are undergirded by a singular autobiographical story that weaves James White's passion for fly-fishing with his vocation in ministry. The book takes the reader from the Indian Ocean to the River Vltava in Bohemia. The characters met include "two-headed" Taswegians and Lake Woebegon "strong women." In one story, you stand with the author on "basement of time" metamorphics, beneath the Northern Lights in another, and before the Southern Cross in a third. You'll go on an "Ixthus/Christ and Ichthyology/Fishing" retreat. With the stories are illuminating photographs of giant rainbows, massive moose antlers, and "Jesus Rays" coming through a Ukrainian Orthodox church cupola. The book leads to rumination on Henry David Thoreau's observation that "Men may go fishing all their life and never know it's not fish they're after."

Got Carrots? Rescued Horse Patti Dammier 2017-05-23 Spring was everywhere. The long, dreary, snowy days were fading, and the thawing weather had begun. No longer did the horses have to dig under the snow for grazing. At the edge of small wooded area where the wild horses often took shelter, the heavy branches of the trees, loaded with snow and ice, dripped a steady flow of water. This water would provide moisture for the new growing grass and provide the lush fields for the herd. It had been a long winter, and the horses greeted the kinder weather with anticipation. It seemed as if it was a wonderful dream as time flew by. There were several more days of classes and then a planned schooling show for halter and trail ride event. The other farms they had visited were going to join the Rolling Hills Farm for a picnic and event day. Got Carrots was going to perform in her first halter class. There were quiet murmurs among the group, because no one wanted to surprise or frighten the wild horses. Mike whispered, Its them. Look! Its the wild horses. They all watched in surprised amazement as the herd quietly lined the lake and began to drink. The group watched as the horses slowly drank from the lake. The drinking went on for some time, and just as suddenly as the horses appeared, they departed. It was an unhurried, slow motion as the wild horses vanished into the fading light just as suddenly as they appeared.
