Hand Down, Man Down Fadi Jolag 2018-01-16 Nobody is exempt from struggles and challenges in life. To mature and grow personally and in our faith, we need to embrace difficult circumstances and situations, viewing them as opportunities to witness God's unending faithfulness and love. In the game of basketball, players struggle with anxiety, tough competition, and physical and psychological challenges. Ultimately, however, the value of the game isn't determined by who wins or loses, but by how much players grow from the challenges they face. When you put your heart and soul into each play, you can't help but be a winner! Life is no different. When storms arise and we feel that God has forgotten about us, we need to stick to our faith and believe that He will finish what He started. These struggles test and strengthen our faith, and

when we put our hearts and souls into serving our great God, we will be victorious! We need to face everything head on and lean on Christ to guide us in the path that He has created for us. A powerful use of a great sport as an analogy for the Christian life, Hand Down, Man Down will inspire readers of all ages.

As It Is in Heaven Greg Laurie 2014-01-01 Our lives here are so often cluttered with the "cares of this world" that we fail to consider heavenly priorities and how they should be reflected in our earthly ones. At the beginning of Jesus' most famous prayer, He teaches us to pray that God's will "be done on earth as it is in heaven". What heaven is up to is critical for us to understand if we're going to live biblically. Pastor Greg Laurie explains that heaven is anything but a long, boring church service. People in heaven know about the time and place of ongoing events on earth. They are rational and recall everything from their earthly days, but most importantly for us, they

have a unique perspective from which we can learn a great deal. In this rich and relevant study, Greg sheds scriptural light on the sensational books and stories about people going to heaven and coming back, answers the nagging questions we are all dying to ask, and guides us to focus—right now—on what really matters.

struggle to keep going sometimes. He wrestled with depression and a lack of spiritual energy, and he struggled to find joy and growth in his walk with Christ. Maybe you've been through a crisis of your own. Or maybe the busyness of life has overwhelmed you, or your faith has grown stale over the years and you've just been going through the motions. So how do you get back to being spiritually energized? In *Reignite*, Dr. Graham shares the powerful lessons he learned during his own dark night of the soul. He shares biblical insights on how to keep your relationship with God from growing cold, how to focus on what truly matters, and how to make the most of your years on earth, creating a legacy that advances the kingdom of God. A Focused Faith Janet S. Williams 2010-12-07 The lives of our children are being destroyed by drugs, gangs, and so often the loneliness of growing up without a mom or a dad. Many moms and dads have given up all hope of a better life for their families. People all over our world, are hungry not only for food, but also for a stabilizing force in their lives. Our mission as Christians is to bring the love, mercy, and saving grace of Christ to the hurting, the hungry, the thirsty, and the helpless, on planet earth. To impact the world in which we live, we must first focus our faith firmly on God, who created our world. When our lives are focused on Christ's example, and we accept the great mission that He gave us, the world will become a better place for everyone. My dear

brothers and sisters, dare to reach out and become the hands and arms of Jesus, and to embrace the hurting and brokenhearted of this world with His love. There are people dying every day all over the earth without Christ's saving grace or mercy. We have Christ's love living within us. Brothers and sisters, we must dare to give it away.

combining rich historical and theological insights to reflect on the true heart of the Christian story. For Jon Meacham, as for believers worldwide, the events of Good Friday and Easter reveal essential truths about Christianity. A former vestryman of Trinity Church Wall Street and St. Thomas Church Fifth Avenue, Meacham delves into that intersection of faith and history in this meditation on the seven phrases Jesus spoke from the cross. Beginning with "Father, forgive them, for they do not know what they do" and ending with "Father, into thy hands I commend my spirit," Meacham captures for the reader how these words epitomize Jesus's message of love, not hate; grace, not rage; and, rather than vengeance, extraordinary mercy. For each saying, Meacham composes an essay on the origins of Christianity and how Jesus's final words created a foundation for oral and written traditions that upended the very order of the world. Writing in a tone more

intimate than any of his previous works, Jon Meacham returns us to the moment that transformed Jesus from a historical figure into the proclaimed Son of God, worshiped by billions.

The Jesus Lens Leroy Spinks
2018-08-30 The Bible is a record of and witness to divine-human encounter and relationship--period! If we read the Bible as a technical treatise in which every word stands on equal footing, we distort the meaning of scripture. If, on the other hand, we read every sentence of the Bible through the lens of Jesus Christ, we come to see God in all the glory we earth-bound and time-bound creatures can stand ... Trust Jesus and let him show you how to read the record of God's self-revelation. READ EVERYTHING BEFORE JESUS AND EVERYTHING AFTER HIM THROUGH THE JESUS LENS.

As Christ Is My Example Jan Keegan 2015-12-28 *As Christ Is My Example: A Daily Walk in Faith with Christ*, takes its readers on a month-long sojourn through the life of Jesus Christ. The author, Jan Keegan, has crafted thirty-one daily devotional reflections and

presented them with illustrations by Heather H. Hatheway. The pairings help readers to focus on the themes that arise naturally from contemplating the life, ministry, teachings, and examples offered by the biblical witness of Jesus contained in the four gospels. Each days devotion turns the readers attention to a theme, such as prayer, forgiveness, temptation, love, mercy, turning the other cheek, work, and pleasing God. Each reflection begins with the phrase, *As Christ is my example*, and then, giving voice in the first person, shares an insight with roots in the gospels. By cultivating a sense of simplicity and focus, the entries in *As Christ Is My Example: A Daily Walk in Faith with Christ*, will help anyone who commits time each day for a month to experience the gifts of grace and life that Jesus offers. The book is especially helpful during special times of the year such as in the Lent and Advent seasons. The promise that Jesus extends, I

Flourish Lydia Brownback
2019-01-17 What Keeps Us from Flourishing? We all long to live out our faith with daily joy, but so often that joy eludes us. Why is that? More often than we realize, it's because we've absorbed messages that curve us in on ourselves. These

messages have even crept into the church, disguised as truth. It's time we learn to discern teaching that's toxic from that which is true and pure. Flourish equips us with tools to identify the lies that come at us about where to find real life. As we dig deep into what God says in his Word, we will learn to discern the worldly influences that threaten to warp our understanding of what it really means to be a Christian, and emerge with a faith that flourishes—full of the abundant life Jesus promises.

Focus on Christ John Stott
2019-06-30 It pleases the Father, Son and Spirit that the Son, Jesus Christ, be the centre of our worship, have the name above all names, and be first above all things. Everyone has a relationship with him - whether bearing his image but being estranged from him or knowing Christ as Lord and Saviour. In this book, John Stott draws our attention to how the New Testament speaks of Jesus Christ. He examines the prepositions used to help us understand more deeply, our position in relation to the Son of God. We are to live in Christ, through Christ, on Christ, with Christ, under Christ, for Christ, and like Christ - and this book will help you become truly Christ-centred.

ONE FOCUS (Faith, Hope and Love) Jeffrey E. Pollock

2012-11 Jeff Pollock's poetry is inspired by the only truth worth living and dying for in this mixed up world. Jesus said, "I am the way, the truth, and the life." There is one way to the Father and His Son Jesus Christ our Lord proved He is it! The Old Testament book of Isaiah says God keeps in perfect peace those who believe in Him and trust Him completely. A steady following, feeding, and focus on Jesus Christ brings peace to fruition, full enjoyment! No one deserves peace, no self-help guru or relaxation technique will give it; God's peace is beyond understanding, though it is available to everyone. Focused Faith Frankie Miller
2023-09-13 When you open this book, you will find and discover that you aren't just reading, but you're on a lifetime journey with God, through his Son Jesus Christ! You are walking out your Christian faith through the eyes of an everyday believer. You will discover how he responded to the various trials of everyday

life, which affect us all. You will also discover how through the Bible, applied to everyday struggles, can change how you perceive a situation and also change your situation. The Bible declares in John chapter 1 verses 1-5, "In the beginning was the word and the word was with God and the word was God. He was in the beginning with God. All things were made through him, and without him nothing was made that was made. In him was life and the life was the light of men. And the light shines in the darkness and the darkness did not comprehend it." This scripture simply means that when you apply scripture to your everyday problems, through prayer, then you're putting God in your situation because he is his word. Hopefully, while reading this book, you will be inspired to walk with faith and not by sight.

congregations have been very focused on "doing church" better. A lot of effort and resources have been poured into worship and ministry programs, and they have significantly improved yet Christianity has been steadily declining. Could it be that "doing church better" is not the answer to stop the decline of Christianity in America? Could it be that we have paid too much attention to what's happening at church and not enough attention to what's happening at home? Do we care that many church goers are living, acting, dressing, behaving one way at church and a complete different way at home and as a result, children raised in those environments are later leaving the church at an all time high rate? In *The Faith@Home Focused Church* Pastor Holmen is going to challenge church leaders to consider three very important questions; Do we want the home to be the primary place where faith is lived and nurtured?

The Focus of Our Faith Jeff Doles 2012-10 FOCUS IS IMPORTANT. The better your focus, the more clearly you can see. But it is important that your focus be on the right thing because your direction will follow your focus. When your focus is clear and on the right thing, then you will be heading in the right direction. The gospel of our faith is the good news that the kingdom of God has come and Jesus is the

Messiah, God's anointed King. He is the focus of our faith — not only the One upon whom we fix our attention but also the One through whom we view the whole world, to see more clearly and understand God's purpose with greater wisdom. That is what Paul's letter to the Jesus believers at Colosse is about. This book is a study of that letter. In it you will learn about: • The blessing and inheritance God has for you • The divine power trio: faith, hope and love • A walk that is worthy, a life that is pleasing and fruitful • Knowing God more and more • How all things hold together • Where all divine fullness dwells • The reconciliation of heaven and earth • The good news of God's pleasure • The revelation of divine glory in you • Being rooted and built up in Jesus • The powers that have been disarmed • Living from a higher realm • The Word that qualifies us • Clothes for your new life • New life at home and in the community of faith • The spiral of watchful, thankful prayer • Walking in wisdom...

Shift Abby McDonald 2020-02-04 If we want to see God in the midst of our struggles, we have to change the way we look for him. But what about the seasons when he

seems invisible? Scripture tells us God never sleeps, but it is easy to feel like he is not attuned to our needs. Shift explores the life-changing truth that when we adjust our lens to focus our eyes on God rather than on what we wish we were seeing in our lives, he reveals himself to us. In fact, those moments when he seems invisible to us are often when others see him the most in us. When Jesus walked the earth, he looked to God for his earthly needs. Jesus had deep a relationship with the Father that fueled his mission, his purpose, and his effectiveness. Scripture tells us that we can have that too. But there is a shift that needs to take place in our hearts and minds. No matter our circumstances, we can see God in our lives—right here, right now.

are a part of, from books, to streaming services, to products, to politics, and even to our faith. We want to be invited to give input. We want our voices to be heard, our opinions to be known. Focus Groups are a formalized way to gather and process input so that consumers' ideas can be better served. This works great in the business arena, but when we take this approach in our relationship with Jesus Christ, we are set up for a lot of frustration. There are many ways we try to tell Him how He can improve our religious experience with Him. If He would only listen... but we find God Does Not Do Focus Groups. God is only interested in having us move toward Him on His terms. This book helps us see the ways we try to leverage God into doing a focus group with us and then explains why it is in our best interest that He NEVER will. [My One Word](#) Mike Ashcraft 2012-12-18 The concept of My One Word is simple. Lose the long list of resolutions—all your sweeping promises to

change—and do something about one thing this year instead of nothing about everything. Choose just one word that represents what you most hope God will do in you, and focus on it for an entire year. This single act will force clarity and concentrate your efforts. As you focus on your word over an extended period of time, you position yourself for God to form your character at a deep, sustainable level. Growth and change will result. Author Mike Ashcraft, who has led his megachurch through this My One Word project for more than five years, and Proverbs 31 Ministries author and speaker Rachel Olsen, who has lived it, are encouraging, insightful, good-humored, yet realistic in this enjoyable read. Their stories of growth and change through My One Word will keep you motivated. Throughout the book you'll also find words and stories of people just like you who have joined the My One Word movement and discovered the power of just one word.

Daily Prayer Focus Wendy Bowen 2020-06-05 Too often, prayer is consumed with our own will, our own problems, and our own desired outcomes. While it is good to bring our requests to the Lord, what God desires is for our minds to be renewed in the truth so that when we pray, we pray according to His will. God has revealed His will through His Word. This book gives Scriptures for praying according to the will of God on matters important to His heart. Each day of the week has a particular focus topic. Using this book as a guide for your prayers will increase your revelation, knowledge, and understanding of God's purposes. Your prayers will become inspired and ignited by the Holy Spirit, the Spirit of truth, who delights to pray according to God's will.
