Outwitting History Aaron Lansky 2005-09-02 "Incredible . . . Inspiring . . . Important."

—Library Journal, starred review "A marvelous yarn, loaded with near-calamitous adventures and characters as memorable as Singer creations." —The New York Post "What began as a quixotic journey was also a picaresque romp, a detective story, a profound history lesson, and a poignant evocation of a bygone world." —The Boston Globe "Every now and again a book with near-universal appeal comes along: Outwitting History is just such a book." —The Sunday Oregonian As a twenty-three-year-old graduate student, Aaron Lansky set out to save the world's abandoned Yiddish books before it was too late. Today, more than a million books later, he has accomplished what has been called "the greatest cultural rescue effort in Jewish history." In Outwitting History, Lansky shares his adventures as well as the poignant and often laugh-out-loud stories he heard as he traveled the country collecting books. Introducing us to a dazzling array of writers, he shows us how an almost-lost culture is the bridge between the old world and the future—and how the written word can unite everyone who believes in the power of great literature. I Was a Stranger Chris Kelley 2008-06 A man of peace. A vengeful dictator. A priceless gift from America. Held 1,431 days in horrendous conditions, Feliberto Pereira endured for the day freedom would arrive -- a morning flight from Cuba to Miami, part of the largest airborne rescue of its kind in U.S. history. Dame Traveler Nastasia Yakoub 2020-03-03 A breathtaking celebration of Instagram's premier solo female travel community, featuring 200 striking photographs—most of them all-new—plus empowering messages and practical tips for solo travelers. “For those with passports full of stories, this book carries you away to every dreamy corner of the earth. I can’t stop flipping through these visually incandescent pages to see where I’m capable of traveling to next!”—Caila Quinn, The Bachelor contestant and lifestyle and travel influencer From backpackers in Peru to artists in Berlin to storytellers in Morocco, Dame Traveler celebrates the diversity and bravery of women from around the world who are not afraid to

think (and live) outside the box. The revolutionary Dame Traveler Instagram account was founded by Nastasia Yakoub, who was born into a strict Chaldean-Middle Eastern community where women are expected to marry young and put aside other personal ambitions. But at the age of twenty, Nastasia embarked on a solo trip to South Africa to volunteer at an orphanage in Cape Town, which sparked a love of world travel. Recognizing a void in the travel industry, she founded Dame Traveler, the first female travel community on Instagram, now more than half a million strong. Nastasia herself has traveled to sixty-three countries on solo adventures, sharing colorful photos of her tantalizing travels along the way. Dame Traveler celebrates these women with a photographic collection of 200 stunning images paired with inspiring captions, 80% of which have never been seen on the Instagram account. Organized into sections on architecture, culture, nature, and water, each entry features travel information, plus tips, advice, unique solo-travel experiences, and wisdom from contributing globe-trotters to embolden the next generation of Dame Travelers.

Cuba Rob Andrews 1998-02-24 "Two cousins, irreversibly damaged by a childhood prank whose devastating consequences changed both their lives, reunite twenty years later to renovate a medieval castle in Eastern Europe, a castle steeped in blood lore and family pride. Built over a secret system of caves and tunnels, the castle and its violent history invoke and subvert all the elements of a gothic past: twins, a pool, an old baroness, a fearsome tower. In an environment of extreme paranoia, cut off from the outside world, the men reenact the signal event of their youth, with even more catastrophic results. And as the full horror of their predicament unfolds, a prisoner, in jail for an unnamed crime, recounts an unforgettable story - a story about two cousins who unite to renovate a castle - that brings the crimes of the past and present into piercing relation." "Egan's relentlessly gripping page-turner plays with rich forms - ghost story,

love story, gothic - and transfixing themes: the undertow of history, the fate of imagination in the cacophony of modern life, the uncanny likeness between communications technology and the supernatural. In a narrative that shifts seamlessly from an ancient European castle to a maximum security prison, Egan conjures a world from which escape is impossible and where the keep - the last stand, the final holdout, the place you run to when the walls are breached - is both everything worth protecting and the very thing that must be surrendered in order to survive."--
