photography, this is the only illustrated guide that provides the practical information that you need while traveling--complete restaurant and hotel reviews with exact prices for lodging and dining (not ranges), plus time-saving tips and how to avoid crowds, exact admission prices to key sights, great photo stops, and special notes on "kid-friendly" attractions throughout. Hotels Our detailed reviews represent the best accommodations in Britain, in all price ranges. From five-star luxury hotels to low-budget pubs (if you can stand a little late night noise), we'll tell you what to expect in terms of price and quality through extensive coverage of hotels and their surrounding neighborhoods, exact prices of double-occupancy rooms (including breakfast), plus pictures of hotel facilities and guestrooms. Restaurants If you want to experience the best that Britain has to offer, pay particular attention to our outstanding restaurant coverage that will help you choose from the 5,000 local

eateries that cater to every budget and dining experience. From affordable, fish and chips at local pubs to places where you can splurge on a romantic, candlelit dinner--like Midsummer House Restaurant in Cambridge--you'll find it in See It Britain. Each review covers house signature dishes, ambiance, actual prices for a two-course lunch and a three-course dinner (for two people), hours of operation, and what transportation will get you there. The Sights Whether you want to relax at a spa in Bath, watch the sun set from a deserted Pembrokeshire beach, see a city from the top deck of a double-decker bus, or go clubbing at Fabric in London, See It Britain will take you there. Accessibly written to help you navigate throughout the country without missing a thing, each attraction includes exact admission prices, what galleries and museums not to miss, and where to stop for quick bites and refreshing drinks along the way. Sights are also rated for their "value", "walkability", "historic and

cultural interest", plus we suggest fantastic "photo stops" and entertaining and age-appropriate "kid-friendly" attractions throughout the book. What to Do? Our shopping walks will lead you to cutting-edge fashions to fit all budgets, from hip streetwear to expensive fashions for your feet. But, Britain has much more to offer than just sight-seeing and shopping. Fodor's See It Britain provides insider information on classical, theatrical, and cinematic performances, Britain's music scene (live jazz to underground youth centres), nightlife, spectator and activity sports, and festivals and events.
