The Kennel Murder Case S. S. Van Dine 2016-01-18 This early work by S. S. Van Dine was originally published in 1933 and we are now republishing it with a brand new introduction. 'The Kennel Murder Case' is one of Van Dine's novels of crime and mystery. S. S. Van Dine was born Willard Huntington Wright in Charlottesville, Virginia in 1888. He attended St. Vincent College, Pomona College and Harvard University, but failed to graduate, leaving to cultivate contacts he had made in the literary world. At the age of twenty-one, Wright began his professional writing career as literary editor of the Los Angeles Times. In 1926, Wright published his first S. S. Van Dine novel, *The Benson Murder Case*. Wright went on to write eleven more mysteries. The first few books about his upper-class amateur sleuth, Philo Vance, were so popular that Wright became wealthy for the first time in his life. His later books declined in popularity as the reading public's tastes in mystery fiction changed, but during the late twenties and early thirties his work was very successful.

Miss Madeira Austin Gary 2011-08 Miss Madeira is the story of an "Old Maid" schoolteacher in the first half of the 20th century. No one knew the shocking secrets of her home life—only that she was a brilliant but formidable teacher, who produced several generations of students forever known as "Madeira's Kids." Torn between her love for a woman who would later become her sister-in-law and a former student, Amelia Madeira lived a complex life, the pain of which informed but did not destroy her astonishing career. Miss Madeira reveals what lies beneath the facade of a typical Midwestern town.

White Trash Nancy Isenberg 2017-04-04 The New York Times Bestseller, with a new preface from the author "This estimable book rides into the summer doldrums like rural electrification. . . . It deals in the truths that matter."—Dwight Garner, The New York Times "This eye-opening investigation into our country's entrenched social hierarchy is acutely relevant."—O, The Oprah Magazine "White Trash will change the way we think about our past and present." —T. J. Stiles, Pulitzer Prize-winning author of *Custer's Trials* In her groundbreaking bestselling history of the class system in America, Nancy Isenberg, co-author of *The Problem of Democracy*, takes on our comforting myths about equality, uncovering the crucial legacy of the ever-present, always embarrassing—if occasionally entertaining—poor white trash. "When you turn an election into a three-ring circus, there's always a chance that the dancing bear will win," says Isenberg of the political climate surrounding Sarah Palin. And we recognize how right she is today. Yet the voters that put Trump in the White House have been a permanent part of our American fabric, argues Isenberg. The wretched and landless poor have existed from the time of the earliest British colonial settlement to today's hillbillies. They were alternately known as "waste people," "offals," "rubbish," "lazy lubbers," and "crackers." By the 1850s, the downtrodden included so-called "clay eaters" and "sandhillers," known for prematurely aged children distinguished by their yellowish skin, ragged clothing, and listless minds. Surveying political rhetoric and policy, popular literature and scientific theories over four hundred years, Isenberg upends assumptions about America's supposedly class-free society—where liberty and hard work were meant to ensure real social mobility. Poor whites were central to the rise of the Republican Party in the early nineteenth century, and the Civil War itself was fought over class issues nearly as much as it was fought over slavery. Reconstruction pitted poor white trash against newly freed slaves, which factored in the rise of eugenics—a widely popular movement embraced by Theodore Roosevelt that targeted poor whites for sterilization. These poor were at the heart of New Deal reforms and LBJ's Great Society; they haunt us in reality TV shows like *Here Comes Honey Boo Boo* and *Duck Dynasty*. Marginalized as a class, white trash have always been at or near the center of major political debates over the character of the American identity. We acknowledge racial injustice as an ugly stain on our nation's history. With Isenberg's landmark book, we will have to face the truth about the enduring, malevolent nature of class as well.

Queer Dramaturgies Alyson Campbell 2016-01-26 This international collection of essays forms a vibrant picture of the scope and diversity of contemporary queer performance. Ranging across cabaret, performance art, the performativity of film, drag and script-based theatre it unravels the dynamic relationship performance has with queerness as it is presented in local and transnational contexts.

The Bourgeois Virtues Deirdre Nansen McCloskey 2010-03-15 For a century and a half, the artists and intellectuals of Europe have scorned the bourgeoisie. And for a millennium and a half, the philosophers and theologians of Europe have scorned the marketplace. The bourgeois life, capitalism, Mencken's "booboisie" and David Brooks's "bobos"—all have been, and still are, framed as being responsible for everything from financial to moral poverty, world wars, and spiritual desuetude. Countering these centuries of assumptions and unexamined thinking is Deirdre McCloskey's *The Bourgeois Virtues*, a magnum opus that offers a radical view: capitalism is good for us. McCloskey's sweeping, charming, and even humorous survey of ethical thought and economic realities—from Plato to Barbara Ehrenreich—overturns every assumption we have about being bourgeois. Can you be virtuous and bourgeois? Do markets improve ethics? Has capitalism made us better as well as richer? Yes, yes, and yes, argues McCloskey, who takes on centuries of capitalism's critics with her erudition and sheer scope of knowledge. Applying a new tradition of "virtue ethics" to our lives in modern economies, she affirms American capitalism without ignoring its faults and celebrates the bourgeois lives we actually live, without supposing that they must be lives without ethical foundations. High Noon, Kant, Bill Murray, the modern novel, van Gogh, and of course economics and the economy all come into play in a book that can only be described as a monumental project and a life's work. *The Bourgeois Virtues* is nothing less than a dazzling reinterpretation of Western intellectual history, a dead-serious reply to the critics of capitalism—and a surprising page-turner.

The Agora Bone Well Maria A. Liston 2018-12-31 Even though Dorothy Thompson excavated the Agora Bone Well in 1938, the well and its remarkable finds have never been fully studied until now. Located outside the northwest corner of the Athenian Agora and dating to the second quarter of the 2nd century B.C., the well contained the remains of roughly 460 newborn infants, as well as a few older individuals. Also found in the well were the bones of over 150 dogs and an assortment of other animals, plus various artifacts, including an intriguing herm (treated here by Andrew Stewart) and an ivory chape. In addition to a thorough examination of the contents of the well, the authors provide a thoughtful analysis of the neighborhood in which the well was located and carefully compare the deposit with similar accumulations found elsewhere in the Mediterranean. The product of close cooperation between archaeological, palaeoanthropological, and faunal scholars, this interdisciplinary work will be of interest to a large audience across a variety of fields.

For the Love of Boston Terriers BrownTrout Publishers, Incorporated 2001-07-01

Murder With Peacocks Donna Andrews 2006-02-07 Three Weddings...And a Murder So far Meg Langslow's summer is not going swimmingly. Down in her small Virginia hometown, she's maid of honor at the nuptials of three loved ones—each of whom has dumped the planning in her capable hands. One bride is set on including a Native American herbal purification ceremony, while another wants live peacocks on the lawn. Only help from the town's drop-dead gorgeous hunk, disappointingly rumored to be gay, keeps Meg afloat in a sea of dotty relatives and outrageous neighbors. And, in whirl of summer parties and picnics, Southern hospitality is strained to the limit by an offensive newcomer who hints at skeletons in the guests' closets. But it seems this lady has offended one too many when she's found dead in suspicious circumstances, followed by a string of accidents—some fatal. Soon, level-headed Meg's to-do list extends from flower arrangements and bridal registries to catching a killer—before the next catered event is her own funeral...

For the Love of Boston Terriers Deluxe 2003-05-01 "This breed is one of America's oldest. Because of the Boston Terrier's sunny disposition, it is sometimes called "the American gentleman among dogs." a loving, sensitive dog, the Boston Terrier is a wonderful family companion.

Mathematical Analysis L. A. Lyusternik 2014-07-15 *Mathematical Analysis: Functions, Limits, Series, Continued Fractions* provides an introduction to the differential and integral calculus. This book presents the general problems of the theory of continuous functions of one and several variables, as well as the theory of limiting values for sequences of numbers and vectors. Organized into six chapters, this book begins with

an overview of real numbers, the arithmetic linear continuum, limiting values, and functions of one variable. This text then presents the theory of series and practical methods of summation. Other chapters consider the theory of numerical series and series of functions and other analogous processes, particularly infinite continued fractions. This book discusses as well the general problems of the reduction of functions to orthogonal series. The final chapter deals with constants and the most important systems of numbers, including Bernoulli and Euler numbers. This book is a valuable resource for mathematicians, engineers, and research workers.

For the Love of Yorkshire Terriers Deluxe 2003-05-01 The deluxe wall calendars measure 14" x 12" and offer large daily boxes in a pleasing and simple format intended for the discriminating customer.

The Five Continents of Theatre Eugenio Barba 2019-02-11 The Five Continents of Theatre undertakes the exploration of the material culture of the actor, which involves the actors' pragmatic relations and technical functionality, their behaviour, the norms and conventions that interact with those of the audience and the society in which actors and spectators equally take part.

More-with-Less Cookbook Doris Longacre 2003-09-26 This is a new edition of Herald Press's all-time best-selling cookbook, helping thousands of families establish a climate of joy and concern for others at mealtime. The late author's introductory chapters have been edited and revised for today's cooks. Statistics and nutritional information have been updated to reflect current American and Canadian eating habits, health issues, and diet guidelines. The new U.S. food chart "My Plate" was slipped in at the last minute and placed alongside Canada's Food Guide. But the message has changed little from the one that Doris Janzen Longacre promoted in 1976, when the first edition of this cookbook was released. In many ways she was ahead of her time in advocating for people to eat more whole grains and more vegetables and fruits, with less meat, saturated fat, and sugars. This book is part of the World Community Cookbook series that is published in cooperation with Mennonite Central Committee, a worldwide ministry of relief,

development, and peace. "Mennonites are widely recognized as good cooks. But Mennonites are also a people who care about the world's hungry."—Doris Janzen Longacre

Coming, Aphrodite! Willa Cather 1999-01-01 Best known for the distinctive portraits of the people and land of the American West in her prairie novels, Willa Cather is one of the greatest American writers of this century. The fourteen short stories in this richly diverse collection, along with an exemplary introduction by author Cynthia Griffin Wolff, allow for a more complex view of Cather. As a writer she was intrigued by nature's ruthlessness and mankind's limitless potential for brutality and had a passion for the beauty of art. Ranging from the simplicity of Cather's first published story, "Peter" (1892), to the extraordinary eroticism of "Coming, Aphrodite!" (1920), this Twentieth-Century Classics collection is an engaging and triumphant testament to the genius of an American literary icon. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Woodswoman Anne Labastille 1991-10-11 Ecologist Anne LaBastille created the life that many people dream about. When she and her husband divorced, she needed a place to live. Through luck and perseverance, she found the ideal spot: a 20-acre parcel of land in the Adirondack mountains, where she built the cozy, primitive log cabin that became her permanent home. Miles from the nearest town, LaBastille had to depend on her wits, ingenuity, and the help of generous neighbors for her survival. In precise, poetic language, she chronicles her adventures on Black Bear Lake, capturing the power of the landscape, the rhythms of the changing seasons, and the beauty of nature's many creatures. Most of all, she captures the struggle to balance her need for companionship and love with her desire for independence and solitude. Woodswoman is not simply a book about living in the wilderness, it is a book about living that contains a lesson for us all.

Take a Thousand Eggs Or More Cindy Renfrow 2003

Marley & Me John Grogan 2009-03-17 The heartwarming and unforgettable story of a family and the wondrously neurotic dog who taught them what really matters in life. Now with photos and new material. Is it possible for humans to discover the key to happiness through a bigger-than-life, bad-boy dog? Just ask the Grogans. John and Jenny were just beginning their life together. They were young and in love, with not a care in the world. Then they brought home Marley, a wiggly yellow furball of a puppy. Life would never be the same. Marley grew into a barreling, ninety-seven-pound streamroller of a Labrador retriever. He crashed through screen doors, gouged through drywall, and stole women's undergarments. Obedience school did no good -- Marley was expelled. But just as Marley joyfully refused any limits on his behavior, his love and loyalty were boundless, too. Marley remained a model of devotion, even when his family was at its wit's end.

Unconditional love, they would learn, comes in many forms. Marley & Me is John Grogan's funny, unforgettable tribute to this wonderful, wildly neurotic Lab and the meaning he brought to their lives.

Vanguards of the Plains Margaret Hill McCarter 1917

Women in Early British and Irish Astronomy Mary Brück 2009-07-25 Careers in astronomy for women (as in other sciences) were a rarity in Britain and Ireland until well into the twentieth century. The book investigates the place of women in astronomy before that era, recounted in the form of biographies of about 25 women born between 1650 and 1900 who in varying capacities contributed to its progress during the eighteenth, nineteenth and early twentieth centuries. There are some famous names among them whose biographies have been written before now, there are others who have received less than their due recognition while many more occupied inconspicuous and sometimes thankless places as assistants to male family members. All deserve to be remembered as interesting individuals in an earlier opportunity-poor age. Placed in roughly chronological order, their lives constitute a sample thread in the story of female entry into the male world of science. The book is aimed at astronomers, amateur astronomers, historians of science, and promoters of women in science, but being written in non-technical language it is intended to be of interest also to educated

readers generally.

Revolutionary Summer Joseph J. Ellis 2013-06-04 The Pulitzer Prize and National Book Award-winning author of *First Family* presents a revelatory account of America's declaration of independence and the political and military responses on both sides throughout the summer of 1776 that influenced key decisions and outcomes.

Glimpses of Fifty Years Frances Elizabeth Willard 1889 Willard's autobiography is not only the story of an outstanding woman of the 19th century, it is the personal history of the W.C.T.U., the largest of the 19th century women's organizations.

The Genius of Dogs Brian Hare 2013-02-05 The perfect gift for dog lovers and readers of *Inside of a Dog* by Alexandra Horowitz—this New York Times bestseller offers mesmerizing insights into the thoughts and lives of our smartest and most beloved pets. Does your dog feel guilt? Is she pretending she can't hear you? Does she want affection—or just your sandwich? In their New York Times bestselling book *The Genius of Dogs*, husband and wife team Brian Hare and Vanessa Woods lay out landmark discoveries from the Duke Canine Cognition Center and other research facilities around the world to reveal how your dog thinks and how we humans can have even deeper relationships with our best four-legged friends. Breakthroughs in cognitive science have proven dogs have a kind of genius for getting along with people that is unique in the animal kingdom. This dog genius revolution is transforming how we live and work with dogs of all breeds, and what it means for you in your daily life with your canine friend.

Looking Closer 5 Michael Bierut 2010-06-29 The final installment in this acclaimed series offers astute and controversial discussions on contemporary graphic design from 2001 to 2005. This collection of essays takes stock of the quality and profundity of graphic design writing published in professional and general interest design magazines, as well as on blogs and Internet journals. Prominent contributors include Milton Glaser, Maud Lavin, Ellen Lupton, Victor Margolin, Mr. Keedy, David Jury, Alice Twemlow, Steven Heller, Jessica Helfand, William Drenttel, Michael Bierut, Michael Dooley, Nick Curry, Emily King, and more. Among the important themes discussed: design as popular culture, design as art, politics, aesthetics, social responsibility, typography, the future of design, and more. Students, graphic designers beginning their careers, and veterans seeking fresh perspective will savor this anthology gathered from some of today's top graphic design writers and practitioners, as well as commentators from outside the profession. From the series that helped launch the design criticism movement and was the first to anthologize graphic design criticism from key sources, this volume promises to be the most provocative of all! Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Crampton Hodnet Barbara Pym 2013-08-01 Miss Morrow is content in her position as spinster companion to Miss Doggett, even if her employer and the woman's social circle regard her as a piece of furniture. Stephen Latimer, the new cleric and Miss Doggett's dashing new tenant, upsets the balance for Miss Morrow by proposing the long discounted possibility of marriage.

Cloud Atlas David Mitchell 2010-07-16 By the New York Times bestselling author of *The Bone Clocks* | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a taste for mind-bending, philosophical and scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. *Cloud Atlas* begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of

an infirm maestro who has a beguiling wife and a nubile daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, *Cloud Atlas* is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon.

Moosewood Restaurant New Classics Moosewood Collective 2015-08-18 Not since their phenomenally successful *Moosewood Restaurant Low-Fat Favorites* has Ithaca, New York's, famed Moosewood Collective assembled such a comprehensive and appealing group of recipes -- all brand-new. Complete with fascinating bits of multicultural food lore, time-saving tips, and interesting side notes gleaned from The Collective's many years as culinary pioneers, *Moosewood Restaurant New Classics* is an essential resource for every contemporary cook.

With or Without You Caroline Leavitt 2020-08-04 "Leavitt has crafted an irresistible portrait of midlife ennui and the magic of breaking free." —People "With or Without You is a moving novel about twists of fate, the shifting terrain of love, and coming into your own. With tenderness and incisive insight, Leavitt spotlights a woman's unexpected journey towards her art." —Madeline Miller, author of *Circe* A Best Book of the Month: Bustle * PopSugar New York Times bestselling author Caroline Leavitt writes novels that expertly explore the struggles and conflicts that people face in their search for happiness. For the characters in *With or Without You*, it seems at first that such happiness can come only at someone else's expense. Stella is a nurse who has long suppressed her own needs and desires to nurture the dreams of her partner, Simon, the bass player for a rock band that has started to lose its edge. But when Stella gets unexpectedly ill and falls into a coma just as Simon is preparing to fly with his band to Los Angeles for a gig that could revive his career, Simon must learn the meaning of sacrifice, while Stella's best friend, Libby, a doctor who treats Stella, must also make a difficult choice as the coma wears on. When Stella at last awakes from her two-month sleep, she emerges into a striking new reality where Simon and Libby have formed an intense bond, and where she discovers that she has acquired a startling artistic talent of her own: the ability to draw portraits of people in which she captures their innermost feelings and desires. Stella's whole identity, but also her role in her relationships, has been scrambled, and she has the chance to form a new life, one she hadn't even realized she wanted. A story of love, loyalty, loss, and resilience, *With or Without You* is a page-turner that asks the question, What do we owe the other people in our lives, and when does the cost become too great?

The Robe Lloyd C. Douglas 2012-05-17 More than 6 million copies sold! The classic Christian novel of the crucifixion and one Roman soldier's transformation through faith. At the height of his popularity, Lloyd C. Douglas was receiving an average of one hundred letters a week from fans. One of those fans, a department store clerk in Ohio named Hazel McCann, wrote to Douglas asking what he thought had happened to

Christ's garments after the crucifixion. Douglas immediately began working on *The Robe*, sending each chapter to Hazel as he finished it. It is to her that Douglas dedicated this book. A Roman soldier wins Christ's robe as a gambling prize. He then sets forth on a quest to find the truth about the Nazarene—a quest that reaches to the very roots and heart of Christianity. Here is the fascinating story of this young Roman soldier, Marcellus, who was in charge at the crucifixion of Jesus. After he won Christ's robe in a game of dice on Calvary, he experienced a slow and overpowering change in his life. Through the pages of this great book, the reader sees how a pagan Roman was eventually converted to Christ. Set against the vividly drawn background of ancient Rome, this is a timeless story of adventure, faith, and romance, a tale of spiritual longing and ultimate redemption . . .

The Fur Person [Illustrated Edition] May Sarton 2015-11-06 Includes 10 illustrations by Barbara Knox A delightful, whimsical tale—one of the most popular books for cat lovers ever written. May Sarton's fictionalized account of her cat Tom Jones's life and adventures prior to making the author's acquaintance begins with a fiercely independent, nameless street cat who follows the ten commandments of the Gentleman Cat—including "A Gentleman Cat allows no constraint of his person, not even loving constraint." But after several years of roaming, Tom has grown tired of his vagabond lifestyle, and he concludes that there might be some appeal after all in giving up the freedom of street life for a loving home. It will take just the right human companion, however, to make his transformation from Cat About Town to genuine Fur Person possible. Sarton's book is one of the most beloved stories ever written about the joys and tribulations inherent in sharing one's life with a cat.

Tocqueville in the Ottoman Empire Ariel Salzmann 2004 Based on archival research, this work examines the Ottoman ancien regime. The author argues that the success of the regime was due to the articulation of a complex financial network revolving around central state elite investments and an Istanbul-based and supervised banking system.

For The Love Of Boston Terriers Deluxe Wall Calendar 2004

Welcome to activistcash.com, your go-to destination for a vast collection of **For The Love Of Boston Terriers Deluxe Wall Calendar 2004** PDF eBooks.
