Pretender C. J. Cherryh 2006-03-07 The eighth novel in Cherryh's Foreigner space opera series, a groundbreaking tale of first contact and its consequences... Exhausted from a two-year rescue mission in space, the crew of the starship Phoenix return home to find disaster: civil war has broken out, the powerful Western Association has been overthrown, and Tabini-aiji, its forceful leader, is missing. In a desperate move, paidhi Bren Cameron and Tabini's grandmother Ilisidi, the aiji-dowager, along with Cajeiri, Tabini's eight-year-old heir, make planetfall and succeed in reaching the mainland. The brilliant and forceful Ilisidi seeks refuge at the estate of an old ally, and Tabini-aiji arrives at the door. As word of Tabini's whereabouts circulates, clans allied with Tabini descend upon

the estate, providing a huge civilian presence that everyone involved hopes will deter impending attacks by the usurpers. But as more and more supporting clans arrive, Bren finds himself increasingly isolated, and it becomes clear that both his extremely important report of alien contact in space, and even his life, rest on the shoulders of only two allies: Ilisidi and Cajeiri. Can one elderly ateva and an eight-year-old boy—himself a prime target for assassination—protect Bren, a lone human involved in a civil war that most atevi believe he caused? The long-running Foreigner series can also be enjoyed by more casual genre readers in sub-trilogy installments. Pretender is the 8th Foreigner novel, and the 2nd book in the third subtrilogy.

Foreigner: 10th Anniversary Edition C. J.

Cherryh 2004-12-07 The groundbreaking novel that launched Cherryh's eponymous space opera series of first contact and its consequences It had been nearly five centuries since the starship Phoenix, lost in space and desperately searching for the nearest G5 star, had encountered the planet of the atevi. On this alien world, law was kept by the use of registered assassination, alliances were defined by individual loyalties not geographical borders, and war became inevitable once humans and one faction of atevi established a working relationship. It was a war that humans had no chance of winning on this planet so many light-years from home. Now, nearly two hundred years after that conflict, humanity has traded its advanced technology for peace and an island refuge that no atevi will ever visit. Then the sole human the treaty allows into atevi society is marked for an assassin's bullet. The work of an isolated lunatic? The interests of a particular faction? Or the consequence of one human's fondness for a

species which has fourteen words for betrayal and not a single word for love?

Precursor C. J. Cherryh 2000-10-01 The fourth novel in Cherryh's Foreigner space opera series, a groundbreaking tale of first contact and its consequences... Over three years have passed since the reappearance of the starship Phoenix, which two centuries before left an isolated colony of humans on the world of the volatile

atevi. Since that time, humans have lived in exile on the island of Mospheira; but the unexpected return of the Phoenix has shattered the fragile political balance of these two nearly incompatible races. For the captains of the Phoenix offer the atevi something the Mospheiran humans never could—access to the stars. For three breakneck years, the atevi labor to build a space shuttle which will bear their representatives to the Phoenix, to strengthen connections with their new human allies and retain their bid for control of their world. But as soon as the shuttle proves spaceworthy, the captains of the Phoenix suddenly recall their planetary delegates, breaking diplomatic contact and initiating a vicious bid for political dominance. But the powerful head of the atevi's Western Association is not to be outmaneuvered, and he sends his own diplomat, or paidhi, Bren Cameron, into space to negotiate. Thrust into a political maelstrom with almost no preparation, can Bren gain control of the station and political

supremacy for the atevi without sparking a three-sided interspecies war?
Commentary on John Cyril of Alexandria 2015-04-02 Cyril of Alexandria (ca. 378-444), one of the most brilliant representatives of the Alexandrian theological tradition, is best known for championing the term Theotokos (God-bearer) in opposition to Nestorius of Constantinople. Cyril's great *Commentary on John*, offered here in the *Ancient Christian Texts* series in two volumes, predates the Nestorian controversy and focuses its theological firepower against Arianism. The commentary, addressed to catechists, displays Cyril's breathtaking mastery of the full content of the Bible and his painstaking attention to detail as he offers practical teaching for the faithful on the cosmic story of God's salvation. David R. Maxwell provides readers with the first completely fresh English translation of the text since the nineteenth century. It rests on Pusey's critical edition of the Greek text and displays Cyril's

profound theological interpretation of Scripture and his appeal to the patristic tradition that preceded him. Today's readers will find the commentary an indispensable tool for understanding Cyril's approach to Scripture. Ancient Christian Texts are new English translations of full-length commentaries or sermon series from ancient Christian authors that allow you to study key writings of the early church fathers in a fresh way.

Explorer C. J. Cherryh 2003-11-04 The sixth novel in Cherryh's Foreigner space opera series, a groundbreaking tale of first contact and its consequences... It has been nearly ten years since the starship Phoenix returned to Alpha, the station orbiting the world of the atevi, which had been abandoned following a rift between a faction of the station's inhabitants and the spacers' Pilot's Guild. The unexpected return of the Phoenix has forever changed the lives of both atevi and Mospheirans, for over the ensuing decade, the captains of the Phoenix have brought both species into space. Their motivation seemed simple: Reunion Station, a human station in another sector of space, had been destroyed by aliens. But on his deathbed, the senior captain of the Phoenix admits that he

lied to the crew—that Reunion was merely damaged, not destroyed, and many people may have survived. At this disclosure, the crew rebels and forces the Phoenix to undertake a rescue mission to Reunion. Onboard the rescue mission are Bren Cameron, brilliant human paidhi representing the atevi ruler Tabini-aiji, and Tabini's grandmother Ilisidi, a fearsome and ambitious atevi leader with an agenda of her own. Trapped in a distant star system with little fuel left, facing a bellicose alien ship, how can Bren help to avoid interspecies war when the notoriously secretive Pilot's Guild aboard Reunion Station refuse to cooperate, and may have kept the inhabitants of their own station ignorant of their true situation? The long-running Foreigner series can also be enjoyed by more casual genre readers in sub-trilogy installments. Explorer is the 6th Foreigner novel, and the 3rd book in the second subtrilogy. *The Imperial Magazine* Samuel Drew 1831

Here, too, is a history of Earth's contact and challenging interactions with the

mysterious and powerful Civilization of Five Galaxies, a look at its institutions, languages, and customs, plus a time line of momentous events going back 3 billion years. Convergence C. J. Cherryh 2018-01-02 A new phase in the Foreigner Universe begins.

Knowledge about the dangerous situation in adjacent space rests only with Bren Cameron and a handful of others. Bren must try to prepare her fellow human inhabitants for the arrival of many more desperate human refugees from space.

Inheritor C. J. Cherryh 1997-02-01 The third novel in Cherryh's Foreigner space opera series, a groundbreaking tale of first contact and its consequences... Six months have passed since the reappearance of the starship Phoenix—the same ship which brought a colony of humans to the hostile environment of alien atevi nearly two hundred years ago. During these six months, the atevi have reconfigured their fledgling space program in a bid to take their place in the heavens alongside humans. But the return of the Phoenix has added a frighteningly powerful third party to an already volatile situation, polarizing both human and atevi political factions, and making the possibility of all-out planetary war an even more likely threat. On the atevi mainland,

human ambassador Bren Cameron, in a desperate attempt to maintain the peace, has arranged for one human representative from the Phoenix to take up residence with him in his apartments, and for another to be stationed on humanity's island enclave. Bren himself is unable to return home for fear of being arrested or assassinated by the powerful arch conservative element who wish to bar the atevi from space. Responsible for a terrified, overwhelmed young man, and desperately trying to keep abreast of the atevi associations, how can Bren possibly find a way to save two species from a three-sided conflict that no one can win?

Protector C. J. Cherryh 2014-04-01 The fourteenth novel in Cherryh's Foreigner space opera series, a groundbreaking tale of first contact and its consequences... Civil war on the world of the atevi is finally over. Bren Cameron, brilliant human diplomat allied with the dominant Western Association, has finally returned to the capital from the southern coast, where he negotiated a daring redistribution of the atevi legislature. Now, Bren is settling back into the capital, in the home he knew prior to the war—but life at the atevi court is never easy. Tabini-aiji, head of the Western Association and Bren's ally, has promised his son, Cajeyri, that he can have the young human children he knew from his voyage on the world's space station sent down to the planet for a birthday celebration. But there's far a darker business going on in the background—a major split compromising the Assassins' Guild, which

furnishes security and law enforcement to the whole continent. Tabini's consort's own father has been barred from court, and may be involved in a new conspiracy against him. Tabini wants Bren to take charge of Cajeiri, and see him and his young guests to safety, all while keeping the security problem a state secret. Can Bren protect Cajeiri and the unsuspecting human children who are to be guests in an atevi household that is on the brink of political explosion? The long-running Foreigner series can also be enjoyed by more casual genre readers in sub-trilogy installments. Protector is the 14th Foreigner novel, and the 2nd book in the fifth subtrilogy.

What Mad Universe Frederic Brown 1949 Pulp SF magazine editor Keith Winton was answering a letter from a teenage fan when the first moon rocket fell back to Earth and blew him away. But where to? Greenville, New York, looked the same, but Bems (Bug-Eyed Monsters) just like the ones on the cover of Startling Stories walked

the streets without attracting undue comment. And when he brought out a half-dollar coin in a drugstore, the cops wanted to shoot him on sight as an Arcturian spy. Wait a minute. Seven-foot purple moon-monsters? Earth at war with Arcturus? General Dwight D. Eisenhower in command of Venus Sector? What mad universe was this? One thing was for sure: Keith Winton had to find out fast - or he'd be good and dead, in this universe or any other.

Foreigner C. J. Cherryh 1994 It had been nearly five centuries since the starship Phoenix had become lost in space and had encountered the world of the atevi. On this world where law was kept by registered assassination, war between the humans and atevi was inevitable. Visitor C. J. Cherryh 2016-04-05 The seventeenth novel in Cherryh's Foreigner space opera series, a groundbreaking tale of first

contact and its consequences... The human and atevi inhabitants of Alpha Station, orbiting the world of the atevi, have picked up a signal from an alien kyo ship telling them that the ship is inbound toward Alpha. Five thousand of the inhabitants of Alpha are human refugees from the now derelict Reunion Station. They have seen this scenario before, when a single kyo ship swooped into the Reunion system and, without a word, melted a major section of Reunion Station with a single pass. These refugees, who were rescued through the combined efforts of an allied group of humans and atevi and brought to safety at Alpha, are now desperate with fear. Bren Cameron—brilliant human emissary of Tabini-aiji, the powerful atevi political leader on the mainland below, and also the appointee of the human president of the island nation of Mospheira—is the obvious choice of representative to be sent up to deal with both the panicked refugees and the incoming alien ship. As a member of the spacefaring delegation

who rescued the refugees, Bren has talked to kyo before—and even won their trust by saving one of their kind from a Reunioner prison. Because of his remarkable diplomatic and linguistic abilities, Bren managed to communicate with that grateful kyo individual on a limited basis, and he has evidence that that same kyo is on the ship heading to defenseless Alpha Station. But no one can predict what an alien race might do, or what their motivations could be. And Bren Cameron, the only human ever to be accepted into atevi society, is now the one individual with a hope of successfully interacting with the crew of the incoming ship. But Bren knows it will take putting himself in the hands of the kyo. Can Bren count on the gratitude of one individual alien to save his life and the lives of thousands on Alpha Station?

Deliverer C. J. Cherryh 2008-01-02 The ninth novel in Cherryh's Foreigner space opera series, a groundbreaking tale of first contact and its

consequences... In the aftermath of civil war, the world of the atevi is still perilously unstable. Tabini-aiji, powerful ruler of the Western Association, along with his son and heir Cajeiri, and his human paidhi, Bren Cameron, have returned to the seat of power. The usurper, Murini, has escaped to the lands of his supporters, but the danger these rebels pose is far from over. Ilisidi, Tabini's grandmother, the aiji-dowager, has returned to her ancient castle in the East, for she has powerful ties in the lands of the rebels, and she seeks to muster whatever support for her grandson that she can from among those enemy strongholds. In his father's tightly guarded headquarters, eight-year-old Cajeiri is horribly bored. Two years on an interstellar starship surrounded by human children have left him craving excitement. But unbeknownst to this dissatisfied youngster, he has become a target for forces bent on destroying his father's rule and everything it stands for. Though still a child, Cajeiri embodies

a unique threat to the venerable, tradition-defined lifestyle of his people. For this young boy is the first ateva youth to have lived in a human environment. And after hundreds of years of tenuous atevi-human coexistence, Cajeiri may very well be the first ateva to ever truly understand the so similar yet so dangerously different aliens who share his home planet and threaten the hidebound customs of his race. The long-running Foreigner series can also be enjoyed by more casual genre readers in sub-trilogy installments. Deliverer is the 9th Foreigner novel, and the 3rd book in the third subtrilogy.
