

# Forever Beginning Exploration Of The Faith For New Believers

*Hope 4 You* Carole Lewis 2010-12-16 What is hope? Where does it come from? How can believers face the future with confidence—not with blind optimism, but deep trust in God's plans? In *Hope 4 You*, First Place 4 Health National Director Carole Lewis examines the theme of hope as presented in God's Word, and illustrates what hope is and is not through the real-life experiences of Carole and a number of her friends in the faith. Carole leads readers on an exploration of Scripture, which identifies the Holy Spirit as the Source of all hope. With this understanding, believers can walk with God (which restores hope), work with God (which renews hope) and wait on God (which revives hope). Carole underscores that hoping is never passive or inactive; it is productive, meaningful and full of purpose. Hope motivates us to take practical steps toward our mental, physical, emotional and spiritual goals.

**Public Theology: Exploring Expressions of the Christian Faith** Bonnie Miriam Jacob, Editor 2020-09-06 This book is an important step

in clarifying the issues that come up when addressing the public square. It is an early effort towards a coherent theological frame for engagement in socio-political issues, this time rooted in the richness of a multi-faith context like that of India. While the church is the primary social context in which the saving power of God is made visible, this book equally insists that it is in the larger arena of what God is doing in the world that the kingdom's historic presence is felt. It is a fitting tribute to a man who has spent much of his life opening up the spaces where the Word is in vital conversation with the larger world. Melba Padilla Maggay, PhD, Institute for Studies in Asian Church and Culture (ISACC).

*Many Infallible Proofs* Henry M. Morris 1974 Christians today - especially in America - are woefully ignorant about the Bible, and what impact it can have on a world of darkness. This despite the words of 1 Peter 3:15: "But in your hearts set apart Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have." Thankfully, scholars like Henry Morris have seen fit to provide us with good answers for questions posed by Bible critics...and by multitudes of Christians, for Christ himself has provided us with many infallible proofs (Acts 1:2-3). Christians will be strengthened with these topics: Problems in verbal inspiration Fulfillment of prophecy The structure of Scripture Alleged Bible contradictions The Bible and science The Bible and ancient history The unique birth of Christ

*The New Believer's Guide to the Christian Life* Alex Early 2016-10-18 What Life as a Christian Really Looks Like New believers need to know what to expect. While many books cover the nuts and bolts of new faith--how to read the Bible, how to pray, how to find a church--in this book, Alex Early focuses on issues of the heart. What are Christians supposed to feel? What happens when they sin? What does God want from them? Designed to challenge and reassure, this book gives a realistic depiction of the Christian life,

and includes such topics as how to rest in God's love, what forgiveness looks like when you blow it, what it means to find your identity in Christ, and how to pray with honesty and transparency. God isn't surprised when we struggle, and although being in a relationship with God is amazing, he never promised that this life would be easy. He can handle "real" people, and he pours out his reckless love regardless of what we do or think on any given day. We all need to be reminded of this, but especially those new to the faith. This book is ideal for new believers, but seasoned Christians should also have copies on hand to give away. Includes end-of-chapter questions and a "Christianese to English" glossary.

[Beginning a Christian Faith Walk](#) Patricia Pryor 2017-06-04 A simple and effective guide to the basics of living a Christian lifestyle. Drawing on both history and the Bible the author presents topics as varied as how to interpret the Bible and how to navigate the multi-denominational church world. A great way to explore the ideals of faith, freedom, and fellowship. If you're looking for peace and success in an authentic faith-filled lifestyle, this is a great place to start.

*Faith Forward* David M. Csinos 2013 Knowing how to nurture faith in young people is a challenge, particularly when we want to encourage a faith that is generous, innovative, and contextual. Faith Forward gathers 21 presentations from the 2012 "Children, Youth, and a New Kind of Christianity" conference held in Washington, D.C., and makes them available for those in ministry with children and youth, pastors, parents, professors - anyone called to help young people on their journey of faith. Authors and attendees alike came from several countries and many denominational inflections. Likewise, the chapters express various contemporary takes on Christian faith and discipleship. This book is a goldmine of information and inspiration for those seeking to engage children and youth in respectful conversation, exploration, and learning in today's complex world. If you are seeking grassroots, forward-thinking, ecumenical, innovative, and collaborative ways to do children and youth ministry, then this book provides the material to move you in that direction.

**Exploring Eternal Principles** Jimmy D. Davis, BS, MEd, ThD 2015-11-11 When was the last time you stopped to consider the fact that you are going to die—or thought about what might take place after your death? When you stop to consider these critical issues in your life, you must set your mind to discovering the absolute truth. In *Exploring Eternal Principles*, author Jimmy Davis helps us understand that denying these principles—denying the truth—will not change the fact that, regardless of what you believe now, nothing changes the absolute truth. It remains the truth no matter what anyone says or does to the contrary. God Almighty has established some very profound and sacred principles for life—a set of fundamental rules and laws that have an eternal impact on your life, whether you believe them or not. Sadly enough, the real truth of God has been distorted and perverted in our world today. Perhaps you believe the world and its lies; the time has come for each of us to learn and understand the real truth and what it means. Now you are able to explore the Eternal Principles and discover for yourself what you must do to follow them with absolute faith and understanding.

**This Beautiful Book** Steve Green 2019-11-12 In *This Beautiful Book*, Steve Green - founder of The Museum of the Bible - highlights life-changing themes woven through the mosaic of the Bible's various stories, reveals a new way to engage Scripture as a whole, and inspires deep appreciation for the Bible's connection to your life. The most popular and culture-shaping text in the world, the Bible is still the least understood book of all time. The Bible's collection of history, poetry, genealogy lists, and mystifying prophecies often prove puzzling to readers. And when this text is read in pieces, we're left with only a half-impression of the vibrant mosaic. *This Beautiful Book* highlights the thematic threads woven throughout the ancient writings and shows us a new way to engage with Scripture as a whole. Through insights gained from firsthand experiences in leading and developing the first world class Bible museum, Green invites readers to step back from the individual stories of the Bible and consider the Bible as a whole. He reveals the completeness, connection, and transformative power of Scripture. Along with stunning

retellings of biblical stories, Green helps readers see the story within the story, and draws the careful connections that help us appreciate the richness of the Bible story as a single story. Each page will spark or embolden your faith in a God who speaks to us across the centuries. A truly captivating experience, this book will instill in you a deep appreciation for Scripture and its profound connection to your own life story.

**New People Forever** J. Scott Duvall 2009-11-01 How do we conform to the image of Jesus Christ? How do we grow in maturity as believers? How do we truly live out and experience all that God is and all that He offers to us? The Experiencing God's Story series answers these questions and more through an examination of twelve essential topics of spiritual formation. Presented through the three-step process of spiritual development--"believing, behaving, and becoming"--each topic examines a passage of Scripture, identifies and explains the theological principles of spiritual formation, and offers personal application for continued spiritual growth.

**Welcome to the Christian Faith** Christopher L. Webber 2011-10 A foundational volume for seekers in formation programs and a "refresher" study volume for individuals and congregational study groups. We live in a world increasingly separated from the Christian tradition and the basic understanding of the faith that previous ages might have taken for granted. The voices of faith seem increasingly strident and off-putting to many. There is a need for a calmer, basic introduction to faith that recognizes the value of doubt and the questions raised in a secular society. A systematic introduction to Christianity for newcomers needs to begin with a discussion of faith itself and then move on to a discussion of such Christian basics as God, Trinity, Church, sin, atonement, prayer, and Christian living.

**Forever Beginning** Donald J. Shelby 1987

**Journey in Prayer** John Smed 2020-05-05 An Evangelism Tool for a New Generation. Today's seekers are far more likely to be open to prayer than a traditional gospel presentation. This beautifully designed book is unimposing, inviting, and effective. It's a seven-day journey through the Lord's prayer. Each day explores a new petition in the Lord's prayer and helps show the reader the prayer's importance and impact.

The author offers reflection questions, prayer prompts, and sample prayers to help readers begin and deepen their personal journeys in prayer. It's a perfect resource for anyone exploring the Christian faith or young Christians learning to pray. Plus it works well one-on-one and in small groups.

**Life as a Christian** Mary Wiley 2022-01-04

Deciding to follow Jesus is a reason to celebrate! New Christians are beginning beautiful relationships with God, but they might also be starting a list of questions about what Christians believe and how they live. *Life as a Christian* invites readers to explore the key truths of the Christian faith and find the answers to big questions such as: Who is God and how should I respond to Him? With this clear explanation about spiritual disciplines and God's plan for His creation, new Christians will better know God and who they are called to be as His people. *Life as a Christian* works well in a church setting, for personal use, or as an evangelism tool, laying a strong foundation that new believers can build on with confidence as their faith grows.

**Exploring Psychology and Christian Faith**

Paul Moes 2023-07-11 Drawn from more than sixty years of classroom experience, this introductory guide provides students with a coherent framework for considering psychology from a Christian perspective. Paul Moes and Donald Tellinghuisen explore biblical themes of human nature in relation to all major areas of psychology, showing how a Christian understanding of humans can inform the study of psychology. The first edition has proven to be a successful textbook, with over 11,000 copies sold. The second edition has been updated and revised throughout based on student and instructor feedback. Brief, accessible chapters correspond to standard introductory psychology textbooks, making this an excellent supplemental text. The book includes end-of-chapter questions. An updated test bank for professors is available through Textbook eSources.

**God's Story, Our Story** Michele Hershberger 2003 *God's Story, Our Story* is an introduction to

Christian faith from an Anabaptist perspective. It can be used in a group of people considering baptism, or by someone who just wants to mull over faith questions on their own before--or even after--they say yes to God's Story.

**Starting with God** Terry K. Morgan 2014-10-01 Congratulations! You have made the most important decision of your life. In choosing to become a follower of Jesus Christ you have made a good decision. Whether you are a brand new believer in Christ, or if you have been a Christian for decades, "Starting With God" is a book written just for you. This book is designed to help you grow and become a strong Christian. It is written to be inviting and easy reading, yet written in a way to encourage much deeper learning. Starting With God covers the basics of Christianity. It lays a firm foundation for anyone who wants to go deeper in their faith. It covers such topics as understanding what happened when you believed; what comes next; baptism; the Bible; Prayer; Fellowship; Worship; and dealing with hurts from the past. It gives the steps to telling your testimony, and how to effectively witness to others about what Jesus Christ has done for you. Starting with God relies on scripture and is a profoundly clear and simple book to read. My prayer in writing this little book is that it will become a classic book in your library, and a book you will return to again and again through out the years. Thank you for considering this little book. May you grow in Christ and find peace and strength in the reading of it.

**Why Can't We See God?** Logan Steele 2021-01-27 If there is a God and He loves us like the Bible tells us, then why can't we see, hear and touch him? Since we cannot see Him, does this mean that He wants to be distant or capricious, or wants to make things difficult for us? Of course, if we could see Him, then everyone would believe fully in God and probably be on their way to heaven. There would be no need whatsoever for faith, and probably no need for a Savior. Who would sin standing in the visible presence of God? Adam and Eve did choose to sin, but God was not visibly with them at the time, and they also had not yet realized the full consequences of sin. In this book we will explore what God designed and intended for humankind, and what caused Him to become

invisible, and why. My hope is that for many this will give a better understanding of God, His unfailing love for us, and why things are the way they are. I pray it also brings some comfort in life's often difficult journey that requires such an exercise of faith. We will do this by looking at the words of God, himself. In my life I have heard many teachings about the temptation and fall of man, and many times studied the scriptures concerning Eden. One day a few years ago God revealed to me something new and profound I had never noticed. There is no doubt the living Word and the Holy Spirit are famous for that, but this one blew me away. God will very soon reveal Himself to all whether we like it or not. Millions of Christians and Bible scholars worldwide agree that that all the necessary prophecies have been fulfilled and the signs of the return of Christ are undeniably upon us. But until the day Christ returns for His Church, let us see if God gave us any clues as to why we can't see Him, and explore the origin and necessity of faith.

*The God-Man* J.D. Williams 2019-01-29 For those who truly desire a comprehensive understanding of the exigency of the incarnation, centrality of the cross and the sine qua non of the resurrection...This is a must read! Dr. Williams brilliantly weaves together orthodox theology with practical application resulting in a work meaty enough for the scholar yet digestible and building for the everyday church goer. -- Bishop Donald Clay, Petra International Ministries, Pittsburg, PA This book is an important contribution to the 21st century Christian community. It presents a strong unapologetic biblical methodical argument of The God Man, Jesus, based on Scripture with strong visual illustrations. As such, ministers and lay persons would greatly appreciate and benefit biblically and theologically in regards to the natures and function of The God Man. Therefore, I strongly encourage and recommend everyone to read this book which presents a clear succinct understanding of The God Man. ""De Lafayette Awkward, Princeton Theological Seminary (M.Div. & Th.M), Hebrew University of Jerusalem (ABD), Pastor of New Lots Community Church, Reformed Church in America In 451 the Council of Chalcedon meet and confirmed that Christ had two natures: one divine and the other

human. Over the centuries the concept of the "God Man" has confused, intrigued and escaped the logic of theologians, preachers, and students. In his book "The God-Man", Elder J. D. Williams seeks to explain his concept through comprehensive exploration and exposition. Elder Williams has provided an excellent text that includes research, sermons and illustrations that are designed to enlighten the mind, while providing further dialogue among those who wish to gain a deeper understanding of the term the "God-Man". --Rev. Dr. Carl L. Washington, Jr. Pastor, New Mount Zion Baptist Church Former Moderator, United Missionary Baptist Association President, Empire Baptist Missionary Convention Dr. J. D. Williams is a profound pedagogue who's deep and contemplative studies are captured within these pages. His insightful perspective regarding the revelation of the mystery between God and Christ is a must read for all in search of a more weighty theological enlightenment. -- Bishop Eric R. Figueroa, Sr. Presiding Prelate, New Life Covenant Fellowship Senior Pastor, New Life Tabernacle

**How to Know You're Saved** C. Donald Cole

2008-09-01 With his comfortable blend of Scriptural knowledge and love for people, Pastor Donald Cole addresses on of the most troubling

concerns many Christians have: assurance of their eternal salvation. By exploring the tenets of the Christian faith, Pastor Cole gives those who already believe confidence in their position in Christ. This trusted Bible teacher never shrinks from tackling difficult texts, such as those that seem to suggest salvation can be lost, and he explains why a saved person still sins. In this freshened edition of his classic book, Donald Cole's clear teaching and compassionate voice come through in response to one of life's most important questions.

[An Invitation to Explore the Bible](#) Graham Diggins 2017-03-01 This work has been written to strengthen and enlarge the faith of Christians by teaching them the truth while exposing the traditions of the elders that have grown up in Reformed, Reformed Baptist, Protestant, and Baptist Church circles. It has tackled many issues, some of which have been raised inside the church and some that have come from basically an antagonistic, nonneutral, and atheistic humanity.

**Exploring the Christian Life in Christ** Joe Harvey 2023-08-02 The purpose in writing this book is to share with you, the readers and followers of Jesus, the deeper meaning of who we are as Christians. It may come as a surprise to many that the Christian life is not a "surprisingly easy task." The roots go deep as we will explore. Christianity is a new way of life. You might also say it's a journey or a walk of endurance and obedience to our Lord and King. Another way to say this is that it's a walk of faith as we strive to obey God's commands. So what is a Christian? Glad you asked. A Christian is simply one who follows the teachings of the very incarnate son of God--Jesus. Unlike all other world religions, Christianity is a personal relationship with the God and Creator of the Universe! \* It begins with a call to believe in God: O Seeker, Is God Calling? \* This is followed by the big eternal question, But Why, God, and Why Me? \* Digging deeper at the heart of the Gospel is A Call to Obedience--Ouch! \* Followed by living out that new life in A Call to New Life in Christ \* And finally, a discussion on the undergirding of our Christian walk: A Call to Grow in Our Faith Faith is a big topic and is what God gives us to keep everything in balance. This book seeks to entertain certain points along

life's journey. These five essays touch on various topics that we all, as Christians, struggle with at times. And as a bonus, there's a self-study/Bible study to work through.

In this book Copenhaver covers basic themes—the Bible, church, ministry, sacraments, prayer, ethics—in a clear and inviting way.
