A Breath of Snow and Ashes Diana Gabaldon 2010-12-17 Eagerly anticipated by her legions of fans, this sixth novel in Diana Gabaldon's bestselling *Outlander* saga is a masterpiece of historical fiction from one of the most popular authors of our time. Since the initial publication of *Outlander* fifteen years ago, Diana Gabaldon's *New York Times* bestselling saga has won the hearts of readers the world over — and sold more than twelve million books. Now, *A Breath of Snow and Ashes* continues the extraordinary story of 18th-century Scotsman Jamie Fraser and his 20th-century wife, Claire. The year is 1772, and on the eve of the American Revolution, the long fuse of rebellion has already been lit. Men lie dead in the streets of Boston, and in the backwoods of North Carolina, isolated cabins burn in the forest. With chaos brewing, the governor calls upon Jamie Fraser to unite the backcountry and safeguard the colony for King and Crown. But from his wife Jamie knows that three years hence the shot heard round the world will be fired, and the result will be independence — with those loyal to the King either dead or in exile. And there is also the matter of a tiny clipping from *The Wilmington Gazette*, dated 1776, which reports Jamie's death, along with his kin. For once, he hopes, his time-traveling family may be wrong about the future.

Pro Full-Text Search in SQL Server 2008 Hilary Cotter 2009-01-29

Businesses today want actionable insights into their data—they want their data to reveal itself to them in a natural and user-friendly form. What could be more natural than human language? Natural-language search is at the center of a storm of ever-increasing web-driven demand for human-computer communication and information access. SQL Server 2008 provides the tools to take advantage of the features of its built-in enterprise-level natural-language search engine in the form of integrated full-text search (iFTS). iFTS uses text-aware relational queries to provide your users with fast access to content. Whether you

want to set up an enterprise-wide Internet or intranet search engine or create less ambitious natural-language search applications, this book will teach you how to get the most out of SQL Server 2008 iFTS: Introducing powerful iFTS features in SQL Server, such as the FREETEXT and CONTAINS predicates, custom thesauruses, and stop lists Showing you how to optimize full-text query performance through features like full-text indexes and iFilters Providing examples that help you understand and apply the power of iFTS in your daily projects Still Life with Brook Trout John Gierach 2007-11-01 Brilliant, witty, perceptive essays about fly-fishing, the natural world, and life in general by the acknowledged master of fishing writers. In *Still Life with Brook Trout*, John Gierach demonstrates once again that fishing, when done right, is as much a philosophical pursuit as a sport. Gierach travels to Wyoming and Maine and points in between, searching out new fly-fishing adventures and savoring familiar waters with old friends. Along the way he meditates on the importance of good guides ("Really, the only thing a psychiatrist can do that a good guide can't is write prescriptions"), the challenge of salmon fishing ("Salmon prowl. If they're not here now, they could be here in half an hour. Or tomorrow. Or next month"), and the zen of fishing alone ("I also enjoy where my mind goes when I'm fishing alone, which is usually nowhere in particular and by a predictable route"). On a more serious note, he ponders the damaging effects of disasters both natural and man-made: drought, wildfires, and the politics of dam-building, among others. Reflecting on a trip to a small creek near his home, Gierach writes, "In my brightest moments, I think slowing down...has opened huge new vistas on my old home water. It's like a friendship that not only lasts, but gets better against the odds." Similarly, *Still Life with Brook Trout* proves that Gierach, like fly-fishing itself, becomes deeper and richer with time.

A Forever Kind of Cowboy Doreen Roberts 2011-07-15 RODEO MEN

THE COWBOY AND THE VIRGIN She wasn't the kind of woman who would spend the night with a stranger, yet runaway bride Lori Ashford shared one night and so much more with sexy Cord McVane. The innocent beauty had only come to Cord's isolated cabin seeking shelter, but when her rugged protector showed her a passion like no other, she was lost. For Lori had long dreamed of sharing her heart with a strong, honorable man—a man like Cord. And now that she was carrying his child, she hoped this brooding loner could forget his painful past and be her forever man. A secret father, a passionate protector, a make-believe groom—these cowboys are husbands waiting to happen!

Devil's Desire Laurie McBain 2010-11-01 They called him the devil... With his seductive golden eyes and sin-black hair, it's no wonder Lord Alex Trevegne has earned himself the sinister title—not to mention his reputation as one of the most notorious rakes in England. And she's the only one who can conquer him... When fate throws Alex and Elysia into a scandalous situation, Alex suddenly finds it surprisingly difficult to tear himself away from her. As an unexpected passion blossoms between them, Elysia begins to wonder if after a lifetime of heartache she's finally found heaven in the arms of the devil. What readers say about Devil's Desire: "One of my all-time favorite romances." "I just love this book! Each scene keeps you turning the pages." "What a pleasure to read an author I know will never disappoint me!" Praise for Laurie McBain: "McBain's skill at shaping characters and propelling the plot distinguishes her."-Publishers Weekly "Well-crafted and wonderfully romantic. Readers are rewarded with teeming atmosphere."-Romantic Times "Vivid sense of description, colorful characters... I found myself happily lost in the magnificence of the storytelling."-Los Angeles Herald Examiner

Official Duty Doreen Roberts 2012-03-15 GINNY MATTHEWS HAD A SIX-FOOT-ONE-INCH, COMPELLING REASON TO STAY AWAY FROM GOLD PEAK, OREGON: A LONG AND LEAN COWBOY BY THE NAME OF CULLY BLACK But when her beloved foster parents were brutally murdered, Ginny knew she had no choice but to return. Facing her past—and long-buried feelings for the handsome sheriff who still owned

her heart—was harder than she'd anticipated. The long months of hiding had taken their toll and Ginny could feel a presence lurking in the shadows. Watching. Waiting. And soon, she became a killer's next target. She'd have to once again place her trust in Cully, the only man who could keep her alive. But was his protective embrace part of his official duty...or something more?

Hotel on the Corner of Bitter and Sweet Jamie Ford 2009-01-27 "Sentimental, heartfelt....the exploration of Henry's changing relationship with his family and with Keiko will keep most readers turning pages...A timely debut that not only reminds readers of a shameful episode in American history, but cautions us to examine the present and take heed we don't repeat those injustices."-- Kirkus Reviews "A tender and satisfying novel set in a time and a place lost forever, Hotel on the Corner of Bitter and Sweet gives us a glimpse of the damage that is caused by war--not the sweeping damage of the battlefield, but the cold, cruel damage to the hearts and humanity of individual people. Especially relevant in today's world, this is a beautifully written book that will make you think. And, more importantly, it will make you feel." -- Garth Stein, New York Times bestselling author of The Art of Racing in the Rain "Jamie Ford's first novel explores the age-old conflicts between father and son, the beauty and sadness of what happened to Japanese Americans in the Seattle area during World War II, and the depths and longing of deep-heart love. An impressive, bitter, and sweet debut." -- Lisa See, bestselling author of Snow Flower and the Secret Fan In the opening pages of Jamie Ford's stunning debut novel, Hotel on the Corner of Bitter and Sweet, Henry Lee comes upon a crowd gathered outside the Panama Hotel, once the gateway to Seattle's Japantown. It has been boarded up for decades, but now the new owner has made an incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry's world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and

having Henry grow up American. While “scholarshipping” at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. Amid the chaos of blackouts, curfews, and FBI raids, Henry and Keiko forge a bond of friendship—and innocent love—that transcends the long-standing prejudices of their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel’s dark dusty basement he begins looking for signs of the Okabe family’s belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice—words that might explain the actions of his nationalistic father; words that might bridge the gap between him and his modern, Chinese American son; words that might help him confront the choices he made many years ago. Set during one of the most conflicted and volatile times in American history, *Hotel on the Corner of Bitter and Sweet* is an extraordinary story of commitment and enduring hope. In *Henry and Keiko*, Jamie Ford has created an unforgettable duo whose story teaches us of the power of forgiveness and the human heart. **BONUS:** This edition contains a *Hotel on the Corner of Bitter and Sweet* discussion guide and an excerpt from Jamie Ford's *Love and Other Consolation Prizes*.

Programming Google App Engine Dan Sanderson 2009-11-23 As one of today's cloud computing services, Google App Engine does more than provide access to a large system of servers. It also offers you a simple model for building applications that scale automatically to accommodate millions of users. With *Programming Google App Engine*, you'll get expert practical guidance that will help you make the best use of this powerful platform. Google engineer Dan Sanderson shows you how to design your applications for scalability, including ways to perform common development tasks using App Engine's APIs and scalable services. You'll learn about App Engine's application server architecture, runtime environments, and scalable datastore for distributing data, as

well as techniques for optimizing your application. App Engine offers nearly unlimited computing power, and this book provides clear and concise instructions for getting the most from it right from the source. Discover the differences between traditional web development and development with App Engine Learn the details of App Engine's Python and Java runtime environments Understand how App Engine handles web requests and executes application code Learn how to use App Engine's scalable datastore, including queries and indexes, transactions, and data modeling Use task queues to parallelize and distribute work across the infrastructure Deploy and manage applications with ease
Maggie by the Book 2004-05-01 Coerced by Alexandre Drake—one of her fictional characters who has become all too real—to attend a writer's conference, author Maggie Kelly is faced with murderous fanatics, backstabbing colleagues, and NYPD Lieutenant Steve Wendell. Reprint. *First Comes Love* Christie Ridgway 2007-03-20 Book description to come.

Home Is Where the Cowboy Is Doreen Roberts 2011-07-15 **RODEO MEN DADDY WAS A COWBOY** Denver Briggs was the last of the untamed cowboys. Years ago April had been powerless to resist his tender seduction. But now that she was a woman—and the mother of his child—she knew it was madness to give herself to the rugged rodeo man again. This time she had her child to think of—and so much more to lose. For though the cowboy's arms were where April longed to be, what would Denver do when he discovered that home was with the woman who'd never forgotten him—and the child he'd never known? A secret father, a passionate protector, a make-believe groom—these cowboys are husbands waiting to happen!

The A.O.C. Cookbook Suzanne Goin 2013-10-29 Since her James Beard Award-winning first book, *Sunday Suppers at Lucques*, Suzanne Goin and her Los Angeles empire of restaurants have blossomed and she has been lauded as one of the best chefs in the country. Now, she is bringing us the recipes from her sophomore restaurant, A.O.C., turning the small-plate, shared-style dishes that she made so famous into main courses for the home chef. Among her many recipes, you can expect her addictive

Bacon-Wrapped Dates with Parmesan; Duck Sausage with Candied Kumquats; Dandelion and Roasted Carrot Salad with Black Olives and Ricotta Salata; California Sea Bass with Tomato Rice, Fried Egg, and Sopressata; Lamb Meatballs with Spiced Tomato Sauce, Mint, and Feta; Crème Fraîche Cake with Santa Rosa Plums and Pistachios in Olive Oil; and S'Mores with Caramel Popcorn and Chocolate Sorbet. But The A.O.C. Cookbook is much more than just a collection of recipes. Because Goin is a born teacher with a gift for pairing seasonal flavors, this book is full of wonderful, eye-opening information about the ingredients that she holds dear. She takes the time to talk you through each one of her culinary decisions, explaining her palate and how she gets the deeply developed flavor profiles, which make even the simplest dishes sing. More than anything, Goin wants you to understand her techniques so you enjoy yourself in the kitchen and have no problem achieving restaurant-quality results right at home. And because wine and cheese are at the heart of A.O.C., there are two exciting additions. Caroline Styne, Goin's business partner and the wine director for her restaurants, presents a specific wine pairing for each dish. Styne explains why each varietal works well with the ingredients and which flavors she's trying to highlight, and she gives you room to experiment as well—showing how to shape the wine to your own palate. Whether you're just grabbing a glass to go with dinner or planning an entire menu, her expert notes are a real education in wine. At the back of the book, you'll find Goin's amazing glossary of cheeses—all featured at A.O.C.—along with the notes that are given to the waitstaff, explaining the sources, flavor profiles, and pairings. With more than 125 full-color photographs, The A.O.C. Cookbook brings Suzanne Goin's dishes to life as she continues to invite us into her kitchen and divulge the secrets about what makes her food so irresistibly delicious.

Only a Dream Away Doreen Roberts 1993

Yankee Wife Linda Lael Miller 2004-11-01 New York Times bestselling author Linda Lael Miller's classic follows a Civil War nurse as she embarks on a marriage with a heard-headed man she doesn't know. Lydia McQuire's courage had never wavered during the bloodiest days of

the Civil War. A year later, the pretty former Union Army nurse is alone, three thousand miles from home, gamely scraping out an honest living. But now, as she said yes to marrying a stranger, her knees gave way with fear. Mr. Devon Quade had seemed polite and handsome when she answered his ad for a wife. Only after Lydia set sail for his family's settlement in Washington did she learn the truth: her bridegroom wasn't the sweet Devon Quade, but his older brother Brigham, a widower with shoulders a yard wide, hands as strong as steel, and an arrogant belief that he was lord and master of his lumber empire, the town, and the woman he married. Lydia's dislike of him is both ardent and instantaneous...yet she also wants him to kiss her until he takes her breath away. And when Brigham wraps her in his strong embrace, he awakens in her a white-hot passion, and a firm resolve: before she shares his bed, tough, hard-headed Brigham Quade has to surrender himself, heart and soul, to love.

The Maverick's Bride Doreen Roberts 2011-07-15 RODEO MEN BEHIND EVERY GOOD MAN... Jed Cullen was a rodeo legend. But he'd left his hometown under a cloud of suspicion, and now he needed a proper wife to prove that he was a man of honor. STANDS A BEAUTIFUL BRIDE Kristi Ramsett had been waiting a long time for Jed to look her way. So when he asked her to be his pretend wife, how could she refuse? Of course, Kristi longed to stand by her man forever.... A secret father, a passionate protector, a make-believe groom—these cowboys are husbands waiting to happen!

An Introduction to Literature Sylvan Barnet 1997 Gathers examples of literature from Shakespeare to August Wilson, Leo Tolstoy to Amy Tan, and William Blake to Derek Walcott

Then Comes Marriage Christie Ridgway 2009-10-13 Book description to come.

A Very...Pregnant New Year's Doreen Roberts 2011-04-18 FAMILIES FEUD ON NEW YEAR'S EVE...A GIANT AVALANCHE STRIKES...TWO ENEMIES ARE TRAPPED IN A SNOWBOUND CABIN... When fate

stranded them together, Anne Parker fought her attraction for roguish Brad Irving. She couldn't possibly want this scoundrel-her father's sworn enemy, breaker of hearts. Until...uh-oh! She'd just made love with the one man in the world she shouldn't have. Yet never in her life had she felt such fierce desire as she felt now for Brad. And soon a baby was on the way... Would their child be raised a Parker or an Irving? Or was this finally the truce they were looking for?

The English Wife Doreen Roberts 2012-05-15 He left her a cottage in England...and a photograph with the words "I'm sorry" written on it... Marjorie Maitland was used to a certain routine—she'd built her life around the safety of predictability. Then the unexpected happened—her husband died. But grief was not the only emotion that overwhelmed her. The mystery her husband left behind puzzled her—a deed to a cottage in England. Where had that come from? And who was the woman in the photograph? Margie knew trouble when it knocked on her door. The old Margie, safe in her suburban home, would have avoided this potentially humiliating situation. But things were changing. The new Margie had to unravel this tangled web and get to the truth. And that meant a trip to England to find out if her entire life had been a lie...or to discover the best parts of the rest of her life.

meXicana Fashions Aída Hurtado 2020-01-10 Collecting the perspectives of scholars who reflect on their own relationships to particular garments, analyze the politics of dress, and examine the role of consumerism and entrepreneurialism in the production of creating and selling a style, meXicana Fashions examines and searches for meaning in these visible, performative aspects of identity. Focusing primarily on Chicanas but also considering trends connected to other Latin American communities, the authors highlight specific constituencies that are defined by region ("Tejana style," "L.A. style"), age group ("homie," "chola"), and social class (marked by haute couture labels such as Carolina Herrera and Oscar de la Renta). The essays acknowledge the complex layers of these styles, which are not mutually exclusive but instead reflect a range of intersections in occupation, origin, personality, sexuality, and fads. Other elements include urban indigenous fashion

shows, the shifting quinceañera market, "walking altars" on the Days of the Dead, plus-size clothing, huipiles in the workplace, and dressing in drag. Together, these chapters illuminate the full array of messages woven into a vibrant social fabric.

Gambler's Gold Doreen Roberts 1987

Letters at 3am Michael Ventura 1993 "I'd rather have one or two of his whiplashing essays in my hands than almost any tome of philosophy". -- Thomas Moore

Broadway Plays and Musicals Thomas S. Hischak 2009-04-22 New York City's Broadway district is by far the most prestigious and lucrative venue for American performers, playwrights, entertainers and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater, this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2007. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty programs. Entries include famous and forgotten works, designed to give a complete picture of Broadway's history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes approximately 600 important productions performed on Broadway before 1919.

Forthcoming Books Rose Arny 1999-04

Film Music: A History James Wierzbicki 2009-01-21 *Film Music: A History* explains the development of film music by considering large-scale aesthetic trends and structural developments alongside socioeconomic, technological, cultural, and philosophical circumstances. The book's four large parts are given over to Music and the "Silent" Film (1894--1927), Music and the Early Sound Film (1895--1933), Music in the "Classical-Style" Hollywood Film (1933--1960), and Film Music in the Post-Classic Period (1958--2008). Whereas most treatments of the

subject are simply chronicles of "great film scores" and their composers, this book offers a genuine history of film music in terms of societal changes and technological and economic developments within the film industry. Instead of celebrating film-music masterpieces, it deals—logically and thoroughly—with the complex 'machine' whose smooth running allowed those occasional masterpieces to happen and whose periodic adjustments prompted the large-scale twists and turns in film music's path.

A Mom For Christmas Doreen Roberts 2012-07-01 MR. SCROOGE For department store owner Matthew Blanchard, 'twas the season to be grumpy! His housekeeper was vacationing. His store Santa Claus had skipped town. And now his daughter wanted a mummy for Christmas! MEETS MISS CLAUS! While Sherrie Latimer was acting as the store's Mrs. Claus, she discovered little Lucy Blanchard's Christmas wish. To make it come true, she had to convince Matt he needed a wife. Then Sherrie had to find a deserving woman who would love him and Lucy. Trouble was, she was the perfect candidate .

Unknown Quantity John Derbyshire 2006-06-02 Prime Obsession taught us not to be afraid to put the math in a math book. Unknown Quantity heeds the lesson well. So grab your graphing calculators, slip out the slide rules, and buckle up! John Derbyshire is introducing us to algebra through the ages—and it promises to be just what his die-hard fans have been waiting for. "Here is the story of algebra." With this deceptively simple introduction, we begin our journey. Flanked by formulae, shadowed by roots and radicals, escorted by an expert who navigates unerringly on our behalf, we are guaranteed safe passage through even

the most treacherous mathematical terrain. Our first encounter with algebraic arithmetic takes us back 38 centuries to the time of Abraham and Isaac, Jacob and Joseph, Ur and Haran, Sodom and Gomorrah. Moving deftly from Abel's proof to the higher levels of abstraction developed by Galois, we are eventually introduced to what algebraists have been focusing on during the last century. As we travel through the ages, it becomes apparent that the invention of algebra was more than the start of a specific discipline of mathematics—it was also the birth of a new way of thinking that clarified both basic numeric concepts as well as our perception of the world around us. Algebraists broke new ground when they discarded the simple search for solutions to equations and concentrated instead on abstract groups. This dramatic shift in thinking revolutionized mathematics. Written for those among us who are unencumbered by a fear of formulae, Unknown Quantity delivers on its promise to present a history of algebra. Astonishing in its bold presentation of the math and graced with narrative authority, our journey through the world of algebra is at once intellectually satisfying and pleasantly challenging.

Emergency Conservation Work United States. Dept. of Labor 1933

The Marriage Beat Doreen Roberts 2011-07-15 He's My Hero A protector, a provider, a friend—he's every woman's hero.... FROM THE DESK OF Officer Tyler Jackson Central Precinct I don't know why these hardheaded females think they're invincible. Women like Megan Summers make my job three times as hard. I told the chief that giving this lady self-defense lessons would be a mistake. Now look at what's happened. She's laid up with her arm in a sling! That's the only reason I'm playing nursemaid. It has nothing to do with her blond hair, or her beautiful smile or the way she looks at me when she thinks I can't see....

Most Wanted Maggie Price 2000 Most Wanted by Maggie Price released on Jun 24, 1999 is available now for purchase.

The Use of Words in Context John W. Black 1985-11-30 The Speech Situation is a term worn with age in the teaching of public speaking in America. That it is comprised of occasion, speaker, and topic is a gross oversimplification. It also includes challenge, anxiety, emotion, fear, responsibility, faults of memory, and instants of pride. Out of the circumstances arise an increase in heart rate, a change in blood pressure, an abnormal pattern of breathing, a noticeable build up in perspiration, and an ongoing evaluation. For students this may be merely a grade or perhaps a series of evaluative remarks, possibly addressed both to the speaker and the other participants, the audience. It may entail a replaying of a record of the speech, indeed a videotape. Most important is the lasting impression that remains with all of the participants. What of the vocabulary of the speaker under the circumstances of the speech situation? This speaker - in the major portions of this work we may say, "this young man" - has spent time seeking an appropriate topic. He has outlined a composition around a central idea or thesis. He has marshaled evidence, details. He has framed an opening paragraph. He has been admonished not to give an essay, but to strive for audience contact, interpersonal communication. He makes his audible approach through his vocabulary and accompanying phonology. Under the tension, the speaker repeats; he adds meaningless vocalizations in periods that might logically be pauses. There are slips of the tongue. At worst, failing, he withdraws to await another day.
