The Forged Coupon Lev N. Tolstoy 2017-09-18 Excerpt from *The Forged Coupon: After the Dance, Alyosha the Pot, Miscellaneous Stories* Tolstoy the realist steps without cavil into the front rank of modern writers; Tolstoy the idealist has been constantly derided and scorned by men of like birth and education With himself - his altruism denounced as impracticable, his preaching compared with his mode of life to prove him inconsistent, if not insincere. This is the prevailing attitude of politicians and literary men. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Forged Coupon Tolstoy Leo
The Forged Coupon graf Leo Tolstoy 2006 Tolstoy's final novella, *The Forged Coupon* is an ingenious study of the destructive powers of evil set against a brilliant depiction of Russian life. Inescapably in thrall to the power his crimes bring him, Stepan goes further and further down the path of evil, relentlessly seeking new opportunities to murder and maim. When, however, one of his victims refuses to surrender to him, instead dying with pity on her lips, he finds himself haunted by her image.

Suddenly, he is faced with the choice of continuing a life of crime, or facing up to his actions and their certain consequences. Leo Tolstoy, author of *War and Peace* and *Anna Karenina*, is one of Russia's greatest novelists.

The Forged Coupon and Other

Stories (Esprios Classics) Leo

Tolstoy 2021-09-13 Count Lev

Nikolayevich Tolstoy

(1828-1910) commonly

referred to in English as Leo

Tolstoy, was a Russian writer -

novelist, essayist, dramatist

and philosopher - as well as

pacifist Christian anarchist and

educational reformer. He was

the most influential member of

the aristocratic Tolstoy family.

His first publications were

three autobiographical novels,

Childhood, Boyhood, and Youth

(1852-1856). They tell of a rich

landowner's son and his slow

realization of the differences

between him and his peasants.

As a fiction writer Tolstoy is

widely regarded as one of the

greatest of all novelists,

particularly noted for his

masterpieces War and Peace

(1869) and Anna Karenina

(1877). In their scope, breadth

and realistic depiction of 19th-

century Russian life, the two

books stand at the peak of

realist fiction.

The Forged Coupon Graf Leo Tolstoy 2013-09 IN an age of materialism like our own the phenomenon of spiritual power is as significant and inspiring as it is rare. No longer associated with the "divine right" of kings, it has survived the downfall of feudal and theocratic systems as a mystic personal emanation in place of a coercive weapon of statecraft. Freed from its ancient shackles of dogma and despotism it eludes analysis. We know not how to gauge its effect on others, nor even upon ourselves. Like the wind, it permeates the atmosphere we breathe, and baffles while it stimulates the mind with its intangible but compelling force. This psychic power, which the dead weight of materialism is impotent to suppress, is revealed in the lives and writings of men of the most diverse creeds and

nationalities. Apart from those who, like Buddha and Mahomet, have been raised to the height of demi-gods by worshipping millions, there are names which leap inevitably to the mind—such names as Savonarola, Luther, Calvin, Rousseau—which stand for types and exemplars of spiritual aspiration. To this high priesthood of the quick among the dead, who can doubt that time will admit Leo Tolstoy—a genius whose greatness has been obscured from us rather than enhanced by his duality; a realist who strove to demolish the mysticism of Christianity, and became himself a mystic in the contemplation of Nature; a man of ardent temperament and robust physique, keenly susceptible to human passions and desires, who battled with himself from early manhood until the spirit, gathering strength with years, inexorably subdued the flesh.

The Forged Coupon Leo Tolstoy 2017-12-20 The Forged

Coupon is a novella in two parts by Leo Tolstoy. Though he first conceived of the story in the late 1890s, he did not begin writing it until 1902. After struggling for several years, he finally completed the story in 1904; however, it was not published until some of Tolstoy's shorter works were collected and anthologized after his death in 1910.
