Canadian Magazine of Politics, Science, Art & Literature 1923

No More Dana Storm 2008-07 What difference did abuse and neglect make in Tommy Ray's life? What does it mean to grow up and survive in a sadistic, abusive environment? No More offers a personal glimpse into the horrors of child abuse. No More explores child abuse the way no other book ever has—brutally and astonishingly. It will give the reader a glimpse into a world that is horrific and real. It will also give the reader some insight about children who commit violent acts. This book eloquently demonstrates how seemingly insurmountable adversity can bring forth surprising courage and strength, even in the worst conditions.

Moonwalking with Einstein Joshua Foer 2011-03-03 "Highly entertaining." —Adam Gopnik, *The New Yorker* "Funny, curious, erudite, and full of useful details about ancient techniques of training memory." —*The Boston Globe* The blockbuster phenomenon that charts an amazing journey of the mind while revolutionizing our concept of memory An

instant bestseller that is poised to become a classic, *Moonwalking with Einstein* recounts Joshua Foer's yearlong quest to improve his memory under the tutelage of top "mental athletes." He draws on cutting-edge research, a surprising cultural history of remembering, and venerable tricks of the mentalist's trade to transform our understanding of human memory. From the United States Memory Championship to deep within the author's own mind, this is an electrifying work of journalism that reminds us that, in every way that matters, we are the sum of our memories.

Stormy Hill's Challenge Nancy Bodine Part of the continuing series of Stormy Hill novels, Stormy Hill's Challenge is set in the 1960s on the Stormy Hill horse farm in Lexington, Kentucky. Young Ann has had her moments of glory with her horse, Lightning, more than fulfilling her lifelong dreams. Now her friend Ted has dreams of his own, to do something to make his horse, Si'ad, famous in his own right. Si'ad is already well known as Lightning's sire, but Ted wants more. When a young couple

comes to breed to Si'ad, they discuss the world of endurance racing, a sport in which Arabians excel. What better way to prove Si'ad's greatness than testing him on the famous Tevis Cup ride in California? Held annually, this 100-mile race follows a trail that climbs mountains and descends into steep, hot canyons, and it must be completed within twenty-four hours. It would take a year-long commitment to condition Si'ad for such a race, but commitment to his horse is something Ted has in abundance. In the coming year they will know heartbreak, and success will be tested many times, bonding them even stronger. Even Ann is drawn into the sport, and together they set out for the ride of their lives. The endurance motto is: "To finish is to win." In a race where only half the entrants finish, who will make it to the end?

The Sense of an Ending Julian Barnes
2011-10-05 BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his

career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

The Nantucket Diet Murders Virginia Rich
2009-12-16 Warm memories and good food greeted Mrs. Potter's return to her beloved Nantucket, but so did a chilling surprise. Her old friends had a dangerous new look: dangerously thin and dressed to kill! Was something sinister going on? A handsome new diet doctor had won over the richest widows on the island with his weight-loss secrets -- and his very personal attention. But when sudden death was served up along with delightful Down East dishes (try sinfully rich Scrimshaw Inn Rum Pie or tangy Nantucket Cranberry Cup Pudding!), the inimitable Mrs. Potter knew it was time to stir the pot and come up with a devilishly clever

culinary killer.

The Campbell Armstrong Collection Volume

One Campbell Armstrong 2018-05-08 A pair of chilling horror novels from the international bestselling author who “writes much better than King or Straub” (The Village Voice). Writing as Campbell Black, international bestselling author Campbell Armstrong proves he’s as adept at evoking horror as he is at plotting heart-stopping thrillers. *The Wanting*: When Max and Louise Untermeyer rent a house in a California vacation town, they figure it will be a perfect escape from the city, especially for their twelve-year-old son, Denny. Their neighbors, Dick and Charlotte Summer, are a nice elderly couple who dote on Denny with sweets and gifts. But as the days go by, Louise begins to notice a disturbing change in her son. His innocence seems to be draining away, replaced by something unhealthy, even perverse. As Louise tries to reach her son, she’s about to discover this town holds a terrible secret . . . “A superb storyteller,

obviously every bit as talented as Stephen King.” —Times Record News Letters from the Dead: A battered Ouija board promises entertainment for the renters of a broken-down beach house on the Virginia shore. But when they play, thirteen-year-olds Lindy and Tommy receive sinister messages—and their mothers encounter even more disturbing visions in the tiny, gloomy town nearby. Something evil happened here long ago, and one of the vacationers is about to be drawn into the grip of possession by a frightening force that may prevent them all from ever returning home . . . “A satisfying dank and creepy chiller, about a haunting and possession . . . in and around an isolated beach house.” —Kirkus Reviews

Alonzo Prier, Esquire, leaves his prominent New Jersey Assistant Attorney General job and heads to Washington, D.C. Tracked down by the well-established law firm with the independent

federal consulting contract, he's the best for the business...not just theirs, but the business about the country. Unsavory times! Medicare and Medicaid officials struggling with those social programs' challenges. Managed Care unhinged by way of HMOs delivering the health and wellness goods, but not really. It was January 2000. Health insurance considerations throughout the land at fever pitch. Public and private. Man up for the challenge...charismatic, highly intelligent, vast healthcare industry knowledge. But not everybody wanted that. Some wanted him out; others wanted him in bed with them. Specifically, the women working Washington. He brings sexy back, while ushering intellect and integrity in. And he's just so damn handsome. Real hot commodity! Those gunning for him; those gaming for him. Didn't matter. He wouldn't be thrown off course. The man had a mission. And his wife? Somewhat like...a hundred gradations of pink, maybe? She'd come upon a way to intensify the existing

intensity between them. Witty, adventurous, creative, and simply gorgeous. She was at the top of her game, too. With so many challenges, how does this all pan out? How did he weave through waves of deception? What kept him grounded through it all? His wife helped. With that 'feminine wiles' thing, she took care of business. It's all made crystal clear by the things people do... and don't.

Recruiting News 1936

Intentional Walk Allen Goodrich 2014-02-20

Reporter Ray Gorman met baseball player Dixon White in 1971, before he was a star, but that didn't stop Gorman from seeing star potential. Dixon was the best high school pitcher in the state—until a fateful car crash changed his life forever. A few years later, Dixon decides to take a chance and try out for the big leagues. He misses baseball, but more than that, he also wants to help his parents financially. His little brother, Todd, suffers from polio and will need an expensive surgery to live a normal life. Dixon

is shocked when he is hired to join the team's Triple-A affiliate, and Gorman dubs him "The Can't Miss Kid." Now Dixon is the hottest prospect in the minors, and with Gorman's help, he's front-page news on the Pittsburgh Gazette. Soon, however, Dixon's best intentions get lost in the fray. Unready for the kind of attention and expectations the story brings, he will need to look to his roots and his inner faith to find success while staying true to his family, friends and to himself.

I Stooged to Conquer Moe Howard 2013-07

Telling the full story of the head Stooge, this work reveals the life-long career of a legendary funnyman. Born into a working-class family in Brooklyn, Moe Howard transformed his real-life experiences of getting into mischief with his brother Shemp into the plots that would have millions rolling in the aisles. From childhood, Moe's ambition was to perform--whether it was plucking a ukulele on the beach, or playing a halfwit on a Mississippi showboat. But he only found success when he joined with Shemp and Larry Fine to play, as the "New York Times" put it, "three of the frowziest numskulls ever assembled." As the brains behind the Three Stooges, he went on to act in hundreds of their movies, introducing his little brother Curly into the act when Shemp departed, and, after Curly's death, partnering with Joe Besser and finally Joe de Rita. This is Moe Howard's self-penned, no-

holds-barred story of the ups and downs of his life, ranging from personal family tragedies to tidbits about career mishaps and triumphs. It overflows with the easygoing charm, generosity, and inspired lunacy of the "wise guy" behind America's most successful comedy trio.

Christmas Babies Ellen James 2014-11-15 Twin sisters! Two babies. Double the trouble...and twice the joy! Especially at Christmas... When Danni Ferris keeps her appointment with a client she barely knows, the last thing she expects him to do is take her into his arms and kiss her passionately. But that's exactly what happens. There can only be one explanation—Danni's twin sister, Kristine! In *Christmas Babies*, Ellen James explores the relationship between identical sisters—a relationship that is stretched to the limit when Bryan McKay comes into their lives.

Performing Memories Gabriele Biotti 2021-04-26 What is memory today? How can it be approached? Why does the contemporary world seem to be more and more haunted by

different types of memories still asking for elaboration? Which artistic experiences have explored and defined memory in meaningful ways? How do technologies and the media have changed it? These are just some of the questions developed in this collection of essays analysing memory and memory shapes, which explores the different ways in which past time and its elaboration have been, and still are, elaborated, discussed, written or filmed, and contested, but also shared. By gathering together scholars from different fields of investigation, this book explores the cultural, social and artistic tensions in representing the past and the present, in understanding our legacies, and in approaching historical time and experience. Through the analysis of different representations of memory, and the investigation of literature, anthropology, myth and storytelling, a space of theories and discourses about the symbolic and cultural spaces of memory representation is developed.

Harper's New Monthly Magazine 1894

The Wanting Campbell Armstrong 2015-04-21 A California vacation town holds a terrifying secret in this novel from the international bestselling author who “writes much better than King or Straub” (Village Voice). When Max and Louise Untermeyer rent a house in the remote pine forests of Northern California, they figure it’ll be a perfect escape from the city, especially for their twelve-year-old son, Denny. Their neighbors, Dick and Charlotte Summer, are an elderly couple who certainly seem nice enough. And while they positively dote on the boy, plying him with sweets and gifts, it’s a shame there are no other children Denny’s age to play with. Louise is beginning to wonder why, but no one in town likes to talk about it. But that’s not the only thing troubling Louise. A parent expects a boy of Denny’s age to go through changes—just not like this. Day by day, his innocence seems to be draining away, replaced by something unhealthy, even perverse. Now, the closer Denny gets to Mr. and Mrs. Summer, the closer he is to

being lost forever in their dark secret. And anyone who comes looking for him hasn’t got a prayer. The international bestselling author of the Glasgow novels and the Frank Pagan series, Campbell Armstrong has won a Scottish Arts Council Award and a nomination for the Prix du Polar. Any one of his novels “belongs in the permanent collection of horror/thriller fans” (Kirkus Reviews).

Bad Vibes Only Nora McInerny 2023-05-09 From the host of the podcast *Terrible, Thanks for Asking*—called “a gift” by The New York Times—a raw and humorous essay collection in the spirit of Jenny Lawson and Samantha Irby. Nora McInerny does not dance like no one is watching. In fact, she dances like everyone is watching, which is to say, she does not dance at all. A bestselling author and host of the beloved podcast *Terrible, Thanks for Asking*, she has captured the hearts of millions with her disarming and earnest approach to discussing grief and loss. Now, with *Bad Vibes Only*, she

turns her eye on our aggressively, oppressively optimistic culture, our obsession with self-improvement, and what it really means to live authentically in the online age. In essays that revisit her cringey past and anticipate her rapidly approaching, early middle-aged future, McNerny lays bare her own chaos, inviting us to drop the façade of perfection and embrace the truth: that we are all—at best—slightly unhinged. Socrates claimed that the unexamined life is not worth living. Bad Vibes Only is for people who have taken that dictum a bit too far—the overthinkers, the analyzers, the recovering Girl Bosses, and the burned-out personal brand—reminding us that a life worth living is about more than just “good vibes.”

Forgetful Ted Barrons Educational Series
1997-09 Ted is a forgetful bear who is always late for everything. Today is his birthday, and his friends give him an alarm clock, hoping he won't be late anymore. But they don't call him forgetful Ted for nothing. As they follow the

The Desert Has No King Frederiko Aguilar
2007 It is a story of a young man growing up in the suburbs of East Los Angeles, Ca. A story of what all young gamblers dream of and few will experience, and perhaps, survive. Frankie Santos started gambling at the age of 10 years by pitching pennies and shooting marbles for money with the older kids in the neighborhood. He learned the games of poker and horse racing at the age of 11 years. At 12 he shared his new devotion with his fellow classmates by getting them involved in poker games on the school grounds. In high school, he continued to live in the environment of trying to make a fast buck playing the horses. As a young man in his 20s, he enters into a journey of big money, greed, drugs, and becoming the target of the Mexican Mafia. He is on the run and in hiding, and discovers another hard fast-paced journey. By nature, he is a compassionate man, and a

protector of family and friends that maybe in harms way. From the age of innocence to manhood and the commencement of rise to power, Frankie Santos did not know what was in his destiny.

Echo in the Memory Cameron Nunn 2021-06-02
What if memories never die? An evocative Australian YA novel about family, place, and how history has a way of weaving itself into our present. What if memories never die? When fifteen-year-old Will is sent away to stay with his grandparents in rural New South Wales, he finds the isolated farm strangely familiar; except the memories he's channelling are not his own. But whose are they? And why does his grandfather share the same haunting link? As two stories unfold, nearly 200 years apart, two boys exiled to what feels like the end of the earth struggle to find their identities and voices in the face of abandonment and tragedy. A page-turning YA novel that explores the darker moments of our convict past and how they resonate today.

Icing On The Cake Laura Castoro 2007-01-01

Sic Semper Tyrannis Marcus Richardson 2015-03-31 Freedom is never free... Erik Larsson and his group survived the initial days of the collapse but now they face their greatest threat: the Russian army. The invasion has swallowed half of Florida and Erik finds himself on the front lines. Struggling to be the soldier his beleaguered country needs, Erik only wants to survive long enough to bring his family and friends to safety. Across the country in Arizona, Rob Gunn and the Regulators face off against another foe every bit as dangerous as the

Russians. From coast to coast, everyone caught in the crossfire—patriot or rebel, citizen or soldier—must decide: fight or die. If Erik can evade the Russians long enough, there's hope he and his group may survive the long dangerous summer after the collapse. But will America? *Sic Semper Tyrannis* is the intense post-apocalyptic sequel to *Alea Iacta Est*.

Christmas, Ideology and Popular Culture

Sheila Whiteley 2008-04-26 How do we understand Christmas? What does it mean? This book is a lively introduction to the study of popular culture through one central case study. It explores the cultural, social and historical contexts of Christmas in the UK, USA and Australia, covering such topics as fiction, film, television, art, newspapers and magazines, war, popular music and carols. Chapters explore the ways in which the production of meaning is mediated by the social and cultural activities

surrounding Christmas (watching Christmas films, television, listening or engaging with popular music and carols), its relationship to a set of basic values (the idealised construct of the family), social relationships (community), and the ways in which ideological discourses are used and mobilised, not least in times of conflict, terrorism and war.
