A Collection of Poems by Robert Frost Robert Frost 2019-10-08 The early works of beloved poet Robert Frost, collected in one volume. The poetry of Robert Frost is praised for its realistic depiction of rural life in New England during the early twentieth century, as well as for its examination of social and philosophical issues. Through the use of American idiom and free verse, Frost produced many enduring poems that remain popular with modern readers. A Collection of Poems by Robert Frost contains all the poems from his first four published collections: A Boy's Will (1913), North of Boston (1914), Mountain Interval (1916), and New Hampshire (1923), including classics such as "The Road Not Taken," "Fire and Ice," and "Stopping by Woods on a Snowy Evening."

**The Road Not Taken and Selected Poems** Robert Frost 2019-04-11 The poem "The Road Not Taken" written by the American poet Robert Frost is part of a collection of poems called "Mountain Interval". It is famous for its theme of divergence of paths amongst Americans. In this collection, you find besides the poem "The Road Not Taken" other

selected poems taken from Frost's works "Mountain Interval", "A Boy's Will" and "American Poetry". Robert Frost is best known for his description of rural life in New England. During his life, he was honoured with four Pulitzer Prizes for Poetry as well as the Congressional Gold Medal.

Selected Poems Robert Frost 2021-02-01 Selected Poems (1923) is a collection of poems by American poet Robert Frost. Dedicated to Edward Thomas, a friend of Frost's and an important English poet who died toward the end of the First World War, Selected Poems is a wonderful sampling of poems from Frost's early collections, including A Boy's Will and North of Boston. Known for his plainspoken language and dedication to the images and rhythms of rural New England, Robert Frost is one of America's most iconic poets, a voice to whom generations of readers have turned in search of beauty, music, and life. "Mowing" envisions the poet's work through the prism of rural labor. "There was never a sound beside the wood but one / And that was my long scythe whispering to the ground. / What was it it whispered?" The speaker does not know, but continues his task, hypnotized by its rhythm and simple music. In "After Apple-Picking," as fall gives over to winter, the poet remembers in dreams how the "Magnified apples appear and disappear, / Stem end and blossom end" as he climbs the ladder into the heart of the tree. Both a symbol for life and a metaphor for the poetic act, apple picking leaves

the poet "overtired / Of the great harvest [he himself] desired", awaiting sleep as he describes "its coming on," wondering what, if anything, it will bring. "The Road Not Taken," perhaps Frost's most famous poem, is a meditation on fate and free will that follows a traveler in an autumn landscape, unsure of which path to take, but certain he cannot stand still. With a beautifully designed cover and professionally typeset manuscript, this edition of Robert Frost's Selected Poems is a classic of American literature reimagined for modern readers.

**The Notebooks of Robert Frost** Robert Frost 2007-01-01 During his lifetime, Robert Frost notoriously resisted collecting his prose--going so far as to halt the publication of one prepared compilation and to "lose" the transcripts of the Charles Eliot Norton Lectures he delivered at Harvard in 1936. But for all his qualms, Frost conceded to his son that "you can say a lot in prose that verse won't let you say," and that the prose he had written had in fact "made good competition for [his] verse." This volume, the first critical edition of Robert Frost's prose, allows readers and scholars to appreciate the great American author's forays beyond poetry, and to discover in the prose that he did make public--in newspapers, magazines, journals, speeches, and books--the wit, force, and grace that made his poetry famous. The Collected Prose of Robert Frost offers an extensive and illuminating body of work, ranging from juvenilia--Frost's contributions to his high school Bulletin--to the charming "chicken stories" he wrote as a young family man for *The Eastern Poultryman* and *Farm Poultry*, to such famous essays as "The Figure a Poem Makes" and the speeches and contributions to magazines solicited when he had become the Grand Old Man of American letters. Gathered, annotated, and cross-referenced by Mark Richardson, the collection is based on extensive work in archives of Frost's manuscripts. It provides detailed notes on the author's habits of composition and on important textual issues and includes much previously unpublished material. It is a book of boundless appeal and importance, one that should find a home on the bookshelf of anyone interested in Frost.

**The Robert Frost Reader** Robert Frost 2002-04 No poet is more

emblematically American than Robert Frost. This is a collection of rich cornucopia of Frost's speeches, interviews, correspondence, one-act plays, and other prose.

**Selected Poems By Robert Frost** Robert Frost 2019-10-23 This book consists of the most representative poems of American poet Robert Frost. I'm going out to clean the pasture spring; I'll only stop to rake the leaves away (And wait to watch the water clear, I may): I shan't be gone long. You come too. I'm going out to fetch the little calf That's standing by the mother. It's so young, It totters when she licks it with her tongue. I shan't be gone long. You come to

**Visiting Frost** Sheila Coghill 2005 Like Emily Dickinson and Walt Whitman, Robert Frost looms large in the American literary landscape, straddling the 19th and 20th centuries like a poetic colossus: whosoever desires passage must, at some point, contend with the monolithic presence of Robert Frost. As they did in *Visiting Emily* and *Visiting Walt*, in *Visiting Frost*, Sheila Coghill and Thom Tammaro once again capture the conversations between contemporary poets and a legend whose voice endures. In his introduction to the collection, Frost biographer Jay Parini likens the poet to a "great power station, one who stands off by himself in the big woods, continuously generating electricity that future poets can tap into for the price of a volume of his poems." A four-time Pulitzer Prize winner whose work is principally associated with the landscape and life in New England, Frost (1874-1963) was a traditional, psychologically complex, often dark and intense poet. In *Visiting Frost*, one hundred homage-paying poets--some who knew Frost, most only acquainted through his work--celebrate and reflect that intensity, in effect tapping into his electrical current. By reacting to specific Frost poems, by reinventing others, and by remembering aspects of Frost or by quarreling with him, the contributors speak on behalf of us whose lives have been brightened by the memorization and recitation of such poems as "The Road Not Taken" or "Stopping by Woods on a Snowy Evening." As the poets pay tribute to Frost's place in American poetry and history, they suggest--more than forty years after his death--just how alive and vital he remains in our collective memory.

**The Road Not Taken and Other Poems** Robert Frost 2012-03-01 A treasury of Frost's most expressive verse. In addition to the title poem: "An Old Man's Winter Night," "In the Home Stretch," "Meeting and Passing," "Putting in the Seed," many more. All complete and unabridged.

**The Road Not Taken and Other Selected Poems** Robert Frost 2013-04-22 Robert Frost is one of America's most beloved poets. He won four Pulitzer prizes for his poetry and was invited to read his poetry at John F. Kennedy's inauguration. His life was filled with personal tragedy which his poetry often reflected. Collected here are The Road Not Taken, The Death Of The Hired Man, The Mountain, Fire and Ice, The Generations Of Men, The Grindstone, The Witch of Coös, A Brook in the City, Design, House Fear, The Lockless Door, Storm Fear, and Snow Wilder Publications is a green publisher. **The Selected Poems of Robert Frost** Robert Frost 1991 John F. Kennedy said of Robert Frost: " He has bequeathed his nation a body of imperishable verse from which Americans will forever gain joy and understanding." A four-time winner of the Pulitzer Prize for poetry, Frost created a new poetic language that has a deep and timeless resonance. In addition to Robert Frost's first three books, this collection includes eighteen early poems that did not appear in his eleven books of poetry and have rarely been reprinted. Some of these express the idealism of youth inspired by heroic figures of the past. Others are love poems to Elinor White, whom he married in 1895. This book features a deluxe cover, ribbon marker, top stain, and decorative endpapers with a nameplate.
