Children's Books in Print, 2007 2006

Unbound Kendra Greenwood
2017-06-21 You're not allowed to be a coward and be in love. You must choose one. Special Agent Laura Logan had a difficult childhood and that's putting it mildly. She channeled her buried rage into her studies, earned a law degree and joined the FBI. As a member of the new human trafficking task force, she wants to impress - and she wants to make the perps pay. Detective Lieutenant Steve Moretti moonlights at a very exclusive club in return for free membership and other perks. His family is pressuring him to find a nice woman and settle down, but that bridge was burned by his ex. His new view: Marriage is betting half your stuff that you'll love someone forever. A kidnapping shocks Steve's town and the FBI is called in. Steve and Laura meet

at the crime scene, sparks fly, and they work the case together. As passion ignites, their 'no love' commandment is tested. Can they overcome the heartbreak of betrayal and learn to love before it's too late? Or are they so afraid they'll refuse to love at all? This is book two in the Steel and Desire series, but can be enjoyed as a standalone. Publisher's Note: This steamy romance contains elements of mystery, suspense, adventure, danger and power exchange. *The Legend of the Faerie Dragon* J.E Briggs 2011-08-08 Puffy, The Grand Archmage of the Camp Rainbow Circle (a gathering of gay mages and cross dressers) is dying, due to a strange and debilitating curse. He unexpectedly sends for several individuals with questionable backgrounds and morals to find a cure. This band of misfits includes Basher, an alcoholic dwarf from The Ale Appreciation

Association, who boasts an insatiable sexual appetite. Busty Valentine, a well endowed valkerie with a passion for bar room brawls. An elf called Jeremy, a one hundred and forty year old virgin who is terrified of women. Then finally Darcy Powerpuff, a shy hermit and sexually confused mage from The Camp Rainbow Circle, whose only real companion is his mischievous house goblin Silky. The Grand Puff (Puffy) sends for this rabble and gives them the quest of locating the legendary faerie dragons. Follow them on their quest, as they fight, hump and drink their way out of, but more often than not into trouble. Have they been told the whole truth, and have they all bitten off more than they can chew

Kissing Lessons Stefanie London 2020-11-09 Welcome to Kissing Creek, where romance-themed puns and love are around every corner... Barista and pseudo-mom Audrey Miller doesn't believe in happily-ever-after—which means she definitely lives in the wrong town. But her younger siblings

depend on her, which means a lifetime stuck in Kissing Creek and serving Pink Passion mochas with Chocolate Smooch donuts. Which is exactly when the town's hot new professor walks in for a coffee and into her life... Ronan Walsh is an academic walking cliché, right down to the elbow patches on his blazer. She knows his type—intelligent and charming, yet sweet as a cinnamon roll. He's the sort of man she's inevitably attracted to... and the sort of man who is always out of her league. Ronan isn't putting down roots and Audrey is definitely not going anywhere soon. And neither of them are looking for anything permanent. woman. Then I said “yes.” Now I am the lunatic bride I always made fun of! What is it about getting married that turns normal people into total freaks? A savvy, riotously funny novel, *Diary of a Mad Bride* is for anyone who has ever been a bride, is about to become a bride, yearned to be a bride, or suffered the sheer indignity of appearing in public in the world’s ugliest bridesmaid dress.... My wedding was starting in less than twenty minutes, and I was stuck in a 7-Eleven parking lot with popcorn kernels wedged in my gums and vanilla ice cream melting on my dress. It was a disaster too large to comprehend. After an agonizing year spent planning my wedding, could it really end like this? The voices chronicling a year of wedding hysteria swirled in my head.... — My grandmother upon viewing my engagement ring: “What do you mean he gave you an emerald! Diamonds are eternal, emeralds say, maybe five years.” — My future father-in-law on the night of my

engagement party: “To a happy marriage and, if necessary, a painless divorce!” — My best friend, Anita: “Oh, screw congratulations. Of course I’m happy for you. Stephen’s a major piece of ass and he’s got a sense of humor. Just as long as you’re certain this is what you want.” Would I survive this day after all....?

**An Evening of Long

2007-12-18 Vastly entertaining
and outright hilarious, Paul
Murray's debut heralds the
arrival of a major new Irish
talent. His protagonist is
endearing and wildly witty-part
P. G. Wodehouse's Bertie
Wooster, with a cantankerous
dash of A Confederacy of
Dunces' Ignatius J. Reilly
thrown in. With its rollicking
plot and colorful characters, *An
Evening of Long Goodbyes* is a
delightful and erudite comedy
of epic proportions. Charles
Hythloday observes the world
from the comfortable confines
of Amaurot, his family estate,
and doesn't much care for what
he sees. He prefers the black-
and-white sanctum of classic
cinema-especially anything
starring the beautiful Gene
Tierney-to the roiling and

rumbling of twenty-first-
century Dublin. At twenty-four,
Charles aims to resurrect the
lost lifestyle of the aristocratic
country
gentleman-contemplative
walks, an ever-replenished
drink, and afternoons filled
with canapés as prepared by
the Bosnian housekeeper, Mrs.
P. But Charles's cozy existence
is about to face a serious
shake-up. His sister, Bel, an
aspiring actress and hopeless
romantic, has brought to
Amaurot her most recent-and
to Charles's mind, most ill-
advised-boyfriend. Frank is
hulking and round, and
resembles nothing so much as
a large dresser, probably a
Swedish one. He bets on
greyhounds and talks endlessly
of brawls and pubs in an accent
that brings tears to Charles's
eyes. And, most suspiciously,
his entrance into the
Hythlodays' lives just happens
to coincide with the
disappearance of an ever-
increasing number of
household antiques and
baubles. Soon, Charles and Bel

heirlooms are the least of their worries; they are simply not as rich as they have always believed. With the family fortune teetering in the balance, Charles must do something he swore he would never do: get a job. Booted into the mean streets of Dublin, he is as unprepared for real life as Frank would be for a cotillion. And it turns out that real life is a tad unprepared for Charles, as well.

Gosling Girl: '[The Gosling Girl] interrogates the context of a child's crime and simplistic notions of evil by society and the media. It fosters understanding & empathy and draws us deep inside the protagonist's psychology' Bernardine Evaristo 'This intriguing procedural is above all a portrait of two damaged women and a moving demonstration of how race and class have affected their lives' The Times and The Sunday Times Crime Club 'This is a beautifully written, insightful and thought-provoking novel. Michelle's story drew me in immediately, and while it's heartbreaking in places, it's uplifting in others. Jacqueline Roy writes with deep compassion and empathy, and I have a feeling this wonderfully compelling novel will stay with me for a long time' Susan Elliot Wright, author of All You Ever Wanted 'A thoughtful, slow-burn exploration of how damaged children damage, The Gosling Girl asks whether some children are born evil - and shows emphatically that an

At times, disturbing, poignant, and thought-provoking' Sarah Vaughan, author of Anatomy of a Scandal and Reputation 'It was refreshing to read a thriller that wasn't full of twists, though I kept waiting for them, as I've been conditioned to expect them.
