Downstream from Eden David L Knight 2012-05 Downstream from Eden is a celebration of water in a less-than-perfect world. It will inspire you and bring you hope, Probably the most comprehensive study of water and the Bible you will find anywhere. Well-researched and highly readable, with stories from Icelandic waterfalls to the Aral Sea, from the origins of the universe to the Apocalypse, the author weaves a conversation that turns water into wine. You will sip and savor page after page. Water is an urgent global concern with 800 million people living today in parched conditions or with unsafe water. The UN Water for Life Decade 2005-2015 highlights the need for sustainable water solutions. Downstream from Eden adds a unique voice to this discussion with insights from the Bible, science, history and literature on issues of social justice, the environment and personal spirituality. Fascinating material! David Knight is a profound, reflective and interesting writer. - Ramez Atallah, The Bible Society of Egypt A beautiful study of water. Read it slowly and enjoy. You will be refreshed - spirit and soul! - Barry Mackay, Habitat for Humanity India (retired), Includes "A Manifesto for Action: Ten Disciplines for Living Downstream from Eden" and Questions for Small Group and Book Club discussion.

**Children Like Olive Plants** Judy Folsom 2022-08-01 Knowledge can come from books, but wisdom can only be received from God. This book is the accumulation of the knowledge learned by the author through personal experiences and the wisdom of spiritual principles from God's Word. Multiple topics are covered to help and support families. aEURC/ Love languages aEURC/ Discipline aEURC/ Teaching work ethics and the handling of money aEURC/ Spiritual training aEURC/ Grace gifts and temperaments aEURC/ Releasing our married children Whether just starting a family or helping to raise grandchildren, there is a wealth of information to assist you. Why olive plants? When you eat the labor of your hands, You shall be happy, and it shall be well with you. Your wife

shall be like a fruitful vine in the very heart of your house, Your children like olive plants all around your table. Behold, thus shall the man be blessed who fears the LORD. (Psalms 128:2aEUR"4) In this blessing, God compared your children to olive plants and commissioned them to be all around your table. My question was, aEURoeWhy olive plants?aEUR Here are some facts I found about the olive tree: The olive tree is one of the most beloved, sacred trees in Israel. It has strong roots that live for thousands of years. They are evergreen trees bearing valuable fruit all year long. Olive trees can grow in a rocky environment with poor soil conditions. They need a sunny position and regular watering to thrive. The olive tree grows quickly the first four years, producing a beautiful white flower. Maturing of the olive tree slows down, developing fruit several years later. The olive leaf extract possesses extreme healing properties. The olive branch is a symbol of peace. The expensive olive wood is fragrant, colorful, dense, and durable. The wood is used for fine furniture and the making of items of religious significance. The wood is seasoned and cleaned by applying oil and rubbing with salt. The olive fruit is very bitter if not processed correctly. With careful preparation, it is a delicious, salty addition to our diet. The Israelites considered an abundance of oil as a sign of prosperity and favor. The olive oil is used to produce light and as an anointing oil for healing. Judges 9:9 says that oil was used to honor God and men. The olive tree is cherished and loved for what it gives the nation of Israel. Our little olive plants should be cherished and loved for what they can do for the kingdom of God.

Aggressively and diligently take hold of God's promises, until they are realized physically. The author: Having gone through infertility herself, shares her experiences which helps build a bridge of trust between herself and the readers. Includes concrete steps that readers can take, such as prayers they can pray, to be proactive in seeking breakthrough in this area. Writes authentically, giving readers permission to approach this subject, reflect on their own experiences, and believe in God's promises for their future. Uche Ezechim, the author of "The Fruitful Vine and Olive Shoots" is a beloved Sister and friend... This book is timely, and her testimony attests to the practical reality of God's divine power and ability to intervene in the affairs of men. It tells of wholehearted dependence on God, faith in His Word, a Kingdom lifestyle and a life of fervent prayer with fasting. It is easy to read and understand, and is highly recommended for couples who desire to have children of their own. **Fruit that Will Last** Silvia Lia Leigh 2012 "You did not choose me, but I chose you and appointed you to go and bear fruit- fruit that will last..." (John 15:16). Fruitfulness is not a strange thing. It is strange to be unfruitful. God himself is eternally fruitful, and so shall it be with his children and everything in his kingdom. Are you fruitful? The author invites the seeking heart to experience a delectable basket of personal revelations and scriptures that will inspire the reader to pray for the fullness of the Spirit. Fruit that will Last is a spiritual event that will manifest as a physical experience. The fruit of the Spirit will manifest on you like oranges on an orange tree. At the beginning they are few and sour. No one enjoys an immature believer. But after some time the harvest will increase and become steady, others will 'eat' your words and find them sweet and strong. You will start to taste and enjoy the words that proceed from your own mouth.

*A Fruitful Branch on the Vine, Jesus* Mother Teresa (Saint) 2000 Mother Teresa was a living saint whose life nourished those around her and who was herself nourished by prayer. This little book, prepared by the nuns of her order, the Missionaries of Charity, or Sisters of Mother Teresa of Calcutta, is published in this country for the first time for the celebration of her third death anniversary. Here are Mother Teresa's prayers and excerpts from her writings, many in her own handwriting reproduced on the page, accompanied by line drawings by the sisters. The simple drawings of the sisters complement the simple words of Mother Teresa. These simple words and simple drawings show the way to a profound joy through service to God in service to the poorest of the poor.

**Fruitful Vine** Oghenethoja UMUTEME 2019-01-19 This month of February is a special breakthrough month for those who believe in what God can do to turn their situations around for good. When we study through the word of God, we receive His incarnate personality into our hearts. I encourage you to take a step of faith to first study through the pages of this devotional and the scripture references. Then, take a time off to meditate - say up to 30 minutes or an hour. The intention is to allow one to regurgitate what one had studied and to ponder over the salient revelations of the person of God in the devotional topic.

**The Fruitful Wife** Hayley DiMarco 2012-09-30 Are you loving, joyful, peaceful, patient, kind, good, faithful, gentle, AND self-controlled? Most of the time? Sometimes? How about when life gets hard or marriage gets tough? Whatever your answer may be, the good news is that you are not alone. Best-selling author, mother, and wife Hayley DiMarco understands the challenges we all face and answers the question at hand: How can you be the woman God is calling you to be, a woman who bears the fruit of the Spirit in your marriage and in the daily grind of life? To help you grow, Hayley explores the biblical significance of all 9 fruits of the Spirit, explaining how each fruit first begins to grow and then how each impacts your day-to-day life and marriage. She writes like a wise friend and is readily transparent about her own failures to be spiritually fruitful as well as her relational struggles for control, authority, and respect. Ultimately, Hayley teaches us how even the rockiest of marriages can blossom and generate the fruit God intends to produce.

**The Fruitful Vine** Warren Henderson 2006-01-30 *The Fruitful Vine* contains six sections. The first, *The Marital Union*, supplies the biblical foundation for the remainder of the book: Why was marriage instituted, and what was God's best plan for marriage? The chapter "To Marry or

Not?" offers guidance and encouragement to unmarried women, both those called to "singleness" and those "maids in waiting." The following three sections pertain to the natural roles a married woman will find the most joy in fulfilling - namely, being a companion to her husband, bearing and nurturing children, and keeping an ordered home. The fifth section, The Autumn Years, provides counsel to the "empty-nesters" and encouragement for widows. The final section provides a character sketch of a spiritually-minded woman and the types of ministry she may engage in. Through Scripture, God has revealed both what He finds beautiful in a woman and what He expects of her. Warren Henderson's book *Fruitful Vine* is part of the foliage trilogy on biblical family life.
