Enter Sean Kirkpatrick, a Dom who's recently come to Dominion and taken a pointed interest in Callie. Hoping to make Thorpe jealous, she submits to Sean one shuddering sigh at a time. It isn't long before she realizes she's falling for him too. But the tender lover who's seducing her body and slowly earning her trust isn't who he claims... And to fall in love. **Highland Master** Amanda Scott 2011-02-01 When eighteen-year-old Lady Catriona Mackintosh discovers a wounded man in the forest near her Highland home, little does she know that he has sworn a sacred oath to kill her father and other members of the powerful Highland confederation known as Clan Chattan. Nor does she realize that she has

met her soul mate. Independent, competent, intelligent, fiercely proud of her heritage, determined always to live near her own family, and known to her family as the "wee wildcat" because of her quick temper, Catriona is the daughter of a Highland chieftain and granddaughter of the even more powerful Chief (or Captain) of Clan Chattan. But her life changes forever when she persuades Sir Finlagh Cameron to return with her to her home to recover from his wounds. Sir Finlagh "Fin" Cameron is on a mission for the heir to Scotland's throne, who has sent him to the Highlands to persuade the Chief of Clan Chattan to arrange a secret meeting for him with two other great lords (the Lord of the Isles and the Lord of the North). Until Fin meets Catriona, however, he has no idea that her father was the Clan Chattan war leader who led them in the battle that wiped out many of Clan Cameron's best warriors, including Fin's own father. The sole survivor of that battle, Fin accepted a bequest of vengeance from his dying father, providing him with a dilemma to face as he begins to fall in love with Catriona. He is not the only one enticed by her charms, either. There are two other contenders, one of whom is his own master, the heir to Scotland's throne. With royal mischief afoot, if Catriona and Fin are ever to find happiness, they must first avoid disaster that could change Scotland's history, and find ways to be open and honest with each other.

*But You Can't Hide* Freeny 2019-04-16 This is no ordinary case for T. J. McCall. Her client, Joanne, a reclusive heiress, with a slim hold on reality, is not who she said she is, and nothing about the case makes sense. The first husband, Michael, went missing nine years ago. The second husband, David, is Michael's brother. Joanne's New York powerful attorney, is protective of her, and thwarts T. J.'s investigation at every turn. No small thing, since Joanne is the prime suspect for David's disappearance. The investigation leads to England where Joanne attended school, and after a self-abusive incident there, she is placed in a

stateside sanitarium for three years. Things get murky until she married Michael, and then he disappeared, presumed drowned, though no body was found. David, it turns out, is a fugitive gunrunner and not the saint Joanne pictured him to be. Question is; why would someone running from the law get involved with someone as high profile as Joanne? In the end, David's so called disappearance, has no motive, makes no sense, and an outcome that shocks everyone...everyone except her attorney who was the only one in on the truth.

**Love and the Single Heiress** Jacquie D'Alessandro 2009-10-13 An anonymous author has turned English society upside down, and only one man can protect her identity from being revealed, and her life from being destroyed, in this sexy new romance from reader favourite Jacquie D'Alessandro. The slim but erotically explicit volume was penned by an unknown author, and now all of London is trying to discover the mysterious writer's true identity. But the search doesn't scare Catherine Ashfield, Viscountess Bickley, the proper woman who transcribed the book for her dear friend, a very elderly and experienced widow. Disgusted by the shallow values and morals of the town, Catherine was excited to help her friend and set the uppity nobility on its ear. And maybe by giving women a little more knowledge they could finally have happier marriages, instead of loveless unions as she had her with her own late husband. **Tales of The Smiths: A Graphic Biography** Con Chrisoulis 2018-03-22

There was never a band like The Smiths. Formed at the coalface of a depressed England in 1982, their mix of wit, realism and a wry self-awareness would take them to heights young Morrissey could only dream of from the confines of his dull education, a brutal Manchester upbringing, and the horror of cleaning up body parts as a hospital porter. Climaxing with the release of their first ever single; using interviews and reviews, imagined conversation and peerless artistry; visiting every influence from the New York Dolls to Nico, from Bowie and The Sex Pistols to Patti Smith, Con Chrisoulis brings to brilliant life the troubled teenage years of the unique artists that are Morrissey, Marr, Rourke and Joyce. With a foreword by Si Wolstencroft and an introduction by Johnny Rogan, this is the story of the birth of The Smiths, one of the most influential UK bands, ever. It's time the tale were told...
