Clingmans Dome Melissa F. Miller 2020-06-22 A mass murderer hides somewhere in the Great Smoky Mountains National Park. He has a deadly secret. And a bomb. Tracker Aroostine Higgins and Special Agent Patton River Banks have a strained relationship. But, when Aroostine picks up the trail of a fugitive during a visit to Clingmans Dome, she and the National Park Services criminal investigator have no choice but to work together. Alan Steven Reynolds has been on the run for years—ever since he helped engineer one of the country's deadliest bombings. When Roo finds evidence that he's hiding out in the park's 800 square miles of dense forests, she and Patton join forces to find him. They aren't the only ones looking for Reynolds, though. He's been active during his

time underground, and a new client has explosive reasons to stop him from talking to the authorities. Roo and Patton are in a race against time and a shadowy enemy. They need to bring Reynolds in before his partner brings him down, along with anyone else who happens to be in the woods. *Clingmans Dome* is the sixth book in USA Today bestselling author Melissa F. Miller's smart, fast-paced Aroostine Higgins series. *Escape from Hangtown* Larry D. Sweazy 2015-06-02 In this Lucas Fume Western from the Spur Award-winning author of *Vengeance at Sundown*, no man is truly free until he puts his past—and his enemies—to rest. Lucas Fume has been exonerated of the murder charge that put him in prison seven years ago. But he isn't free yet. Not while his friend, former slave Zeke Henry, remains a fugitive wrongly accused of

assaulting Senator Barlow's daughter, Celia. Lucas wouldn't have his freedom or wealth—let alone his life—if it weren't for Zeke. And he knows that the only way to clear his friend's name is to prove the identity of Celia's true attacker: Senator Barlow himself. Now Lucas has a plan to take on the powerful Senator—and his son John, aka Lanford Grips—once and for all. The only question is whether it will lead to freedom or the end of a noose.

The Ratline Philippe Sands 2022-03-15 A tale of Nazi lives, mass murder, love, Cold War espionage, a mysterious death in the Vatican, and the Nazi escape route to Perón's Argentina, "the Ratline"—from the author of the internationally acclaimed, award-winning *East West Street*. "Hypnotic, shocking, and unputdownable." —John le Carré, internationally renowned bestselling author Baron Otto von

Wächter, a lawyer, husband, and father, was also a senior SS officer and war criminal, indicted for the murder of more than a hundred thousand Poles and Jews. Although he was given a new identity and life via "the Ratline" to Argentina, the escape route taken by thousands of other Nazis, Wächter and his plan were cut short by his mysterious, shocking death in Rome. In the midst of the burgeoning Cold War, was he being recruited by the Americans or by the Soviets—or perhaps both? Or was he poisoned by one side or the other, as his son believes—or by both? With the cooperation of Wächter's son Horst, who believes his father to have been "a good man," award-winning author Philippe Sands draws on a trove of family correspondence to piece together Wächter's extraordinary life before and during the war, his years evading justice, and his sudden, puzzling death. A riveting work of history, *The Ratline* is part historical detective story, part love story, part family memoir, and part Cold War

espionage thriller.

A History of the World in 500 Walks Sarah Baxter 2016-06-15 From prehistory to the present day, take a grand tour of world events at eye-level perspective with accounts that combine knowledgeable commentary with practical detail. You may even be inspired to lace up your own boots! From geologic upheavals and mad kings to trade routes and saints' ways, this book relates the tales behind the top 500 walks that have shaped our society. It's easy to imagine travelling back in time as you read about convicts and conquistadors, silk traders and Buddhists who have hiked along routes for purposes as varied as the terrain they covered. *The Bushman's Lair* Paul McKendrick 2021-04-24 Some of Western Canada's most enduring legends involve wilderness fugitives like the Mad Trapper of Rat River or Gunanoot of the Skeena. This book is about one of the most mysterious and most recent fugitives, the Bushman of the Shuswap, who made national

headlines while on the lam in the wilderness around Shuswap Lake during the turn of the millennium. For several years he played cat and mouse with the RCMP, raiding summer cottages for supplies and giving media interviews at the edge of the bush only to vanish like smoke. Who was the mysterious Bushman? What drove him? What happened to him? Author Paul McKendrick became obsessed with these questions after a group of houseboaters discovered a doorway built into a rocky outcrop above a remote arm of Shuswap Lake. It opened into an elaborately excavated nine-hundred-square-foot home, complete with electricity and other amenities—the Bushman's long-sought hideout. Intrigued by the ingenuity of the fugitive's lair and sensing that there was more to the story than what had been reported by the media, McKendrick began reaching out to people who knew the man, whose real name was John Bjornstrom. What had driven Bjornstrom to go on the lam in the first place, and why specifically

to the Shuswap? Why did he escape from prison shortly before completing his sentence? The Bushman's Lair is the culmination of numerous interviews, court and RCMP transcripts and McKendrick's own experience of following the Bushman's trails. The stranger-than-fiction story that McKendrick has woven together is as full of twists and surprises as any reader could hope for: a child of Romani refugees raised by outdoor enthusiasts from Norway; a bizarre, top-secret US military program that recruited individuals with supposed psychic abilities; conspiracy theories and entanglements with shady characters; an alleged hit list tied to the infamous Bre-X mining scandal; and more. Reminiscent of John Vaillant's *The Golden Spruce* and Jon Krakauer's *Into the Wild*, this fascinating portrait of a far-from-ordinary fugitive makes for a page-turning read.

Tracking a Fugitive Elizabeth Heiter
2022-03-29 On the trail of justice Alaska
Mountain Rescue by Elizabeth Heiter A jailbreak

brings Alanna Morgan on a collision course with the woman who stole her childhood. To prevent other helpless victims from being abducted, she sets out with Chance, a therapy St. Bernard, by her side. But rookie police officer Peter Robak has other plans for the civilian investigator. Together in the frigid mountain wilderness, they forge a wary alliance to catch a desperate fugitive. *Hunting a Killer* by Nicole Helm When K-9 handler Selena Lopez discovers her half brother's a fugitive from justice, she must find him—and his dangerous crew. It's a good thing that her partner is infuriatingly efficient and handsome lead agent Axel Morrow. But as smart and cunning as the duo may be, it's a race against time to catch the armed and dangerous criminals before they kill again. Previously published as *Alaska Mountain Rescue* and *Hunting a Killer*

[Fugitive City](#) William P. Wood 2014-08-26 A one-man crime wave is shaking the peaceful city of Santa Maria, California, and no place is safe.

Kenny Trask, an unpredictable, high-strung, shockingly violent convict, has just escaped from prison and is intent on putting together enough cash to bankroll a new life for himself, his ex-cellmate, and the female defense attorney he believes they must “rescue.” Only one man is willing to stand in the way: Robby Medavoy, a cop who’s been called a hero, whose unorthodox style has fueled the resentment of rival officers and the suspicions of his superiors. With a contract on his life from his department’s SWAT team, Medavoy must put everything on the line to pull Trask in—his reputation, his survival, and, unexpectedly, the woman he comes to love.

A Cold Hard Trail Robert J. Conley 2011-04-01 "The devil's on my tail, and he's wearing a badge. Arrested for a robbery I didn't commit, I

broke out of jail and took it on the 1 a.m. I had no choice. No sheriff's going to believe I have a double-unless I find the outlaw myself. If I live that long." The Fosterville sheriff's bagged a few outlaws. The trouble is, Kid Parmlee, his buddy Zeb, and his Pa are dead ringers for bandits who took a stagecoach and made off with a fortune in gold. First step for the Kid and his partners is to make a fast getaway before they get hanged. On the run, and trapped between a trigger-happy lawman and a trio of hard-core desperadoes, the Kid finds himself outnumbered and outgunned. All he has now is raw nerve and blind rage to clear his name and escape the cruel plains alive. In Kid Parmlee, Spur Award-winning author Robert Conley has crafted a fearless flesh-and-blood adventurer who lives and breathes the West as it really was.

Fugitive Nights Joseph Wambaugh 2016-04-20
Playground for the rich, arena for the powerful,

graveyard for the unlucky—welcome to Palm Springs! For some, it's the pleasure capital of the world. For other, it's a city of last chances, a paradise on the edge of the desert. For soon-to-be-ex-cop Lynn Cutter, sweating out a disability pension, it could become a point of no return. As a rule, Cutter wouldn't give a private investigator the time of day, but Breda Burrows is the exception to every rule. Sultry, blue-eyed, long-legged, and tough as nails, Breda can be very convincing, and she's convinced Cutter to be her guide through the glittering netherworld of Palm Springs—an explosive mix of silicone, Geritol, old money, and murder. The trail begins with the monied socialite wife of a philandering husband. The wife doesn't care about her husband's infidelity, but she does want to know why he's made a secret deposit—at a sperm bank. What Cutter wants to know is the identity of the strange, violent man hubby is meeting in the desert—a man known only as the fugitive.

Wanted in Indiana Andrew E. Stoner 2021-03-15

To most Hoosiers, John Dillinger is the very picture of an Indiana fugitive, but the state has seen many fascinating criminal characters on the run. In Tippecanoe County, two Lafayette youths murdered the sheriff's deputies transporting them to prison. The gun-toting "Elwood gun girl" walked from the headlines into legend. One fugitive passed himself off as a small-town cop while on the run, and a well-spoken Indiana killer became the first fugitive captured as a direct result of the TV show America's Most Wanted. Veteran true crime author Andrew E. Stoner examines not only the trail of destruction criminals have left in their wake but also their lives on the run.

The Mountain Fugitive Max Brand 2022-09-15
The Mountain Fugitive by Max Brand is the tale of Lee Porfilo, who is suddenly being framed for the crimes of two wealthy and powerful ranchers. Can Porfilo prove himself innocent, or will his life be paved in blood for the rest of his days? Excerpt: "I was not born upon Monday,

Tuesday, Wednesday, nor upon Thursday, or Saturday, I presume, because the blessings of those days are mixed; but I came into this world upon a Sunday. I was the only child of a butcher in the town of Mendez, in Arizona. His name was Leon Porfilo, and I was given the same appellation."

[Fugitive Slaves and Spaces of Freedom in North America](#) Damian Alan Pargas 2020-09-08 This volume introduces a new way to study the experiences of runaway slaves by defining different "spaces of freedom" they inhabited. It also provides a groundbreaking continental view of fugitive slave migration, moving beyond the usual regional or national approaches to explore locations in Canada, the U.S. North and South, Mexico, and the Caribbean. Using newspapers, advertisements, and new demographic data, contributors show how events like the Revolutionary War and westward expansion

shaped the slave experience. Contributors investigate sites of formal freedom, where slavery was abolished and refugees were legally free, to determine the extent to which fugitive slaves experienced freedom in places like Canada while still being subject to racism. In sites of semiformal freedom, as in the northern United States, fugitives' claims to freedom were precarious because state abolition laws conflicted with federal fugitive slave laws. Contributors show how local committees strategized to interfere with the work of slave catchers to protect refugees. Sites of informal freedom were created within the slaveholding South, where runaways who felt relocating to distant destinations was too risky formed maroon communities or attempted to blend in with free black populations. These individuals procured false documents or changed their names to avoid detection and pass as free. The essays discuss slaves' motivations for choosing these destinations, the social networks that

supported their plans, what it was like to settle in their new societies, and how slave flight impacted broader debates about slavery. This volume redraws the map of escape and emancipation during this period, emphasizing the importance of place in defining the meaning and extent of freedom.
